

**Hutton Cranswick Parish Council**  
**Minutes of the Meeting of the Centenary Wood Management Committee**  
**held at the Wood, Hutton Road on Wednesday, 3<sup>rd</sup> April, 2019 at 6.30 pm.**

**Present:** Councillors: Mrs Mills, Poolford, Richardson and Mrs Thurlow.

**Parishioners present:** None  
The Clerk recorded the minutes.

**19/CW 006 Minutes - Resolved** – That the Minutes of the Meeting of the Committee held on 9<sup>th</sup> January, 2019, be approved and signed as a correct record (proposed Cllr Mrs Mills/seconded Cllr Richardson).

**19/CW 007 Survey and Management Report** – It was agreed that the work carried out to date had been completed, in accordance with the recommendations approved in the survey and managements report. There had been a number of positive comments from residents.

Some of the older trees had been felled and /or trimmed which had resulted in a number of piles of logs. These piles of logs had been left in place deliberately to provide useful wildlife habitat. It was disappointing that some of the logs had been removed from the Wood.

It was agreed some natural woodland seed be sown later in the season.

The Clerk was to seek a quotation for the provision of a new footpath in a line from the main footpath along the ridge of the Northern Zone, and at its end to create an area for a seat.

**19/CW 008 Bird Feeder** – It was agreed, Cllr Mrs Mills would oversee the installation of a new bird feeder. The feeder would be located off the main footpath at the rear of the clearing bordering the Central Zone.

**19/CW 009 Next Meeting** – to be confirmed.

There being no further business, the meeting closed at 6.45 pm.
