Plant Sale

Village in Bloom's Plant Sale which took place on Tuesday 12th April at the Bowls Club raised approximately £60. Many thanks are due to The Bulletin for letting us use one of their Coffee Mornings for the Plant Sale, the Bowls Club for letting us use their facilities and to those residents who donated plants.

Maintenance of containers

The In Bloom team has continued to rationalise the number of small difficult to maintain containers. We have removed the four containers from the front of the Methodist Church and recycled the plants. By the time the May Bulletin is published, we will also have removed the planters and wheelbarrows from the wall near the WI Hall and replaced them with half-barrels. Both sets of containers were well past their best.

Yorkshire in Bloom

We do not have a date for the Yorkshire in Bloom judging yet – it will be between 2nd – 17th July. We will publish the date as soon as we can.

The In Bloom team decided that the village planting should maintain the move towards perennial planting as far as possible even in this Platinum Jubilee Year. However, where we need splashes of colour, we will use red, white and blue annuals.

Digital 'Best of Yorkshire' competition

Just a reminder that the full details of this competition were included in the April Bulletin. More information can be found at

We look forward to hearing from you.

Hello,

May, or Maius as it was called in the time of the ancient Greeks. Named after the Greek goddess of growth; and as we look around us, we can understand why. Have you taken a stroll round Centenary Wood, or looked in the borders of your garden? Everything is coming to life, everything is growing, even the weeds. All the little seedlings carefully grown in greenhouses, or in my case on the windowsills, are bursting forth, all longing to be outside in the warmth and the sunshine.

May, it's a wonderful month. In Church, the forty days of Lent proved a good time to study the book, 'His Living Story', telling Jesus' story and learning that we too have a story to tell. Palm Crosses were waved to 'Ride on, ride on, in Majesty'; and the Easter chant 'Hallelujah, Christ is Risen', gloriously proclaimed. Now in May we continue to celebrate the risen Lord Jesus, as we await Pentecost Sunday on June 5th, and the coming of the Holy Spirit.

May is the month of the Eurovision Song Contest. Do you know who is representing England? Do you know when this Contest first began? Did you know that the Eurovision Song Contest stemmed from a desire to promote cooperation between European countries following the Second World War, and began on 24th May 1956, when seven nations took part. This year, our representative is Sam Ryder, the TikTok star with his 'Space Man' single.

For me, I think May will be a month of tending the garden. Getting all the little plants out into the sunshine and tidying up the beds. Keeping the tubs well-watered and cleaning the patio slabs. Then out with the table and chairs, the umbrella too, and time to enjoy watching as the garden comes to life.

Take care, and enjoy the month of May.

Love Trish x

Game Review

This is a review for a PC game Portal 2, released on Steam on 19th April 2011 by the game developers Valve. This game is for ages 12+ due to mild violence and is an FPS (first-person shooter). Portal 2 is a game where it forces the player to use their brain to complete puzzles in a variety of 'test chambers' using portals. There's a single player campaign and a co-op mode to play with a friend. As the player progresses on any mode, each 'chamber' will get harder and more dangerous than the one before, it also teaches you how the game's portal physics work in order to complete most puzzles.

The graphics have been improved since Valve's 2007 HL2: EP2 (Half-Life 2: Episode 2) and Portal games. The soundtrack for Portal 2 is absolutely fascinating as it uses electronic rhythms and a load of factory noises to make the player feel like they are isolated, away from normal society and inside a high-tech facility. Sound effects in the game are also pretty good, but some have been reused from the HL (Half-Life) games. The HUD (Heads-Up Display) is really simple as there is only a crosshair and the portal indicators to show the player which portal is active. Subtitles are an option so is colourblind mode for those who need it.

When you first play the story you might find it a little bit confusing, but don't worry everything will begin to make sense as you progress. The story itself is a little complex as its timeline goes all the way back to the late 1940s. What you need to know is that there is a company dedicated to science called 'Aperture Science' which was run by a guy called Cave Johnson (voiced by J.K. Simmons). As the player progresses the story and explores the abandoned facility, they

will see the development of the company, with some references to Black Mesa (from Half-Life), and hints of what happened to all the humans who worked there. The references to Half-Life are only noticeable if the player has actually played and listened to the story of HL before playing the Portal games

As Portal 2 isn't a shooter game, there are no additional weapons or tools. Throughout the game, the player uses an 'Aperture Science Handheld Portal Device' also known simply as a portal gun. The portal gun is the player's most useful way of getting around the map and solving the puzzles. Whilst playing the game the player won't encounter any human characters, but they will find talkable AI systems and voice recordings of the facility's old owner.

The player will be able to find drawings on the walls made by a mysterious character not mentioned in the game but in a comic which is included with the digital Steam version of Portal 2. There is also a mode where players can make their own test chambers and share it with friends or the Portal community on the Steam workshop. You will be able to download other players custom test chambers as well.

Overall I would recommend this game to any fans of the HL series or players who want to play a puzzle game alone or with a friend. I rate Portal 2 10/10 due to an amazing story, beautiful graphic design, simple yet satisfying gameplay and a soundtrack that is an absolute masterpiece.

Minister : Richard Teal 01377 538806

Dear Friends,

I guess I'm a bit of a nomad. Since leaving the farm house where I was brought up in the Yorkshire Dales, I have lived in a number of different houses and places. Not everyone's idea of fun and I'm not particularly recommending it. What I have enjoyed however, is meeting a wide variety of people and being privileged to see life from different perspectives. Again and again, I've been able to discover the truth of the saying, 'a stranger is but a friend you don't know'.

I feel very uneasy about our attitudes to the stranger, the refugee, the asylum seeker. Of course, it doesn't help when money talks, and it is the more impoverished places that the stranger is likely to find themselves shunted into! I wonder how many (please note I am writing this letter near the beginning of April) refugees we will receive from the Ukraine? We will be a richer community with them among us!

We do need at all times to counter attitudes and politics that undermine respect for others. From my own perspective, I am committed to having a special regard for the stranger, for it is part of our Christian understanding of responsible living and a source of enrichment. Whether that perspective is shared or not, we do well to heed the words of Pastor Niemoeller (German minister who opposed Hitler):

'First, they came for the Jews and I did not speak out – because I was not a Jew.

Then they came for the communists and I did not speak out – because I was not a communist.

Then they came for the trade unionist and I did not speak out – because I was not a trade unionist.

Then they came for me – and there was no one left to speak out for me.

More information was available at www.yorkshireinbloom.co.uk/bestofyorkshire2022 . Information had been sent to the school.

Two new volunteers had joined the Group. A plant sale was to be held at the Bowls Club coffee morning on Tuesday, 12th April, 2022. Major work was to be carried out at the SRA in due course. The Group next meet on Friday, 22nd April, 2022.

An Appeal

Recently I asked my grand-daughter for an example of sounds that stir the emotions. "Seagulls" she said. For me I could quote the Welsh rugby fans singing their anthem; or the sound of a steam engine attacking the bank out of Grosmont; or laughter down a corridor at school

But one occasion really stands out – in York a few years ago. It was a Sunday, approaching Christmas and there was snow on the ground. My wife and I were walking past the Minster – and the bells started to ring for evensong. What a wonderful sound. We had to stop and relish the magical atmosphere.

Unfortunately we can't replicate the scenario here in the village, and not just because snow is unfashionable these days. We do actually have six bells to ring at the church in Hutton, but need more personnel to ring them. Driffield struggles as well. At Middleton, the bells have fallen silent and are gathering dust. Experienced ringers are rare beasts.

Here at Hutton we join forces with the ringers at Kilham, and hold practice sessions with them every alternate Monday. Without their input, our bells would also be ringing less frequently.

So we need new ringers: male or female, over the age of 14. We offer training; indeed Kilham have three novices so we would like to match their recruitment.

Bell-ringing is a skill, a social activity and a slight source of income. We earn money at weddings!

If you would like to attend a practice session with a view to taking up the activity, or would like more information, please ring 01377 270565 for a ding-dong

Souvenir edition of The Bulletin -
The Bulletin has received funding from ERYC through the Parish Council to assist in the production of a special 28 page edition to commemorate the Platinum Jubilee celebrations, activities and events in the village. This should be published in the autumn.

The intention is to produce 1250 copies, delivered into all homes and have some available to circulate to friends of Hutton

Cranswick. The cost of production will be covered by the grant and the sale of 6 pages of advertising.

Year 5 and 6 at the Primary School are looking to interview those village residents who experienced the Coronation in 1953. This is

something which could be published in this special edition. In terms of the children interviewing village residents who experienced the Coronation, the school have some suggested dates for this: Monday 23rd May, Tuesday 24th or Thursday 26th May. Let us know if you would like to get involved by calling Melvyn on 270187.

All organisations, streets and groups are encouraged to submit photos and articles on what they are doing to celebrate the Jubilee and any memories they have of past celebrations. The email address is hutton.cranswick.bulletin.2020@gmail.com

Now we need your articles and photographs, not only of activities and events during the Jubilee year but also of past Jubilee celebrations, memories of the Coronation in 1953, Silver Jubilee in 1977 and royal events you may have taken part in. Help us build a lasting memory.

What is happening in Hutton Cranswick?

Monthly Craft and Produce Market from 10am to 2pm at Foreman's Garage - Saturday 28th May.

Memorabilia exhibition – at St Peter's Church for four days at the beginning of June. A display to celebrate the Queen's Platinum Jubilee will be held on 2nd to 5th June. If you have any memorabilia which you would like to contribute to the display, please contact Myrtle 271287 or Shirley 270356. The Church will be open to receive items for display on 30 and 31 May and 1 June from 10.30am to 3.00pm.

Beacon Bonfire -There is a long and unbroken tradition in our country of celebrating Royal Jubilees, Weddings and Coronations with the lighting of beacons. In 1977, 2002 and 2012, beacons commemorated the Silver, Golden and Diamond Jubilees of The Queen, and in 2016 Her Majesty's 90th birthday.

On **Thursday 2 June** a Beacon Bonfire will be lit at 9.45pm. We have selected a site for the bonfire at the top end of the playing field at the SRA. Our Scout group has the task of creating the bonfire. It will be wood based – we have sourced sufficient materials to make a decent bonfire.

Fiona Bone and the team from the SRA are creating an entertainment and activities from 4pm as part of the Jubilee celebrations. Details are being planned. Look out for more detail in The Bulletin and on social media.

Best dressed street for the Jubilee celebrations – a competition for the best dressed street for the jubilee celebrations – this could include window displays as well as bunting and other decorations. The best street judged will receive a significant prize – unknown at the moment. The dressed period for judging will be from 2nd June to the 5th June.

Platinum Jubilee walk

What better way of discovering local churches together than by joining in a 10 mile walk around the 8 places of worship in our locality.

This day long activity is being planned for the Platinum Jubilee Celebrations. More detail soon.

Saturday 4 June - Open Afternoon with refreshments at the Hutton Cranswick Bowls Club

Sunday 5 June - The celebrations will start with a Parade at 11am, and a Churches Together service on the Green at midday. The Parade by community groups and streets will each depict one of the 7 decades of Royal service by the Queen. So far the Church has selected the fifties, the Scout group the sixties, and the Guides have opted for the eighties. Playgroup has since opted for the current decade. Community groups and streets are invited to decide on which decade they want to dress up as and parade by emailing The Bulletin.

hutton.cranswick.bulletin.2020@gmail.com

The Parade will be followed by The Big Jubilee Picnic on the Green, where all residents and guests are invited to bring and eat a picnic on the green as a village wide "street party". People are welcome to bring blankets, tables, chairs etc. It has been suggested to build a message out of bails that can be viewed and photographed from the air by drone.

Hutton Cranswick Playgroup

We offer early years sessions for children aged 2½ to 5yrs in a safe, caring and fun environment with a dedicated team of experienced play workers. All sessions benefit from a wide range of resources and themed play activities both indoors and out, in our convenient village location. Our OFSTED rating is good.

We are open Monday to Thursday during term time, for morning or full day sessions:

Monday: 9:00 - 12:00 or 9:00 - 15:00

Tuesday: 9:00 - 12:00 or 9:00 - 15:00

Wednesday: 9:00 - 12:00 or 9:00 - 15:00

Thursday: 9:00 - 12:00 or 9:00 - 15:00

Here are some photos of what we've done just this couple of weeks: We've been playing in the woods, built dens and had a chocolate rabbit hunt. We've made hot cross buns we had Mums in for a Mother's Day treat.

We designed our own tent for a chance to win with Gala tents. Above all we've had fun with our friends old and new!

Yorkshire Wolds Community Choir in harmony...

As I am writing this over the Easter weekend, the sun is shining and the birds are singing on a beautiful spring day. Hopefully, this will continue for some time and more especially on Thursday, June 2nd on the occasion of the Queen's Platinum celebrations. I know the village has plenty of ideas in mind for the weekend and many groups are coming together to celebrate in style. Maybe one of the more dubious ideas might be the rather rash decision to invite us to sing on the day and provide some 'entertainment'! Never mind, we are all very excited by the prospect, if not a little nervous, and are practising hard.

Although we are not yet quite sure of what our repertoire will be, we do hope to provide a rousing finale so that you can all join in and show yourselves just how good you are. Rehearsals have been going well and quite a number of our songs are really beginning to come together. With

a little more work and refinement, it will be 'alright on the night', as they say. We still have time to add a couple more pieces to our selection to choose from, so, fingers crossed, we should have a little of something for everyone.

There is also more than enough time for anyone who wants to come and join us to get up to speed and bolster our numbers so that we can give it as much welly as possible and celebrate what has been a remarkable reign in style. We meet on a Monday evening from 7.30 - 9.00pm at the SRA in Hutton. We are always pleased to welcome new members and no auditions are required - if you turn up, you're in! Our subs are £2 per week and you only pay for the rehearsals which you are able to attend. The bar is open afterwards for some well earned refreshment and it is a great way to meet new people and make new friends as well as being good for your health. If you are interested, give Fiona a call on 07984 657071 and you will assured of a warm welcome - particularly men (not sure how well that comes across....)

In harmony, Haz

The Queen's Green Canopy (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee".

A key initiative as part of the nationwide celebrations is planting trees for the Queen's Green Canopy project. Our aim is to plant 400 new trees in the village. Now that this winter's planting season is drawing to a close means we can focus on what to plant in November.

We have carried out a site survey at the SRA on the Queen Elizabeth II playing field where it borders Gatehouse Lake and the two side hedgerows. There is space for at least 300 trees. We will need to do some groundwork in order to prepare the planting areas for this autumn ready to plant the following trees in October / November. The trees are Alder, Rowan, Hazel, Oak, Cherry, Silver Birch and Prunus Serrula.

Our thanks go to Tony Henderson who has donated 75 saplings from the NHS Smash Grows project and Beverley Cherry Tree Community Centre. These saplings are now heeled in on the parish allotment waiting to be planted in the autumn.

The Primary School would like to plant a substantial tree in their grounds with an appropriate time capsule.

There is plenty of support and advice available from the Woodland Trust. If you are interested in getting involved in our preparations and planting in the autumn then sign up at the Craft Market on May 28th at Foreman's Garage between 10am and 2pm.

Could this be You?

Have you ever:-

- *wondered how your favourite magazine gets put together?*
- *wondered what it would be like to have a hand in publishing something?*
- *had the urge to do a little research and write up your findings?*
- *looked at the computer you bought last year and felt as if you could do more than Surf the Net with it?*
- *felt those creative juices flowing but don't quite know what to do with them?*

If the answer to any of the above is 'yes', then helping out with the editing and preparation of The Bulletin might be just the thing for you!!!

You don't have to know anything about publishing as The Bulletin team (who are a very friendly bunch) will show you the ropes and you never know – The Bulletin today, Vogue magazine tomorrow!

If you feel that you might be interested please get in touch. You don't have to make a commitment at this stage but come and talk to us and explore some of the many possibilities you might like to try.

To get in touch: email hutton.cranswick.bulletin.2020@gmail.com or have a chat with any member of The Bulletin team known to you.
