The Bulletin

February 2023

Cover photo by Paula Anderson

A very Happy New Year to all our readers and contributors.

It's pleasing to report that our village finished 2022 on a number of positive notes ...

A Bingo night was held on 2nd December at Foreman's garage to raise funds for the **ShelterBox** charity. It was very enjoyable and raised £365 - thank you to everyone who came and made it such a success. A special thanks goes to Janet Foreman for her splendid organisation and hard work. Thanks also to the Spar who, once again, donated a raffle prize.

We heard about the work ShelterBox does around the world from Stephen, a volunteer, and watched a powerful video showing some of the people given shelter and basic tools to help them start again after war or disaster has taken their homes and livelihoods.

Altogether the three events held in our village last autumn raised £485. We heard from ShelterBox that our donation went to the Pakistan flood relief and that it 'enabled us to reach out to as many families as possible'. For more information go to www.SHELTERBOX.ORG

Then we had **Santa's Sleigh Ride** and the **Tractor procession** travelling through the village. Finally there was the **New Year's Eve Shindig** held at Foreman's Garage – a great success!! A superb disco and lightshow and excellent carved buffet provided the right atmosphere for over 150 of us to see in the New Year. Thank you to the organisers and we are looking forward to more opportunities to dance the night away.

Saving water

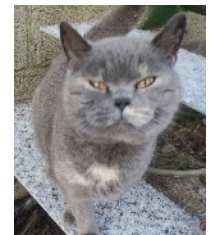

Despite it feeling like it hasn't stopped raining recently, Yorkshire Water say that our reservoirs are still only 90% full. The hosepipe ban was lifted in December but everyone needs to do what they can to use water carefully.

How's your www?

Many organisations put their information on a website, making it easily accessible to everyone – but it's easy then to forget to keep that information up to date. If your organisation does have a website, please make it your New Year resolution to check that all the information is current.

Missing a moggie?

Two cats have turned up on a farm near the village. One cat is a Persian - fairly substantial in size -and the other is a slimmer grey cat with spots rather than stripes. If anyone has lost them please get in touch with Rich Wilkinson on 07890 548787.

Are you well organised?

If you're a good organiser The Bulletin would appreciate some help with administration. To find out what's involved please contact Lynn Hall at anvilcorner02@gmail.com.

Funded by Hutton Cranswick Parish Council and advertising, **The Bulletin** is produced and delivered monthly by our team of volunteers to every address in the village. If you need help with:

Advertising – Margaret on **07919 444155**

Deliveries – Gary on **07795 202559**

Diary Dates/handwritten items – Sue M on **275333**

Design and graphics for your item – Richard on the email below.

Contributions are always welcome. The Bulletin relies on contributions from local people to keep it as interesting and relevant as possible to life in our village. If you would like to send an item for publication please email this to the address at the bottom of this notice, where it will be picked up by one of the team: they will do their best to acknowledge receipt within 2–3 days.

Guidelines for Contributors and details of Advertising Costs can be found on the village website: www.huttoncranswick.com under the Community Information tab.

All items for inclusion in The Bulletin must be with us by the **16th** of the month, otherwise we cannot guarantee inclusion.

Please note our email address:
hutton.cranswick.bulletin.2020@gmail.com

When contacting our advertisers please tell them that you saw their advert in The Bulletin.

Disclaimer: The Bulletin does not have any responsibility for the content of published advertisements.

Hutton Cranswick Bowls Club

At rear of White Horse Inn, Main Street,
Cranswick. YO25 9QN

See you there: Refreshments and a raffle

Also on Wednesday 15 March

JACOB'S WELL WINTER APPEAL

"We are appealing for warm clothing, blankets and heaters to send to help get the Ukrainians through this cold winter. People are living without electricity, often in buildings without doors or windows due to the conflict. Whilst temperatures are cold in the UK, in Ukraine they often reach minus 20°C. We are in desperate need of food and money to pay for future shipments to Ukraine."

If you feel you would like to help, St Peter's is a collecting point for warm clothing, footwear and blankets for the next few weeks. The church is open all day on Thursday and on Sunday morning. Many thanks to those who have already responded to this – to date (15 January) we have taken more than 60 large bags of items. We can arrange collection from your home – ring 01377 270474.

- NEW! Spring breakfast & lunch menus
- Daily Specials and 'Fish Friday'
- 'Wow' cakes baked in store

The **Village in Bloom** Team wishes all Bulletin readers a very happy and peaceful New Year. The days are slowly lengthening and the bulbs are starting to show their leaves. The gardening season is nearly upon us.

Royal Horticultural Society competition 2023

We had our first team meeting of 2023 on Monday 23rd January to discuss the details of entering the Royal Horticultural Society Yorkshire in Bloom competition. We are expecting to enter the competition in the Large Village category as usual. Judging is normally in July.

In previous years, that is before Covid struck, some of our local businesses and the school and playgroup also entered in other categories. Entries for organisations other than villages, towns and cities close on 30th April 2023. Last year James White entered in the Small Business category and received a Silver Gilt award.

It would be lovely if some more businesses and youth organisations could enter. The details and costs to enter are on the Yorkshire in Bloom website:

<https://www.yorkshireinbloom.co.uk/entrants-guide-and-entry-form>

Village activity to join in – creating bee corridors

The Village in Bloom team will be carrying out their normal planting and maintenance activities getting containers and ground beds ready to make the village look its best. One of the activities suggested by the RHS judges is the creation of bee corridors throughout the village using bee friendly plants in containers and ground beds.

The Village in Bloom team members will take this on board for the areas in the village maintained by them. It would be wonderful and much more effective for pollinators if all residents with some outside space could do the same.

Team meeting

The AGM and the first team meeting of 2023 took place on Monday 23rd January. A report will be in the March edition of the Bulletin.

Volunteering – put your ideas into action

If you would like to volunteer to help the Village in Bloom team please get in touch with either Gina Simpson or Heather Teare.

For more information on Village in Bloom please contact: Gina Simpson at:
ginasimpson@btinternet.com
or on 01377 270173 or
Heather Teare at:

Dr Robin Freeman (Churchwarden) Tel: 01377 270547 Ruth Pickles (Churchwarden) Tel: 01377 270474

Hello again and wishing you all a belated happy and healthy New Year.

I hope you enjoyed Christmas. It seems so long ago, now, and yet it's only 5 or 6 weeks ago. Christmas is my favourite time of year, with all the extra services, including this year an excellent and most enjoyable Carol Service with the staff and pupils of our Primary School. I hope the parents and grandparents who attended were as impressed as I was. Thank you to all involved in such a beautiful service. I am looking forward to the Service this year!

Thank you to our two members of church and Simon, who were in charge of this year's Crib Service, and of course our helpers and Band, to those who took part and those who came. Christmas doesn't seem like Christmas without a Crib Service! The Choir, the Revelation Band, the Ministry Team and all our congregants worked so hard so that the worship was the best it could be. That is what church is all about: everyone working together for the greater glory of God. We now have some beautiful lap blankets for our use.

We are living through uncertain times and yet there is nothing uncertain about God. He is always with us, whether we acknowledge him or not. He wants what is best for us, no matter what. Why, because he loves us! No matter what. That is the bottom line! The choice is ours.

An important part of our worship is prayer, talking with God. It may seem as if we are talking 'to' God, but prayer is a two way activity. He (or She, however you think of God,) is always listening and ready and eager to answer. We may not always receive the answer we want, but it is what we need!

Don't forget that Winter Warmers is every Thursday at Church, 10am till 4pm, till Easter. Warmth, company and food!

Take care and stay safe.

Love, Gwyn.

Hutton Cranswick Methodist Church

Lay Pastor John Gleaves

07553 226811

MethodistPastorjohn@gmail.com

Dear Reader,

Now that the winter solstice is over, it's starting to get lighter by two minutes and seven seconds each day. It doesn't sound much, but nature knows the difference as snow drops are already in bloom and daffodils are starting to come through.

In John chapter 8:12 Jesus says "I am the light of the world whoever follows me will not walk in darkness but will have the light of life." I'm so grateful that I became a Christian as a teenager. There are so many ways in which we can be influenced when we are young and it can be difficult to know what choices to make. I've made my fair share of mistakes along the way, but the light of the world shines brightly enough for me to be reassured that even when I stumble, I'm still on the right path.

Dear Father

When the future appears dark to us and we are uncertain and fearful of the way ahead, help us to put our trust in the light of the world.

Amen

Pastor John Gleaves

Hutton Cranswick Chapel is now open on a Wednesday between 4 and 6pm for prayer and reflection. You are welcome to come and sit quietly on your own or talk and pray with the pastor if you want to. I will put a poster up on the notice board when the chapel is open.

Pastor John

or ring Ian on 07871 151 064

Five unusual energy-saving tips to help you slash your bills

How to spend less money on gas and electricity is on everyone's minds. These somewhat unusual energy-saving tips will not only cut costs but will also help to conserve resources for future generations.

1. Vacuum your fridge

Keeping your fridge clean and organised can help save energy in two ways. First, by cleaning the coils (at the back), you can keep your fridge running more efficiently, which will reduce the amount of energy it uses.

Second don't overcrowd the fridge, as enabling cool air to circulate will keep the temperature at an optimal level. This will prevent the cooling system from having to work harder to keep the food cold, thus saving energy.

2. Get more from your kettle

Remove limescale from your kettle: a descaled kettle boils quicker and so uses less energy. But be aware that if your appliances are getting on in age, it may be better to replace them with more energy-efficient upgrades which can save even more money in the long run.

Use a thermos flask for any leftover kettle water. Not only does it mean that any excess water you've just boiled doesn't go to waste, but it also means you've got boiling water when you need it without having to reboil the kettle again.

3. Heat one room efficiently

Heat only specific areas that you use the most. Do this with the radiator thermostats, or perhaps using a smart thermostat with multiple zone setting. This avoids wasting energy to heat the entire house. By heating only the areas you need, you are also putting less strain on your heating system. And limiting the amount of air that needs to be heated reduces the amount of dust and other contaminants.

You should make sure to put on layers of clothes so that you can be comfortable without having to crank up the thermostat.

You might also want to think about rearranging your furniture to make sure that your radiators have enough space to breathe. Leaving a gap between any furniture or

curtains lets the air circulate properly, which means you are heating your room in the most efficient way possible.

4. Consider going off-peak

Some energy suppliers offer cheaper tariffs if you run your appliances during off-peak times when fewer people are demanding energy supplies.

Your washing machine, dishwasher and tumble dryer are often the highest energy using appliances. Avoiding using them during the peak hours of 4pm to 9pm will result in lower electricity costs if you have an off-peak tariff. It will also reduce strain on the electricity grid and cut the need for additional energy production at peak times, which can reduce emissions from power plants.

5. Unplug devices, close doors and do the washing up

Focusing on your own behaviour matters the most when it comes to energy conservation.

Also be more conscious of turning off unwanted lights, closing the doors when leaving a room to conserve the heat and unplugging devices that are not being used.

For small loads of dirty dishes, you should wash them by hand in a small amount of water rather than running a dishwasher half empty. Use pan lids when cooking to reduce the amount of energy used.

HELP FOR OIL USERS

The government's Household Support Fund will help vulnerable households with the rising cost of heating oil. Grants will be available to eligible residents in East Yorkshire: in general this means people with limited resources or who have a long-term health condition. Eligible households will receive an oil delivery of approx. 500 litres and free membership to the YORSwitch Bulk Oil Buying Scheme for the year (normally £20 per year).

The criteria can be viewed on this website, along with the application forms:

<https://www.hwrcc.org.uk/east-riding-household-fund-for-oil-customers/>

Aspire, believe, succeed - together we achieve

FROM OUR SCHOOL Writing by Year 4 Pupils

Out Riding

Luna was feeling anxious because her mum was poorly. So to take her mind off it she decided to go riding. She went out riding on her horse called Bella. She went riding down a road called Coral Road. Suddenly she noticed a huge, unusual, decorative horse hoof. It looked like an archway so she decided to go through, Bella didn't want to go through but she knew she had to. The next thing they knew they were standing in the middle of a huge bridleway. They didn't know where they were so they turned round to go back but the door was no more. They started looking round frantically but the door was nowhere to be found. They started to get hungry and Luna started to smell apples so they ran to get to an apple tree. When they had eaten at least 3 apples something magical happened. A horse hoof archway appeared. As if by magic they went through and they were standing on Coral Road. They went home and Luna never saw the door again.

By Kenzie

A Poem by Lewis

I opened the magical door and saw a crafty kangaroo and a flying fish. Cod killer.

I opened the magical door and saw a racing rocket and a chubby chicken and a pooing piranha.

I opened the magical door and saw a slippery snake and a digging dragon and a loser lion.

I opened the magical door and saw a mythical magical magpie, a silly silky snake and a pooy perfect pottery.

The Jelly Greenix Bat Pig

Male

Would you be able to find a Jelly Greenix Bat Pig if you saw one? Interestingly, the size of them you might be able to spot them. However, the colour of

male Jelly Greenix Bat Pig is a turquoise and dark red colour and male ones like eating pencils.

Female

However, female Jelly Greenix Bat Pig have a rainbow colour skin and it is shiny. It allows them to blend in with the pigs because they are the female ones. Female Jelly Greenix Bat Pigs are brave and legendary.

Groups

Like common pigs, the Jelly Greenix Bat Pig stay in groups and they never go apart because they eat the same thing, also they fight for each other. They eat differently to male groups. When the male and female groups fight they vote who goes first and whoever wins chooses if they want to be friends.

By Bella

The Unicorndragon

The Unicorndragon is very rare. The female Unicorndragon is even bigger than the male one and if you see one they are very rare. And they can grow up to five metres tall it flies 1000 metres up in the air. It flies to different countries every morning.

However female Unicorndragons grow up to ten metres tall and fly 100 metres in the air. And the male and the female are very poisonous.

The Unicorndragon is very mystical and it eats Scorpydracey and Unicorndragons can kill 100000 Scorpidracey in one roar and on its tail it has poisonous spikes on its tail and baby dragons are 1 metre tall even its roar can reach Italy

It eats everything with legs. They live in caves.

Wonderful churches of the East Riding

The village of Garton on the Wolds is just two miles from Driffield on the A166 to York. About half way through the village, a left turn into Station Road leads to the church of **St Michael and All Angels**. The church dates from the 12th century. In the 19th century it was one of some 15 churches which were restored by local landowners the Sykes family of Sledmere.

St Michael's is remarkable for the lavish programme of interior decoration commissioned by Sir Tatton Sykes in 1872. This includes wall paintings covering all of the

walls, depicting scenes from the bible. Below the wall paintings there is a dado of glazed Spanish tiles, and the roof also features striking decoration. During the 20th century the wall decoration deteriorated considerably and was restored between 1987 and 1995. The interior of this church remains a remarkable example of Victorian art and devotion.

St Michael and All Angels is open daily from 10am to 4pm. Morning prayer is held at 9.30am on the 1st Sunday of each month and Communion on the 3rd Sunday. For further information contact the vicar on 01377 219471.

Looking for a new author?

Try **John Banville**, says Philip Shields.

John Banville is an Irish novelist, presently aged 76 and living in Dublin. He is the author of some 27 novels and has received many prestigious literary awards, including the 2005 Man Booker prize for *The Sea*.

The attraction of Banville's style is the way he uses language in a vivid, poetic and often surprising way to express, say, a feeling, an experience or a reflection on a past event. His writing has been described as "perfectly crafted, beautiful, dazzling".

In *The Sea* the narrator recalls how he spent a holiday as a child in a seaside guest house, when he witnessed some life-changing events. He says "*The past beats inside me like a second heart*". In *Shroud* a young woman has died and her father visits the hotel room where she had been staying: "*The room was so full of her not being there*". Here are some more examples:

"A beggar will approach me, toothless and foul smelling, and I will have an urge to open wide my arms and crush him against my breast in a burning, brotherly embrace, instead of which, of course, I will dodge past him, swivelling my eyes away from the spectacle of his misery and keeping my tight fists firmly plunged in my pockets".

"A grandfather clock directly behind my chair clicked its tongue in large, slow, monotonous disapproval".

"Tell me this world is not the strangest place, stranger even than what the gods would have invented, did they exist".

As well as the books in his own name, Banville has published several under the pen name **Benjamin Black**. These are more conventional novels, set in Dublin in the 1950s and centred on the state pathologist Quirke who meddles in the work of the police. These stories are easy to read but still use powerful language to evoke an atmosphere: "*In the muffled silence the city seemed bewildered, like a man whose sight has suddenly failed*".

So, what would be a good introduction to Banville's work? His recent novel *Snow*, though published in Banville's name, is more in the style of the Benjamin Black series. It describes how a young police inspector in 1950s Ireland is sent to investigate the murder of a priest in the home of one of the gentry. And as well as "*The Sea*", I also particularly like the "Cleave" trilogy: *Eclipse*, *Shroud* and *Ancient Light*.

A good range of his work is available through East Riding Libraries. Just don't expect a riveting page-turner – it's all about the mood evoked through the beauty of the language.

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 21st December, 2022. The meeting was held at the WI Hall, Main Street, Cranswick and commenced at 7.00 pm.

Present: Councillors: Alderton, Holtby, Ingham, Kelly, Richardson (in the Chair), Sibley-Calder, Mrs Simpson, Swan, Teare, Wilkinson. Ward Councillor: Dewhirst. The Clerk recorded the minutes.

22/283 Apologies: Councillors: Lock, Poolford, Thompson. Ward Councillor: Evison.

22/284 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Ingham - Item 10(a) Minute 22/291(a) – Non-pecuniary – In-Bloom Member.

Cllr Mrs Simpson -Items 10(a)(b) Minutes 22/291(a)(b) – Non-pecuniary – In-Bloom Member/SRA Committee

22/285 Minutes – Resolved – That the minutes of the meeting of the Council held on the 23rd November, 2022, be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Ingham).

22/286 Financial Monitoring – The monitoring report, payments, receipts, variances, current account cashflow and bank statements and bank reconciliation (£116,722.90) as at month 9 were noted. The bank statement and bank reconciliation were verified and signed by Cllr Teare, being a member other than the Chairman and cheque signatory.

22/287 Precept 2023 -24 – East Riding of Yorkshire Council had confirmed the 2023-24 tax base for Hutton Cranswick Parish Council as 823 for Band D equivalent properties, this was compared to 844 for 2022-23. An explanation of the reduction from a senior accountant at East Riding of Yorkshire Council was noted.

In setting the Local Precept Demand, Councillors considered the financial burden on residents and the impact on Council's budgets, now and in the longer term. It was **Resolved** (a) not to increase the parish council tax element of the Council Tax Bill paid by residents, with the Band D charge remaining at £45.02, (b) submit a Local Precept Demand of £37,051.00, for the financial year ending 31st March, 2024, to the East Riding of Yorkshire Council and (c) earmark £1590.43 from reserves to support the 2023-24 budget (proposed Cllr Teare/seconded Cllr Swan).

The assumptions for Reserves as at the 1st April, 2023 were noted as: -

General Reserve	20,000.00
<u>Earmarked Reserves</u>	
Support to the 2023-24 Budget	1,590.43
Footpath/cycle way - Cranswick - SRA	40,000.00
School Patrol Officer	4,500.00
New Councillor Training (Election 4th May, 2023)	2,000.00
Centenary Wood - Perimeter Fencing	10,000.00
Total Reserves	78,090.43

22/288 East Riding of Yorkshire Council's Overview and Scrutiny Team Committees 2023-24 – It was agreed to put forward suggestions: (a) decisions in relation to safeguarding Children and Young people (from Children & Young People Overview & Scrutiny)(b) decisions in relation to housing (from Safer & Stronger Overview & Scrutiny) and (c) To look at 'how to achieve a number of actions to maintain the importance of farming to the local economy, way of life and local food supply, and the potential of nature friendly farming to deliver economic, nature and climate benefits to East Riding of Yorkshire Council and its citizens'.

22/289 Planning Matters – The following decisions were noted:

(a) 21/00064/REFUSE: Outline - Residential development (Access to be considered) (Resubmission of 17/03880/STOUT) (20/01548/STOUT) Land South of Williamsfield Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9BH – Appeal – Refusal of planning permission – Informal Hearing – Appeal Dismissed.

(b) 22/03587/TPO - TPO - HUTTON VILLAGE 1973 (REF 330) - HUTTON CONSERVATION AREA - Crown reduce 1 no Lime (T1) by 2 metres overall, Crown reduce 1 no Swedish whitebeam (T2) by 1.5 metres overall. All pruning back to suitable growth points, to create balanced shapes, to allow more light into garden and to maintain proportions of boundary trees. Trees are located in the church yard and are overhanging the boundary at St Peters Church, Church Lane, Hutton, East Riding of Yorkshire, YO25 9PS - Works to Protected Trees – Consent Granted.

22/290 Planning Application:

(a) 22/03886/PLF: Erection of a single storey extension to rear, following removal of existing conservatory at 57 Laburnum Avenue, Hutton Cranswick, East Riding of Yorkshire, YO25 9QH – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Alderton/seconded Cllr Wilkinson).

22/291 Representatives reports: -

(a) In Bloom – As a result of its recent successes, the group had been offered an opportunity to be nominated for the national competition. By majority, it was decided to concentrate on rebuilding the group and remain as competitors at regional level in 2023. The group was to focus on the overall village entry to Yorkshire in Bloom in good time for the closing date of 31st March, 2023 and encourage groups in the village to enter other competition categories. There was no Spring Judging in 2023. The Summer Judging was between 1st and 16th July, 2023 with the presentation of awards in September/October. No meeting had been planned for the immediate future, but with the grant received from Northern Railway, there would be additional input at the Station when the time was right. Two new volunteers had joined the group.

(b) SRA – The issue of dogs fouling the playing field was still a concern and the idea of dog owners being required to keep their pets on a lead at all times was being considered. Advice was to be sought from the dog warden regarding the provision of bins, signage and any other steps the Committee can consider taking.

The cost of the replacement of the kitchen following the water damage was to be through insurance. Quotes for the works were awaited.

Expressions of interest had been received for the Assistant Groundsperson vacancy.

The committee had finalised the plans for the new build, there had been no change to the original design that was approved in 2019. It was **Resolved** to approve a request that the application be in the name of the Parish Council (proposed Cllr. Swan/seconded Cllr Sibley-Calder).

(c) Pond – It was agreed the pond lights remain on until the end of February, 2023. The Clerk was to arrange for the maintenance work on the pond be undertaken as soon as practical.

22/292 External Auditor – The appointment of PKF Littlejohn LLP as the external auditor for the 2022-23 financial year and for a further 5-year period until 2026-27 was noted.

22/293 Centenary Wood – Cllr Kelly was to present a costed proposal for a new post for the owl box.

22/294 Queen's Canopy Project – New Woodland at the SRA – The Landowner Declaration for the partnership between The Conservation Volunteers (TCV) and the Parish Council had been signed. The planting of the Woodland was planned for the 30th and 31st January, 2023. The SRA Committee had been informed.

The Council aimed to promote the planting days to allow volunteers from the village to get involved.

22/295 Risk Register – Resolved to accept the changes (proposed Cllr Swan/seconded Cllr Richardson).

22/296 Salt Bin – During the recent cold weather, due to the icy conditions, a car had done a full turn at the junction of Southgate and the Green. A resident had requested a new salt bin be provided. It was noted there were already two salt bins on the Green, one of which was at the end of Southgate at the junction with Main Street. It was **Resolved** to apply to the East Riding of Yorkshire Council for a new salt bin at the junction of Sycamore Avenue and Laburnum Avenue, close to Southgate (proposed Cllr Kelly/seconded Cllr Wilkinson).

22/297 Village Taskforce Satisfaction Survey 2022 – The Clerk would complete the survey and inform the Village Taskforce of any work that remained outstanding.

22/298 Payments – £4,607.44

<u>Cheque No</u>	<u>Name</u>	<u>Details</u>	<u>Net of Vat</u>	<u>VAT</u>	<u>Total (including VAT)</u>
3865	HMRC	PAYE/NIC Liability - 06/10/2022 - 05/01/2023	389.29		389.29
3866	P.A. Watson	Replace broken window in bus shelter at Jenkinson Lane	85.00		85.00
3867	Ian Sibley-Calder	Expenses re purchase of replacement battery for defibrillator at SRA	117.33	23.47	140.80
3868	T. Eling Landscapes and Garden Services	Tree works on the Green (22/233) Cutting Greens - 10/11/2022	927.00	185.40	1112.40
3869	Harrison EDS	Service flagpole	210.00	42.00	252.00
3870	Opus Energy	Pond - Electricity standing charge period 07/11/2022 to 01/12/2022	14.35	0.72	15.07
3871	Driffield School	Donation to Twilight Bus Service (min 22/266)	500.00		500.00
3872	East Riding of Yorkshire Council	SLA 2 Street Lights (SRA) - April 2022 - March 2023	1051.60	210.32	1261.92
3873	Campaign to Protect Rural England (CPRE)	Annual subscription (22/117b))	36.00		36.00
3874	Hutton Cranswick WI	Hire of Hall (22/254i)	20.00		20.00
3875	S. Sanderson	Salary (£734.96 - includes 8 months back pay) and expenses (£60)	794.96		794.96
Total			4145.53	461.91	4607.44

Resolved – To approve the payments, as presented (proposed Cllr Swan/seconded Cllr Alderton).

22/299 Community Safety – Cllr Sibley-Calder reported that recently the use of the defibrillator at the White Horse had saved a life. New pads had been provided at the defibrillator. As a possible consequence of the ongoing NHS industrial action, there could be a greater call for using the defibrillators in the village. It was agreed to make a financial provision for possible increase in the purchase of defibrillator consumables. A review was to be carried out of the arrangements to make the defibrillators rescue ready after their use.

A new salt bin had been installed at the Rotsea Lane /Megginson's Turnpike crossroads.

22/300 Correspondence – The following correspondence was received and noted: -

- Festive light permit 2022-23.
- Damage to the rear of The Green, reported by a resident, was to be made good tomorrow. Further recent damage to the Green was to be made good as soon as practicable.
- Thanks, from The Bulletin Team for the grant towards the cost of the Platinum Jubilee Edition.
- Thanks, from the Hutton Cranswick Scout Group for permission to hold the village tree light switch on.
- East Riding and Northern Lincolnshire Local Councils Association (ERNLLCA) - Newsletter, November, 2022.
- Temporary Road Closure – Main Street, Cranswick – 6th December, 2022 – drainage works.
- East Riding of Yorkshire and Kingston Upon Hull Joint Access Forum – 14th December, 2022.
- Police - Driffield and Rural Ward and East Wolds and Coastal Ward Update – December, 2022.
- ERNLLCA- Christmas closure, 2022.
- Humber 2100+ Stakeholder Newsletter – December, 2022.
- RWE Dogger Bank South (DBS) Offshore Wind Farms Community Newsletter - Winter 2022.
- ERNLLCA - Newsletter, December, 2022 (e-mailed to Cllrs 13/12/2022).
- East Riding of Yorkshire Council - CCTV Grant Funding.
- NHS tells patients to continue to access emergency care during industrial action.
- Notice of postponement of automatic enrolment into a workplace pension.
- Repairs to the footpath parallel to the Green had been completed.
- The monthly inspection log of the Play Area.

22/301 Meeting dates for 2023 – In a year which is a year of ordinary elections of parish councillors, the annual meeting of a parish council shall be held on, or within fourteen days after, the day on which the councillors elected at that election take office. The 2023 local election date was 4th May, 2023. The 8th of May, 2023 was to be an additional bank holiday to mark the coronation of His Majesty King Charles III. Councillors would now take office on Tuesday 9th May 2023. It was **Resolved** to bring forward the Annual Meeting in 2023 to the 3rd Wednesday in May (proposed Cllr Richardson/seconded Cllr. Swan).

The meeting dates for 2023 are: -

Month	Ordinary Meetings	Annual Council Meeting	Annual Parish Meeting
January	25th January, 2023		
February	22nd February, 2023		
March	22nd March, 2023		
April	26th April, 2023		
May	17th May, 2023	17th May, 2023	17th May, 2023
June	28th June, 2023		
July	26th July, 2023		
August	No meeting scheduled		
September	27th September, 2023		
October	25th October, 2023		
November	22nd November, 2023		
December	20th December, 2023		

22/302 Next Meeting – 25th January, 2023, at the W.I. Hall, Cranswick commencing at 7.00 pm.

The Chairman wished everyone a Merry Christmas and a Happy New Year.

There being no further business, the meeting closed at 7.45 pm.

The King's Coronation Community Fund

ERYC is establishing a new small grant fund worth £50,000 to support communities across the East Riding which are planning to organise celebratory activities relating to the Coronation in May 2023. All Town and Parish Councils in the East Riding are eligible to apply for the community fund. Applications can be in partnership with other groups or organisations. The fund will be available to help with the costs of appropriate activities (e.g. community events, street decorations, themed artwork, commemorative benches

etc). Applicants can apply for between £100 and £500 per project. Successful projects must be directly related to The King's Coronation and demonstrate community benefit and community input. The fund will open for applications on Wednesday 1 February with a deadline on Monday 3 April, subject to sufficient grant funds remaining.

Interested parties are encouraged to discuss their ideas with a member of the Parish Council.

DEFIBRILLATORS IN HUTTON CRANSWICK

Most of us are aware of defibrillators now. They are common and they are often used. The commonest cause of cardiac death in adults results from an electrical rhythm disturbance in the heart resulting in it being unable to pump properly and therefore supply the body with oxygen. If CPR is not undertaken quickly, the brain is starved of oxygen and in approximately three minutes the person dies.

CPR on its own will only prolong life, but the way to get the person back to a normal electrical rhythm, and save them, is to use a defibrillator. The defibrillator is a device that provides an electric shock across the heart that 'reboots' the heart. Essentially stopping it and allowing it to restart in a normal rhythm. This will not work every time, and will depend on the type of electrical problem the heart is in. Several years ago, with the aid of the Hutton Cranswick Parish Council and some sponsorship, we were lucky enough to obtain two defibrillators: The one on the White Horse pub wall (kindly hosted by the landlord), has been used several times.

The one on the wall of the SRA, to my knowledge has not been used, although it has been taken out of its case to help in a situation. It remains

there to help with any incidents that might occur whilst individuals are undertaking sport on the ground.

How to access to defibrillators

Both defibrillators are in lockable cases which are warmed to keep them fully active even in the coldest winter. They are locked to prevent vandalism and prevent persons removing them inappropriately.

To access the defibrillators, all that is required is to call 999, as you would normally in an emergency.

Once the triage operator has assessed the situation, if deemed appropriate, you will be told to go to one of the defibrillators (or send someone else) and be given a code to

open the cabinet. Both are the same and work on a mechanical push button system.

This method of obtaining the defibrillator has two benefits:

- An ambulance or first responder will be on the way to help you.
- A trained operator will help you use the machine.

Both machines have a similar format in that the case is opened and you will see an array of buttons and some pads to place on the collapsed persons chest wall. As the cases are opened, either will start talking to you and explain carefully each step that you have to do (the SRA defibrillator has to have the on/off button pressed first):

The person's chest is exposed to bare skin, cleaned of any water/sweat (if necessary) and the pads are placed on the skin at the

places pointed out on the diagram on the pads. The machine will then do its work. If it tells you a shock is needed, you just stand away from the person and press the flashing button. That is all there is to it.

YOU CANNOT KILL SOMEONE BY GIVING THEM A SHOCK IN ERROR – THE MACHINE WILL NOT ALLOW IT.

You can, however, fail to get them back by not using the machine. Children in schools are taught to use these machines and they are getting more common. They save lives and they already have in the Village.

Summary

- If you see/witness a collapse and they are obviously unconscious, call 999. They will advise you what to do but mention if you are near one of the defibrillators. They will give you a code to unlock the case.
- If you know how to undertake CPR – do it. If you can, have someone else to get the defibrillator and carry on with the CPR.
- Remember CPR is a holding pattern, it does not bring someone back – defibrillators do.
- Become familiar as to where they are in the villages.

Yorkshire Wolds Community Choir in harmony...

After finishing off 2022 in style with a cracking night's Carol singing at The Gee Gee, followed by a brilliant choir social evening at the SRA, we have had a couple of weeks to rest our tonsils, gird our loins and prepare ourselves for 2023.

We are now back, refreshed and ready for the challenges of the new year and, at the time of writing, have eased back into things with a couple of rehearsals.

We have welcomed several new members and introduced our new idea – 'Mingle Mondays', where once a month we finish 30 minutes earlier to allow time to sit down over a beer or a coffee and use the time to get to know our fellow choristers better. The first one was a great success, with practically a full house staying behind for a good old chinwag.

There is much to look forward to this year, plenty of charitable causes to raise money for, and a raft of new songs to learn. We will be holding our section 'masterclasses' to speed up the learning process and to further get to know each other in a friendly and social environment.

For those who don't know us, we are a bunch of enthusiastic amateurs who simply want to have fun singing an eclectic range of songs whilst raising money for charity. No auditions are necessary and we welcome everyone with open arms. If you fancy coming along on a Monday evening, we rehearse at the SRA in Hutton from 7.30-9.00pm.

Drop Fiona a line on 07984 657071 or simply pluck up the courage and pop along. We would be delighted to see you.

In harmony

Rainbows, Brownies and Guides in Hutton Cranswick

- where girls can have fun, learn new skills, have adventures, take part in activities/events, and earn badges - making friends and memories along the way.

All units meet on Tuesdays during term time and have spaces available at the moment.

Rainbows are for girls aged 4-7, Brownies for girls aged 7-10, and Guides for girls aged 10-14.

For more information, please either register your interest on the Girlguiding website - www.girlguiding.org.uk or contact Kathrine on hcrainbows@gmail.com

Hutton Cranswick WI report

JANUARY 10TH 2023.

The meeting opened on a sombre note with a minute's silence in memory of member Mavis Hodgson who died recently.

Louise Sanderson gave an interesting talk on Food and the Future with helpful asides from members who are part of our farming community.

As it is a coronation year we are going to carry on with a royal theme in the display cabinet.

The first craft session of the new year will take place on 8th March in the WI hall. Val will be demonstrating how to make butterfly cards.

Ruth Pickles made an appeal for warm clothing and blankets which she would take to Jacobs Well in Beverley for their Ukraine mission (see page 4).

Deborah is to stand down as treasurer – a post she has held for several years. We are now looking for a new volunteer.

The next meeting on 14th February will be our AGM which will be a short formal meeting followed by a quiz.

As we move from one year to the next ... Scouts finished last year off by enjoying once more their "posh meal". Here they have the chance to dress up in their best glad rags and be served a full meal by leaders and supporters from the group. They all had a great time.

Then we've started the New Year with Beavers and Cubs talking about food and a healthy lifestyle. We've got lots planned for them to do this year and hopefully by Easter they'll have earned their cooks/chefs badges and some fitness ones too.

Places are available in the Scout section at the moment, but there is a waiting list for both Beavers and Cubs. Get in touch to join us as an adult or young person!

Cranswickscouts@gmail.com

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Do more. Share more. Be more.

Letter to Hutton Cranswick Parish Council from a local young person

Dear Sir, I think it would be an amazing idea to have a skatepark in Cranswick. I think it would be fun to have one down at the sports recreation association (SRA) for kids of all ages to go down and have an amazing time. At the moment we are having to go to Driffeld skatepark and we would be lucky if it is open and if it's shut we have to go to either Bridlington, Beverley, Scarborough, Hull or Hornsea just to find out there is nowhere to park and if we can find somewhere to park it's only for an hour. So if we could get one in Cranswick it would be amazing. Yours sincerely, J.

See the September Parish Council minute 22/219 (in the November Bulletin) for a response. The Council was not supportive but asked the SRA Committee to consider it.

Some advice from SkateboardGB is as follows:

Getting a skateboard park built in your local area is no easy task and is not just as simple as asking your local council for one – It will usually take months / years for it to all go through.

- First form community group – Make sure you include skateboarders (and scooter users and BMX's – anyone who will use the park), parents, youth workers and the local skate-shop. It's a good way to show councils, residents and press that you are properly organised and committed to your cause.
- Create an online platform such as a Facebook page, Instagram page or website, showing what you want to achieve and make sure you get as many followers or people involved as possible.
- Convince people why there needs to be a skatepark built. You will need to create a presentation of why it's needed: Focus on keeping people active, the growth of adrenaline sports, the need for a facility as there are no others around (or only old facilities) etc. You may want to show some examples of what type of skatepark you want to achieve and propose some potential sites where the skatepark could be located, along with associated costs
- Do some fund-raising. This will show that you are committed to the development of the project. This can be done a variety of ways, but think about holding a skate comp, get the local skate-shop involved, sponsored skaters and bikers, and invite the press and councillors. The more publicity you can get the more support you will find.

The next Council Meeting is on Wednesday 22 February starting at 7.00pm. The meeting will be in the WI Hall. Details will be published on the village notice boards and website at least 7 days in advance of the meeting.

The meeting is open to the public and early in the Agenda, the public and councillors may ask questions or make statements (limited to 3 minutes per person).

For further information please contact the Parish Clerk. There are December's minutes in this Bulletin.

-
- If you haven't already you will need to start speaking to the council too and start looking for funding. It is also a good time to start talking to skatepark builders – they will have a wealth of knowledge to help you progress the project and can start providing you with designs and budgets.

Welcome to our new Assistant Groundsperson!

The SRA is delighted to welcome Ian Norris as our new Assistant Groundsperson. Ian has a background in construction and project management and is an expert tractor driver. This will come in handy, as it takes a good five hours to cut the sports pitches at the SRA even with a mini-tractor. He will doubtless be busy when the weather improves in the Spring. Ian will also be doing some minor maintenance work and occasionally opening up and closing the hall for event bookings.

Tennis Club News

Members from the tennis section held their annual Christmas Quiz and raffle in December. Elliot Traves was also presented with his player of the season award, pictured with club chairman Will Rogerson. A great night was had by all and a total of £255 was raised! Thank you to Lloyd Dowson Accountants, Drury Sports, Waites of Drifffield and The Full Measure for your support and donation of some fantastic prizes.

The Tennis Club is looking for new members to support the Mens' and Mixed teams entered for the 2023 season starting in late April. If you are interested in playing or would like to get involved, please get in touch with Will Rogerson on 07854 882053 for more details.

Quiz Nights at the SRA

Every 3rd Friday in the month, the SRA Club House hosts one of our most popular events. You don't need to be Einstein to take part, as the questions aren't anywhere near as hard as *University Challenge* or *Mastermind*. The idea is to have fun, eat a splendid supper and sip or sup the tipples of your choice in the company of your friends (our bar prices are very reasonable). If you can't put together a table of four, come anyway and we will pair you up with someone else. If you want to book or you would like more information, you can e-mail HuttonCranswickSRA@outlook.com or ring/text 07942 353818.

If quizzes aren't your cup of tea, then come and sing in the Community Choir on a Monday, play Table Tennis on Tuesday or Whist on a Thursday, come to the Coffee Morning on Wednesday and the Seniors 'Youth Club' on Friday mornings. Further details of the activities at the SRA are on the Hutton Cranswick web site: <https://www.huttoncranswick.com/sports-recreation-association/sra-activities/>.

Booking the SRA Hall

The Hall is a great venue for social events such as parties and is generally available for bookings at the weekends. We offer reduced rates for Hutton Cranswick residents, so it's good value as well. Not only do you have the hall and kitchen, but in nice weather you can use the picnic area, too. And it's just been redecorated, with new blinds and a refurbished bar area – as you can see in the photo of the hall set up for the Community Choir Christmas Party. For more information, please visit the Hall Booking section of the Hutton Cranswick website: <https://www.huttoncranswick.com/sports-recreation-association/sra-hall-booking>.

Dates for your Diary

- 7th May 'Have a Go' and Coronation Party. Try out sports and activities such as Archery and celebrate the King's Coronation. This will be very similar to the hugely enjoyable Platinum Jubilee event of 2022.
- 30th July 10K Charity Run. Not just for the sporty, but also a family fun day as well. This was such a successful event last year, that we are repeating it in 2023.

Season's Greetings
