VE DAY

75TH ANNIVERSARY

A SHARED MOMENT OF CELEBRATION

8 - 10 MAY 2020

When VE Day dawns on 8th May 2020 it will be 75 years since the guns fell silent at the end of the war in Europe. Years of carnage and destruction had come to an end and millions of people took to the streets and pubs to celebrate peace, mourn their loved – ones and to hope for the future, but not forgetting those still in conflict until 15th August when it was announced that Japan had surrendered unconditionally to the Allies, effectively ending World War II.

The 75th anniversary will provide our nation, and our friends around the world, with an opportunity to reflect on the enormous sacrifice, courage and determination of people from all walks of life who saw us through this dark and terrifying period. To commemorate this important time we are organising VE Day 75, a three-day international celebration that will take place from 8th May to 10th May 2020.

It will be an opportunity for us all to remember the enormous sacrifices that were made at home and abroad and to joyously celebrate as people did 75 years ago, the arrival of peace in Europe.

Further information on plans to celebrate in Hutton Cranswick will be in the March Bulletin. Keep the date of 8th May free for our shared moment of celebration.

EUROPE CELEBRATES VICTORY

Who do you think you are kidding Mr. Hitler? VE Day was the day the Second World War officially ended in Europe, and there were street parties and celebrations all over the UK. In fact, more than one million people took to the streets to mark the end of the war

Did you know that the term VE Day existed as early as 1944, before we'd even won the war? In September 1944 it was introduced in anticipation of winning the war. While Allied forces were making significant gains through the beginning of 1945, Hitler

committed suicide on April 30th and then it was just a matter of days before the unconditional surrender of Nazi forces. When this was announced to the masses, there were celebrations throughout the world.

Every year there are events and parties to commemorate the end of the most widespread war in history. These usually involve Union Jack bunting, 1940s fancy dress and 1940s entertainment. In the modern world of international travel and the Internet it seems incomprehensible that for 6 years of the Second World War there

was rationing of even basic foods. Children grew up having never seen a banana, and ration books were prized possessions. The end of the War was a massive thing for many people who had been living in fear of bombing from the Germans, the black-out with no lights allowed, and even train station signs removed in case German soldiers were lurking. The War had a massive impact on daily life for everyone, in a way that nothing has since - and possibly never will.

Take a Springtime walk

Take the opportunity to have a walk through Centenary Wood.

Tree work is complete. New benches and pathways have been installed. Plenty of opportunity for youngsters to build dens.

Snowdrops and other springtime bulbs are already starting to make their presence felt. Those on the Hutton Cranswick Community Facebook page will have seen the beautiful pictures placed there by Paul Sedman and George McGowan.

Advent Window Trail

Thanks to the 24 households who joined in the 2019 Advent Window Trail. We received some very positive comments. Congratulations to all of you.

We will be discussing whether to repeat this for 2020, so if you have any comments, please contact either Heather Teare or Gina Simpson. Contact details below.

Let us know

Several plants have been removed from In Bloom containers and ground beds. If you notice any unusual activity around and in the containers and ground beds - that is, the removal of plants rather than the planting of plants please get in touch.

HUTTON CRANSWICK WI MEETING

It was an interesting meeting to start the new year. President Lyn welcomed us and Jerusalem was sung.

Jo informed us that there was to be a street party in the village as part of the VE celebrations and it was agreed that we should take part.

The committee invited all members to join them at an afternoon tea at the Garden Centre on 24th February at 2pm.

Lyn and Gwynneth read out the WI Resolutions, there was some brief discussion before we handed in our voting slips.

Finally Mary, our speaker for the evening arrived. Apparently she had driven all the way from Manchester

but found the "unlit country lanes" of East Yorkshire rather a challenge. Once refreshed with a cup of tea, Mary gave a very interesting and well researched talk on the life of Beatrix Potter. Refreshments followed.

The competition, judged by Mary was for a hand crafted rabbit and won by Lyn Neill, 2nd Kate Ollett, 3rd Jo Richards.

The next book group is at Sylvia's on 25th February.

Coffee Stop at the garden centre 31st January, 10-30ish.

Next meeting, the annual meeting is 11th February. No competition.

Dear friends,

In the last 6 weeks, I've been thinking about 'new beginnings' and how life teaches us to see things in a different light. This Christmas I thought about Joseph, Mary and Jesus as refugees, fleeing from a brutal regime trying to kill them and seeking sanctuary in Egypt. What changes?

We've had some exciting 'new beginnings' in the village with our joint ventures with Chapel: "Disaster" Saturday Coffee Mornings, Men's Group, Nativity in the Barn, Epiphany Party and Rock Eucharist. Watch this space for more!

When you're reading this, it will be February, and we see new beginnings in our garden with winter jasmine in flower, daffodil bulbs peeping through the soil, aconites showing their bright yellow heads, the snowdrop in full bloom and a magenta carpet of dwarf cyclamen. The birds let us know when they need feeding with their incessant chatter.

What about new beginnings in our lives? What do we have to look forward to?

We're told we live in a society that wants everything 'now' so what can we have 'now'?

The good news, the really good news, the incredibly good news is that we have a loving God who is the 'now', who is also the 'was' and the 'will be'.

John Donne said, "No man is an island". If he was writing today, he'd possibly say, "No person is an island." Regardless of how he expressed himself, what he said remains true.

A 'new beginning' may be to reach out to someone for companionship, to look for places to go where we may be sure of a smiling face and a warm welcome. If you're reading this, you will see all kinds of events mentioned in the Bulletin. It's a 'good read'! If there's nothing that excites you there, the 'What's On' pages in our Driffield and Wolds Weekly and other local newspapers list all sorts of events.

A 'new beginning' may be to reach out to God, or to reconnect. The choice is yours.

Love

Gwyneth.

A service for
Women's World Day of Prayer
will be held jointly, with members of
Cranswick Methodist Chapel,
at St Peter's Church, at 2.00pm
on
Friday 6 March 2020.

This year, the service has been devised by the Christian women of Zimbabwe, and will reflect on the difficulties and unrest that have plagued their country for many years. It is entitled

'Rise! Take your mat and walk'.

Refreshments will be served after the service.
Everyone is most welcome.

Children Interviews

We had conversation with lots of people and Ray Jones was one of them. We learnt about his childhood during WW2. After we spoke to him for a couple of hours he said, 'I felt like a ten year old for a few hours!'

Was your house bombed?

Ray Jones' house was luckily not bombed since he lived in the countryside during the war. He heard about people he knew being bombed.

Did anything change in your house after the war?

Ray told us that everyone in his house were upset when they heard the war had started. His uncle was a prisoner of war in Japan so his family were worried about him and devastated that he was taken away.

Was your house big?

Ray explained to us he owned a massive country house with an ice cream shop underneath. He was very lucky to live in such a nice area of the countryside because he was safer. Even with rations, Ray was allowed free ice cream because a family member owned the business.

Did you get evacuated?

Ray was very happy and glad that he was not evacuated since he lived in the countryside. He was safer where he was brought up. During the war he was able to make new friends with evacuees.

Did any evacuees come to you?

During our discussion, Ray told us that he had two twin brothers who were evacuated and they came to him. He commented that they were very friendly and they were

appreciative of being kept safe. Whilst they were staying with him their mother came to visit them and the cat got its head stuck in a tin of food – what a good first impression!

How far into the war were you told about the war?

Ray was told about the war when it

first began. He was 5 and he only properly understood what happened in the war many years later when he was 9.

What was the war like?

Ray reminisced about the war and replied it was not as scary for him since he lived in the countryside. He did understand how scary it would have been for other children, particularly those in cities or with family members fighting.

Did you go to school during the war?

Ray Jones explained that he still went to school during the war. They knew the war was happening but had to carry on as normal.

Did your teacher change when the war started?

One of the teachers in school did unfortunately change during this time. This was because the teacher was a man so he did not have a choice - he had to go to fight in the war instead of being a teacher.

Did you learn about the war in school?

Ray didn't learn about the war when he was at school but he heard some information about it when he was at home on the radio.

Did you have three meals a day?

Ray didn't always eat three meals a day but he told us how he liked to eat Spotted Dick for pudding. It was not always with the dried currants (because of rationing) and sometimes he didn't have custard either!

Did you grow most of your food?

Ray wasn't able to grow food for his meals because they did not have a garden to have a vegetable patch.

Inter-Church Prayer Fellowship

Mondays 9.30 am at 13a Orchard Lane

Sherlock Holmes would inform us that no-one enters or leaves a room without leaving something of themselves behind. There will be a fingerprint, footprint, trace of hair, thread of clothing or some DNA evidence that we have been there and done that. A few years ago, we were burgled – scenes of crime came and eventually some lads were caught for burglary because they left a footprint of a shoe!!

Do you ever wonder what image you give to those around?

There was a wealthy American family who wanted to give their Grandfather a gift to celebrate a significant birthday. He had money and artworks, so what could they possibly give him? They decided to have a biography written. Sparing no expense, they found the best writer and genealogist. As the birthday approached, they realised that they had forgotten to mention Uncle George the 'rogue in the family'. He had sold State secrets to the Russians and was sent to

the electric chair. The biographer told the family not to worry because he had included the incident in the biography.

George occupied a chair of applied electronics at an important government institution. He was attached to his position by the strongest ties and his death came as a real shock!!

What image do you have in the village, in our homes and workplace?

What 'footprints' do you leave?

What difference do you make?

How will you be remembered?

What impression do you leave?

I was leading an assembly recently at Hutton Cranswick school sharing the story of a young man called Sam from Bristol who lived in the early 1800's. As a child he had watched over loaded "coffin ships" going out to sea and many never returned. The greedy ship owners

didn't care about the lives lost or the widows and orphans. They only cared for the insurance money. Sam became an MP and battled to bring in a law to protect sailors from these unscrupulous owners.

It took him many years but eventually the Merchant Shipping Act of 1875 was passed which established the marking of a load line on every cargo ship. It was called the International Load line but is better known as The Plimsoll Line!

Samuel Plimsoll was moved by his Christian faith following in the footsteps of William Wilberforce and Lord Shaftesbury to fight injustice. He became the sailor's friend, a philanthropist whose tireless campaigning saved hundreds of lives. He left his mark literally!

Regards

Renewal of some of the scene was to be considered for next Christmas. It was noted there been some predation of fish. It was possibly mink. Cllr Richardson would provide a mink raft to detect if this was the case.
- (c) **Local Access Forum** – Cllr Richardson reported that at a recent Forum Meeting, concerns had been expressed about damage to and speeding on green lanes by 4x4 vehicles. Incidents should be reported to the Police on the non-emergency number, 101.

19/262 Play Area – The actions resulting from the 4 weekly inspection were noted, in particular the £381.88 cost in repairing the wilful damage done to the handle of the aerospeed equipment. An offer of compensation for the removal of the Teen Shelter was not accepted. The Clerk was to contact the supplier. Cllr Thompson was completing an application for a commuted sum grant.

19/263 Community Safety – A number of issues were raised:

- (a) East Riding of Yorkshire Council was looking to improve safety, following concerns raised by a resident, to the access to the polling station at the Bowls Club. It had been suggested to put temporary lighting up to ensure everyone who wished to vote felt more comfortable walking across to the polling station.
- (b) East Riding of Yorkshire Council's Highways Engineer had inspected Mill Street and there was a small amount of damage to the verges, but with the amount of rain the verges were very soft. The situation was to be monitored and undertake any works required in the spring being the best time to do verge repairs.
- The potholes/edge damage on Hutton Road was to be repaired within the next week.
- (c) During the installation of the lights on the pond (19/261b), which necessitated parking a vehicle at the side of the pond for around one hour, there had been a number of drivers showing a lack of patience, poor judgement, driving too fast with what appeared to be a lack of safe and responsible driving. The Council would actively explore the creation of a Community Speed Watch Team with the aim of making drivers more aware of the speed limits through the village.
- (d) Cllr Mrs Simpson reported there had been a recent incident of inconsiderate parking of cars by residents on Hobman Lane. This had resulted in severe disruption and traffic congestion as the position of the parked cars did not allow sufficient room for a School bus to safely pass between. It was noted a vehicle causing an obstruction in such a way, that it was considered to be a hazard to pedestrians or other road users, can be reported to the Police on the non-emergency number, 101.

19/264 Clerk's report:

- (a) **Southgate – broken sewage pipe** – Concerns had been raised by residents over the time taken by Yorkshire Water to clear up the mess following damage to the sewage. A road sweeper had attended site on the 27th November, 2019. A resident had organised the jetting out of blocked drains.
- (b) **Rough Sleepers** – The Council had been asked to provide information on people sleeping rough in the Parish for the evening of Tuesday 19th November into the morning of Wednesday 20th November. The Council was not aware of any rough sleepers in the Parish during this period.
- (c) **Data Protection** – The Council had received a certificate from the Information Commissioner, confirming receipt of the annual data protection fee payment and registration as a data controller in compliance with the Data Protection (Charges and Information) Regulations 2018.

- (d) **Repairs to footpath that runs across The Green from the School to Hotham Road** – The Clerk was in discussion with Highways.

- (g) **Damage to the Green at the junction of Hobman Lane and Main Street** – There was evidence that the driver of a Warburtons delivery vehicle had caused the damage. - (h) **Station Road traffic speed survey** – Historical speed data for Station Road provided by Paul Lisseter was noted. PCSO Sharp was arranging for a speed survey to be carried out on Station Road.

19/266 Centenary Wood – It was noted Northern Power was to prune and trim trees, hedges and vegetation around the overhead power lines and clear the transformer and fuses of vegetation.

19/267 Gatehouse Lake – The Angling Club had completed the final stretch of the otter fence. A request from the Club to locate an additional 10m container, next to the existing container, to act as a wet net room was granted (proposed Cllr Richardson/seconded Cllr Teare).

19/268 Parish Plan – Cllr Teare gave an update on the development of the Parish Plan. Cllr Teare was to organise two evening workshops in January and February. Both would take place outside of the normal council meeting timetable. For each issue identified in the Plan, a number of questions would need to be considered - What is the real issue? Who has ownership? What outcome is sought? Who needs to take action? What influence can be brought to bear? What happens next? Parish Councillors and other key stakeholders would be invited to attend the workshops.

19/269 Communication – An offer to upgrade the Council's website was noted. Cllr Swan and Cllr Teare were preparing a specification with a view to create a more comprehensive website as a single point of information about the parish.

19/270 Village Flag – An update from Cllr Teare was noted. The final flag design was accepted and it was agreed to purchase three flags (proposed Cllr Kelly/seconded Cllr Mrs Simpson). Suggestions for flag flying dates was requested. The Union Flag was to be flown in 2020 for the same events as in 2019.

19/271 Noticeboards – Resolved - To approve the quotations for the supply (£3440.00) and installation (£480.00) of new notice boards (proposed Cllr Richardson/seconded Cllr Thompson). The cost was contained in the overall budget. There was to be a new board in Centenary Wood and replacements for the existing parish council noticeboards located at the play area, St. Peter's Church and Main Street, Cranswick (minute 19/176).

19/272 2020-21 Parish Council Budget – Following consideration the proposals discussed at the October Meeting and assumptions in a budget briefing paper, it was **Resolved** - To approve expenditure of £104,365.00. This was to be funded by £41,156.00 income, £22, 500.00 from the Legacy Fund (improvements/new equipment to the play area) (proposed Cllr Teare/seconded Cllr Alderton), £33,115.00 from the Local Precept Demand from East Riding of Yorkshire Council and £7,594.00 from monies held by the Parish Council (proposed Cllr Thompson/seconded Cllr Swan).

Confirmation of the actual tax base was subject to a decision by The East Riding of Yorkshire's Cabinet on the 17th December, 2019. The Council was to make a Local Precept Demand to East Riding of Yorkshire Council of £33, 115.00 to support its 2020/21 budget, this was a 10% increase to the 2019/20 precept (£30,105.00). The Local Precept Demand would be presented for sign off at the next Meeting.

- (b) **Station Road traffic speed survey** – A speed survey carried out on Station Road, by PCSO Sharp, on the 17th December, 2019 was noted. It was agreed to ask for the survey to be repeated, as it was considered that normal driver behaviour would not have occurred, as the road was icy and that there was a delivery lorry parked for around 40 minutes which caused an obstruction resulting in drivers having to slow down to pass the lorry safely.
- (c) **Consultation on Strengthening police powers to tackle unauthorised encampments** – The Clerk had submitted a response to the Consultation.
- (d) **Community Emergency Plan** – A review of the Plan would be presented to a future meeting.

Communication and the Local Economy. By the end of the month Cllr Teare planned to invite a number of key stakeholders to the Workshops.

19/298 Communication – An offer to upgrade the Council’s website was under consideration.

19/299 Local Precept Demand for 2020-21 Precept – At its last Meeting, the Council approved to make a Local Precept Demand of £33,115.00. It was **Resolved** to submit a Local Precept Demand to the East Riding of Yorkshire Council for the approved figure (proposed Cllr Lock/seconded Cllr Sibley-Calder).

The final 2020-21 tax base for Hutton Cranswick Parish Council had been confirmed as 809.6 for Band D equivalent properties. In 2020-21, there would be an increase to the amount to be included for the Parish Council element of the Council Tax Bill as follows: -

Period		2019-20	2020-21	
Precept		£ 30,105.00	£ 33,115.00	
Band D Equivalent Tax Base		788.1	809.6	
Parish Council element included in the Council Tax Bill				
Property Bands	Band Ratio	Amount	Amount	Increase
A	.6/9	£ 25.47	£ 27.27	£ 1.80
B	.7/9	£ 29.71	£ 31.81	£ 2.10
C	.8/9	£ 33.96	£ 36.36	£ 2.40
D	.9/9	£ 38.20	£ 40.90	£ 2.70
E	.11/9	£ 46.69	£ 49.99	£ 3.30
F	.13/9	£ 55.18	£ 59.08	£ 3.90
G	.15/9	£ 63.67	£ 68.17	£ 4.50
H	.18/9	£ 76.40	£ 81.80	£ 5.40

As part of the annual review of the Council’s financial requirements, it was always recognised as good accounting practice to review the Parish Council element of the Council Tax Bill when calculating the Local Precept Demand. Over the last 3 years, it was considered appropriate not to make an increase to the Parish charge. This year, the Council decided to make a small increase to the Parish charge paid by households to help the Parish Council maintain a healthy financial position.

19/300 VE Day 75 on the 8th May, 2020 – Initial ideas to celebrate VE Day 75 were discussed. Cllr Teare agreed to provide a more detailed, costed proposal to a future meeting. An event was envisaged to be held on the Green.

19/301 Section 137 (4)(a) Local Government 1972 Act Expenditure Limit for 2020-21 – Section 137 allows a Parish Council to spend a limited amount of money for purposes that it has no other specific statutory expenditure. The expenditure, has to be in the Council’s opinion, in the interests of, and will bring direct benefit to, the Parish or any part of it or all or some of its residents. The Ministry of Housing, Communities and Local Government had confirmed the appropriate sum for 2020-21 was £8.32 per elector.

Applying 2125 (the population figure reported to the auditor on 31st March, 2019) to the £8.32 results in an estimate of £17, 680 for S137 expenditure in 2020-21. This figure would be firmed up on the 31st March, 2020.

Any expenditure must be contained within the Council budget.

19/302 Request from East Riding of Yorkshire Council’s Flood Risk Management team to provide information of any flooding (property internal flooding, property external flooding, highway flooding)

Signed.....Date.....

that occurred in the Parish during the recent floods in October and November, 2019 – It was noted flooding had occurred at the junction of Hobman Lane and the A164, on, Southgate, on Orchard Lane, on Hutton Road, on Jenkinson Lane and in the garden of Octon House, 14 The Green.

Guidance on commenting on Planning Applications

Whilst all comments on an application are reviewed, only matters relevant to the application are normally taken into account, these are known as 'material planning considerations'.

'Material considerations' are extremely varied and include fundamental factors involved in land-use planning such as:

- the number, size, layout, siting, density, design and external appearance of buildings

- the proposed means of access landscaping

- impact on the neighbourhood**

- the availability of infrastructure

Issues which 'may' be considered

- Planning history of the site

- Overshadowing

- Overlooking and loss of privacy

- Adequate parking and servicing

- Overbearing nature of proposal

- Loss of trees

- Loss of ecological habitats

- Archaeology

- Contamination by a previous use

- Effect on listed building(s) and

- conservation areas

- Access and highways safety

- Traffic generation

- Noise and disturbance

- Disturbance from smells

- Public visual amenity

- Flood risk

- Planning gain

Issues which 'can not normally' be considered

- Loss of value to an individual property

- Loss of a private individual's view

- Boundary disputes including encroachment of foundations or gutters

- Private covenants or agreements

- The applicant personal conduct or history

- The applicant motives

- Potential profit for the applicant or from the application

- Private rights to light

- Private rights of way

- Damage to property

- Loss of trade to individual competitors

- Age, health, status, background and

- work patterns of the objector

- The amount of time taken to do the work

Happy New Year to everyone!

It seems so long ago now, but thank you to everyone who came to watch the tree lights being turned on. It was great to see so many people come out and support this event. We will be running it again next year and we can make several improvements, such as more space available to get refreshments to reduce the waiting time, and a sound system so everyone can hear better.

It's great to report that as a group, all sections are full, however, we can still add names to our waiting list if you want to join.

We're always on the look out for adult volunteers, in many roles both helping lead sessions with the young people, and supporting the group from behind the scenes. Get in touch with us at cranswickscouts@gmail.com

We have an action packed programme planned for spring and summer term. So look out for our regular reports in The Bulletin

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Do more. Share more. Be more.
Join us as a volunteer

First of all, we would like to wish a very happy new year to one and all. We hope you and your families had a wonderful festive break and are looking forward to a happy and prosperous 2020.

The Christmas period saw a couple of memorable evenings. Firstly, the Mince Pie and Mulled Wine Evening at The White Horse. It was a somewhat chaotic but hugely enjoyable affair! Bells were rung, songs were sung and drink was drunk (in copious amounts!). It was great to see so many people from the village singing along and helping us to raise money for our chosen charity, SASH. A huge 'thank you' from all of us to all of you.

Next up was our Christmas dinner, also at The Gee Gee a couple of nights later. Clive and his team did us proud. Great food, fabulous service and a real fun night out.

And so on to future events. We don't have too many rehearsals left before our major event of the year - our Charity Concert. This will be held at Foreman's Garage on Saturday, March 14th. Tickets are only £10, which includes your supper and we can promise you an evening of fun and song with the proceeds going to SASH. Tickets can either be purchased from Janet at Foreman's Garage or by contacting Fiona on 07984 657071

We are still on the lookout for new members and you can be assured of a warm welcome. There is still time to be part of our concert and it's a great way to meet new friends. Subs are only £2 per week and we don't hold auditions - all are welcome! Rehearsals take place every Monday in the back room of The White Horse from 7.30 till 9.00 pm.

Why not come along and give it a go - new year, new hobby. We look forward to seeing you.

In harmony
Haz.

Your Sports and Recreation Association

We believe a more modern building would greatly enhance the facilities within the village and offer a greater choice of activities.

We are now planning to build this new facility for the village which will meet these aspirations. To do this we will need to raise £560,000. We are putting the project plan and detail in place so that we can identify the next steps for creating the new building.

We are seeking funding through various charities and trusts. We are looking locally to suppliers and trades people who are prepared to offer their expertise in creating our new building. Please get in touch with Mike Wardell on 07814 923699.

Scar, Mufasa's brother—and former heir to the throne—has plans of his own. The battle for Pride Rock is ravaged with betrayal, tragedy and drama, ultimately resulting in Simba's exile. My Own Chapter for Warhorse

It had been two hours since we had boarded the boat and my eyes had just adjusted to the darkness. I looked round the new environment. I could see dim lanterns hanging in each corner of the container. As the boat went over a rather large wave, I saw a sea of horses sway in front of me. The air was humid and it sort of hung there. The ceiling had condensation on it and a drip of water would fall beside my foot every now and again. In my pen there was a hay net that hung there sad and upset with dull coloured hay in it. I heard a faint sound behind me I went to turn my head but it was tied by a decaying rope to a rusty ring on the side of my pen.

The clinking noise got louder until it was right behind me. The pen door opened with a squeak. Captain Nicholls had come to sketch me, he plonked himself down on an upturned painted red bucket and got his thick

notepad out. He had been sketching me for about five minutes when he stood up he had heard some footsteps and so had I. After the footsteps stopped there were voices and mentions of me. I realised it was Captain Stewart and Samuel Perkins. As I turned my head the slightest bit, I saw the fear climb on Captain Nicholls. Then I spotted Tophorn a slight smile crept on my lips.

That night Samuel Perkins came down to groom Tophorn. He headed into his pen and got all his brushes and began to groom his silky black hair. I was questioning why he came to groom him at this time? After Tophorn was groomed for at least half an hour, he left the pen and came into mine! When he came in I could see him smirking, he threw some hay at me, I was infuriated. I knew what to do as he came around the back of me I kicked him

right in the stomach. In that split second I was reminded of the time when I kicked father. I managed to turn my head and I saw father crawling out of the stable back on the farm. I hid in the corner of the pen and closed my eyes. Five minutes passed and Captain Nicholls came I was instructed by him to leave my pen.
