Hello Everyone!

My name is Louise and you may have encountered me in the village playing my violin, or walking around in the strange hat in the photo! I am writing this, however, as a newly commissioned Recognised Parish Assistant (RPA) for the benefices of Hutton and Nafferton.

So why am I a Christian and how is being an RPA going to make a difference? In answer to the first question, the main reason is that I have not found a better example of how to live than that of Jesus. He questioned the values of his day (not much different from present ones) and turned them on their head. I like that. But my path to belief was not straightforward.

I first attended Sunday School at my local Methodist church in Hull when I was 3 years old. I enjoyed the activities and the music and I absolutely loved being a Brownie! Age

13 I left as actions were introduced to the songs and I hated that and still do. I prefer to worship with my heart, mouth and ears but my arms do not want to join in!

After that I was a nomad, attending my friends' places of worship: Plymouth Brethren, Jehovah's Witnesses, Salvation Army, Roman Catholic, you name it, I've probably been there! It wasn't until I was 28 that I discovered the Church of England with its great musical tradition and I was hooked. In terms of a spiritual experience that was 'it' for me and I felt as if I was truly in the presence of God.

Shortly after this I found myself back at the Methodist Church under the inspirational leadership of Rev. Dr David Perry. He was a really great example of what a Christian should be and had an answer to every one of my questions, and there were many. Music and the desire to fight poverty fed my spiritual growth.

A number of books influenced my life considerably. *Rich Christians in an Age of Hunger* by Ronald Sider totally changed the way I felt about money and possessions. Giving became a really important part of my faith. I no longer thought of my possessions as mine but as on loan for however long I am here. As we hear in the funeral service 'we bring nothing into the

world and it is certain we can take nothing out'. The more I gave the more I seemed to have. Now, I have a questioning and analytical mind but I cannot now tell you how this works, just that it does.

This realisation motivated me to become a Fairtrade speaker, taking this message to as many groups as would listen. Later I became a Global Poverty Ambassador and a Tearfund speaker and I still talk to groups about world poverty now. There is so much we can all do to help and it does not have to be onerous.

How is being an RPA going to make a difference? Well, I'm hoping that you are going to tell me the answer to this question. The church is there to serve you, and not just with baptisms marriages and funerals, as important as they are. We are very fortunate at St Peter's to have a wonderful team of leaders, a traditional choir, organist and a modern worship band. Services are therefore varied but if you can't come on a Sunday, tell us when you can and we'll try to do something new.

You don't even have to believe in God, just come with curiosity an open mind and see what happens!

Louise Sanderson RPA

Village in Bloom - Judging day

A massive 'Thank you' to all the In Bloom team and residents in general for making such a special effort for our Judges' visit on 5th July. Also on the list for a special mention is Trevor Eling and his team for their superb grass cutting efforts on both Greens and various other areas, not forgetting the East Riding maintenance men who carried out such a timely and comprehensive assault on grass verges and general street cleaning. I honestly didn't spot a single piece of litter throughout our 1.5 hour judging tour.

We were blessed with excellent weather and the three Judges (two of whom had visited the village for judging in the past!) were greatly appreciative of all the efforts made to co-ordinate the various aspects of their visit and for the splendid tea provided. They had already judged two other entries in differing categories before arriving with us at 1p.m. and hadn't had much in the way of refreshment since breakfast time. They sent through a highly complimentary e-mail of thanks after their visit, which has been passed round the team.

Village in Bloom says a special 'Thank you' to all the children and Supervisors at Playgroup who gave the Judges a delightful welcome and took great pride in showing them their efforts with the calendula plants now growing from seed supplied as part of the RHS Spring "Grow Well" project, as well as the other plants and herbs which they care for daily.

'Thank you', also, to James the Butcher for his ongoing support of Village in Bloom efforts and for his entry into the Commercial Category: I am sure some residents will take this for granted but James and his team always ensure that the entry to his shop (and indeed the inside of the premises) are filled to the brim with colourful and well-maintained plants. Despite being

busy workwise, James gave freely of his time to the Judges when they stopped to inspect his entry. Good luck James.

Summer Judging doesn't end until July 17th – with submissions for the Best of Britain category (no entries from our Parish) not closing until 21st August, so we won't hear any official results of this year's competition until 6th September, when we will broadcast these far and wide ... fingers crossed that we have done well.

In the meantime, thanks to all who are keeping the various public areas watered (a tremendous task with this year's heatwave) and the plants looking at their best.

All offers of help are welcome.

Our village fund-raising champions Yorkshire Wolds Community Choir (YWCC) are at it again with a Summer Concert planned to raise funds for the Yorkshire Wolds Group of Riding for the Disabled (RDA) on Saturday August 20 from 2pm – 4pm.

Choir Director Fiona Bone said 'We want to celebrate local music in a beautiful garden setting in the heart of Hutton Cranswick. We'll have everything from a piano recital, to a violinist to singing from the Yorkshire Wolds Community Choir so it will be quite an afternoon!'

We want to be as diverse as possible to include music for everyone. We'll have marquees set up in the garden, so come rain – or hopefully shine we will be able to enjoy the music **and** the garden with a glass of Pimm's too!

We are expecting demand for tickets to be high, and they will go on sale Monday 25 July from Foreman's

Garage for just £5 each or you can contact Fiona directly on 07984 657071.

All monies raised from Music@MayLodge will be donated to the Yorkshire Wolds Group of Riding for the Disabled. Katie who sings in the choir said 'Fiona and the choir have raised serious money for local charities and as I'm involved as a volunteer for RDA locally in Drifffield, I approached her for support. We work with children and young people aged under 18 and to be involved in a local fund-raising event like this is exciting.

"I can't tell you how much we are all looking forward to it," said Fiona. 'Live music, a beautiful English garden, and homemade cakes or a cheeky Pimm's – what better way than that to celebrate Summer and fund-raise at the same time!

If anyone in the village would like to donate a raffle prize for this very worthwhile cause, these can also be dropped off at Foreman's Garage. Or if we have any budding musicians in the village who would like to participate please do get in touch with Fiona on 07984 657071.

(Please note, there is no parking available so attendees will need to get to Southgate on foot)

Narratives by Year 6 pupils

Alma

In the quiet streets of snowy Barcelona, skipped a 7 year-old girl called Alma. She had a pink coat, a button nose, a grey hat and emerald eyes. She seemed not to have a care in the world. However she did not know this was all about to change... She took a sharp left into a tight alleyway which led her to a chalk wall with signatures scribbled all over it. Some messy, some neat, some big, some small. She was determined to find the chalk and write her name on the wall and so she did. She dug through the snow, found the chalk and engraved her name into the wall. Then suddenly an ear-splitting creak rang out then behind her in

a shop window, was a doll but it was different- it looked like her!

Alma motionlessly stared at the dolls amazing craftsmanship. All of a sudden, a wind picked up. When she got the lingering snow out of her eyes, the doll had disappeared. Before she knew it, she had pressed her face against the window and was desperate to catch another glimpse of the doll. Now the doll was sat at the piano. Alma furiously tugged at the door. It was locked. She threw a snowball with rage.

The door creaked open... Alma rushed in. The shop was filled with dolls some

old, some new but Alma was only looking for one distinct doll through the thousands of others. Beneath her feet, a tricycle doll hit her and fell over. Alma helped it up. Then the old fashioned tricycle doll slammed the door shut. When Alma looked up, her doll had disappeared.

Confused and scared, Alma studied the old room. There it was on the highest shelf. Hastily, Alma pulled her gloves off and jumped onto an old brown sofa. Then she grabbed a shelf (it wobbled) and pulled herself up she stretched her hand up and touched the button nose... All of a sudden she

felt excruciating pain and she could hear her own panting! SHE, WAS, THE, DOLL!

By Oscar B

Stuck

On a winter's day in Barcelona, Alma pranced in the white, crunchy snow as she noticed a chalk board waiting for her name to be wrote on the board of doom. Scraping the board, as Alma wrote her name, she glared at the board and read the names that were in all sorts of fonts, spidery writing, italic writing, neat writing. A-L-M-A, the chalk screamed across the board.

A cold breeze crawled up Alma's neck making her shiver as an irritating creak peered from behind her. She turned around. It was proudly stood. There stood a doll but not just any doll. A doll that looked just like Alma: the same button nose, the same wavy blonde hair, the same magenta body warmer and to top it off, the same crazy, grey hat. Intrigued, Alma

ran to the glass window and noticed the window seemed to be some sort of screaming face. As Alma's feet carried her to the window, she wiped off the frost on the window and noticed the dolls on shelves and piled up in corners. Mesmerized, Alma touched the door handle with her brown leather gloves hidden from the cold. She turned the doorknob courageously but the door would not budge, Alma thought I need this doll! She began to feel melancholy. In anger, Alma threw a snowball at the door and it mystically opened. Who knows what bad things could happen next...

Like a rabbit, she hopped into the run-down shop, which smelt of clay,

dust and old boxes, Alma grasped for the doll but tripped on a doll riding its bicycle. As Alma put the doll back the right way up, it cycled its way over to the

door as if it was trying to escape the ancient shop but the door shut. Confused, Alma spotted the doll, who had emerald eyes, up on the shelf.

There it was. Step after step, breath after breath. She climbed onto the torn apart sofa. Her arm stretched for it. Biting off her glove, she just barely touched the doll's nose. Flashes rushed through her mind as she realised she was inside the doll; she felt terrified. The more she experienced this, the more she panicked. This is when she knew she was stuck-trapped inside the doll forever.

As I sit in my study I can look across the Wolds and on the horizon I can see a wind turbine. I have realised that I can now tell which direction the wind is blowing by simply looking at the direction the blades are facing. If the turbine was unable to turn into the wind it would be of little use.

Even in our weakest moments we can turn to God. He is able to do so much through us if we turn to him and allow his power to work through us. All we have to do is ask, but so often we struggle on in our own strength.

Dear God help us today to use the power that is available to us through the Holy Spirit to do something amazing for you today. Amen

THE FORGHAM MEMORIAL AWARD

Congratulations to all the pupils pictured above, who had their artwork selected for publication on the front covers of The Bulletin in 2022.

They were presented with a photo block of their design and a WH Smith gift card at a special Celebration Assembly in school.

A member of the Bulletin Team talked about the origins of the Forgham Memorial Award and how the people in the community are pleased to see examples of the children's school work. All other pupils who entered a piece of artwork received a personalised certificate.

Thank-you to Mrs Burkinshaw, the staff, and pupils for their ongoing support for this annual award, which adds so much interest and variety to The Bulletin magazine.

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 22nd June, 2022.

The meeting was held at the WI Hall, Main Street, Cranswick and commenced at 7.00 pm.

Present: Councillors: Holtby, Ingham, Poolford, Richardson (in the Chair), Mrs Simpson, Swan, Teare, Thompson. One Parishioner. The Clerk recorded the minutes.

22/146 Apologies: Councillors: Alderton, Kelly, Lock, Sibley-Calder, Wilkinson. Ward Councillor: Evison.

22/147 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Ingham Item 10(a) Minute 22/154(a) – Non-pecuniary – In-Bloom Member.

Cllr Mrs Simpson Items 10(a)(b) Minute 22/154(a) (b) – Non-pecuniary – In-Bloom Member/SRA Committee.

22/148 Minutes – Resolved – That the minutes of the Annual meeting of the Council (proposed Cllr Swan/seconded Cllr Ingham) and the Ordinary meeting of the Council (proposed Cllr Poolford/seconded Cllr Holtby) held on the 25th May, 2022 be approved and signed as a correct record.

22/149 Financial Monitoring – The monitoring report, payments, receipts, variances and bank statements and bank reconciliation (£68,836.04) as at month 3 were noted. The bank statement and bank reconciliation were verified and signed by Cllr Teare, being a member other than the Chairman and cheque signatory.

Work to repair two damaged information boards in Centenary Wood (£210) and replacement of glass window at the bus shelter at Jenkinson Lane (£85), were approved (proposed Cllr Swan/seconded Cllr Thompson).

22/150 Litter bin on the Green – Measures to reduce the smell from the round litter bin located on the footpath that ran across the Green from Main Street to Southgate had been investigated. The litter bins were emptied each Thursday. Increasing the frequency of bin collection was not practical, as the schedule of litter bin collection for the area was on a tight timetable covering several villages. The cost of moving the litter bin was £150.00. It was agreed to take no action, at present (proposed Cllr Richardson/seconded Cllr Mrs Simpson).

22/151 Town and Parish Council Planning Liaison Meetings 15th and 22nd June, 2022 – Cllr Teare reported on the later meeting. A note of both meetings would be shared with the Parish Council. The latest timetable for the review of the East Riding Local Plan, following the consultation in 2021:

September, 2022 - revised Plan to East Riding of Yorkshire Council Cabinet.

November, 2022 - public consultation on Plan approved by Cabinet (approx. 2 months consultation).

June, 2023 - Plan submitted to Planning Inspectorate.

Late, 2023 - Public Inquiry.

July, 2024 - adoption of revised East Riding Local Plan.

Changes to National Planning Legislation, proposed to speed up changes to Local Plans through Supplementary Sites and the process in reviewing Local Plans to within 12 months.

The legislation on Use Classes had changed. The Clerk would obtain a copy of the latest guidance.

22/152 Planning Matters – The following decisions were noted:

(a) 21/04307/PLF: Change of use of agricultural land to a dog walking field and siting of a field shelter, with creation of a parking area and erection of a perimeter fence and gate (Area 1). 22/153 Planning Applications:

(a) 22/00460/PLF: Erection of a detached dwelling and double garage, following demolition of existing workshop (AMENDED DESCRIPTION AND PLANS) at 18 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ – Full Planning Permission – **Resolved** to object to the application on the grounds that it was an inappropriate development in a conservation area and concerns that there would be an adverse impact on the existing water drainage system.

(b) Proposed Solar Farm at Sunderlandwick – A community consultation open day was to be held on 23rd June, 2022 at Driffild Community Centre. The Council would consider the application when received.

22/154 Representatives reports: -

(a) In Bloom – The Yorkshire in Bloom Judging tour was on the 5th July, 2022, commencing at 1 pm from the SRA and taking around 90 minutes. The Presentation of Awards Ceremony was on the 6th September, 2022.

The portfolio of photographs, showing how various areas/planters within the village had been altered and improved since the last face to face judging held in 2019, was to be submitted to the judges this week.

Judging was subject to set Criteria:

A Horticulture 40%: **B** Environment 30% and **C** Community 30%.

Each category was judged on:

A Plant selection/plant quality/maintenance of planted areas/overall impression.

B Natural environment/hard surfaces and open grass areas/local identity and

C Communication and awareness/funding and support/year-round activity and on-going planning.

All the above had to be taken into consideration to achieve a good result.

(b) SRA – Cllr Ingham reported the SRA committee meeting on the 7th June, 2022 was well attended. The Platinum Jubilee celebrations had been a great success, with an estimate of between 500 and 600 people attending. A similar event may be held in 2023. In the region of £4000 had been raised for the SRA and other local organisations. Work was on-going to improve the bar area in the hall and there were on-going discussions concerning the new build. The next meeting was on the 12th July, 2022, at 43 Southgate, Cranswick at 7.30 pm.

(c) Village Show – Preparations for the Show planned for the 23rd July, 2022 were progressing well.

(d) Queens Platinum Jubilee – To date 313 mugs had been gifted to various groups by the Parish Council. 43 mugs @ £5 each had been sold (£215.00). Mugs would be available at the Craft Market at Foreman's Garage on the 25th June, 2022, for those young people still to receive a free mug and for anyone to buy a mug.

22/155 Treatment of amounts refunded/reimbursed – the Parish Council prepares its account on a receipts and payments basis. The internal auditor had notified the Council of new instructions that refund and reimbursement of amounts paid or received must be reported gross in receipts and payments reporting in the Annual Governance and Accountability Return (AGAR).

22/156 Digital Inclusion Survey – Spring, 2022 – The Clerk was to complete the survey.

22/157 AGAR – It was noted the Notice of Public Rights and publication of Unaudited Annual Governance and Accountability Statement, for the year ended 31st March, 2022 was made public on the 12th June, 2022.

22/158 Queens Canopy Woodland Area at the SRA – A draft layout and planting scheme was noted. A final proposal was to be considered at the next meeting. Cllr Teare had identified The Northern Forest Fund and the East Riding Community Tree Planting Fund for grants for the purchase of trees. It was **Resolved** Cllrs Poolford and Teare progress the project (proposed Cllr Thompson/seconded Cllr Holtby).

22/159 Play Area – The weekly inspection log was noted. A quotation (£2760.00) for undertaking the work identified in the annual inspection report was accepted. The cost could be contained within the existing overall budget (proposed Cllr Richardson/seconded Cllr Ingham).

22/160 Garden Allotments – All plots had been let. It was envisaged the donated saplings would be used to bolster the boundary at Gatehouse Lake. A number of tenants had complained about overgrown plots causing a nuisance. In order to prevent the shared areas becoming overgrown, it was **Resolved to** (i) arrange for the shared areas to be tidied up forthwith and (ii) seek a quote for keeping the areas tidy in 2023 (proposed Cllr Poolford/seconded Cllr Swan).

22/161 Holmes Dyke, Stockbridge Lane – Following a meeting between drainage engineers from East Riding of Yorkshire Council and Beverley and North Holderness Internal Drainage Board (IDB), the IDB was to request the land owner to remove waste and debris from the dyke and the roadside verge.

22/162 Public Spaces Protection Orders – The proposal to extend PSPO's was noted.

22/163 Invitation to a Joint Strategic Needs Assessment Road Show – The Show, which was to develop an understanding about the impact of the coronavirus pandemic on the population, had been postponed.

GAME REVIEW

Reviewed by Jack Jones

This is a review for a game called Call of Duty Modern Warfare 2 Remastered (can be shortened down to MW2R); released on 31st March 2020 for PS4 and 30th April 2020 for Xbox One and PC. The original game was created by Infinity Ward and Beenox, published by Activision. The game has strong violence and language. MW2R is an FPS (first-person shooter) and only has the remastered campaign and 'Museum' level, it does not contain a remastered version of the original Multiplayer and Spec Ops mode. However, the remastered campaign is an epic, cinematic story with a bunch of 'easter eggs' referencing the original and beloved CoD (Call of Duty) MW (Modern Warfare) trilogy.

The graphics of the game are absolutely stunning considering the fact that it is a remastered version of a game originally released back in 2009. The maps and character models are very realistic as well as the many variant weapon types such as the M4A1 and the SPAS-12. Lighting and shadowing has also been improved and you can edit these at any time. Audio is much the same as the original MW2 with some minor sounds added to certain features and interactions. The popular weapon inspect

feature from recent CoD games have also been added. The trophy system has been slightly edited as there is only a campaign and 'museum' to play but they can still be quite challenging and lots of fun. The HUD (Heads-Up Display) is unique to this game and can be modified using the settings option in the menu.

MW2R has added a new 'Intel' system of where the player finds pieces of enemy intel scattered across the maps and if you collect certain amounts, you will unlock different game modifiers that will either be: challenging, fun and/or visual. But if the player activates these modifiers, it will temporarily disable trophy progress for that current level. Don't worry though because if you turn off these mods, trophy progress will be available again after the next level.

The story is a direct sequel to Call of Duty 4 Modern Warfare (also Modern Warfare remastered) and will not make much sense on certain parts of the campaign if you haven't already played the previous game, but it can still be quite fun. There is a cer-

tain level however where the game tells you that there is disturbing content before you play it and will give you the option to skip this level altogether without missing out on any trophy or intel progression. Since there is no remastered multiplayer and spec ops modes, MW2R comes with a Classic Ghost bundle for the games Warzone and MW 2019 (Modern Warfare 2019).

Overall I recommend this game to anyone who has had experience with the CoD franchise and has played the original MW trilogy. I rate this game 7.5/10 due to stunning graphics, one of the best CoD campaigns and brilliant references to the other CoD games. I would also recommend the previous game Call of Duty Modern Warfare Remaster as it has similar graphics to MW2R, many 'easter eggs' and a remastered multiplayer.

Special thanks to Foreman's Garage for their support.

We raised a fantastic £580.

It was wonderful to see so many people out in the village and enjoying the day.

Hutton Cranswick scout group had a great weekend camping at Goathland. Beavers, Cubs and Scouts all went, with the older ones camping outside, while the younger ones stayed in the hall. They enjoyed a ride on a steam train to Pickering, where they went to the castle, played games, picnicked and learnt some history. They all also completed a 5 km challenging hike over some large hills. Even though the weather wasn't as hot as it has been recently, good fun was had paddling in the river at Darnholm. A highlight for many was the indoor "campfire". Entertainment was singing and some campfire stunts which were very funny at the expense of the leaders and young leaders!

Wet night !!

Each section also enjoyed a refreshing night playing water games, culminating in a water fight. They all really enjoyed soaking their leaders too!

We held a family social evening too, where families enjoyed an evening of socialising at the SRA. We had some great raffle prizes such as days out to Sledmere, Sewerby and Burton Agnes. Thanks to the SRA for letting us use the facility.

We believe in bringing people together to
enjoy fun, friendship and adventure in a
place they can belong.

Residents of Hutton Cranswick and surrounding East Riding villages have been sampling some new cuisine from the Philippines and Southeast Asia, with Sama Sama opening. Owned by Mariel Mercado and Rob Rice, Sama Sama – which means ‘altogether’ in Filipino and ‘you’re welcome’ in Indonesian - is offering a mix of Southeast Asian food as well as Filipino food, inspired by the nation of Mariel’s birth, which is a melting pot of cultures being influenced by America, China, Korea, Japan, Portugal, Spain.

Rob, whose uncle’s parents formerly ran the fish and chip shop in Hutton Cranswick, said that there will also be influences from the Middle East and Scandinavia.

He added that having had family and friends enjoy the dishes, and the opportunity to hone their skills over the last two years, they decided now was the time to open. They are also keen to take advantage of the amazing local producers for fish, meat, fruit and vegetables. During the lockdowns many people missed having the opportunity to travel, experience different cultures

and have a break from their usual lives. The food will also introduce South East Asian food for those who have not travelled or experienced the food on their travels or miss the food they have experienced. Sama Sama provides restaurant quality food without people incurring the added expenses involved such as the cost of drinks, travel and babysitting – Mariel says.

Ordering food from Sama Sama is also a great way to cater for family and friends without having the shopping, cooking and cleaning up to do

themselves. “She is self-taught having been inspired by her mum’s dishes back in the Philippines growing up, “Mariel has developed her cookery skills during the pandemic and has used her experience from visiting parts of Asia and Europe during her time as a cabin crew member for Gulf Air. “Currently, we are offering a collection service for regular orders

and we’re asking customers to make an order at the latest before midday of the day for collection and book a pick-up slot.

If you would like to order later there might be some dishes available, however we would advise you to message Sama Sama to see if this is possible”.

Sama Sama are enthusiastic to provide outside catering for people’s special occasions, or if it’s catering for the night before a wedding or extending the wedding celebrations into the next day.

Mariel and Rob enjoy getting out and about and meeting people. They have started doing popups at pubs in the area, local craft and village events. Sama Sama will be at a couple of local events in the near future: SRA 10Km on the 31st July and the Fun Evening at the SRA on Friday 12th of August. There will be more events planned for 2022 and early 2023, as Sama Sama would like to get out on the road and sharing some of its lovely food to more people.

Sama Sama can be found on Facebook [SamaSamaUK21](#), www.sama-sama.uk or can be followed on Instagram: [sama.samauk](#).

It's been another busy fun-packed term for Guiding in the village. We welcomed three new leaders across the units, and some new girls have joined us too.

All the units took part in the Jubilee parade around the village green. Our decade was the 1980s and the girls (and the leaders!) were dressed in some amazing outfits. They all enjoyed the parade – shame about the weather!

Most of our Rainbows have completed three badges – Nature, Agility and Have Adventures this term and have also completed two Challenge badges which were focused on the Platinum Jubilee. The activities included making beacon biscuits, making crowns, and each of them being invested as a Lady by a Rainbow queen!

Brownies also took part in the Challenge badges, have gained their Aviation and Have Adventures badges, and one of the girls has just completed her final interest badge – 18 in all – what an achievement!

Our older Brownies were also able to take part in a Brownie day at Guideacres campsite. This was a truly fun packed day where they learnt all sorts of camp skills from fire lighting to making their bedding roll waterproof followed by lots of fun on the grass sledges and the new traverse wall and of course campfire with hot chocolate and buns!

Guides had a great time making their 1980s inspired parade accessories for their Jubilee badge. We had skateboards, a boombox, guitar, Polaroid camera and a Gameboy! We have also enjoyed getting out in the village for a trail mix treasure hunt, trying out new sports on the Green, wide games in the woods and cooking and baking at the hall. Anything with food involved is always popular in the unit! We celebrated the end of term with a Promise Party and BBQ.

There are still places available in all three units. If you wish to register your daughter with a view to her joining, please visit www.girlguiding.org.uk. You can also contact us at hcrainbows@gmail.com If you require any further information.

Everyone welcome

July 12th 2022.

Our speaker finder, Jo does a really good job finding us interesting and unusual speakers but sometimes all her hard work goes to pot. This week's speaker had to cry off due to a punctured car wheel. However we have some brilliant members and it didn't take long to persuade one to give us a talk. Kate lived and worked in the Highlands of Papua New Guinea during the 1980s, with her husband and family and had a very interesting time there. We learned a lot about the culture and languages of the people and a little about cannibalism. It was a most interesting talk.

We are having a tombola stall at the village show on Saturday 23rd July.

A strawberry tea in our WI Hall on 20th August.

A jumble sale fund raiser in the hall on September 17th.

Next WI meeting, September 13th, speaker Jim Wood (let's hope he doesn't have a puncture).

Competition; A quirky household item.

This month's competition for a jubilee photograph was won by Lesley Jane.
