Jack, who plays with a prosthetic leg, Ronnie who was diagnosed with stage 4 neuroblastoma two years ago and Leon, who suffers with epilepsy, have been enjoying soccer schools this summer under the watchful eye of Chris Kirkham Soccer School Coordinator, Chris, who has been running the events from the town's East Riding College, said: "Success stories won't come bigger than from these boys, I'm so proud of them."

"Jack plays with a play at our schools in a friendly environment is truly inspirational." Leon suffers from epilepsy and in the first week suffered a seizure to which an ambulance would be too much, but we just couldn't say no. "He absolutely loves the soccer school and there's no stopping him and we absolutely love having him. "We are so proud to be able to give these players opportunities at our football school and are so inspired of their efforts."
