1975 THE BULLETIN 2075

Do you have what it takes to keep a team like this in order? Perhaps you have a vision that will take The Bulletin well into the future? After 16 years of working with The Bulletin and helping the current team to evolve, I am looking to retire. I think this valued village publication would benefit from fresh energy to support the team to develop new ideas and encourage more contributions.

Administration tasks to be covered include: arranging team meetings; setting agendas; compiling meeting notes; sending out reminders & acknowledging receipt of contributions; supporting other team members as necessary. If you would like more information or to discuss involvement, please email me on: anvilcorner02@gmail.com

Thank you, Lynn Hall

LOVE IN A SHOEBOX

The Churches in Hutton Cranswick will once again be collecting shoe-boxes filled with goodies, organised by the

Jacob's Well Charity in Beverley. These will go to children and young people who live in great poverty in countries of Africa and Eastern Europe.

If you are able to fill a box, we ask that you put a list of contents on the OUTSIDE of the box and whether it is suitable for a boy or a girl, with an approximate age. We ask for a £1 coin to help with transport costs, also on the OUTSIDE.

This year our cut-off date is Sunday 20 November.

The Churches will each have a service where the boxes will be collected and blessed before being forwarded to Jacob's Well. These are

Cranswick Methodist Church at 10:30am

St Peter's Church at 10:45am

The boxes may also be left at 59 Beech View during the week 14 to 19

November. If you have any queries please tel 270474

Count the Cost

I like the season of autumn – the cool fresh air and the beautiful colours of the trees – but it comes with the sacrifice of daylight as nights draw in and that darkness can consume my energy. Then again Christmas is coming and streets, houses and shops start to light up with a wide variety of bright colours and the darkness is overcome.

November is a very odd month for me. I like the fact that it is my birthday, but that is saddened by it being close to Remembrance Day with its tragic reminders of wars past and present. When I was reflecting on these things my mind settled on war and the cost of war – the tragic loss of lives and homes, whole communities destroyed and so much sadness for those who survive, not to mention the financial cost of this devastation. As I wondered what the cost of the present war in Ukraine was, on every level, I googled ‘count the cost’. To my surprise this bible verse came up from **Luke 14:28**:

But don't begin until you count the cost. For who would begin construction of a building without first calculating the cost to see if there is enough money to finish it?

It made me wonder how many leaders really count the cost before entering into a war. If they knew in advance the sacrifices made by so many, and saw the devastation, would they really go ahead? After all, what is the point of winning if the prize is totally broken when you get it?

It will soon be Christmas again and I wondered how many of us will be buying for Christmas without first counting the cost, especially this year when the cost of merely living is rising so fast. Last year a survey by KIS Finance revealed that 57% of people planned to take out additional credit in order to cover the costs of Christmas. How many worked out the real cost with interest I wonder? Now war and Christmas may seem an odd comparison, but I know through my work as a Community Money Advice volunteer that debt can bring plenty of misery of its own. There are of course many unavoidable reasons for accruing unmanageable debt – loss of job, addiction, illness and relationship breakdown being the most common – but it can also be caused by that desire to have just a little more than we can afford. Advertisements and peer pressure are powerful influences and that phrase ‘because you are worth it’ is a pet hate of mine, especially as the product it describes is usually an unnecessary luxury.

Life is one big balancing act and we all make hundreds of decisions every day, from what to wear and eat to who we share our lives with and how we spend our time. Being a Christian really does help me with many decisions. Firstly Jesus has many things to say about priorities. He tells us in Matthew Chapter 6 not to worry about what we wear and what we eat and drink. While I do think about these things, I try to get them in perspective. I hate being seduced into spending money on unnecessary things – money that could do more good if spent elsewhere. I also hate it when I waste time doing something that turns out not to be of any use to me or anyone else.

Recently I answered a questionnaire about Christmas for a glossy magazine and they contacted me to say they were going to use something I had written. Knowing that I had made many references to the real meaning of Christmas and church I was disappointed to find that the quotation they were using was about cooking Christmas dinner! I bet when the article comes

out there will be no reference at all to what I call ‘real Christmas’. The bible story of Jesus’s birth and all that follows is truly life changing for Christians.

If you are worried about the cost of the commercial Christmas this year maybe you could focus on the real meaning of ‘Christmas’ because that is so much more satisfying than the commercial version, and it is free! The love of God that Jesus came to tell us about is free. The churches will be celebrating with many special services and events and they are all free. Family and friendship are free and you will find them in abundance if you look to God. We at St Peter’s pray for your hearts to be full of love because the love from God is both free, and priceless. I also pray that you will count the cost of all you do, and spend, this November and with God’s help may your hearts and lives be full of peace as you prepare for this exciting time in the Christian calendar.

Yorkshire in Bloom Awards – results at last

Hutton Cranswick Village in Bloom was awarded a Gold Medal in the Large Village Category of the Royal Horticultural Society Yorkshire in Bloom competition. The Award Ceremony took place on Thursday 6th October at a

new venue – the Riley-Smith Hall in Tadcaster. The judges were particularly complimentary about our efforts to move more towards perennial plantings and removing small containers to improve maintenance and reduce the need for constant watering. As an objective for the future, the judges suggested creating a series of bee corridors throughout the village using bee haven plants in all the plantings in the village

and to involve the whole village – young and old. Watch this space.

Also, James White Butchers entered in the Small Business Category and received a Silver Gilt Medal. James has been entering the competition for a number of years and has always maintained a high standard.

The Gold Medal is welcome as it signifies that the village is still able to maintain a high standard in spite of Covid lockdowns, high temperatures and drought.

Volunteer treasurer

The current Village in Bloom Treasurer, Sue Jackson, will be giving up the role at the end of the financial year and we are, therefore, looking for a volunteer to take on this role. Ideally, it would be someone who is already on the In Bloom team, but it could also be someone who wishes to join us as a volunteer gardener. Support and induction training will be given to the new Treasurer. If you are interested and able to spare the time please get in touch with Gina Simpson or Heather Teare who can put you in touch with Sue.

Narratives by Year 6 Pupils

The Piano

On a cold, stormy night, when closing the dark misty curtains, Alfred noticed an extra gravestone outside. Walking towards the ancient but glossy lamp, he slid to left where there was a gloomy, grand and rich Piano. Magnificently sitting down on the reflected seat his fingers danced across the piano keys. Staring into space, Alfred's hollow eyes were a story to tell and see.

In his living room seemed to be the piano on the lamp but there was more to be seen. Seeking carefully, Alfred tried to find his spot of focus until instantaneously a graceful feeling tingled on his wrinkly fingers. Looking to the left was a shadow of Alfred's wife. Now playing the Piano along side Alfred before she faded away Alfred's wife snook in a kiss which faded away gradually.

Still playing the rich, raven instrument, his back (as straight as an arrow) creaked as it did all of those years ago when he served his country. Standing fiercely with their backs against the wall Alfred was petrified to leave his shield, which was a crumbling, mossy wall. Charging into battle, anxiety overcame Alfred. Flying backwards, like something hit him hard, Alfred's friend crashed to the floor leaving Alfred speechless. He held on to him with a heavy heart and sobbed as his best friend took his last breath.

The Piano

One late evening, in a dark, gloomy room sat Alfred (an elderly man). He was sat next to a glossy, black reflective grand piano and he was playing a graceful tune with no mistake. Outside was cold and rainy but Alfred felt warm and occupied, he also kept carefully gliding his fingers across the piano keys. Looking at his hollow eyes stories were told his wrinkles shrivelled up every minute.

Alfred couldn't take his eyes off the dazzling rain racing down the old crooked windows. Eventually, as he played, he felt more memories fly around him, you would have thought tears would have rolled down his cheeks at this moment, but no he stayed strong and smiled. Now Alfred seemed to be an emotionless man but no, he was a very happy, sweet man to be around. Minutes later the tune ends with a slow ending.

After some time, Florence slowly faded into the room next to Alfred, Florence joined in they let their fingers fidget across the keys. Minutes later Florence kissed him goodbye and faded back. Alfred kept on playing.

A new memory from years ago suddenly invaded his mind. The sound of screaming men and gunfire flooded his senses. A tear slowly ran down his cheek. Guilt ridden, he remembered the feeling of holding his lifeless friend in his arms as his life ebbed away from him.

Eventually one of his oldest memories flooded him, it was a time when he was a boy and he got a gift and when he opened it and it was a shiny new wooden horse that he played with day and night. As the memory ended his grandson came in on the same wooden horse as the memory, he placed it down and played the piano and pressed the last key, Alfred and his grandson smiled happily at each other.

Star Trek fans will be familiar with the phrase “beam me up Scottie” - when Captain Kirk would be transported back to the safety of his space ship and often just at the very last second. Our lives at the moment might feel like we want to be transported to somewhere safer. What with a new prime minister, a change of monarch, fears about the cost of living crisis, covid on the rise again, the war in Ukraine and Putin threatening to use nuclear weapons, the world is a very different place from the one we knew just a year ago.

It’s amazing to think that the words “do not be afraid “ occur 365 times in the Bible, once for each day of the year! Whatever we feel about the present situation we can all pray for the future.

Putting our trust in God is not always easy, especially when we default to being self-reliant because that’s what is familiar to us. It’s at times like this that trusting God is an act of our will.

There’s a fabulous song by Bethel music called “Raise a Hallelujah” (which you can find on YouTube) which says in the chorus:

“I’m going to sing in the middle of the storm,
up from the ashes hope will arrive,
death is defeated the king is alive”

Whatever our thoughts or feelings on God, he is waiting to welcome us with open arms, no matter what we feel about ourselves or our present situation.

Dear God

When the storms of life are raging and we are losing hope, help us to put our trust in you. Surround us with your love and may we feel your peace that passes all understanding.

In Jesus name Amen.

Pastor John

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 28th September, 2022.

The meeting was held at the WI Hall, Main Street, Cranswick and commenced at 7.00 pm.

Present: Councillors: Alderton, Ingham, Kelly, Holtby, Poolford, Richardson (in the Chair), Sibley-Calder, Mrs Simpson, Swan, Teare. Ward Councillor: Evison. Two Parishioners. Five representatives from the National Grid Projects Community Relations Team. The Clerk recorded the minutes

A minute's silence was observed as a mark of respect for Her Majesty Queen Elizabeth II.

Councillors enjoyed biscuits, sent by the scouts, as a thank you for all the Parish Council did for the village.

22/200 Apologies: Councillors: Lock, Thompson, Wilkinson. Ward Councillors: Dewhirst, Owen.

22/201 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Ingham Item 10(a) Minute 22/209(a) – Non-pecuniary – In-Bloom Member.

Cllr Mrs Simpson - Items 10(a)(b) Minute 22/209(a)(b) – Non-pecuniary – In-Bloom Member/SRA Committee.

22/202 Minutes – Resolved – That the minutes of the meeting of the Council held on the 27th July, 2022 be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Poolford).

22/203 SEGL2 – A planning application to construct a new high voltage cable from Peterhead in Aberdeenshire to Drax in North Yorkshire had been submitted by the National Grid. After travelling under the sea from Peterhead, the cable would come ashore at Wilsthorpe. The cable would then run underground onshore to Drax. The route of the cable was planned to cross the A164 close to the crossroads at Hutton Balk. The Projects Community Relations Team gave a brief outline of the works and how it could impact on the village. A detailed programme would only be known when a construction contractor had been appointed. A Community Benefit Fund would be available. A further briefing was to be arranged.

The Chairman thanked the team for their attendance at the meeting.

22/204 Public Participation – A resident requested that the Parish Council approach East Riding of Yorkshire Council to propose that a 30-mph speed limit was implemented on Burnbutts Lane, from the junction of Beverley Road (A164) to a small distance after The Bungalow. Cllr Evison agreed to investigate the matter.

22/205 Financial Monitoring – (a) The bank statements and bank reconciliation (£64,571.84) as at month 5 was noted. (b) The monitoring report, payments, receipts, variances and bank statements and bank reconciliation (£60,200.97) as at month 6 were noted. The bank statement and bank reconciliation were verified and signed by Cllr Teare, being a member other than the Chairman and cheque signatory. (c) the Clerk had provided financial information to use as a basis for formulating the next 3-year budget. Draft budgets would be presented to the next meeting. (d) a claim of £1,936.71 to recover VAT incurred for the period 01/04/2022 to 30/09/2022 was noted.

22/206 Annual Governance and Accountability Return (AGAR) for the year ending 31st March, 2022 – The external auditor had certified the Annual Return. Based on the review of Sections 1 and 2, the opinion of the auditor was that the information was in accordance with Proper Practices and no other matters had come to the auditor's attention giving cause for concern that relevant legislation and regulatory requirements had not been met. A provisional timetable for the 2022-23 AGAR was noted. Notice of audited accounts was published.

22/207 Planning Matters – The following decisions were noted:

(a) 21/03386/OUT: Outline - Residential development (access to be considered) at 51 Southgate, Hutton Cranswick, East Riding of Yorkshire, YO25 9QX – Outline Planning Permission – Approved – 24 Conditions.

(b) 22/00460/PLF: Erection of a detached dwelling and double garage, following demolition of existing workshop (AMENDED DESCRIPTION AND PLANS) at 18 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ – Full Planning Permission – Permission Refused.

(c) 22/02418/TCA HUTTON CONSERVATION AREA - Remove 1 no. Beech tree (T1) due to its inappropriate position for the potential size of the tree; Crown reduce 1 no. Cherry tree (T2) by 4 metres; Side-reduce 1 no. Norway Maple tree (T3) on the west side by 4-5 metres, due to the canopy overhanging the garden and blocking out light at 4 The Orchards, Hutton, East Riding of Yorkshire, YO25 9PB – Tree Works in Conservation Areas - No Objections.

22/208 Planning Applications:

(a) 22/02836/TCA: CRANSWICK CONSERVATION AREA - Crown lift 1 No. Lime Tree (T1), crown lift to 5 meters - Fell 1 no. Larch tree (T2), tree is 10 meters tall growing around 7 meters from the property to be removed - Fell 1 no. (b) 22/02460/STPLF: Installation and operation of approximately 49.9MW renewable energy generating station, comprising ground-mounted photovoltaic solar arrays with Primary Substation and control building compound, inverter stations, cabling, security measures, access gates, site access, internal tracks and other ancillary infrastructure at lands accessing onto and directly East of the A164 Beverley Road, Driffield at Land South East of Poundsworth, Beverley Road, Driffield, East Riding of Yorkshire – Strategic - Full Planning Permission – **Resolved** – Not to object to the application, but had a concern over the loss of a significant area of high grade agricultural land for the period of the project (proposed Cllr Swan/seconded Cllr Richardson).

(c) 22/02969/TCA: CRANSWICK CONSERVATION AREA - Remove 2 no. Holly trees (1), 2 no. Lilac trees (2 & 3), 1 no. Fir/Pine tree (4) and 1 no. Tree of Heaven as they are poor specimens, of low amenity value and cause excessive shading at 85 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QN - Tree Works in Conservation Areas – **Resolved** – Not to object to the application (proposed Cllr Alderton/seconded Cllr Richardson).

22/209 Representatives reports: -

(a) In Bloom – Four members would attend the Yorkshire in Bloom Awards Ceremony on the 6th October, 2022. A group meeting was held on the 13th September, 2022. It had been necessary for some of the areas of responsibility to be re-allocated due to changes in availability of some of the volunteers, a couple of areas had still to be allocated. The sink at the entrance to Willow Court and the large metal planter at the junction of Laburnum Avenue/Beech View had become reduntant and were to be removed.

Thanks go to volunteers from Hymers College, as part of the National Citizen Service project, for making considerable improvements to the look at the Station by; dismantling 3 worn out wooden barrels, cutting back greenery, re-painting all the black wooden trellis fencing at the back of both platforms, and generally clearing any weedy areas. Northern Railway has provided a grant for work at the Station. It was planned to purchase blue slate chippings for improving ground cover, provide a new large container for the area where the barrels had been removed, and fund re-planting/maintenance where needed. Northern Railway was to organise the management of the trees and overgrown vegetation on the car park side of the Station.

(b) SRA – Cllr Mrs Simpson reported that the SRA Committee was to give priority to determine design of the new build improvements; fund raising and services to the village. The financial position was sound. Repairs to a leak in the kitchen area and replacement of three doors had been undertaken.

(c) Pond – **Resolved** to arrange for the pond to be tidied, weed cleared and the removal of a dead branch from the tree on the island (proposed Cllr Poolford/seconded Cllr Sibley-Calder). It was decided not to accept an offer of iris plants.

22/210 Garden Allotments – It was noted £270.00 rent had been received to date. There was one vacant plot.

22/211 Gatehouse Lake – It was noted the Angling Club had refurbished 6 fishing pegs and cleared an area in the car park for an additional storage container.

22/212 Plant a Tree on The Green – the Council had received a request to plant a tree on the Green as a memorial. There was differing views expressed, some Councillors not wanting to create a precedent and to continue to preserve The Green and to manage the trees in line with the recent arboriculturist safety report, whilst others had empathy for such requests. It was suggested a policy be drawn up to help consider similar future requests. It was **Resolved** (by the Chairman's casting vote) to accept the request to plant the tree, but as a replacement tree only. It was not accepted to allow a plaque to be put with the tree (proposed Cllr Mrs Simpson/seconded Cllr Richardson).

22/213 Queens Canopy Woodland Area at the SRA – Cllr Teare reported that the Humber Forest Project Officer had drafted a grant application and landowner agreement which would fund and manage the planting and maintaining of the trees to create the woodland project at the SRA. Humber Forest was awaiting a decision from Humber Archaeology and Ecology in order to finalise the documentation. It was Resolved to accept the way forward proposed by Humber Forest (proposed Cllr Alderton/seconded Cllr Swan).

22/214 Insurance Policy – **Resolved** to accept the three-year Long-Term Undertaking with Aviva Insurance, as recommended by BHIB Councils Insurance (proposed Cllr Teare/seconded Cllr Alderton).

22/215 Works at Bethell's Bridge, Hempholme – Between November 2022 and the Summer of 2023, the Environment Agency plans to undertake construction work which consists of replacing the existing bridge over Rotsea Drain, and strengthening the

banks of the drain, both upstream and downstream of the bridge. This would stabilise the drain, preventing it from collapsing and so protecting the adjacent River Hull from damage. The works would require some major pieces of machinery being delivered to site – including a sheet-piling rig, in addition to the delivery of pre-cast concrete units and sheet piles that would also be transported via low-loader into the construction area.

The swing bridge at Bethell's Bridge which crosses The River Hull had a 7.5T weight limit, therefore all major machinery and materials delivery had to come in from the West. The proposed access route into the construction site was from the A164, along Hutton Balk, Church Street, Howl Lane and Rotsea Lane.

There would be an increase in traffic and larger vehicles passing through Hutton. The Environment Agency had confirmed all appropriate measures would be in place to ensure that any impacts are minimised, including the provision of a road sweeper, in case the condition of the roads worsen through the village.

22/216 Smaller Authorities' Audit Appointments (SAAA) – Resolved to remain in the central procurement and appointment scheme for the appointment of an external auditor for the period 2022-23 until 2026-27 (proposed Cllr Teare/seconded Cllr Alderton).

22/217 Refurbishment of 20 mph Signs – Resolved to provide the East Riding of Yorkshire Council highways engineers with six new 20 mph signs designed by the schoolchildren (proposed Cllr Sibley-Calder/seconded Cllr Swan).

22/218 Dog fouling at the SRA – The Council had received complaints from users of the SRA about dog fouling on the field. It was suggested that restrictions on exercising dogs on the sports field should be considered. Cllr Mrs Simpson agreed to raise the matter with the SRA Committee

22/219 Skate Park at the SRA – A request for a skate park to be created at the SRA had been received by the Council. It was **Resolved** that the idea was considered not viable and a high safety risk (proposed Cllr Poolford/seconded Cllr Sibley-Calder). Cllr Mrs Simpson agreed to raise the matter with the SRA Committee.

22/220 Play Area – The weekly inspection log was noted. The repairs identified in the annual inspection report had been completed. A resident had suggested introducing a walking fitness trainer at the play area. It was **Resolved** it was not appropriate for adult fitness equipment at the children's play area (proposed Cllr Sibley-Calder/seconded Cllr Ingham). Cllr Mrs Simpson had explored the cost of outdoor fitness equipment and would seek the views of the SRA Committee.

There are plans to plant a 400 tree woodland at the Sports and Recreation Area in Hutton. This is being organised by the Parish Council with the Humber Forest.

The Conservation Volunteers will be taking the lead on the planting. As soon as agreements are in place then planting dates will be publicised and you will be able to volunteer to assist in the planting and maintenance of the new woodland area.

ShelterBox is a book club with a difference. For £10 a month members receive a book every 6 weeks and can join discussions and Q&A sessions with the authors on line via Zoom. The difference from your usual book club or group is that all profits go to help people displaced by disasters or war by giving them shelter and the basic means to survive.

ShelterBox says,

'When people are plunged into crisis, normality is suspended. Good quality shelter can cut through the chaos. We provide families devastated by disaster with safe shelter and the tools to rebuild their homes, their communities and their lives.'

We are holding some fund raising events for ShelterBox in the coming months and hope that you will come along and support us.

On Tuesday 4 October there was a coffee morning at the Bowls Club, with Taylor's Rich Italian freshly brewed coffee, home-made cake and a raffle. Although not well attended, we raised over £40 for Shelterbox.

On Friday 2 December it's Bingo night at Foreman's with refreshments, prizes and a raffle. We hope to raise lots of money to help those who have lost everything. **With support from ShelterBox we will show you what your fundraising can provide into disaster areas. So come along and see what it's all about.**

You might want to join the book club and start receiving interesting and thought provoking books from all over the world, books you might never otherwise hear about; or just learn more about what ShelterBox does and help to fund raise.

I am currently undertaking the Duke of Edinburgh Award and as a part of the Bronze section, I must do an expedition. The journey will be over 2 days and 1 night of camping; another set of criteria is that I must be out for 6 hours each day walking as well as doing our group project. Sounds like a lot...well, it is but it's great fun (and hard work!) I am doing my DofE through Scouts so I'm with my fellow Explorers and my leaders will be assessing us. In September, we completed our practice expedition, walking 32k and learned how to navigate the countryside. This was in the Howardian Hills, brilliant scenery with plenty of hill hikes. We cannot use the same route as before, so we need to continue planning our new route for the qualifying. We as a team planned the training weekend hikes and are again for the qualifying.

On the first day of the practice expedition, we started on the Saturday at Gilling and headed towards Fryton. We came across a farm which had suffered from poachers killing some of their livestock. The farmer told us his story and asked us to be aware of a shady black pickup truck as that was the vehicle the poachers were using around that farmland. After that somewhat odd encounter (hadn't planned for that!), we continued heading east into the forest. Many jokes amongst the group were made about a black pickup truck and Fryton; but at the same time we were aware of how serious a matter poaching is. We crossed the main road coming from Slingsby and entered a sheep field where we could finally see Castle Howard at a distance. We were so relieved! After navigating another forest and multiple fields, we managed to get to the campsite at Coneysthorpe safely.

At the campsite, one of the group had offered to cook tea for us all. It was rather nice, a simple tomato pasta dish. We were surrounded by lovely fields and a beautiful night sky, but it was freezing at night and water somehow managed to get into our tent. Some of our stuff was damp by the time we woke up and we had to get up early so we could take down the tents, cook our own breakfasts and get a move on for our second day's route.

Sunday morning, after we had cleared everything, loaded up our back packs again (yes, we carry everything) and left only footprints, we set off from Coneysthorpe and headed to Welburn. To me, seeing this village sign felt like home (those of you who my family will get this!) Along the way we saw the Site of Temple Venus, Temple of Four Winds, Pyramid on St Anne's Hill and crossed the New River Bridge. We then went through the villages Bulmer, Foston, Thornton-le-Clay and finally our destination Sheriff Hutton. On the way to Sheriff Hutton, we met another farmer, but this time she just showed the way we needed to go. Not lost, though, promise... some of us got confused as to which direction to go and managed to end up at a ditch. Me and two others decided to go back and head the other way but the other three of the group decided to throw our bags at the other end of the ditch and jump it. We met up together and carried on. One of our leaders found us and walked with us on the final small leg we had to do. We finished at Sheriff Hutton's church all tired and aching. My dad took me and my friend Will to McDonalds on the way back home. It tasted amazing!

This training weekend was a success overall and I guess the 'real' expedition isn't as daunting now. Need to cut some of the weight from my backpack though, mine seemed heavier than the rest (even after Dad had sawn the end of my toothbrush off!).

Oh What A Night!

Our 11th Anniversary Concert, at Foreman's Garage on Saturday 15th October was an absolute resounding success! 100 people attended who were entertained by our choir and by the wonderful Dawn Farrell who had everyone up and dancing. So much hard work goes into these events by so many people, from preparing the food, to running the bar, decorating the showroom, making the cake, serving the food, providing sound equipment etc. etc. etc. And, as a choir we have many people to thank, especially Janet Foreman for providing the showroom in which to host this event. This really is a community choir in so many ways.

Over the last 11 years, Yorkshire Wolds Community Choir has raised in excess of £18k for local worthwhile causes. This year's beneficiary was the SRA, an organisation that plays a big part in many people's lives here in Hutton Cranswick and I am delighted to announce that on the night we raised £1395.66 – this figure does not include any monies raised for from the silent auction! If you are not yet aware, Eleanor Tomlinson, the creator of fabulous Jubilee Ma'malade picture that found worldwide fame, donated a signed print of the picture. It was deemed too valuable to include in the raffle so a week long silent auction began on Saturday 15th October and concluded on Saturday 22nd October at 19:30.

The choir is, as the title says, a community of like-minded people who want to have fun, do their best, without taking themselves too seriously and help others at the same time. Plus, it's good for you. What better way to spend a Monday evening and make new friends? Immediately after the anniversary concert is a great time to join. The pressure is off, we are able to have a couple of weeks breather, learn a few more new songs and then begin the run up to Christmas. So, why not give it a try? We are always happy to welcome new members. You can contact Fiona on 07984 657071 or come along to the SRA on a Monday evening from 7.30-9.00 pm. We would love to see you there.

In harmony

This half term Beavers and Cubs have both been working towards their 'Money Skills' badge. They've learnt about adverts and their influence, interest by either 'banking' sweets or eating them if they did not. They have decorated buns, worked out the cost and then sold them to their parents to make a profit, some seemed quite adept at fleecing parents without any guidance! They've also brushed up on skills such as rolling their neckers, and safely lighting and extinguishing candles, ready for all the predicted power cuts! Scouts have been planning activities they wanted to do this term so leaders can try and put them into action. The first of which was 'acts of kindness' by dropping off little treats to thank people in our community for the good that they do, and show they're appreciated. They choose, made and delivered them themselves.

The Scouts have also had a nerf gun night where they brought nerf guns in to use, some brought extra to share with anyone who didn't have one. Firstly they sat down and decided the boundaries and rules of the night and games. Once that was out of the way they completed a self built assault course, shot at targets and finished with a battle with reduced lighting!

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Members and visitors were welcomed by Jo and Jerusalem was sung.

Our speaker for the evening was Gina Wright, talk entitled Hatched matched and dispatched. Gina is a modern celebrant able to conduct funerals, baby naming ceremonies and "weddings".

though as yet not allowed to actually marry two people. She has participated in some bizarre weddings, a Viking wedding, one in a nuclear bunker and one where the bride chose to have her horse to give her away. A very interesting and informative talk.

Following refreshments Ruth made a plea for members to make cloth bags for use by people on end of life care.

Val's craft afternoon will take place on 16th November.

Xmas party in December, bring your own plates, cutlery etc.

The competition for a small flower arrangement was won by:

An application form is available on the council's website. When a plot becomes available you will be contacted. Thank you.

Wonderful churches in the East Riding

This is the first occasional article about the many fascinating churches in the East Riding. **St Mary's church** in the village of **Kirkburn** dates from the 12th century and has many special features, making it well worth a visit. It's only four miles from Cranswick as the crow flies and by bike is an easy ride on quiet lanes via Southburn. By car take the A614 from Driffield towards Bainton and turn right into Kirkburn two miles after the Kelleythorpe roundabout.

The church is entered through a spectacular doorway in the Romanesque style with five decorated semicircles above the door. On entering the nave, you are immediately struck by the steep open staircase leading up to the belfry. There are many other interesting features in the church which are well explained on a series of paddles provided for visitors. These include the 12th century decorated font, the impressive chancel arch and the intricately carved and decorated chancel screen. Outside some of the 19th century gravestones have their dates in Roman numerals, which may present the visitor with an interesting challenge.

The church is open every day from around 9am.

HUTTON CRANSWICK SRA

Yorkshire Wolds Choir Concert

The SRA is enormously grateful to the Yorkshire Wolds Community Choir and their conductor Fiona Bone for their sterling fund-raising efforts on behalf of the SRA. On Saturday 15th October they celebrated their 11th birthday by hosting a wonderful musical event, performing a wide repertoire with huge enthusiasm and great musicality. In the second half of the show local celebrity artiste Dawn Farrell brought to the stage her inimitable blend of energy, charisma and amazing vocals. Such was the power of her performance that the SRA Secretary found himself on the dance floor for the first time since 1990. Our thanks go to Dawn and the choir for giving of their time and talents, to Janet Foreman for kindly hosting the event and to the choir for providing a tasty supper. The final figures weren't yet in as we went to press, but the concert is expected to have raised over £1500.

A memorable Tennis Season

Members from the tennis section attended the Drifffield Tennis League presentation evening on 22nd October in Beverley to receive their well-deserved accolades after a very successful season. The Men's B team were presented with their trophy for winning their respective league this year (unbeaten!).

It was also a successful season for the other tennis teams too. The Mixed team were just edged out on promotion to Division 1 and the Men's A team did enough to remain in Division 1 for the 2023 season amongst some big town clubs in the area.

The tennis section are looking to add another Mixed team for the 2023 season. If you are interested in playing or would like to join us at our social evenings under the floodlights most Thursdays (weather dependent!) please get in touch with Will Rogerson on 07854 882053 for more details.

SRA Activities

The sports fields are, of course, well used by local teams, the archers and the drone club, but there are many other activities taking place on a daily basis, details of which are available on the SRA section of the village website. <https://www.huttoncranswick.com/sports-recreation-association/>

For details of these and other sporting activities, please visit the SRA section on the village website, and follow us on Facebook - search for Hutton Cranswic SRA.

Hall Bookings : The SRA is available most weekends for private functions – children's parties, christenings, wakes, birthday parties, meetings at very reasonable rates. If you are interested in making a booking, please check the SRA Events Diary on the Hutton Cranswick web site (<https://www.huttoncranswick.com/events/category/sra-events/>) to see if your proposed date is free.

Further information on booking the hall, including prices and facilities, can be found at <https://www.huttoncranswick.com/sports-recreation-association/sra-hall-booking/>.
