

A monthly craft market will provide an opportunity for local artisans to display and sell their items and for charity and community groups to fundraise on a regular basis. In addition, a café will open inside the showroom on market days and become a meeting point for morning coffee, breakfast / brunch and confectionary treats.

The market will be on the 4th Saturday of the month from April to November open from 10am to 2pm.

Hutton Cranswick Craft & Produce Market

Inspired by the success of other village markets in the county, Janet Foreman and Melvyn Teare are running a monthly market which will have stalls for local craft people set up alongside local food producers at Foreman's Garage forecourt and showroom in Hutton Cranswick.
