The East Riding Covid-19 Archive

We are living in extraordinary times as the Covid-19 pandemic has changed how we interact with people and the world around us. Our lives have changed completely over the past few weeks and we are asking for your help in creating a permanent record of this for future generations.

A collection of *your* experiences

The Archives Service holds records covering many centuries of East Riding history. We would like your help collecting items to build a Covid-19 archive to show how your everyday life has been affected, including:

- photographs
- video-logs
- diaries and journals
- poetry or works of prose
- leaflets, posters and handouts

The records can be in a written, printed or digital format.

How are you coping with being in lockdown? How has your local area and community changed? What does your day look like? We would like to hear from all members of our local East Riding community to create a full picture of how people are now living and working.

How to contribute:

We are currently following the Government health guidelines and the Archives Service in the Treasure House in Beverley is closed to visitors. We ask that you keep any items safely until we reopen and staff are available to take receipt of these. We will make a further announcement when the service is due to reopen.

Please contact us if you have any queries at archives.service@eastriding.gov.uk

Kind regards

Geraldine

Maintaining planters and containers – an update

Individuals have managed to maintain their respective areas whilst observing current Government guidelines. 4 wooden troughs at the top of Main Street have been cleaned out and replanted as well as the wooden barrel and hayrack at the corner of Main Street/Hutton Road. Four narrow wooden planters in front of Chapel have had additional plants and the two sinks in the Chapel car park have also been topped up with compost and had new plants added.

The troughs which were removed from the SPAR frontage have been reinstated and completely replanted (thanks to the Manager of SPAR and Skerne Alpine Nurseries). We have been assured that in future the staff at SPAR will water these troughs.

The large wooden planter, donated by a resident last year, is sited adjacent to a seat on the Green, near Southgate, and has been planted up by a village volunteer. The large galvanised farm trough (originally on wheels) has been sited adjacent to another seat on the same footpath and planted up.

Work has been carried out on all ground beds in both Hutton and Cranswick, and Skerne Road/Megginton Turnpike.

The permanent bed established on the corner of Church Lane/Mill Street is doing well, as are the four farm troughs sited at the top of Hutton Road not far from Centenary Wood. Bluebells and suitable bulbs for areas of Centenary Wood were offered by a Hutton resident and these were gratefully accepted and are in course of planting.

Watering our displays

Our team of volunteers care for the many displays and water them during the drier periods. Watering is a key task and we are looking for help with the displays at the top of Main Street and junction with Hutton Road. These are at the Methodist Chapel – 4 small planters and 2 sinks: Hutton Road / Main Street – barrel with hayrack above; and Main Street against wall – 4 long planters. Access to water and use of your own watering can would be ideal. Frequency depends on the weather. If you live in this area and are able to assist then please contact either Gina or Heather on the numbers below.

Station

Although garden maintenance work has been carried out by individuals – including considerable work on the banking down to the Car Park – as yet the planned “carriages” for the replica train have not been installed, and this idea is on hold at present.

Fund raising

Despite the fact that the Coffee Morning fund raiser in March could not be held, there have been a considerable number of cuttings and plants donated by residents. Some of these have been utilised in various areas around the village and the remainder are being offered up for villagers in return for donations. A large number of tomato plants were received from two different sources and these have now all been distributed resulting in donations of almost £17 which is being utilised to purchase compost, etc., as required.

Future Meetings

Although members have been able to keep in contact with each other by phone/e-mail – no meetings have been held, and none are scheduled at present.

Following the recent change in government guidelines, St Peter's church is now open for private prayer. We plan to open the building each Sunday between 2.00pm and 3.00pm, with appropriate social distancing in place. Please note, this is not a public act of worship – church services as we know them are still not currently allowed. It does, however, offer a chance for you to spend some time in quiet prayer, in the peaceful setting of our beautiful building.

Zoom Meetings is a popular cloud-based video conferencing application, used primarily by businesses to host meetings with remote or international colleagues and clients - the basic version is also completely free of charge.

Service details

Whilst we are unable to gather in our church building for worship, we are still meeting each Sunday using the wonders of modern technology.

Worship is held via Zoom -

there is a short (circa 20 mins) service at 10.00am, with bible reading and prayers, and then a second service at 10.45am which adds some hymns.

If you would like to join us for this worship, please e-mail Revd Simon Elliott (elliottrev66@gmail.com) or Martin Adams (makahesi@btinternet.com) and they will send you the full details.

We look forward to welcoming you.

Dear friends,

In August 2009, St Peter's Church held a Teddy Bears' Picnic on the grass in front of the church. This was the beginning of 'Mini X', our group for pre-school and pre-nursery children and their parents and/or carers. We met every Tuesday during term time, 1.30pm – 2.45pm, and had a Bible story with activity, refreshments, singing and prayer. Our numbers attending changed from year to year: one year we had 14 children with their adults and this year we had 1 carer with her 1 or 2 children, pre-lockdown.

How times change!

Zoom, zoom, zoom, we're going to the moon.

Zoom, zoom, zoom, we're going very soon.
5, 4, 3, 2, 1 blast off!

This was a favourite song for all of us at 'Mini X' or 'Music and Story Time.'

Now, of course, we're having 'Zoom Services,' 'Zoom Bible Studies' and 'Zoom Meetings'.

How times change!

Change is an essential part of life. We begin totally dependant upon adult/s, usually parent/s. As we develop, we begin to take steps towards independence. For the fortunate, home is a safe haven from which adult life is launched.

There are happy times, sad times, successes and failures, friendships forged and broken, as we progress from babyhood to adulthood.

How times change!

Over the last 2 decades, chapel and church congregations have come closer together in witness to our community. We call ourselves, 'Churches Together in Hutton Cranswick Community'. This could not happen without the close cooperation between our leaders, Minister and Vicar, and our congregations. We worship in church and chapel, on the Village Green, in a barn. We have joint social events, whether it's an Epiphany Party or Lent and Advent Bible Studies or our Men's

Breakfast Club, at Cranswick Garden Centre.

Our Zoom Services and Bible Study are chapel and church. We have come a long way since Reverend Linda Day started a monthly Songs of Praise on a Saturday evening, in the Chapel School Room, with Reverend Jenny Zarek.

How times change!

How are we all coping with our current changes?

We need to try to keep up to date with the changes made by the Government. This is for our protection and, obviously, society's protection.

Some are socially isolating; we should all be practising social distancing.

We now need a face cover when travelling on public transport.

We can meet in a group of up to 6, socially distancing.

Some children have returned to school.

Some are coping well. Some are struggling.

Some are frightened.

Some have suffered bereavements.

An emphasis on the importance of our mental health seems to be a new and much needed addition to 'what's important'.

As a Christian, my faith is my rock and I have a few 'go to' verses.

My favourite is, "Come to me all who labour and are heavy laden, and I will give you rest." Matthew chapter 11 verse 28.

In Psalm 107 verses 27 and 28. "They reeled and staggered like drunkards; they were at their wits' end. Then they cried out to the Lord in their trouble and he brought them out of their distress."

"I can do all things through him who strengthens me." Paul's letter to the Christians in Philippi, chapter 4, verse 13.

God never changes. We just need to ask him for help!

Love, Gwyneth.

Residential Home holds a 'Celebrate our Carers' Event

On Friday, 12 June Southlands Residential Home of Hutton Cranswick held an event involving all staff and residents to mark Carers' Week. The buffet celebration recognised the hard work and dedication of more than 45 staff who continued to work there during the current lockdown.

Managers wanted to go further than recognising the carers themselves, by recognising the hard work and dedication of all staff that had come in throughout the peak lockdown period to make sure residents were being looked-after as well as possible when their families were unable to visit them. All staff, from carers to those who work behind the scenes in the kitchen, laundry and offices were at the buffet celebration on Friday afternoon.

Managers presented every member of staff with a personalised certificate, and a thank you card made by the residents. They also gave each of them a gift raised by voluntary donations from local businesses and individuals, cheered on by the people they care for.

Megan Cooper, manager at Southlands Residential Home, said "It was important to us to celebrate Carers' Week by thanking every member of staff - not just the carers - who have worked so hard during these difficult times.

I cannot believe how many local business and individuals gave gifts so generously. They have contributed to so many recent events that it is truly heart-warming that they do not have donation-fatigue.

The look on my colleagues' faces when they received their awards made it all so worthwhile; knowing that the community appreciates their hard work.

It really shows how fantastic it is to live and work in the Drifffield area. I would like to thank everyone who contributed, and who helped make the event such a success."

As well as donations from families of residents, and other individuals, these local businesses donated gifts

Hutton Cranswick Methodist Church

Sunday Service: Cranswick 10.30

Minister : Rev'd Robert Amos – 01377 252105

Inter-Church Prayer Fellowship

Mondays 9.30 am at 13a Orchard Lane

Dear friends,

This will be my final letter for the Bulletin because as minister of Hutton Cranswick Methodist Church I have been given permission to 'Sit Down' after 37 years of 'travelling'. The phrase 'sit down' goes back to the late 1700s when Mr Wesley's preachers reached their 'riper' years they asked if they could stop having to travel from place to place!

I will still be ordained and will lead services and preach and help in any way I can. But I won't have responsibility for meetings or administration!

I left school in 1970 and worked mainly in selling and charity work. All useful skills that have helped me in ministry. I am thankful that I met Kathryn when we were 16 and married 44 years ago. We became youth leaders and started taking services and I felt a calling to become a Local preacher. One of the ministers said "Why don't you offer for the ordained ministry? And after a yearlong process I was accepted and began 3 years training at The Queen's College in Birmingham.

The Church does have a sense of humour because they sent me, a Yorkshire man, over the border to Chorley in Lancashire! I think my twin brother Steven was pleased because on his visits to us he met and later married Maureen a member of the congregation and still lives there. After 7 years we moved to the market town of Ormskirk where I served 8 years. I was then told to Go East! to Scarborough and in 2006 after 5 years I came to Driffield as Superintendent minister. I have loved being in this part of the world and we have felt very much part of the family at Hutton Cranswick.

When I look back over 37 years of ministry, I am thankful for so many things. I have been Invited into Hutton Cranswick school by Mrs Burkinshaw and the staff to lead School assemblies and I was asked in a school to talk about my work, a little girl asked, "What do you like best?" I said "Variety". I have been privileged to share in many of the special moments in people's lives such as Baptisms, weddings and funerals. Working with Revd Simon Elliott and all the friends at St Peter's as Churches together In 'On The Green' services, Outdoor nativities, fellowships, Bible studies and many more activities.

These past few months have been difficult for our community and our thoughts and prayers are with those who have lost loved ones. I am thankful for the way the village has rallied round and helped those in need.

Kathryn and I are looking forward to our move to a new home in Bridlington and having the opportunity to see more of our children James and Emma, Lottie and Ian and our three grandsons Grayson, Emmet and Oliver. And when it is safe to do to visit family and friends in America. We won't have the opportunity of a farewell service and fellowship but please be assured that in the words from Paul's letter to the *Philippians* 1:3-5 *I thank my God every time I remember you! 4 I always pray with joy, whenever I pray for you all, 5 because of your partnership in the gospel from the first day until now.*

God bless,

Rev Robert Amos

HUTTON CRANSWICK

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 27th May, 2020.

The Meeting was held remotely via Skype and open to the public. The session commenced at 7.19 pm.

Present: Councillors: Alderton, Holtby, Kelly, Lock, Richardson (in the chair) Sibley-Calder, Mrs Simpson, Swan, Teare, Thompson, Wilkinson, Wilson. **Parishioner:** One

Apologies for absence: Councillor: Poolford. Ward Councillors: Evison, Lisseter, Owen.

The Clerk recorded the minutes.

20/137 Covid-19 Community Support Group – Cllr Teare had received updates from the pod leaders who coordinate the response for those who need assistance, as a result of the pandemic and self-isolation in the village. It had been relatively quiet over the month. The main tasks had been collecting monthly prescriptions, shopping and contacting individuals to check on their wellbeing.

The team was grateful for the support they received from their volunteers and they had not come across any significant issues which affect the delivery of the service. As lockdown eases and businesses open up again, along with the local school, there was still an emphasis on social distancing and keeping safe. The Group appreciated the support of the Parish Council.

The Council recognised the Group was making a positive difference for those in greatest need.

20/138 The Health Protection (Coronavirus, Restrictions) (England) (Amendment) Regulations 2020, relating to Closure of Burial Grounds was noted.

20/139 Scurf Dyke Solar Farm – Resolved to approve the charitable Deed of Gift from JBM Solar Projects 4 Limited for a £40,000.00 Gift to Hutton Cranswick Parish Council towards the cost of the installation of a path for both cyclists and pedestrians (which was lit) to connect Station Road, Cranswick to the Sports and Recreation Association (SRA). It was noted that if the work was not carried out within 5 years of the date when the Gift was made, any unexpended balance had to be returned to JMB Solar Projects 4 Limited.

If, for any reason, the Council was unable to carry out the work for reasons beyond its control, then permission from JBM Solar Projects 4 Limited had to be sought for an alternative initiative prior to spending the Gift (proposed Cllr Teare/seconded Cllr Alderton).

The preferred route of the proposed new path crossed over two fields in private ownership. Cllr Thompson had contacted one of the landowners, who was supportive of the proposal.

20/140 Police – Reports from East Wolds and Coastal and Driffild/Rural for April, 2020 and an information poster 'Steps You Can Take to Protect Your Home' were noted.

The 2020 Rural Safety Conference hosted by Humberside Police, in partnership with the Office of the Police and Crime Commissioner for Humberside, which was to take place in March, but had to be cancelled due to the Covid-19 pandemic. One of the aims of the conference was to involve those attending in identifying the top 3 community safety priorities in rural areas. This would have been combined with a similar request to all of the Town & Parish Councils in rural areas across Humberside.

It was important for the Police to be aware and understand what communities consider to be their most important priorities in order to develop and direct resources in the most efficient and effective way supporting communities in becoming self-sustaining, more resilient and safer.

A survey had included a choice of a number of potential community safety priorities, the Council considered the top 3 as: 1. Dwelling burglary, 2. Fly tipping and 3. Theft (including agricultural machinery).

20/141 Allowances for Parish Councils – The East Riding of Yorkshire Council’s Independent Remuneration Panel (Members’ Allowances Panel) had, following a review of allowances for town and parish councils, which included consideration of feedback from town and parish councils, had decided that: -

- (a) A parish basic allowance should not be paid to town and parish councillors, as the majority of town and parish councillors saw their role as voluntary and
- (b) In relation to travelling and subsistence allowances, the Panel has recommended that allowances should be paid in accordance with the East Riding of Yorkshire Council’s Members’ Allowances Scheme rates, for specific responsibilities and duties outside of the town or parish boundary.

To comply with the Local Authorities (Members’ Allowances) (England) Regulations 2003 the parish council, in establishing a members’ allowances scheme, had to publish a Public Notice and make available a copy of the Panel’s report. It was **Resolved** to approve the Public Notice, as presented and publish the Panel’s report (proposed Cllr Richardson/seconded Cllr Alderton).

20/142 Planning Matters – The following decisions were noted:

- (a) **20/00637/PLF**: Construction of new vehicular and pedestrian access at Land to the North and West of 17 Station Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9QZ – Full Planning Permission – Approved – 2 Conditions.
- (b) **19/04321/STPLF**: Construction of a solar farm and battery storage facility, together with all associated works, equipment and necessary infrastructure at Land North East of Eastfield Farm, Stockbridge Lane, Hutton Cranswick, East Riding of Yorkshire, YO25 9RB – Full Planning Permission – Approved – 10 Conditions.
- (c) **20/00627/PLF**: Erection of a single storey extension to side and alterations to existing attached garage to form additional living accommodation and proposed summer house to be retained (Part Retrospective) at 13 Southgate, Hutton Cranswick, East Riding of Yorkshire, YO25 9QX – Full Planning Permission – Approved – 3 Conditions.

20/143 Planning Applications:

- (a) **20/01260/PLF**: Change of use of land for siting of camping pods at Land South of Highfield Farm, Southburn Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9AF – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Teare).
- (b) **20/01320/VAR**: Variation of Condition 17 (Approved Plans) of planning permission 17/02572/PLF (Erection of 3 dwellings and a detached garage and alterations to existing outbuilding, following demolition of existing dwelling and part of outbuilding) at Site of Gartholme, 13 The Green, Hutton Cranswick, East Riding of Yorkshire, YO25 9QU – Variation of Condition – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Thompson).
- (c) **20/01369/TCA**: HUTTON CONSERVATION AREA - Remove 1 no. Lawson Cypress tree, 1 no. Purple Leaved Plum and smaller mixed species tree group (TG1), to stop the influence of the trees on the soil below building foundation level and provide long term stability to the property (9 Mill Street) , 11 Mill Street, Hutton, East Riding of Yorkshire, YO25 9PU – Tree Works in Conservation Area (e-mailed to Cllrs 06/05/2020). Hutton Cranswick Sports & Recreation Association

Well, I have to say what an absolute pleasure it has been to see so many people using the fields at the SRA for exercise, and starting to use the sports facilities once more.

Loads of parents teaching children to ride bikes, practicing football at the nets and using the exercise beams. We have now received an extra set of goal posts with a grant from the football foundation so should be able to have 3 pitches in use with the possibility of 4 teams on a Saturday plus juniors and Sunday adult teams. Big thanks to everyone who has come down to the field over the lockdown period to help with maintenance, often working for hours in isolation, everyone one of them doing amazing jobs . . . Bill on the tennis courts, Matthew doing the fence repairs and the cricket square, Tim repairing the astro turf boarding and cutting the grass on the field, Denise doing a clubhouse deep clean. Simon and Gina for offering to paint but that may have to wait. The Bloomers are doing a great job on the gardens and Tara with the children's garden . . . It's all looking amazing and should be in great shape for when we can reopen.

We've received a grant from the Football Association of £5,000 to develop and maintain three adult football pitches. We've also received a grant from the Football Foundation for a new set of adult goalposts and a full set of junior goalposts. We're looking towards getting the fields ready for play in the near future, we still don't know when that will be as it is dependant upon when we can open the changing rooms and showers. We will have three Hutton Cranswick Adult teams and Middleton Rovers playing this year.

Archery and Tennis are open with Covid restrictions, as is the Drone Club. We're still uncertain as to what is happening with Cricket.

We are still unsure as to when indoor events can resume and hopefully we will receive further guidance from the East Riding Village Halls Association in the not too distant future. Grants are being applied for to assist with general running of the facility as we are now losing £800 per month due to lost clubroom income. On top of that there is no income from Quiz Nights and our fundraising activities which greatly helped us to improve the facilities. Having said that, huge, huge thanks to everyone who is supporting us by using the outdoor facilities, or helping in any way.

Stay safe, Mike

Scouts

Hutton Cranswick

June brought our second stay at home camp which we dubbed – Not Goathland 2020. We again challenged our young people to camp over the weekend in a tent or den they built inside.

Over the weekend we gave plenty of challenges to them, to name but a few; making a postcard to someone you love, a sheep craft (where they could make it however they wanted), design your own pizza and making Australian damper bread (as one of our leaders should have been on the holiday of a lifetime in Australia).

One leader set the bar high by mimicking climbing the 199 steps to Whitby Abbey in a park near her house, and getting the young people to do the same at home.

You may have seen families walking round the village in disguise as we used the what3words app to set a treasure trail round the village and we told them not to be spotted by others as they went! The trail lead to sunflower seeds that could be taken home and planted, and will be judged on Yorkshire Day - 1st August.

The leaders ran a virtual campfire and provided entertainment by making a video of themselves all getting wet. All in all everyone who joined us had a great weekend!

Rainforest Descriptions by Year 6 Pupils

The eerie vines shiver in the occasional breeze that sweeps through the sea green ocean of undergrowth. Towering mahogany trees bow as the jade leaves whisper as if they understand each other. Daylight dances through the gaps that the lush olive-green vegetation did not cover properly. Silently, vines and ivy wrap themselves around brown trees, as if a snake coiling around its prey. While the balmy rain gently pitter patters on the Nile-green palm-like leaves, the humid atmosphere hits my body as if I just belly flopped into a pool. Delicate tender fruits camouflage themselves in the dense vegetation hiding them from view.

By Anna

Twisting and twirling through the bulky branches are lush green leaves the size of snakes. That shocking damp scent invades your nostrils as you walk through out the Nile-green forest. Many more ancient trees dangled overhead dropping leaves wherever you go. Squelchy mud, that embraces your feet, is like a spider wrapping you in a silky cocoon. Towering trees welcome the glow of the morning sunrise out of the canopy of hazel sticks.

By Emily

Bold scarlet flowers shine like spots of blood in contrast to the dark emerald leaves. Slowly waves of water swirl over the damp rocks on their journey to the Amazon river. Waving, the Nile-green leaves hang over, the river and the slimy rocks, blocking out the sun light from above, making the ground seem as though it is in a never-ending twilight.

Slowly, the white mist descended like a ghostly shroud enveloping all in its path. As the cold fingers of mist opened and closed around the dense green carpet it left tiny, shining diamonds in its wake.

By Jake

Rushing down the slippery, mossy rocks, the transparent river plunges into some scattered, luscious leaves. Swept away by the navy-blue river, the verdant leaves float out of sight. By the azure water, are droopy, emerald and ruby leaves hanging from various branches. Along with the leaning leaves there is a beige twisted branch that curves upwards towards the shining sunlight. In the atmosphere, there is a layer of mist hovering above the leaf-covered tree branches. While smelling all the fresh leaves, you can feel the heat sticking to you. The vast leaves are as green as an emerald stone freshly surfaced from its rocky grave.
