Yorkshire in Bloom competition 2022

The In Bloom team has now received details of the Royal Horticultural Society's (RHS) Yorkshire in Bloom competitions for 2022. We normally enter the competition under the category C1 – Large Village. Judging for this will be between 2nd and 17th July 2022. It is the In Bloom Team's intention to enter this competition this year.

The RHS is continuing their digital Best of Yorkshire competition for this year alongside the face-to-face judging. Originally this competition was a one-off for 2021 to give regions recognition for the work in gardening and supporting communities which carried on during the pandemic restrictions imposed in 2020 and 2021. A decision on whether Hutton Cranswick Village in Bloom will enter the digital Best of Yorkshire competition was not made at the time of this Bulletin going to press.

Further information on the decisions made at the Annual General Meeting which took place on 23rd February will be available on the village website, www.huttoncranswick.com and in the April Bulletin.

Volunteers

Unfortunately, ill health has taken its toll again and three volunteers have found it necessary to step back from In Bloom activities in the last few weeks.

THE CHURCH OF ENGLAND

Hello,

March is here, Spring is in the air. On 27 March the clocks will go forwards and the long days begin. There are many celebrations in March, all beginning with 'Pancake Day' on the 1 March, which is also St David's Day. And St Patrick's Day on the 17 March. There's Red Nose Day on the 18 March, and of course, Mothering Sunday on the 27 March. All good things to look forwards to.

It all begins with Shrove Tuesday, Pancake Day, the day immediately before Ash Wednesday, and marks the beginning of Lent, a period of forty days, taking us up to Easter Day. So, what does Shrove Tuesday stand for? It comes from the word 'shrive', meaning to repent or pardon. On Shrove Tuesday the bells of the church would toll, calling people to confession. The tolling of the bells came to be called the 'Pancake bell'. For Shrove Tuesday was also the last opportunity to use up eggs and fats before starting on the Lenten fast; and what better way to use these ingredients up than by making pancakes. Did you know that pancakes featured in cookery books as far back as 1439?

March also sees St David's Day and St Patrick's Day. Did you know that Patron Saints are a symbol for Christianity, acting as an advocate and protector for the country they patron? St David, Patron Saint of Wales, was born in year 500, a descendent of Welsh royalty. He was a monk who became renowned as a teacher and preacher, founding twelve monasteries and many religious communities, even travelling to the Holy Land. He was consecrated a Bishop, and Archbishop of Wales in 550. He died in year 589 and is buried at the site of St David's Cathedral.

St Patrick, Patron Saint of Ireland was born in year 385. His father was a deacon and his grandfather a priest. At the age of sixteen Patrick was kidnapped and taken to Ireland, here he was sold as a slave, and spent the next six years as a Shepherd, during which time he found his faith, and love for God. Escaping from Ireland he became a priest in England but felt God calling him back to Ireland. He spent many years evangelising in Northern Ireland, baptising believers and constructing monasteries. He died on 17 March 461 and is buried in Downpatrick.

On a much lighter note, Comic Relief is back, with Red Nose Day on 18 March. Comic Relief was founded in 1985 by Richard Curtis and Lenny Henry in response to famine in Ethiopia. Their motto being that comedians make the public laugh whilst raising funds to help people around

the world and in the United Kingdom. Comic Relief's appeal via Red Nose Day was first held in 1986, to bring about positive and lasting changes in the lives of poor and disadvantaged people, especially children. Ahead of the day, Lenny Henry says, 'The spirit of Red Nose Day is for everyone to get involved reaching out to help someone else they don't know. I'm always amazed by how dedicated and passionate the people that run the projects are, and always to help better the lives of so many.'

Lastly, Mothering Sunday, which is always the fourth Sunday in Lent. A day for honouring mothers and mother churches since the middle-ages. It was a day of respite from fasting, set mid-way though Lent; when domestic servants were given a day off, and when Christians visited their mother church, the church in which they were baptized. Across our Churches we too will be celebrating Mothering Sunday, and all are welcome to come and give thanks for Mothers, Aunts, Godparents and friends who have played an important part in their life.

So, with many events to celebrate during March, the six weeks of Lent will take us to Easter Sunday, and the glorious outcry of 'Jesus Christ is Risen'. Let us make March a time of pondering over the Greatest Story and reaching out to one another in love.

Take care, enjoy the month of March.

Love Trish x

The Wolf and the Puppy

A long long time ago queen griffin sent for a Wolf and a Puppy. "I command the two of you to run across the forests and find the tastiest food" she ordered. Early the next morning Wolf and Puppy set out on their quest, each running in different directions. As the sun rose higher and higher Wolf was Running across the grass as he felt the relaxing breeze and soon forgot queen griffin's command.

Meanwhile in a deep, dark forest Puppy was carrying out the griffin's orders. As the sun was setting they met before the queen griffin's nest.

The Wolf was now worried about the griffin's anger, hoping puppy had discovered the tastiest food he asked puppy, did you find the tastiest food? "yes" replied puppy "there was an apple, but I could not reach it" sorrowed the puppy. "Perhaps I could help you" said the wolf bravely.

"That is very kind of you" said the puppy softly "and yes, I really do need your help" they rushed to the forest then wolf put the puppy on his back. Once the puppy had got the apple they rushed back.

At last the griffin ate the apple, since then the queen griffin vowed to eat only apples.

A long long time ago a comodo dragon sent for a Tiger and a Lion. "I command you to run around the Savanah and find the strongest animal." Come back by midnight with your news." He demanded.

The next morning, tiger and lion set off on their quest, each running off in different directions. As the shimmering sun rose higher and higher Lion was picking up a scent of meat he couldn't control himself so he ran to the scent and gnawed on a bone. Meanwhile on the other side of the Savanah tiger was carrying out the Comodo dragon's orders. Lion was now getting worried about the ultimate Comodo dragon's orders so they met before the creepy stone palace. Cunningly Lion asked tiger have you found the strongest animal at the Savanah? Tiger proudly replied "The strongest animal is the Scorpion." "OK" he said "Lets tell the King together" he said.

So they went to tell the King "splendid said the King. So the King only used Scorpions for his guards.

To find the biggest tractor

One day long ago, Bull king of the farm commanded cow and pig "I order you to sprint around the farm and find the biggest shiny, beautiful enormous tractor" "In future I will only buy that tractor. Come back by midday with your investigation" he ordered.

In the morning, cow and pig set out on their investigations, each sprinting off in a different direction. As the day was passing as they both beautifully worked as a team and got it done.

They both bumped into Mr Bean and he said "hello" and bumped into a lamp post. "Please I demand you to let me teleport you two to help you get to the old ratty barn" "ok" said cow and pig "Three, two, one goodbye" and Mr Bean teleported them "Thanks" replied cow and pig.

Then they gave their thanks to Mr Bean. They brought the tractors back to Bull. "Tell me what you have investigated" he asked.

I cow investigated a New Holland it is very shiny, very detailed, and very beautiful".

"I'll take it" shouted Bull.

Macdonalds crew

A few days ago, Burger, King of the Macdonalds world, sent for a chicken nugget and a French frie. "I command the two of you to waddle around every Macdonalds in the Macdonalds world and find the tastiest Ketchup. In future, I will only use that sauce for my fries. "Come back by lunch with the sauce," he ordered.

At sunrise, nugget and frie set out on their quest, each waddling off in a different direction. As the sun rose higher and higher, nugget sang his chicken nugget song happily as he waddled through town, and soon saw a Macdonalds.

On the other side of the world French frie was searching for a Macdonalds. As the day was at twelve o'clock.

They met outside the supermarket, frie had now found a Ketchup. Chicken nugget asked "frie did you manage to find the tastiest sauce?" Frie immediately replied "here taste this sauce it's the best!" Nugget chuckled "that's delicious but taste mine."

French frie confusingly said" they both taste the same!" "Which Macdonalds did you go to?" "It was the one around the corner." "Cunning" said nugget.

Dear Friends

One of the joys about March is that it is the month when Spring officially commences. I love Springtime! Not only does it herald lengthening days, warmth, growth, colour, life and vigour! That means that early mornings or late evenings can be spent quietly absorbing the magnificence of the season. If you're too busy to find time ever to do that, then maybe you are too busy? To appreciate Spring you must now stop, only then will you **hear** the plants growing and **see** the birds singing. (Lockdown One re-taught us that).

I understand that to appreciate God you must stop now and again; only then will you hear the eloquence of silence and see the heartbeat of God.

Spring of course is seasonal, that's part of the delight. The grace of God is for all seasons and will keep a "spring in our spirit" even when we have lost some of the "spring in our step".

William Ellery Channing wrote in his poem:

*To live content with small means,
To seek elegance rather than luxury,
And refinement rather than fashion,
To be worthy, not respectable, and wealthy, not rich,
To study hard, think quietly, talk gently, act frankly,
To listen to stars and birds, babes and sages, with open heart,
To bear all cheerfully, do all bravely,
Await occasions, hurry never.
In a word, to let the spiritual, unbidden and unconscious,
Grow up through the common,
This is to be my symphony.*

Enjoy Spring,
Richard

A HUGE THANK YOU . . . to everyone who came to the coffee morning raising much needed financial aid for refugees in Afghanistan. The coffee morning raised well over £300. Other donations via the Just Giving page, and the odd cash donation thrust into my pocket, brought the final total to £500.00. Thank you so very much.

I'd also like to thank everyone who gave warm clothing, bedding etc for the homeless in Hull in the run up to Christmas. Everything you gave was very much appreciated. I've been speaking with Kerry who runs a charity for the homeless and they are still seeking warm clothing but also toiletries . . . soap, toothpaste, sanitary products etc as they are now desperately short. If you can help please get in touch with me on 07791 688209 or you can drop things off at the Co-op Funeral office on Crosshill, Drifffield. Thanks again, Sue W.

22/009 Planning Applications:

(a) 21/04560/PLF: Siting of 1 additional glamping pod and 2 yurts at Land South of Highfield Farm, Southburn Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9AF – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Sibley-Calder).

(b) 20/03477/PLF: Installation of additional external flue (AMENDED PLANS) at Hutton Cranswick Fisheries, 21 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QR – Full Planning Permission. In December, 2020, the Council had objected to the original application on the grounds that it would have an adverse impact on the neighbourhood. The need for a flue of the size envisaged, appeared to be the start of a business, of a size more suited to operate from an industrial setting, rather than the heart of a rural village. The proposal of the amended plans did not change the Council's view.

The Clerk reported that Cllr Holtby had requested that his objection to the revised proposal be noted.

The current business had a far wider offer than the former fish and chip shop, now offering, in addition, Chinese takeaway food, over increased opening times. Since December 2020, it had proved a popular outlet for takeaway food, attracting customers from outside of the village. Balanced against this, the business had created nuisance problems of noise, unpleasant smells for those living close by, increased traffic, road congestion and the inconsiderate parking of cars.

The fact was that the flue had been installed without planning permission. Concerns raised with both planning and environment health officers, had changed nothing with no enforcement action taken.

The Parish Council was to request for the application to be called in and determined by Committee.

Cllr Dewhirst stated, that prior to taking enforcement action, planning regulations encouraged planning officers to work with an applicant to resolve issues. This often saved time in resolving issues and was a better use of financial resources. He noted the request for the application to be determined by Committee.

It was **Resolved** to re-affirm the Council's objection to the application on the grounds that it would have an adverse impact on the neighbourhood. Since the objection, there had been considerable problems of noise and unpleasant smells for those living close to the Fisheries. Furthermore, there had been increased traffic, road congestion and the problem of inconsiderate parking of cars.

Should the planning officer recommend approval of the application, the Parish Council requested for the application to be determined at a relevant Committee meeting (proposed Cllr Teare/seconded Cllr Alderton).

(c) 21/04307/PLF: Change of use of agricultural land south of Corpslanding Road to a dog walking field with associated parking, fences and field shelter and erection of a building adjacent to existing farm yard to house boarding kennels at Corpslanding Farm, Corpslanding Road, Hutton, East Riding of Yorkshire, YO25 9QF – Full Planning Permission.

Cllr Wilkinson left the room and took no part in the consideration of the application.

It was **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Thompson).

(d) 21/04308/PAD: Display of a non-illuminated free-standing post-mounted sign, in connection with proposed dog walking field at Corpslanding Farm, Corpslanding Road, Hutton, East Riding of Yorkshire, YO25 9QF – Consent to Display and Advertisement.

Cllr Wilkinson left the room and took no part in the consideration of the application.

It was **Resolved** – Not to object to the application (proposed Cllr Teare/seconded Cllr Sibley-Calder).

(e) 21/04678/VAR: Variation of condition 15 (approved plans) of planning permission 18/00455/PLF (Erection of 16 dwellings with associated garages and infrastructure) to allow change in garage design for plots 6,7 & 8 and attached garages for plots 10 & 11 at Land and Buildings, Rear of 99 Main Street, Hutton Cranswick, East Riding of Yorkshire – Variation of Condition – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Thompson).

22/010 Representatives reports

(a) In Bloom – Cllr Mrs Simpson reported that the next In-Bloom meeting was the AGM, scheduled for the 23rd February, 2022 at the SRA Clubhouse. Northern Railway had been reminded about its promise to provide support to repaint the wooden fencing at the Station. Northern Railway in partnership with an established group of young volunteers was to provide practical help at Stations. The timing for supporting Hutton Cranswick was to be confirmed. Ideas to recognise the Queens Platinum Jubilee at stations was being explored.

(b) SRA – Most of the regular activities at SRA had re-started successfully, including new Exercise Classes in the Clubhouse. The monthly Quiz Nights had continued, the entry fee had increased from £5 to £8.

Unfortunately, the Parish Council representative had been unable to attend many of the SRA Committee Meetings over the last few months due to other commitments. The Committee had asked if the Parish Council could nominate other representatives to allow the role to be covered for all meetings. Cllrs Ingham and Wilkinson expressed an interest. Appointment of SRA representatives would be considered at the next meeting.

(c) Pond – The lights would be turned off at the end of January. The pond was in good health. The vegetation was now under control thanks to Cllr Sibley-Calder carrying out regular management last year.

(d) Village Show – Cllr Teare was to confirm the date for the 2022 Show, provisionally it was the 23rd July.

22/011 The East Riding Rights of Way Improvement Plan – The Council had no comments on the Plan at present. The Consultation closed on the 31st March, 2022.

22/012 Consultation on the East Riding of Yorkshire Council's Enhanced (Bus) Partnership Plan and Scheme – The Council would welcome improvement to communicating bus timetables.

22/013 Play Area – It was noted that the automatic closer to the pedestrian gate at the main entrance to the park had been replaced. The Council had renewed its Certificate of East Riding Minimum Operating Standards registration.

22/014 Risk Register – The Clerk had provided a review on the risks faced by the Council. It was **Resolved** to approve the register, incorporating suggested amendments from Councillors, and to continue to focus on and mitigate, as far as possible, risks faced by the Council (proposed Cllr Teare/seconded Cllr Thompson).

22/015 Town and Parish Council Charter – **Resolved** to adopt the Charter, as proposed by East Riding of Yorkshire Council (proposed Cllr Alderton/seconded Cllr Wilkinson).

22/016 Modification to Street Lighting – A resident had sought support for modifying current street lighting levels. The suggestion was to consider turning off the street lights between 1am and 5am. Failing this, that the lights could be dimmed from 10.30pm to 5am. East Riding of Yorkshire Council owned the majority of the lights in the village and, at present, there was no plan to make any modifications to the lighting. It was noted that a number of the lights had LED bulbs, which automatically dimmed by 25% between midnight and 5 am.

22/017 Accidents at the Megginson's Turnpike/Rotsea Lane crossroads – Recently there had been two incidents/accidents at the crossroads due to ice, both required vehicle recovery, with one needing the involvement of the police, as the road was blocked. It was **Resolved** to request East Riding of Yorkshire Council to install a new salt bin, to be located close to the crossroads. The cost of the bin was £357.00 with an annual inspection/maintenance charge of £43 (proposed Cllr Teare/seconded Cllr Thompson).

22/018 Gatehouse Lake – **Resolved** to grant a request from the Angling Club to close the Lake on the 21st February, 2022 to undertake a netting programme to assess the level of the current fish stock (proposed Cllr Teare/seconded Cllr Thompson).

22/019 The Green – It was noted that the site of the former Church Rooms had been registered as the Green.

22/020 BT Box, Cranswick – **Resolved** to support to use the Box as a book lending facility (proposed Cllr Richardson/seconded Cllr Thompson).

22/021 Cutting of the Greens in 2022 to 2024 – The three-year agreement to cut the Greens had ended in October, 2021. It was considered the Green was not appropriate for wildflower. A specification to seek quotations for a further three years was approved (proposed Cllr Richardson/seconded Cllr Teare).

22/022 Register of Interests – Members would inform the Clerk of any changes required to their Register of Interests.

22/023 Garden Allotments – It was noted the roadside dyke was to be flailed and cleaned out. Tenants were to be reminded to ensure the entrance gate was locked when leaving the allotment.

- (g) Beverley and North Holderness Internal Drainage Board – Drainage Rate Notice (9.47p in the £).
- (h) Hobman Lane to be resurfaced within the next two years.
- (i) COVID-19 – Government advice on testing and self-isolation periods (19th January, 2022).
- (j) NALC – Chief Executive’s Bulletin – 18th January, 2022.
- (k) Damage to a grass verge on Orchard Lane, Hutton – The Chairman agreed to consider this matter earlier in the meeting, as a resident that had expressed concern, was in attendance. The matter was discussed at length. The damage caused to the grass verges on Orchard Lane and other areas in the village generally, was a result of parked cars making it difficult for other vehicles to pass and having to mount the verge. It was frustrating for residents to see their efforts of keeping the verges neat and tidy ruined by a lack of consideration and patience of drivers. The resident and the Clerk had raised this incident with the East Riding of Yorkshire Council. A Council Officer had met the resident and inspected the damaged verge. A suggestion by the resident to permanently widen the road, by removing some of the grass verge was, in the Officer’s view, unacceptable. It was suggested that residents on Orchard Lane are asked, as far as practicable, not to park vehicles on the roadside.
- (l) NALC – New Year open letter.
- (m) ERNLLCA – Vacancy for Executive Officer.

22/027 Next Meeting – 23rd February, 2022, at the W.I. Hall, Cranswick commencing at 7 pm.

There being no further business, the meeting closed at 8.15 p.m.

The Queen's Platinum Jubilee Central Weekend 2022

In 2022, Her Majesty The Queen became the first British Monarch to celebrate a Platinum Jubilee, seventy years of service, having acceded to the throne on 6th February 1952 when Her Majesty was 25 years old.

An extended bank holiday, from Thursday 2nd to Sunday 5th June, will provide an opportunity for communities and people throughout the United Kingdom to come together to celebrate the historic milestone.

Thursday 2nd June

The Queen's Birthday Parade (Trooping the Colour):

Over 1,400 parading soldiers, 200 horses and 400 musicians will come together in the traditional Parade to mark The Queen's official birthday, usually held on the second Saturday in June.

Platinum Jubilee Beacons: Beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories.

Friday 3rd June

Service of Thanksgiving: A Service of Thanksgiving for The Queen's reign will be held at St Paul's Cathedral.

Saturday 4th June

The Derby at Epsom Downs: Her Majesty The Queen, accompanied by Members of the Royal Family, will attend the Derby at Epsom Downs.

Platinum Party at the Palace: The BBC will stage and broadcast a special live concert from Buckingham Palace that will bring together some of the world's biggest entertainment stars to celebrate the most significant and joyous moments from The Queen's seven decade reign.

Sunday 5th June

The Big Jubilee Lunch: Every year since the idea began in 2009 The Big Lunch has encouraged communities to celebrate their connections and get to know each other a little bit better, coming together in a spirit of fun and friendship. In 2022 The Big Lunch will bring the Jubilee celebrations into the heart of every community.

The Platinum Jubilee Pageant: A pageant featuring over 5,000 people from across the United Kingdom and the Commonwealth will take place against the backdrop of Buckingham Palace and the surrounding streets.

What is happening in Hutton Cranswick?

Plant a tree

A key initiative as part of the nationwide celebrations is planting trees for the Queen's Green Canopy project. Working with our local schools the aim will be to create a lasting legacy of the Platinum Jubilee by planting a tree for each child in the village. A tough task. However there is plenty of support and advice available from the Woodland Trust. What we will need to do is find suitable locations for what could be as many as 400 trees to be planted in the village and surrounding community. We are now looking at planting at the SRA, Centenary Wood, on The Green and at the Primary School. Let us know at The Bulletin if you know of other locations within in the village that can be used.

Souvenir Bulletin - plans are being made to produce a 28 page Platinum Jubilee souvenir colour edition of your village newsletter. During the Jubilee year there will be opportunity for you to submit photographs and articles describing the activities and events you are organising and taking part in. Help us build a lasting memory.

This half term we chose to meet for an afternoon of activities at the SRA instead of meeting every week whilst the weather wasn't at its best.

We had different bases that the young people could go round and join in the various activities on offer. We had different crafts such as making a bookmark, making a placemat, and decorating a biscuit all of which were themed on Chinese New Year, with the young people learning various characters from the language. There was also cooking, knot tying (either bracelet of monkey fists), and bird feeders to have go at.

We were lucky enough to have Alan and Geraldine Gray (who Facebook users will recognise as the village wildlife/photograph expert), come and talk to our young people too. Here they had chance to have a look through binoculars, take photos with his camera, and learn about different wildlife including the RSPB Garden Bird Count that was on the weekend we held this. Thank you to them both.

The young people showed their strength at tug of war and their skill at soft archery during the afternoon.

We finished off by being presented with a cheque with the Hutton Cranswick share of the money raised by the Scout Post from before Christmas. Pictured in the centre is Phil Rounce presenting the cheque to the Scout Group Chairman Paul Waites, also present are other members of the Scout post team including Rebeccah Bonser the co-ordinator for our local villages.

Phil is retiring from being the post co-ordinator this year so if anyone out there fancies helping out or taking on this role we can put you in touch.

Places available for Scouts, waiting list for Beaver and Cubs, get in touch to join or be added to the list.

Now that Christmas is firmly behind us, we are truly up and running for the year, and what a start we have had. I have lost count of the number of new faces that have joined in the past month or so and, perhaps even more remarkably, they keep coming back! Add to that the number of new songs that we are learning and you have an exciting blend of old and new to take us forward. Mind you, we always have room for more, so if you do fancy trying something new and exercising those vocal chords, why not come along and give it a try?

One thing that has been working really well is our extra "sections days" rehearsals where each section meets to run through just their parts. It's a great way of learning songs and, with so many newbies, really good to be able to get to know fellow choristers, as well as being a good excuse for a cheeky snifter! We are already racing towards the end of February and with the Queen's Platinum celebrations due, it's going to be a busy year, so we have a lot of hard work in front of us. One of the most rewarding things about singing in a choir is hearing the harmonies coming together. Granted, it doesn't often happen immediately and may take some time, but when it's right, you can really hear it and it brings with it a huge sense of satisfaction. When you consider that a significant number of the members don't read music, it's brilliant to think that they are part of such a magical process and even more rewarding to see the smiling faces and hear the laughter that accompanies every rehearsal.

We are very much a bunch of enthusiastic amateurs, who try our best but don't take ourselves too seriously and yet strive to create something that sounds amazing, whilst supporting the local communities with our charitable donations.

If you feel you would like to be part of this, we meet every Monday evening from 7.30-9.00 at the SRA on Rotsea Lane in Hutton and many of us stay for a little post rehearsal refreshment to soothe our well worked throats. Everyone is welcome.

The February meeting was our AGM and surprisingly well attended.

President Gwynneth welcomed everyone and members of the committee were introduced. There are no changes to the committee this year. The treasurers gave their reports and all were approved. As we own our own hall there is more than one treasurer. The hall is rented out to other groups within the village including a Tai chi class and Village quilters. Gwynneth gave her annual report, reminding us how we'd managed to stay together during this covid ridden year, meeting for coffee on The Green and afternoon tea in a member's garden. And that was the AGM over.

Next we had a quiz, enjoyable but rather difficult. After that came welcome refreshments served by Mavis and Jean. The meeting resumed with voting and discussion on the 5 WI Resolutions, all worthwhile but not one particularly outstanding. The next meeting is March 8th, 7-15pm at the WI Hall, the speaker is Louise Sanderson, a violinist.

Tea ladies will be Sonia, Lyn and Jenny.

The Bulletin

Team Changes

Our finance and advertising role in The Bulletin team is now occupied by Margaret Austin, who has recently retired from accounting! We welcome Margaret to the team and look forward to working with her. (Margaret's contact details can be found in The Bulletin information on page 4.)

Looking to the Future

If you value The Bulletin and have time and commitment, you might like to consider joining the team. We are looking for volunteers to take the publication into the future. Currently there are seven members of the team who carry out various roles, including: contributions, design, production, proofreading, administration and distribution.

We meet once a month, on a Friday morning, to consider issues arising and to plan the next publication.

If you are looking for a meaningful, community interest and are prepared for a longer-term commitment, **please consider joining the team** with a view to taking responsibility for one (or more!) of the roles, as some of the current members move towards 'retirement'. Induction / training can be given by the present team.

Please express your interest initially by **emailing your details** to: hutton.cranswick.bulletin.2020@gmail.com and a member of the team will contact you.

Have you ever thought about joining the WI?

Hutton Cranswick WI is a small group of women (ladies?) mostly elderly but with a few young members. Joining the WI is a great way to meet new people, from the village and the wider East Riding. We meet once a month in our own WI hall, usually with a speaker or demonstrator, ending with tea and cake and a good chat.

But there is so much more to the WI than just the monthly meetings.

For me personally, over the years I have taken part in many different activities, eg. Archery, golf, gliding, rifle shooting, tried several different crafts such as watercolour painting, beadwork, paper crafts.

I've visited various stately homes and gardens, gone rambling, taken part in quizzes and even tried belly dancing. The list is too long to include everything.

We meet every 2nd Tuesday of the month at 7-15pm in the WI Hall on Main Street.

Do come and join us!
