The Bulletin Team
thanks all its
readers,
advertisers and
contributors
for their support
over the past year.

We wish you all a
safe & peaceful
Christmas and a
healthy New Year.

Do you have what it takes to keep a team like this in order?

Perhaps you have a vision that will take The Bulletin well into the future? After 16 years of working with The Bulletin and helping the current team to evolve, I am looking to retire. I think this valued village publication would benefit from fresh energy to support the team to develop new ideas and encourage more contributions.

Administration tasks to be covered include: arranging team meetings; setting agendas; compiling meeting notes; sending out reminders & acknowledging receipt of contributions; supporting other team members as necessary.

If you would like more information or to discuss involvement, please email me on: anvilcorner02@gmail.com

Thank you, Lynn Hall

As we move into the last month of the year, it's natural enough to look back on what's happened in the previous

11 months, and I think we can all agree that 2022 has been a really eventful year, a year of many changes...

As we move towards Christmas, many of us will be looking for some stability, and reassurance.

The message of Christmas offers that stability and reassurance. But it offers stability and reassurance through the lens of change and upheaval.

The events of the first Christmas took place in a time of turmoil and heartache. The Jewish people – who are at the heart of the Christmas story – were being ruled by a dictator at least as ruthless as Vladimir Putin...

"In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world... And everyone went to their own town to register." [Luke 2: 1 & 3]

If Caesar said "Jump!", everyone else said, "How high...?!"

I'm sure that Mary, Jesus' pregnant Mum, didn't relish spending the last days of her pregnancy travelling for days on the back of a donkey, but it isn't as if she had a choice. Everyone went to their own town to register, and Joseph (Mary's fiancé) was descended from King David, whose home town was Bethlehem. So, Mary literally "went along for the ride."

Everything else that happened that first Christmas – the shepherds, the angels, the wise men – all flowed from Mary and Joseph's decision to do what they were told to do by an evil dictator.

Jesus was born in a back street, out of sight, and most people who even noticed his birth probably thought nothing of it...

More than 2000 years on from that moment, however, hundreds of millions claim to follow Jesus. And Augustus, the Emperor who forced Mary and Joseph to travel all that way, is relegated to a footnote in history.

One of the titles given to Jesus in the Bible is "King of kings and Lord of lords" [1 Timothy 6:15-16]. In other words, in the long-run, those such as Putin, who think that they can run the world the way they want to will find out that they have someone to answer to for what they've done. That "someone" is the person whose birth at Bethlehem we celebrate each Christmas - Jesus, the Christ, the King of kings and Prince of Peace.

May I therefore take this opportunity to wish you a peace-filled Christmas season...?

With prayers,

Simon Elliott (Vicar of St. Peter's)

PROCEEDS FOR ST PETER'S CHURCH

Writing by Year 3 Pupils

Have a go and draw a monster in each of the boxes.

Armless Monster

What is an Armless Monster

An Armless Monster is a monster that chop their arms off so they don't need to learn. Most armless monsters wear a purple top and black trousers. Armless Monsters live under beds. However some prefer to live in cupboards. All Armless monsters don't eat anything because they have no arms to eat it with. Armless monsters are best known for dancing however some like scaring people. If you happen to meet an Armless monster you have to hand shake them or else they will bite your arms off and you will become one of them.

Spot Spike Monster

What is a Spot Spike Monster

A Spot Spike Monster is a friendly, kind monster and people visit him.

Appearance

Spot spike monsters usually have ten spots and five spikes. Additionally there super small and people can't find them.

Habitat

Spot spike monsters live in space however they like to hide in cupboards to hide away and be cosy so they don't have to move a lot.

Diet

All Spot spike monsters are vegetarians so means they don't eat meat. Furthermore they drink Smoothies. Surprisingly they like to drink orange juice every morning.

If you meet one

Be calm, say "hi" and play with them then leave them in your cupboard and they will go back to space.

Sunshine Monster

What is a Sunshine Monster. A Sunshine monster is a monster that can control the sun.

Appearance. Most sunshine monsters are yellow and white. However some are as thin as a stick. Amazingly they all have spots to make them look cute.

Habitat. Sunshine monsters are usually found in warm sunny forests, although you can also find them on the sun depending on what time of year it is.

Diet. Surprisingly, all sunshine monsters eat their five a day and also eat yellow leaves because they want to be healthy. They like to eat fast food so they go to KFC and Burger King.

What do they do. Most Sunshine monsters read or play with their powers which they find most interesting.

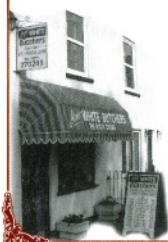

Monster advice. If you happen to meet a Sunshine monster give them a cup of tea and shake their hand and run away or they will catch you because they are very protective of their habitat.

I heard a phrase recently, that was new to me, called FOMO which stands for the 'Fear Of Losing Out'. It is an emotional response to the belief that other people are living better, more satisfying lives or that important opportunities are being missed. If we are honest most of us can identify with "FOMO". Success in life can often be seen as having a good job, a family, nice house and so on. These things are not bad in themselves and with them life can seem a lot more pleasant.

Yet when we look at our neighbours, who we think have a better lifestyle, it can make us feel unhappy with our lot. When we fall into the trap of comparing ourselves unfavourably with others we will never be truly happy.

In Mark 10:17-22 there is a story about a rich young man. This is how the story goes...

He came enthusiastically to Jesus asking what he needed to do to gain eternal life, as he had kept all the commandments since he was a boy. Jesus said "You are missing one thing: Go and sell everything you have. Give the money to those who are poor. You will have treasure in heaven. Then come follow me." The man's face fell. He went away sad, because he was very rich. I don't advocate selling everything we have, but the principle of giving is a sound one. Whatever we accumulate in life as regards to possessions and money, none of it will be of any use when we die. As a wise man once told me "there are no pockets in shrouds".

Dear Father,

Thank you for all that you give us, we are truly grateful that you are the source of all that is good.

Help us when we sometimes struggle with feelings of inadequacy to centre our lives on you.

Give us the courage to share what we have with those who are in need.

Amen

"Hutton Cranswick Chapel is now open on a Wednesday between 4-6pm for prayer and reflection. You are welcome to come and sit quietly on your own or talk and pray with the pastor if you want to. I will put a poster up on the notice board when the chapel is open. Pastor John"

22/231 Minutes – Resolved – That the minutes of the meeting of the Council held on the 28th September, 2022, be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Poolford).

22/232 Public Participation:

(a) Madeleine Hacking presented further information to the request made by the Hutton Cranswick Art Group, for a grant towards the cost of the Group's activities in 2023.

Art, as a creative activity was beneficial in terms of improving confidence and self-esteem, self-expression, helping concentration, increasing organisational skills and for some members, managing feelings to overcome loneliness and bereavement.

The Group began with 5 members in September 2021, which had increased to 19, with 14 from the village, covering an age range of 7 years to 90 years old. Sessions were held at the Methodist Church Hall every other Saturday afternoon for 2 hours from 2.00 p.m. The Group's 1st art exhibition was on 27th to 29th October, 2022.

The Group would hugely benefit from more tuition and demonstrations from visiting artists, widening their art experience, e.g, pottery, having art materials for those who wish to try and see if the group is of interest to them and holding another art exhibition in 2023 and sought financial help from the Parish Council.

(b) East Riding Local Plan Update – Cllr Teare had been notified of the consultation on East Riding of Yorkshire Council's Proposed Submission of Local Plan Update. Residents had until 11.59 p.m. on Monday, 5th December, 2022 to make representations on the Submission. A series of public drop-in events had been arranged to give an opportunity to speak to a planning officer about the Local Plan Update. On the 3rd November, 2022 a session was to be held at the Driffield Community Centre, between noon and 7.00 pm. Cllr Teare was considering holding a session for Hutton Cranswick residents at the Bowls Club before the next Parish Council Meeting.

22/233 Financial Monitoring – (a) The final instalment (£19,000.00) of the Precept from East Riding of Yorkshire Council was received on the 3rd October, 2022. (b) The monitoring report, payments, receipts, variances and bank statements and bank reconciliation (£87,061.43) as at month 7 were noted. (d) A refund of £1,936.71, for VAT paid during the period 01/04/2022 to 30/09/2022, was received on the 19th October, 2022.

Resolved (e) To accept a quotation (£750) for undertaking tree works on the Green (proposed Cllr Poolford/seconded Cllr Thompson). (f) To allocate £1,768 for repairs to the footpath that runs across the Green from the School to Main Street (proposed Cllr Teare/seconded Cllr Thompson and (g) To accept a quotation (£280) for removal and disposal of all the ivy on the brick bus shelter at Cranswick (proposed Cllr Thompson/seconded Cllr Richardson).

22/234 Annual Estimates and Forward Planning – A draft 3-year Budget, previously circulated, was considered. It was **Resolved** to remove the provisions for a School Patrol Officer and approve the reduced net budgets of £38,641.43 for 2023-24, £152,209.00 for 2024-25 and £38,633.00 for 2025-26.

The Council would still fund the role of School Patrol Officer, should the vacancy be filled and would amend future budgets should that happen. However, the provision was removed for the time being considering that funding had not been used for over 7 years (proposed Cllr Teare/seconded Cllr Alderton).

22/235 Methodist Art Group – Resolved to approve the request for a donation of £930.00 towards the costs of the activities of the Methodist Art Group in 2023 (proposed Cllr Thompson/seconded Cllr Swan).

James White the Butcher, achieved a Silver Gilt Award for his “Small Business” premises. Some welcome publicity had appeared in the Driffield and Wolds Weekly. Thanks had been sent to all volunteers. The Parish Council congratulated the Group on its success. The grant from Northern Railway was expected shortly which would allow the future plans for the Station improvements to commence. ISS (the maintenance team for Northern) had cut back some of the overhanging vegetation and pruning work.

A coffee morning was to be held at the Bowls Club on the 8th November, 2022.

(b) SRA – Cllr Ingham reported there had been a major water leak in the Clubhouse which had badly affected one corner of the kitchen. The damage was being assessed through insurance. A new cooker was required. There were on-going problems with the floodlights, proving expensive to run. Replacement LED lights and to up-date the system would cost an estimated £16,000. The Committee was seeking funds from the Sandsfield Community Fund (SCF). One of the criteria of the SCF was that the applicant had to have a donation of 10% of the cost from a Contributing Third-Party. The SRA Committee had requested the Parish Council to act as the Contributing Third-Party and provide 10% of the cost. It was **Resolved** to accept the request to provide 10% of the cost up to a maximum of £1,600.00 (proposed Cllr Ingham/seconded Cllr Thompson).

There are plans to plant a 400 tree woodland at the Sports and Recreation Area in Hutton. This is being organised by the Parish Council with the Humber Forest.

The Conservation Volunteers will be taking the lead on the planting. As soon as agreements are in place then planting dates will be publicised and you will be able to volunteer to assist in the planting and maintenance of the new woodland area.

ShelterBox runs a book club with a difference. For £10 a month members receive a book every 6 weeks and can join discussions and Q&A sessions with the authors on line via Zoom. The difference from your usual book club or group is that all profits go to help people displaced by disasters or war by giving them shelter and the basic means to survive.

ShelterBox says,

'When people are plunged into crisis, normality is suspended. Good quality shelter can cut through the chaos. We provide families devastated by disaster with safe shelter and the tools to rebuild their homes, their communities and their lives.'

We are holding some fund raising events for ShelterBox in the coming months and hope that you will come along and support us.

On Tuesday 4 October there was a coffee morning at the Bowls Club, with Taylor's Rich Italian freshly brewed coffee, home-made cake and a raffle. Although not well attended, we raised over £40 for Shelterbox.

On Friday 2 December it's Bingo night at Foreman's with refreshments, prizes and a raffle. We hope to raise lots of money to help those who have lost everything. **With support from ShelterBox we will show you what your fundraising can provide into disaster areas. So come along and see what it's all about.**

You might want to join the book club and start receiving interesting and thought provoking books from all over the world, books you might never otherwise hear about; or just learn more about what ShelterBox does and help to fund raise.

On the first weekend of half term, I completed the qualifying expedition for my Bronze Duke of Edinburgh. The journey was over 2 days and 1 night of camping with 6 hours each day of walking. It was quite hard at times but fun at most. As I have told you before, I am doing DofE through Scouts, so I am with a few of my fellow Explorers. There was one of our leaders helping guide us, and an examiner came to assess us (we were all pleased that he was quite nice and not strict). This was a month after our practice so all that was still quite fresh in our minds. We walked about 25k (thankfully shorter than the practice) starting at Givendale Head and finishing at Hackness village Hall.

On the Saturday, we set off from Givendale Head Farm which is north of Ebberston with expectations that this will be as hard as the practice. After the practice, I was in a fair amount of pain as my bag was really heavy. In the weeks leading up to this it was on the top of my list to get my equipment to somehow be lighter. I wondered about bringing less with me but then I wouldn't have the gear I needed. It was set to be colder, so I'd be needing more clothes. I had to make some sacrifices. I swapped out my roll mat to a slightly thinner one, that meant that it would not be as comfortable, but I figured that a less heavy load was worth a not as comfy sleep. I knew I would be tired, so I'd be able to sleep. I also decided that I didn't really need the air pillow, I could roll up my hoodie. Thankfully, I had managed to reduce some of the weight this time. Of course, not forgetting my trusty, sawn off toothbrush!

We checked the weather forecast, it was set for a fair amount of rain on the 2nd day. There is very little we could do about it other than be prepared with waterproofs for ourselves and kit. So, when we set off from the farm, I guess we all felt a bit dispirited. Thankfully, we started to cheer each other up with jokes and music. As a team, we had planned our new route and we were aiming for the campsite at Wykeham. The weather was kind to us. We had lunch under some trees and all the group felt good about what we were doing. Our project was recreating movie posters such as Avengers Assemble and Bridesmaids. We used props from around the environment and then the pictures were edited later on. Some of us felt really silly but it was fun at the same time.

'The Bulletin team would like to thank Jack for his varied reviews and DofE articles, which have added interest to The Bulletin. We wish Jack 'All the Best' for his future endeavours and look forward to updates from time to time.

If there are other young people in Hutton Cranswick who would like to hone their writing & creative skills, we'll be pleased to hear from them in 2023!

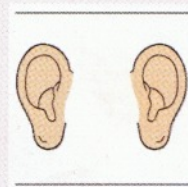

When we arrived at the campsite in Wykeham, we were relieved to see our leaders and then rest, then we had a small race to see who could put up the tents up first. For tea we had bolognaise which was delicious, and we then washed up in a surprisingly warm room at one of the camp

buildings. Me and Toby decided to watch a film on his phone whilst the leaders went into Scarborough for their tea. When they returned, we all had a nice chat together (about various random topics) until it was time for bed.

Sunday morning, after a decent sleep, we packed together all of our things and had another race to see who could get the tents down first. After that we set off at around 9 or 10 in the morning. The forecast was right, there was rain. Plenty of rain. Everything went to plan until after lunch when a diversion was needed because part of our route was closed (and it was raining for the rest of the day). So, up a huge, muddy hill we trekked. At the peak we were all rather filthy, the heavy rain had guaranteed that for us. We then followed the path and came out of the forest to head down the valley. This was really open and going down was pretty steep. We finally met with the leaders at the last checkpoint (Hackness) all tired, soaked and dirty but we were all relieved that we made it.

GEE GEE TIMES

2022 is coming to a close and its been another strange one – Summer Heat waves – 3 Prime ministers – 4 chancellors – a winter World Cup – to name but a few. As with most things our costs have increased significantly throughout 2022; we have had 2 increase from Heineken and our dispense gas supplier this year that we have absorbed, unfortunately we are now going to have to pass these on. It will range from 10p – 20p per pint. We also have heard that further increase from Heineken is expected in February. We are hoping to negotiate and keep this to a minimum. As ever we are very thankful for the support we get from the village and our loyal customers and hope that this will continue. Wishing you all a Merry Christmas and a prosperous 2023.

As the excitement from our Anniversary Concert last month begins to die down, we are regrouping and looking forward with much anticipation to our next event – Carol Singing in The White Horse on Monday, December 12th.

Having not been in a position to perform last year, we are grateful for the opportunity to belt out a few tunes and join villagers in what I am sure will be a fun filled evening. There will be lots of mulled wine and mince pies. Everyone is encouraged to come along and join in the festivities and enjoy the hospitality of Clive and Scott.

During the evening, we are hoping to raise money, supplies and awareness for the charity, Driffeld & Wolds Foodbank, so if you can attend, please can you bring along a donation

Driffeld and Wolds Food Bank

for this amazing charity. They will accept any foodstuffs and personal hygiene 'stuff' that you would normally buy for yourself. Also, Christmas food such as mince pies. They are also requesting Christmas presents for under 5s and over 12s. If

you cannot attend but would like to make a donation, please either drop that off at the pub or contact Fiona on the number below.

We know it has not been an easy year for many people, and this really will give us the opportunity to forget about the majority of what has been going on and to get ourselves ready for the joy of Christmas. We hope that as many of you as possible will be able to join us. It doesn't matter if you don't think you can sing – it's never stopped us before! Just come along and have a good time.

If any of you fancy being a part of the choir, there is still time to learn the songs we will be singing. We meet every Monday evening at the SRA in Hutton from 7.30-9.00 pm and many of us stay behind afterwards for a refreshing cool down drink. No auditions necessary, just a desire to have fun and raise money for local good causes.

If this sounds as if it's for you, contact Fiona on 07984 657071 or just come along on a Monday evening.

You will be assured of a warm welcome.

Since the last Bulletin we've finished off learning about money skills and been computer savvy with Beavers and Cubs. One thing I learnt as an adult was that a password isn't as good as a pass-phrase. Instead of a word use a phrase that you can remember, the difference was 0 seconds for a common word to be hacked, to two million years for a phrase with 7 words in it! We tested it using 'passwordmonster.com'.

Scouts have been Pumpkin carving, using knife skills to do

their own pumpkins. We received a reply from Buckingham Palace to our letter to the King.

We held our annual bonfire night with all sections enjoying the fire, fireworks, refreshments, sparklers and getting muddy in a field.

Scouts have most

recently been busy making a new picture board to put on the Green for the run-up to Christmas. They've designed it themselves, and then cut it out using power tools, sanded and painted (by the time you read this) all ready for everyone to have a fun photo with if they want.

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Hutton Cranswick WI report

8th November 2022.

We had an enjoyable and tasty meeting this month. Our speakers were two ladies who call themselves Tickton Tarts and they showed us how to decorate a mini Christmas cake. After the demonstration they provided each of us with the materials, including a mini cake, to decorate as we liked. We all went home with a lovely, and hopefully tasty cake.

The evening's competition had been a tray bake for us all to share, there were some delicious and beautiful entries.

These were judged by our speakers. 1st Christine Davidson, 2nd Lyn Neill, 3rd Lilian Finch.

Next month's meeting, 13th December will be our Christmas party. Members were reminded to bring their own plates, cups and cutlery etc. If bringing wine they will need their own glasses. Tea will be provided for others. A gift wrapped secret Santa to the value of £5 should be brought. Don't forget to get dressed up.

Val's craft day in the hall is on 16th November.

Christmas dinner at Cranswick Garden Centre is Thursday 1st December at 7pm.

The January meeting will take place on Tuesday 10th January. The competition is a Recipe for Leftovers.

Following our success at the Yorkshire In Bloom awards, we held a "Real" coffee morning at the Bowls Club. Thank you to every one who were able to attend. It was good to catch up and discuss the task ahead for the new year.

With this in mind the In Bloom team will be focusing on maintaining the many displays around the village.

If you are new to the village and would like to learn more about the In Bloom work and planned activities for 2023, then please contact either Gina or Heather.

Happy Christmas

**Proposed Submission East Riding Local Plan Update
Regulation 19 Consultation – 24th October to 5th
December 2022**

The Local Plan sets out the vision and planning policies for the area for the next 15 years. It is a key driver in determining planning applications and development opportunities, including identifying land allocations for specific types of development such as housing and employment, in the East Riding.

The current Local Plan was adopted in 2016 and has been undergoing a process of review and update. People's views were sought in 2018 and again in 2021 on a Draft Update.

Views are being sought on the latest version of the update, titled the Proposed Submission Local Plan Update. This is the final time they will ask your views on the Local Plan Update before it is submitted to the Secretary of State for Examination. An Independent Planning Inspector will consider the responses received. The Inspector concludes through a final report whether the Plan is sound and legally compliant, can be made so with changes, or it is not. Adoption of the Plan is undertaken through a Full Council process. It is expected that the Examination in Public will take place in 2023.

All consultation and background documents are available to view on the council's website at:
www.eastriding.gov.uk/localplanupdate

It is hoped you will find time to consider the Local Plan Update and provide your comments.

UPDATE

Villagers may be wondering about the building plot at the bottom of Hutton Road, which seems to have stalled. Local builders Harlands have plans to build five houses there of between two and four bedrooms. They have put in the footings and also improved drainage in the area, which has been prone to flooding. Unfortunately they have been affected by an acute shortage of skilled labour in the building trade, and have been concentrating on other projects. Harlands say that work will continue on the site in 2023 as staffing allows and will follow the original plans; however no completion date can be given at this point in time.

Plans for the SRA New Build move ahead

Now that the worst of the Covid pandemic is over, the SRA will be pressing ahead with its plans for a new building. This ambitious project will provide Hutton Cranswick with a smart and spacious village hall. This facility will accommodate new activities such as dance and drama as well as better providing for musical groups such as the Community Choir. There will also be space for larger events and sporting activities such as badminton.

In conjunction with this, the SRA is aiming to improve the existing building by upgrading the changing rooms, hall and bar. Eventually the old building will be joined to the new one to create one imposing facility.

We are grateful to those individuals, businesses and organisations who have already contributed to this project. With ever-increasing building costs, the fund-raising task will be a large one and we would like to draw on the local community to help us. If you can offer specific expertise with tough nuts such as grant applications, or you just wish to help out at some of the fund-raising events, please let us know (HuttonCranswickSRA@outlook.com) and become a friend of the SRA. Your help will be much appreciated.

Responsible Dog Ownership

The SRA committee would like to respond to the concerns of a local resident expressed to the Parish Council that it was feared dog walking may be banned on the SRA fields. The committee has never contemplated such a serious step and recognises that the fields offer a wonderful facility for dogs and their owners to enjoy some exercise. However, a small minority of dog owners are causing problems by not clearing up after their pets. The SRA has a clear and obvious responsibility to ensure that the fields on which sport are played are in a clean and hygienic condition and so the Committee will be instituting the following measures:

- Special dog mess bins will be installed and emptied regularly.
- CCTV is being installed for general security so images can be used to identify irresponsible owners if necessary.
- There may also be occasional inspections by a PCSO or dog warden.

So do enjoy exercising your dog at the SRA, but please clean up after your pet!

Assistant Groundsperson

This paid position will involve helping maintain the fields and some simple maintenance work in the SRA Hall. Relevant training will be provided. For a job description and details of hours and salary, please e-mail HuttonCranswickSRA@outlook.com
