## March 2023

### It's pleasing to report that 2023 started on a number of positive notes.

At the end of January volunteers turned out in force to plant some 500 trees at Gate House Lake beside the SRA. This formed part of the national Queen's Canopy initiative and was organised by the Parish Council in conjunction with Humber Forest.

A Burns Night celebration held at Foreman's Garage raised £1,750 for St Peter's church.

The Parish Council agreed to a feasibility study into installing a bandstand on the Green. This will include a survey of opinion in the village: see page 17.

A "February Frolic" was held at St Peter's church, with entertainment provided by village residents. Trish writes: "It was lovely to see so many people enjoying time together sharing food and entertainment. Who would have believed there was so much talent in Hutton Cranswick? We were treated to piano duets, violin and flute duets as well as solo performances, and three guitarists who sang a range of great songs. And interspersed between the music were a poet, a linguist in Yorkshire Dialect, and a budding tap dancer. Thank you to everyone who took part".

Local police were pleased to report that they had recovered a tractor worth £30,000 which had been stolen from a farm in East Yorkshire in January. This was thanks to a tracking device being installed: the police advise farmers to fit a tracker to all high-value mobile farm equipment.

Plans have now been published for events celebrating the King's Coronation weekend from Saturday 6<sup>th</sup> to Monday 8<sup>th</sup> May. The Coronation Service will take place on the morning of Saturday 6<sup>th</sup> at Westminster Abbey. On Sunday 7<sup>th</sup> there will be a special Coronation Concert at Windsor Castle, which will be broadcast by the BBC. On the same day neighbours and communities are invited to share food and fun together in the Coronation "Big Lunch": residents may want to hold street parties as they did last year for the Queen's jubilee. There will be a Coronation Party at the SRA including a "have a go" event – more details will be published nearer the time. Monday 8<sup>th</sup>, a bank holiday, has been designated as the "Big Help Out", and will highlight the positive impact of volunteering. More details are awaited. Please remember that grants of upto £500 are available for appropriate projects – see page 17.

### Voters will need photo ID

From May this year voters will need to show an approved form of photo identification. This could be a passport, driving licence, bus pass or blue badge. You can even use expired ID as long as the photograph still bears a strong resemblance. People who do not have any of these can now apply online for a free voter certificate as long as they are on the electoral register. They will need a current photo and their national insurance number. Alternatively they can register with the East Riding of Yorkshire Council for a postal vote.

## Yorkshire in Bloom Competition

We have entered in the Royal Horticultural Society (RHS) Yorkshire in Bloom competition 2023 in the Large Village Category. Judging will take place between the 1<sup>st</sup> – 16<sup>th</sup> July

2023. We are also inviting businesses and youth organisations to take part this year in their relevant categories. We will publicise participants in the April Bulletin.

## Sustainability

Judges last year suggested that we should be encouraging residents and youth groups to plant more pollinator friendly plants throughout the village to attract bees, hover flies and other insects. If you would like to join in by planting pollinating plants here are a few suitable suggestions which you could try. It is by no means a comprehensive list and you may already have some of these in your gardens: Purple Salvia, Lavender, Sedums, Nepeta (Catmint), Herbs: Rosemary, Thyme, Marjoram, Alliums, Comfrey, Verbena Bonariensis, Honesty, Echinacea, Buddleias, Calendula, Marigold, Hardy Geraniums.

The *In Bloom* team will be putting this into practice as well in the containers and ground beds around the village. Therefore, rather than pick specific colours for the planting this year and building on the comments from the RHS

judges the team decided that the planting theme for this coronation year will be sustainability.

## Volunteers

We are sorry to announce that Sue Jackson has resigned from the In Bloom team for personal reasons. Sue has worked with Village In Bloom for many years and has helped the team with her knowledge of plants, how to propagate them and display them. She has also been Treasurer on more than one occasion. We are going to miss her expertise. Our heartfelt thanks go to her for all the work she has done throughout the village.

Therefore, we are looking for **volunteers** to plant up and look after two of the areas in the village which have been previously cared for by Sue:

- The tubs outside the Club House at the SRA
- The four containers in Hutton Road

If you can volunteer for one of these areas, please contact Gina or Heather for a discussion about what is required.

Hello,

March is here. The nights are getting lighter, which means Honey, my dog, and I can get out for an evening stroll. Have you noticed the Spring bulbs bursting into colour: daffodils, crocuses and hyacinths to name but a few? Hey folks, the winter is over, the clocks soon go forward into British Summertime, and we can start to look forwards to the lovely long spring and summer days.

March is also the season of Lent, that special time of looking forward to Easter. So why is Lent so important? And why do people give something up for Lent? When something seems difficult to understand I often turn to hymns for help, and it is the hymn 'Forty days and forty nights' that best sums up Lent:

Forty days and forty nights  
thou wast fasting in the wild  
forty days and forty nights,  
tempted still, yet undefiled.

Let us your endurance share  
And from earthly greed abstain,  
With you vigilant in prayer,  
With you strong to suffer pain.

Keep, O keep us, Saviour dear,  
ever constant by your side,  
that with you we may appear,  
at the eternal Eastertide.

Wonderful words that speak, firstly of Jesus, as He faces temptation in the Judean desert. This time in the wilderness comes just before Jesus begins His work on earth. It shows His humanity, prepares Him for His work, and is an example to us that we can depend on God the Father. The hymn goes on to encourage us to use this time to pray and to fast, hence the idea of giving up something and replacing it with prayer or study for Lent. If we do this through Lent, we travel through a time of testing, of trial and finally triumph – till on Easter Day we stand with the risen Christ.

Take time to enjoy the month of March and the six weeks of Lent, which will take us to Easter Sunday, and the glorious outcry of 'Jesus Christ is Risen.' Ponder again over the Greatest Story, and be lost in wonder, love and awe that our Father in heaven sent Jesus to save us.

Take care, enjoy the month of March.

Love Trish

This month we will be celebrating Mothering Sunday on the 19<sup>th</sup> March. It is a time to remember and give thanks for all that our mums have done for us. My Mum was not exactly a brilliant cook. She once gave my siblings and me a piece of deep fried cod which was burnt on the outside - but still frozen in the middle! I suppose it was her fishy version of a Baked Alaska.

But despite these shortcomings my mum was a lovely, kind, caring and generous person and I am very grateful for all she did to make our lives special. Although our mums may not be perfect, we generally love them anyway and miss them when they are no longer around. Of course I was no angel, but despite this I knew my Mum loved me.

Whether we want to get close to God or not, he knows all about us, the good and the bad and yet the love God has for each one of us is unconditional. It's a love we can always rely on, no matter what we may think of ourselves. Whether you are feeling close to God or not at the moment and whatever your personal circumstances, God is ready to welcome you with open arms and he will not turn you away.

In the Bible Romans 8:38 it says "And I am convinced that nothing can separate us from God's love. Neither death nor life, neither angels or demons, neither our fears for today nor our worries about tomorrow - not even the powers of hell can separate us from God's love."

*Dear God, we thank you that you love each one of us, so much that we will never be able to fathom the depths of your love. Help us not to be fearful or worried, but to take time each day to be thankful and be open to your transforming love. Amen.*

Hutton Cranswick Methodist Chapel are delighted to be hosting 'An Evening with Anna' on Thursday March 2<sup>nd</sup> at 7pm. Anna is the daughter of a friend of mine who was brought up in Essex but for the last few years has lived and worked in Lebanon. She is a talented poet and dramatist. Her work is based in Beirut and she is involved with the refugee community as well as working with Lebanese people there. As well as writing and performing to both children and adults, Anna's company offers practical support to the people who are living in difficult conditions in the camps there. One initiative 'Made Clean' involves taking a van with washing machines on board to allow people to have access to clean clothes. Anna has travelled extensively in the Middle East and recently returned from Iraq where she and her group were able to perform sketches and plays in the refugee camps there, offering hope and joy to the children there, most of whom have lived through some terrible trauma.

Anna will be bringing some of her poetry as well as telling the story of life in the Middle East and there will be an opportunity for answering your questions. Refreshments will be served. All are welcome.

#### Dexter and the Baby Dragons

A long time ago in a faraway land called Roserock there lived a dragon called Dexter. He was dark green and spiky looking. His eyes

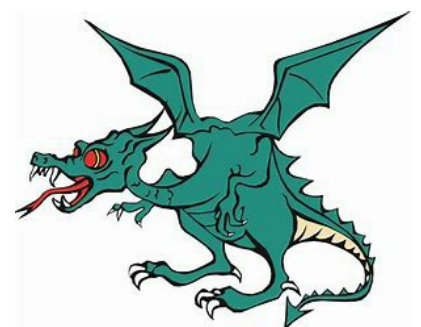

glowed red in his deep dark cave. Everyone was afraid of Dexter so he had no friends. One Wednesday when Dexter was sleeping in his cave he heard a loud commotion near by. He crept to the cave and there were three gold green and red baby dragons flying in the sky. How scary it was! The baby dragons were breathing fire balls. Dexter scooped the baby dragons up and took them back home. A few months later Dexter went back to the village and everyone greeted him with a big smile and he lived happily ever after.

## The Rocket

A short story by local author James Noble

So many came that day to see from a distance the wonder that would impel them into the future, the marvel that defied science, their imaginations, and beyond. But most would know that only the chosen few might soon be transported to a new world far beyond their dreams and hopes, a world where there was anticipation of a better life for their families in these modern times, where tyrants could no longer hold sway over them and dictate whether they could eat or starve.

It was the beginning of a journey that none could imagine, but one that most who knew of it would see as the destiny of mankind, and would give much to be aboard. And yet, there were still those who feared that such speed and pressures could tear the human body apart, despite the reassurances of those who designed and built it.

That this would be the future of mankind, there was little doubt, and many would find their destinies aboard it, and some to build many like it and even surpass it, their names cherished for years to come in the history of their species. For a hundred years there would be nothing like them, each

challenging space and time, competing one against another to fulfil the endeavours of science.

Some distance away, eyes widened at the scene before them, one they had never seen before, nor could ever imagine. One small boy managed to crawl closer undiscovered, and gazed upward at the cylindrical shape that stretched high above him, up toward the sky, seeing the wisps of vapour that told of history about to be set in motion. He gasped at the science that allowed it to exist, understanding nothing, but feeling the ground begin to shake beneath him as the moment drew closer.

Those rich enough, and with the necessary courage began to board, guided by engineers who sought to reassure them. Intrepid as they might be, the faces of some betrayed their anxiety, still unsure of where this journey would take them.

One day, the boy would look back at the launch of such monsters, and those that came after, and the names that would live in the history of his nation, monsters that would carry humans to places beyond their wildest dreams, mighty monsters that ate coal and breathed fire and steam. Monsters like Mr. Stevenson's engine, the Rocket.

## Time to get walking again!

With Spring on its way we start to think about getting out to walk in the beautiful English countryside again, but where to find new and interesting walks?

The **Wold Rangers Way** is a challenging circular trail which winds its way 44 miles over the Yorkshire Wolds through amazing chalk landscapes with dry valleys with stunning wildlife alongside vibrant market towns and ancient Wolds villages. It also captures the unique history of the Wold Rangers and ensures that their names and stories live on forever. The Wold Rangers were around in the 19<sup>th</sup> and early 20<sup>th</sup> centuries – men (and some women) who roamed the region living and working on the land in a nomadic way. They used to be a familiar sight camping out on the green lanes and chalk pits.

You don't have to do the whole 44 miles in one go! There are a number of circular walks covering the Way, ranging from 3.5 to 22 miles. These walks are described in a series of leaflets available from the Driffield Town Council office in Market Walk – they cost £7 for a pack of 8 or £1 each.

You can also get more information from <https://woldrangersway.org>

## A circular walk round Beverley

- The starting point is the Leisure Centre on Flemingate. Leaving the Leisure Centre, turn right at the main entrance onto Flemingate. After 150 yards turn right onto Spark Mill Lane. Continue over the drain to a T junction, turning right along the track past Cherry Tree Cottage.
- Stay on the main track to cross the railway line with care and around further bends to reach Long Lane. Turn left along the road and on the bend by a house turn right into Willow Lane. Go past the caravan site and through a gate to reach a further gate at the housing estate.
- Turn left along the metalled path and stay on it where it bears right near a small copse (where the 10/13 mile routes leave the corner of the estate). After 300 yards, pass left of the play area and diagonally across the field to a gate onto Shepherd Lane.
- Turn right to cross Lincoln Way and straight on up the A164, Victoria Road. Turn right to cross with care at the traffic island, heading back towards town across the end of Normandy Avenue.
- At the white house turn left up the lane, then turn right opposite the playing field taking the footpath around the bottom of the quarry, turning left through gates into a field. Turn right to pass a small copse to reach a gate onto the Westwood.
- Go straight ahead to cross Walkington Road. After 50 yards turn right down the central grassy path towards the middle of the bottom fence. Pass through a gate and take the footpath alongside Minster School down to a corner of Ellerker Road. Turn right, then left down Central Avenue to cross The Leases and down to the main road.
- Cross with care to a triangular green and down Minster Moorgate, passing the Minster to reach Eastgate. Turn right and follow round into Flemingate and across the level crossing back to the Leisure Centre.

Cllr Thompson had made some initial enquiries with one of the landowners and Northern Rail.

The second started at Eddlemere Lane and followed the public right of way that came out at Howl Lane. East Riding of Yorkshire Council had some general observations of the route, recognising it would be a significant undertaking to achieve a paved, lit cycleway link between Cranswick and the SRA sports field. It was confirmed that one of the Powers of Parish Councils was to provide light and maintain footpaths and bridleways. Some key matters to consider included; landowner consent; legal agreements; user support; infrastructure cost (an indicative budget in the region of £150,000.00) and maintenance and energy costs.

Have you ever thought about joining the Trefoil Guild? Whether you are involved in Girlguiding or not the Trefoil Guild is a wonderful opportunity to meet like-minded people to share your next adventure – whatever that might be!

Trefoil Guild acts like a branch of Girlguiding and its members agree to support the guiding ethos – including the pledge to help other people. Many members pass on their skills and knowledge to local guiding units. Trefoil gives you a chance to try something new, take on a new personal challenge and escape the daily routine whilst having lots of fun!

Our local group is held at Drifffield Methodist meeting room 7pm to 9pm and we meet on the 3<sup>rd</sup> Monday of every month. It is a friendly group of ladies, open to anyone aged 18 or over and you do not need to be a past member of Girlguiding. Some of our members are also leaders in local guiding units.

Our current programme for the year includes speakers, meals out, an annual trip, an auction night and events where we meet with other Trefoil Guilds.

We would love some new members, please come along and see what we do!

For more information, please contact Sue Barnett on 01377 252873.

## Hutton Cranswick WI report

February 14th 2023.

The annual meeting took place in the WI Hall, with a very good attendance from members. The results of the year's competitions were announced and prizes awarded.

In 1<sup>st</sup> place was Christine Davison. 2<sup>nd</sup> Val Thompson and 3<sup>rd</sup> Lyn Neill.

Treasurers' reports were then given and approved, followed by the annual report from President, Gwynneth Richardson. Gwynneth then stood down as president. Christine Davison has agreed to be the new president.

After some fabulous refreshments the meeting carried on with a light hearted quiz. The results of this month's competition, a handmade valentines card, were announced: 1<sup>st</sup> Susan Lambert, 2<sup>nd</sup> Lyn Kennedy, 3<sup>rd</sup> Christine Davison.

There will be no competition in next month's meeting which takes place on Tuesday 14<sup>th</sup> March 7-15pm in the WI Hall.

Beavers and Cubs have been put through their paces recently by Sam from "Country Fit" as part of their badge work on health and fitness. They've also chopped vegetables themselves and turned it into a stir-fry as part of Chinese New year celebrations. They all enjoyed the 'hazard kitchen' which had been set up especially dangerously by the Leaders to see how many hazards they could spot and they all did well. One revealing experiment was the use of the glow in the dark hand cream, which shows how well they wash their hands – some were very good, others there is maybe room for improvement shall we say.

Scouts have successfully planned and run a games night for themselves this half term. They have celebrated both Burns night, by making kilts and Scottish attire from newspapers, and Chinese New Year by cooking.

## MAKE A CHANGE – BECOME A COUNCILLOR

Are you passionate about your community? Do you have innovative ideas and want to help to make change? Perhaps you have concerns about particular issues? People from all backgrounds who reflect their community are needed to put themselves forward to represent local residents.

Parish and town councils and councillors make a massive difference to the quality of life of local people. They are passionate about their communities and seek to make a change to help improve the lives of local residents. Local councils run numerous services, such as introducing solar panels, developing housing provision, establishing youth projects, managing allotments and open spaces, maintaining footpaths and so on.

Becoming a councillor is a rewarding experience as you will be able to make a change in your community. A councillor's role can include developing plans for the area, helping with problems and ideas, representing the community, working with community groups and talking to the community about their needs.

The main requirements are that you need to be over 18 and to have lived or worked in the ward or parish for at least 12 months. If there are more nominations than seats available, elections will be held on 4<sup>th</sup> May. If you are interested in becoming a councillor (either for the parish or ward) a good idea would be to talk to one of the existing councillors – see the list of parish councillors opposite. The final deadline for applications is 4<sup>th</sup> April 2023. Full details about the role of councillors and the application process are available on the East Riding Council website [www.eastriding.gov.uk](http://www.eastriding.gov.uk) under the "Council" heading.
