VE DAY

75TH ANNIVERSARY

A SHARED MOMENT OF CELEBRATION

8 - 10 MAY 2020

When VE Day dawns on 8th May 2020 it will be 75 years since the guns fell silent at the end of the war in Europe. Years of carnage and destruction had come to an end and millions of people took to the streets and pubs to celebrate peace, mourn their loved – ones and to hope for the future, but not forgetting those still in conflict until 15th August when it was announced that Japan had surrendered unconditionally to the Allies, effectively ending World War II.

The 75th anniversary will provide our nation, and our friends around the world, with an opportunity to reflect on the enormous sacrifice, courage and determination of people from all walks of life who saw us through this dark and terrifying period. To commemorate this important time we are organising VE Day 75, a three-day international celebration that will take place from 8th May to 10th May 2020.

It will be an opportunity for us all to remember the enormous sacrifices that were made at home and abroad and to joyously celebrate as people did 75 years ago, the arrival of peace in Europe. Keep the date of 8th May free for our shared moment of celebration.

Village in Bloom Coffee Morning

At the SRA Clubhouse Rotsea Lane

Saturday 28th March

10.00 to 12.30

We are making good progress with the installation of larger containers and new ground beds around the village. We have also been removing many of the smaller containers which are so difficult to keep watered and looking good during the summer.

Thanks to all the In Bloom volunteers and others who have helped with this project:

- Thanks to Sears and Newman for donating 50 box hedging plants
- Mike Harper for donating the large water trough/ containers and transporting them to their final locations
- Sean Paxton for preparing the ground for the containers
- The Village in Bloom volunteers who have been painting the containers, shovelling top soil from the large builders' bags into smaller bags and transporting them to the various locations and filling the containers

Let us know

Several plants have been removed from In Bloom containers and ground beds. If you notice any unusual activity around and in the containers and ground beds - that is, the removal of plants rather than the planting of plants please get in touch.

Village in Bloom is organising a Coffee Morning on Saturday 28th March from 10.00 – 12.30 at the SRA Clubhouse, Rotsea Lane. There will be Plants, books, cakes, jams, prints, mugs, various craft items and a raffle.

Free entry, with refreshments.

Come and visit us to see what we are doing – we will have photographs of our latest projects. Currently we are responding to the changes in climate by planting more perennial plants and creating displays in larger containers and ground beds.

Volunteers

We are still looking for volunteer gardeners to help with maintenance of part of the border at the station – Bridlington side. 'Training' will be provided. Please contact us below if you are interested.

Next meeting

The next meeting of the 'In Bloom' group will be on **Tuesday 10th March** at the **Cranswick Garden Centre** starting at 2.00 pm. All welcome.

11 February 2020,

Lyn welcomed members, Jerusalem was sung.

Birthday cards were handed out and Happy

Birthday sung.

We then had the annual meeting where accounts were gone through and various reports given. Brief reports on the book group and coffee stop were given followed by the competition results.

We have a small prize for each monthly competition and points are added up for the whole year. In 3rd place was Lyn, 2nd was Gwynneth and 1st was Jo R. They all received prizes and Jo was presented with the shield to be kept for one year. All members were urged to enter the competition as the 2019 winners all happened to be committee members.

A report was given by secretary Gwynneth, reminding us of the events in which we had participated over the year, these included the Strawberry Tea in our hall and the Group Rally held at the Rugby Club. The final report, an emotional one, was read by Lyn who is stepping down as president. A vote of thanks was given by Gwynneth and Lyn was presented with a small gift and a bouquet of flowers.

A new committee was elected, mostly the same people, but we now have a new president in Gwynneth.

After some lovely refreshments we had a short fun quiz and drew the raffle. Our next meeting is March 10th, the subject is Knitted Ganseys and the competition is for a small knitted item. April's meeting is 14th April, subject, Burlesque, competition a decorated bra.

Girlguiding in Hutton

Cranswick is thriving and gives local girls the space

to build their confidence and have adventures.

However, Brownies (7-10 years old) and Rainbows (5-7 years old) units both need new adult volunteers to help at the weekly meetings. The two units are active and lively places where the girls take part in fun games, activities and badge work. Girlguiding is a worldwide organisation and helps young women to find their place in their community as well as building friendships. The units love to get together with other local groups to have even more adventures.

Our volunteers not only find it very rewarding, volunteering with Girlguiding can also be great opportunity where you can develop your own skills and interests. New volunteers will be supported by the team and all you need is enthusiasm and a willingness to have fun. Could you help? Register your interest at girlguiding.org.uk/get-involved/

LENT LUNCHES AT ST PETER'S ON SATURDAYS OF LENT

A simple meal of soup, bread & cheese will be served at St Peter's on the Saturdays of Lent, from 12noon to 1:00pm. This will continue from 29 Feb until 4 April. It is a joint venture with the Methodist friends. Everybody is welcome.

March – The season of Lent

Are you preparing for Spring? We are now in the month of March. The amount of daylight is increasing every day, the temperature generally starts to rise a little and the earth seems to come to life again after the winter. But, always be prepared for the unexpected. As I write this, the whole of the UK is being battered by a winter storm Ciara with winds up to 100mph and the Humber Bridge has been closed to all traffic and pedestrians, this being the first time due to weather conditions in nearly 30 years!

The official day for the start of spring is the 20th March, and British summertime begins on the 29th March.

During March Christians from many denominations celebrate Lent. Did you know that the word 'Lent' comes from the Anglo-Saxon word 'Lencten' which translates to 'Spring'.

Lent lasts for 40 days excluding Sundays and is a time to focus and prepare before Easter. This is reminiscent of Jesus' time in the wilderness, where his faith was tested and he fasted before starting his public ministry. Many celebrate Lent by giving up something significant in their life, and to recognise that Jesus' sacrifice for humankind was so astounding. This could be giving up certain foods or changing something in their lifestyle. Another option may be volunteering to help a local charity.

It is also time for us at St Peter's to prepare, by running weekly Lent courses and lunches throughout the

month in conjunction with our friends at the Methodist Church. This is a time of learning, encouragement and sharing leading up to our Easter service celebrations in April.

March is a time of planning and activity as everything starts to grow around us. It is time for getting out into the garden, clearing up after the winter, planting out and pruning roses and shrubs ready for new growth and a wonderful display of spring colour and fresh buds starting to bloom from trees, shrubs and flowers. If you would like a family spring walk on a fine day, why not have a walk through Centenary Wood, where there is lots to see and enjoy.

Do not forget, there is also another important date in March - Mothering Sunday is 22nd March. A special service will be held in St Peter's to celebrate all the 'mums' in the village. All will be very welcome at this special celebration, and looking ahead, we would be delighted to see you at our Easter services.

Have a wonderful Spring and whatever you are doing in the Lenten season, may you be blessed and are able to set aside time for reflection, renewal and growth.

Michael

A service for
Women's World Day of Prayer
will be held jointly, with members of
Cranswick Methodist Chapel,
at St Peter's Church, at 2.00pm
on
Friday 6 March 2020.

This year, the service has been devised by the Christian women of Zimbabwe, and will reflect on the difficulties and unrest that have plagued their country for many years. It is entitled

'Rise! Take your mat and walk'.

Refreshments will be served after the service.
Everyone is most welcome.

Children Interviews

Year 6 were asked to visit the Womens' Institute Hall to interview five lovely people that were children during World War 2 and we got to interview Doreen Stephenson.

How old were you at the start of the war?

Doreen told us that she was three years old and her sister was two at the start of the war. By the time the war was over, Doreen would have been nine and her sister would have been eight.

Did you have a big house?

Doreen told us that she had a small bungalow house in a part of London called Chingford. She had an Anderson shelter in her back garden which they used whenever the loud, scary air raids went off so did not have to travel for protection when the air raid sirens sounded.

Did you move household in the war?

Doreen explained that she did move house (with her mum and sister) to her auntie's house in Banbury. She moved because she wasn't safe and she had to get evacuated to a safer environment.

Did you witness any deaths?

Doreen said that she was playing with her friend one day, however the next day her friend was no-where to be seen, Doreen told us how upsetting this was to her and it is obviously something she has never forgotten.

Did you grow food supplies in your garden?

Yes, she did. She grew all sorts of vegetables in her back garden so was lucky enough to be well fed. As well as this, her mum even made cupcakes for her and her sister.

What was your favourite subject at school?

Doreen's favourite subject at school was music; she said she enjoyed it very much. She was happy that she didn't even have homework at school!

What was your favourite thing to eat?

Her favourite thing to eat would be Dolly Mixture sweets, which she and her sister used to share together. This was a really good treat for them! They were allowed 12oz of sweets every week.

Did you have many friends?

Doreen had quite a lot of friends in school however she also played with the boys out of school too. She couldn't play with the boys in school because they had separate playgrounds.

What sort of games did you play?

When Doreen was younger she used to play: ball, skipping, bat and ball and juggling. Doreen loved playing these games out of school as well as skipping in school.

Written by Tilly, Eva, Jake and Ava

We interviewed Peter Hyde to see what it was like in WW2 as a child. This is what we found out...

School life

Peter explained to us that he only had 4 teachers and 1 head teacher. They were called: Miss Racey, Mr Parker, Mr Cundall, Mr Atkinson and Miss Whighting. He left school at the age of 14 so he was able to go and work. Peter commented that he came to our school. Some teachers kept their job but some went to fight. Once, he didn't have to go to school until 9:30 because of the air raid sirens during the night. They were warned at school that WW2 was going to take place.

Play

Peter recounted a game he played when he was a young boy. He enjoyed playing football and rugby. Also, he used to play cricket.

Homes/Evacuation

Peter stated that his home was not as big as houses are now. He didn't get evacuated because he lived in a village so was seen to be safer.

Work

Peter told us that his father worked on a farm. They lived at the top of Hutton. They grew vegetables in his garden so they could use them in cooking.

War Threat

Mr Neville Chamberlain announced war with Germany on the radio on the 1st September 1939. Peter wasn't scared when he heard about the war or when the war started because they were told about the war in school and he was too young to understand everything about it.

War

During the war some very memorable things happened. A fighter plane and a bomber crashed above his house and all of the fighters died. Bombs dropped on his street and on Megginson's Road. He also saw a buzz bomb in the air gliding down to the floor. Peter even told us that some soldiers got drunk during the war.

Air Raids

Peter heard air raid sirens and wasn't bothered by it because it happened all the time, sometimes up to 2 or 3 times a day. They were to keep everyone safe.

Rationing

During WWII all sorts of foods were rationed. Sometimes this was because ships that supplied foods to Britain were attacked on their journey. There were also lots of other reasons too. Peter remembered cheese and sweets being rationed. His family were only allowed 5oz of cheese per week and 14oz of sweets per month. This was not a lot.

End of War

After the war, Peter's family and everyone else on his street had parties outside. They were huge celebrations and even included fireworks!

Who is your hero?

Gerry, a friend of mine impressed me immensely when he told me that he had met Clayton Moore 'Who is that' you might ask? I remember responding with a Wow!

He shared with me of how that great meeting came about. As a child he was recuperating in hospital when down the ward strode this man resplendent in a pale blue suit, a red bandana around his neck and a pure white 'Stetson' hat. He also had a black mask covering his eyes and a black leather gun belt and holsters containing two silver revolvers, and of course the famous silver bullets. 'Who was that masked man?' It was The Lone Ranger played by Clayton Moore.

In the TV series he played the part of a surviving Texas Ranger who had been attacked and was nursed back to health by the Indian Tonto. He rode his magnificent horse Silver throughout the West, doing good while living off a silver mine which supplied him with income and bullets. I can't hear the William Tell overture without shouting "Hi Ho Silver! Away!".

Apart from The Lone Ranger I grew up watching Superman, Batman and many others. For me and countless

others they embodied qualities of a true hero, a sense of right and wrong, fighting for the underdog and only using force when needed. But alas they are all fictional.

Who are your heroes? Who would you erect a statue in honour of? Heroes can divide opinions. You only have to say the names of Margaret Thatcher or Arthur Scargill who can be seen as Hero or Villain depending on which people you ask.

We have recently remembered the anniversary of the release of a great modern hero to many - Nelson Mandela. Archbishop Desmond Tutu said of him "He preached a gospel of forgiveness and reconciliation. He showed in his own character, and inspired in others, many of God's attributes: goodness, compassion, a desire for justice, peace, forgiveness and reconciliation. He was not only an amazing gift to humankind, he made Africans feel good about being who we are. He made us walk tall. God be praised."

Mandela offered his thanks for the influences of religious groups in his life "It was religious institutions, the people who bought land, who built schools, who equipped them, who

employed teachers, and paid them," he went on to say "Without the church, I would never have been here today."

It will be no surprise to say that for me the greatest hero is Jesus of Nazareth. He was someone who divided opinion because he challenged people in how they lived and who they served. He was exalted by crowds who in the next breath turned against him.

He still divides opinion and still challenges our world today and 2000 years later Jesus Christ is the ultimate hero. He didn't fight wild beasts, slay mythical dragons, or thwart schemes of super baddies. He didn't have a Saturday evening TV show, lower the crime rate, reduce national debt but he truly lives up to the meaning of "hero", "defender", "protector". He walked where we walked, faced the problems we must face and he won.

My greatest hero is Jesus, believe in him, put your trust in him make Jesus your hero and his victory will be your victory.

God bless,
Robert

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council held in the W.I. Hall, Main Street, Cranswick on Wednesday, 22nd January, 2020 at 7.00 pm.

Present: Councillors: Alderton, Kelly, Richardson (in the Chair), Sibley-Calder, Swan, Teare, Thompson, Wilkinson, Wilson. Ward Councillors: Evison, Lisseter, Owen.

Parishioners present: Three. The Clerk recorded the minutes.

20/001 Apologies: Councillors: Lock, Poolford, Mrs Simpson.

20/002 Declaration of Pecuniary and Non-Pecuniary interests

Cllr Kelly Item No.9((b) - 20/008(b) - Non-pecuniary - Relative of Applicant.

Cllr Teare Item No.15 - 20/012 - Non-pecuniary - HCSRA Committee Member.

Cllr Swan Item No.9((c) - 20/008(c) - Pecuniary – Applicant.

Cllr Thompson Item No. 9(d) - 20/008(d) - Non-pecuniary – Relative of owners of Scurf Dyke Farm.

20/003 Minutes – Resolved – That the Minutes of the Meeting of the Council held on the 18th December, 2019, be approved and signed as a correct record (proposed Cllr Teare/seconded Cllr Alderton).

20/004 Membership – Cllr Mills, a long serving Member of the Council, had resigned from the Council.

20/005 Police Report – Updates from East Wolds and Coastal and Driffield/Rural for December, 2019, the Office of the Police & Crime Commissioner's December, 2019 E Bulletin and an invitation to Meet the Commissioner 2020 in the East Riding, were noted. Cllr Wilkinson was to arrange to attend a 'Meet the Commissioner' Event.

20/006 Public Participation –

- (a) Cllr Swan had declared a pecuniary interest in the planning application at item 9(c) which was work at his property. He had consulted and agreed the design of the alterations with his neighbour prior to submission of the application.
- (b) Tim Gowthorpe, representing members of the SRA, made reference to his written request that the Parish Council consider conducting a feasibility study on the viability of using the agricultural lets on Rotsea Lane as a solar farm. If such a Project came to fruition, Tim proposed the income should be used towards the cost of the new build at the HCSRA.
- (c) Cllr Thompson had declared a non-pecuniary interest in the planning application at item 9(d), as he was an employee of the family farm and he had been involved in discussions over the land to be leased to JMB Solar. He was aware of concerns that had been expressed about traffic movements in the construction period of the development. There had, until recently, been daily heavy vehicle movement using the route to Scurf Dyke for several years. This was in servicing the former Blue Keld Springs at Throstle Nest and the collection of milk from the Scurf Dyke Farm. Any heavy vehicle movement required during construction would be subject to a stringent traffic management plan. JMB Solar had approached the family as the location, the size and the grade of the land at Scurf Dyke made it economically viable to construct a solar farm. In such difficult times in farming, this offered the family an opportunity to secure some certainty for a portion of the farm business for the future. JMB Solar had committed to support biodiversity on the site and use agricultural good practice in developing a grazing regime to maintain the grassland.

20/007 Planning Matters – The following decision was noted:

- (a) **19/03971/PLF:** Erection of two storey extension and porch extension to front and first floor extension to side at Common Farmhouse, Watton Carrs Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9RD – Full Planning Permission – Approved 3 Conditions.

20/008 Planning Applications:

- (a) **19/04163/PLF:** Erection of single storey extensions to front, side and rear, erection of garden shed at rear, following demolition of existing conservatory and garage at 15 Southgate, Hutton Cranswick, East Riding of Yorkshire, YO25 9QX – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Sibley-Calder).
- (b) **19/04203/PLF:** Erection of single storey extension and alterations to existing garage at rear to create office at Mill Lodge, Mill Street, Hutton, East Riding of Yorkshire, YO25 9PU – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Teare/seconded Cllr Wilkinson).
- (c) **19/04212/PLF:** Erection of a single storey extension to rear and detached garage at 1 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ – Full Planning Permission.
Cllr Swan left the room and took no part in the consideration of the application.

It was **Resolved** – Not to object to the application (proposed Cllr Kelly/seconded Cllr Wilson).

- (d) **19/04321/STPLF:** Construction of a solar farm and battery storage facility. together with all associated works, equipment and necessary infrastructure at Land North East of Eastfield Farm, Stockbridge Lane, Hutton Cranswick, East Riding of Yorkshire, YO25 9RB.
Cllr Thompson left the room and took no part in the consideration of the application.

Cllr Wilkinson raised concerns over the extra 1307 deliveries through the village and back again and excess traffic due to the 60-80 workers travelling to the site. Noise and disruption due to excessive working hours would affect her family life and impact of stock grazing in the field.

Cllr Sibley-Calder supported the application as it would provide clean energy, with traffic and ecology issues managed through planning conditions.

It was **Resolved** – Not to object to the application (proposed Cllr Richardson/seconded Cllr Swan).

20/009 Representatives reports:

- (a) **In-Bloom – Resolved** – To approve the location of containers/ground borders as proposed by the In-Bloom Plant Group (proposed Cllr Richardson/seconded Cllr Alderton).
- (b) **Pond** – It was agreed that the lights would be turned off at the end of February, 2020.

20/010 Play Area – The actions resulting from the 4 weekly inspection were noted. Of particular concern was further wilful damage. One of the round posts on the aerospeed cableway had been damaged by knife marks. The School would be informed of the damage. Cllr Thompson would consider the provision of CCTV as part of the play area improvement project.

Cllr Thompson confirmed that the application for Commuted Sums was to be submitted to the February, 2020 Commuted Sums Approval Panel.

20/011 Community Safety – Cllr Thompson had received concerns from a resident that there was a large area of flood water at the corner of Stockbridge Lane and Cross Lane. A landowner had blocked the corner up so water could not get away and it had become dangerous in the corner for some road users.

There was a suspected burst to the rising main associated with the pumping station on Sheepman Lane. Yorkshire Water was investigating the problem and had put in place temporary tankering of the waste until the problem had been resolved. The tankers had damaged the road and verges on Sheepman Lane and a footpath on Laburnum Avenue. Yorkshire Water had been informed of the damage.

A pollution incident at Megginson Turnpike / Station Road / Stockbridge Lane junction was being investigated by a Yorkshire Water field team. It was suspected springs in the area were overloading the sewers causing them to spill. Due to the high-water levels in the sewer, it was not possible to carry out a camera survey at present. Yorkshire Water was manually pumping out the sewage in an effort to reduce the water levels enough to complete the camera survey and determine the exact cause of the problem. The work was still ongoing.

20/012 Clerk's report:

- (a) **Village Taskforce 2019** – An update of the Schedule of Work identified in April, 2019 was noted. The Schedule would be included as part of the reply to a customer satisfaction survey received from East Riding of Yorkshire Council.
- (b) **Bus Shelter – Resolved** – To accept a quotation for the re-felting (£130.00) and applying a coat of decorative preservative (£150.00) per bus shelter (proposed Cllr Richardson/seconded Cllr Teare).
- (c) **Damage to the Green at the junction of Hobman Lane and Main Street** – The request for compensation from Warburtons was in the hands of the Company's insurers.
- (d) **Station Road traffic speed survey** – A repeat speed survey still had to be undertaken.
- (e) **Community Emergency Plan** – A review of the Plan would be presented to a future meeting.

20/013 HCSRA – Cllr Swan reported; table tennis was proving very popular; football pitches were holding up well in spite of the wet ground; archery; drones and tots were all doing well; the Ryedale cycle event was planned for early July, 2020; a 'Have a Go' evening was planned for mid-July, 2020; a meeting on the New Build was to be held next week; the all-weather courts were to be cleaned and SRA had agreed to be part of the new parish website.

20/014 Centenary Wood – The new path and seats had been well received by users of the Wood. It was **Resolved** – To obtain a price for upgrading the existing pathway.

A suggestion on traffic management at the Wood, received from a resident, was referred to the Committee.

20/015 Gatehouse Lake – There was a vacancy on the Committee as a result of the resignation of Cllr Mills. Cllr Wilson agreed to join the Committee. The next Meeting of the Committee was on the 29th January, 2020.

20/016 Parish Plan – The first Workshop was planned for Friday, 31st January, 2020 between 7pm to 9pm at the W I Hall to cover topics, Community Life, Housing, Environment.

20/017 Communication – Consideration had been given to an offer that provided an improved website for the Parish Council. The offer was from a Company with experience of the role and business of Parish Councils. A Senior ICT Application Analyst of East Riding of Yorkshire Council had no issues with the Company and had suggested there may be benefits in pursuing exploring the offer further. Following consultation with a number of groups in the Village, Cllr Swan presented a proposal to create an overarching website for the Village. It was **Resolved** – To work up a costed solution with the Company. with a view to creating a single website for the various groups in the Village (proposed Cllr Richardson/seconded Cllr Thompson).

20/018 Village Show – The 2019 Village Show financial statement and current bank statement were noted. Cllr Teare reported the Show Committee had agreed a budget for 2020 that would break even. The theme for the show was the 1940s. This would link into the VE 75 Day celebrations.

20/019 Flag competition – Cllrs Richardson and Teare had visited the School and presented prizes to the children that were runners-up and children whose design was chosen for the Cranswick Flag. The dates for flying the flag were to be agreed.

20/020 Hutton Cranswick Bowls Club – Following consideration of a letter from the Bowls Club, it was **Resolved** – To grant a request for a £2000.00 contribution towards the purchase of a new lawn mower (proposed Cllr Teare/seconded Cllr Kelly).

20/021 Standing Orders – A revision of the Council's Standing Orders was to be undertaken based on the latest (2018) National Association Local Councils (NALC) Model.

20/022 Financial Regulations – A revision of the Council's Financial Regulations was to be undertaken based on the latest (2019) National Association Local Councils (NALC) Model.

20/023 Adoption of BT telephone kiosk at 1 Main Street, Cranswick – It was **Resolved** – To accept and sign the BT Agreement for the purchase of the kiosk (proposed Cllr Swan/seconded Cllr Teare).

20/024 Scurf Dyke Solar Farm Project – JMB Solar had informed the Council that the planning application had been submitted and was going through the planning validation process. The Council had now been consulted on the application 19/04321/STPLF (item 9(d), minute 20/008(d)).

Solar farm developers often choose to provide a community benefit package for the local area. JMB had invited the Council to put forward any suggestions for a community benefit for the Parish. It was **Resolved** – To take up the opportunity and, at present, identified four suggestions (proposed Cllr Richardson/seconded Cllr Wilson):

1. A path to be installed for both cycles and pedestrians (which is lit), to connect Cranswick Main Street to the SRA (currently no safe routes available).
2. Provision for additional parking within the village to include charge points for electric vehicles (encouraging a greener village).
3. Solar panels for the Cranswick School/SRA new development/WI Hall/St Peter's Church/Cranswick Methodist Chapel (help cut the carbon footprint).
4. Support for the new build at the SRA - grant towards the new building (improve health and well-being).

20/025 Budget – The latest budget position and bank reconciliation were noted.

Hutton Cranswick Village Flag

It is intended to fly the Village Flag on Bank Holiday weekends and during school holidays. We welcome suggestions for other flag flying dates. The Union Flag is flown on official birthdays and celebration days as given on the Gov.uk website.

On August 1st the Yorkshire Flag will be flown.

The "Lest we forget" flag will be flown for 14 days prior to Armistice Day as part of the Poppy Appeal.

The Christmas and New Year flags will be flown at an appropriate time. Saint days for England, Wales and Scotland will be recognised by flying an appropriate flag.

No flags will be flown if the wind speed is forecast to be above 25mph in any 24 hour period.

**The next Council Meeting is on
Wednesday 25th March 2020
starting at 7.00pm in the WI Hall**

The meeting is open to the public and early in the Agenda, the public and councillors may ask questions or make statements (limited to 3 minutes per person).

No need to book - just turn up.

The Agenda is available on the Notice Boards and on Hutton Cranswick Facebook Community page.
There are the January minutes in this Bulletin.

A busy half term for all sections!

Beavers have made a start on the Global Issues badge. Here we have been talking about reducing waste and recycling (which you may have seen in the Wolds Weekly we collected a large amount of textiles to add to the firefighters charity textile collection). We learnt about saving electric, water and petrol and how we can all do this.

Cubs have started towards their navigator level three badge. They've had the maps out each night and made some 3D hills out of cardboard by following contour lines and building up the layers. They've also, for fun, been undertaking some taskmaster challenges, such as who can eat the most dry Weetabix in a minute!

Scouts started the new year thinking about goals for the year ahead, completing a timed mile run which they will try to beat in a few months, and a fun circuits class! And as life is all about balance we've also shared a Chinese banquet to celebrate the Chinese New Year!

One of our young leaders ran an art workshop where all the scouts painted an artistic viewpoint of an eye! We've also thought about keeping safe online for safer internet week.

Thanks to all our volunteers who make it happen.

If you'd like to join in the fun and are aged 10.5-14 we currently have spaces in Scouts.

Cubs and Beavers have a short waiting list currently, but we can take names to add to it. Get in touch: Cranswickscouts@gmail.com

Well the excitement is really beginning to grow now - only a few weeks left before our first Charity Concert. This is our biggest event of the year and all profits will go to SASH, a charity that supports young, local, homeless people - a very worthwhile cause indeed.

We have now completed learning our last two songs and, although not yet perfect, indeed possibly not even remotely close, we have at least battled our way through. We still have oodles of time to hone, polish and perfect to ensure a glorious rendition on the night (well, a few weeks anyway - gulp!).

Never mind, what we may lack in quality, we more than make up for in enthusiasm. What we can promise you, is an evening of entertainment and fun, with a packed and varied programme and your supper included - what more could you ask for? There are a couple of other acts, apart from the choir, to keep you entertained plus a raffle and a quiz and other surprise happenings.

Tickets are already selling quickly, but we would love you to come along and check us out and maybe even see if the choir is something that you would like to become part of. We have welcomed several new members in the past few weeks and there is still time to be part of the concert (especially men!).

So, the big event will take place at Foreman's Garage on Saturday, March 14th, beginning at 7.30pm. Tickets are only £10 each and can be obtained from Janet at the garage or by contacting Fiona on 07984 657071.

The choir rehearse in the back room at The White Horse on a Monday evening from 7.30 - 9.00 pm. We never hold auditions and never kick anyone out.

We would love you to join us and enjoy yourselves whilst helping to raise money for good causes - trust me, it's a lot easier than running a marathon!

Looking forward to seeing you either at rehearsals or at the concert (or both).

In harmony

We believe a more modern building would greatly enhance the facilities within the village and offer a greater choice of activities.

We are now planning to build this new facility for the village which will meet these aspirations. To do this we will need to raise £560,000. We are putting the project plan and detail in place so that we can identify the next steps for creating the new building.

We are seeking funding through various charities and trusts. We are looking locally to suppliers and trades people who are prepared to offer their expertise in creating our new building. Please get in touch with Mike Wardell on 07814 923699.

Have your next “do” at the SRA

Organising a celebration - Birthday, Wedding anniversary, a “works do” or fund raising activity - then the SRA at Hutton Cranswick is an ideal location.

Plenty of car parking, grass area, hall, kitchen and bar facilities makes it the ideal venue for your next event.

If you wish to book the SRA hall for your next event then please contact Frances Johnson on

Stories About Victorian Children by Year 5 Pupils

Harriet's Story

Hello my name is Harriet. I'm not quite sure how old I am I think this is right that I'm 12 but I don't keep track. I've been on my own since my mum died in a factory when I was younger. And well I'm not quite sure what my dad had to go through but my mum told me when I was younger that he had to stomach a huge sacrifice. Now it's just me against the world. I make my money by doing something called 'Finding the pure!' It's were you just pick up (poo) pure with your bare hands on the spot. It's hard growing up in Victorian times but you have just got to get on with it. Sometimes I have had to go down a sewer just to have a crumb of bread. Although sometimes I find a shilling or two but others I wake up sick or starved but I get on with life. You might think that I'm over exaggerating but you should try living in Victorian London being cold and un-wanted. I used to work in a cotton mill working my fingers to the bone and getting whipped with a cane or getting smacked with a ruler. I sleep at a fish market on Monday to Wednesday other days I find a place down an alley or something like that just somewhere sheltered. That's my story.

Timmy's Story

My name is Timmy I don't know exactly how old I am I think I am 9 I have been on my own since I was 5 I am always hungry because I don't know how to find food. I made money by picking up dog mess I sell and people make leather out of it. It might sound horrible but I do it it's hard work because sometimes I don't have enough space in the bag. Once I made a little bit of money I spent it on food. Another time my friend made lots I can't remember what job but it was a good one. My job it's hard because it stuck up the wall I have to scrub with my nails it smells really bad. I know another child who is a bit like me but he went into the sewers and got lost never came out I hope he's ok last time I saw him he had silver. Hopefully I'll get a bit more money because I am really hungry. And to get food and shelter. I know someone called Charlie boy he went in the sewers too haven't heard much from him I hope he's ok last time we spoke he was. When he got the job he was excited for it. Am still trying to get more money. Today I got £5.00 I mean that good sometimes I have to hide when I'm gonna get food because robbers are around I have seen one almost robbed me. I am glad I don't get robbed let me tell you what happened to my family I just found out so their job was rat catching they did it for the money and they have to get the right amount or the hounds are on them they have to see which dog was faster at getting the rats what happened to my mum she got poisoned dad got hounds on him. It was crazy people said and that job is still going on today at the pub. Lots of people have got the hounds on them.

Nathan's Story

My name is Nathan and I am about 10 or 11. I have no mum or dad or any family members in fact. I got a new job today for going into the sewer, finding money and quickly getting out because if I stay in for too long, I will get flushed into the sea because of the sewer cleaning. Today is my first day on the job. My boss told me I had to go in first, which I think isn't very fair. I jumped into the sewer and looked left and right then my boss came down. We wandered through the maze of sewer pipes, looking for money, coins, notes, whatever we could find. Then we saw it, a silver coin, but then we heard a big, gushing sound. I quickly got out, but I never saw the man again.

Maddie's Story

Hello there, my name is Maddie! I am not exactly sure how old I am but I think I'm like 13-14 and I very sadly live on the streets. I did have a family I think but just yesterday my ears dropped on a conversation that I never even had a family. But here is my story. When I was just 3 my mother died from cancer. That really changed our lives because my mother was rich! When she died it was a life changing experience. Then it was just me and my father and we had to steal bread from the rich! Since we didn't have much money me and my dad had to find a job but it was very dirty! It was dog poo picking the best ones were the hard dry ones because they were easier to make leather out of which makes leather jackets. I went everyday it was horrible! I picked up a gooey green one up on Wednesday it has been a week and it is still on me I tried washing it in a puddle but that just made it spread. My father never lets me get the hard ones. Then many more people started there was Timmy, Jako, Paul and Jamie. I never get there on time though because I wait at least 1 hour waiting for my best friend Kayleigh 'who also started.' Kayleigh comes on the train from miles away when she heard about this job so she doesn't know her way round that's why I wait for her. When we arrived on Thursday there was nothing there! So that's how I got here sleeping outside a fish factory on Billingsgate Street.
