The Bulletin

April 2023

There is a lot to celebrate and to do over the next month or two. There is an opportunity to ring your bells for the King on Coronation Day and be entertained with music, food and a drink or two on the Sunday after.

As part of the big spring clean there is the village wide car boot sale to offload those gifts from your great aunt and empty a shed or two. See page 9.

I hope you will be taking part in the Open Gardens in June and are preparing your entries for the village show in July. Schedule is on pages 18 and 19.

And of course there is the regular Craft and Produce market on the 4th Saturday at Foreman's showroom. The first one this year is on April 22nd. Please call in – catch up with friends over a cup and a cake at least.

In this month's issue there is the call to create a community speed watch group. See page 25. Just get in touch with our parish clerk if you want to know more.

East Riding of Yorkshire Council has given planning permission for National Grid's proposed Scotland to England Green Link (SEGL2) project. Once complete, the 68km underground onshore cable will run from Wilsthorpe, just south of Bridlington, to a new converter station and an existing substation at Drax Power Station. You can view the approved application and associated documents by visiting East Riding of Yorkshire Council's planning portal and inputting our application's reference number: 22/01990/STPLFE. If all of the project's planning applications are approved, construction should begin in autumn 2024 and finish in 2029.

£840 was raised for Macmillan Cancer Support and Marie Curie at a pancake afternoon on Shrove Tuesday at JH Foreman Showroom. A huge thank you to all who attended, to Janet Foreman and her team of helpers. Hopefully we will see a repeat next year. Or earlier!

Sustainability – our theme for 2023

'Bee corridors' suggested by the Royal Horticultural Society have proved difficult to tie down. Obviously not as easy to do as to say. They require a lot of work which we are not equipped to carry out in our voluntary roles. However, on a positive note we can make a difference in our own individual ways. Everyone can do their own thing. For example, have a word with your neighbours and agree on some plants suitable for pollinators to plant at the front and back of your houses so that they can complement each other. Please take photographs and send to Heather Teare for the 2023 Portfolio.

Village in Bloom Activity

On 17th March a Working Party of six volunteers spent two hours on tidying up the two entrance borders to the SRA. We made good progress, but there is still more to do. This is about tidying and clearing away weeds and dead plant material. If anyone feels they would like to join in at another time please get in touch with Gina Simpson or Heather Teare.

The In Bloom team is geared up to start identifying the areas around the village which have suffered in the summer drought and the winter cold and need to be improved and replanted. We will, no doubt, have lost some plants which will need to be replaced.

According to the latest reports on the environment we have had a dry winter and water may be in short supply again this summer. Please, if you are buying plants try to choose drought-resistant ones as much as possible.

Final comment

One of the newer members of the In Bloom team observed that 'surely In Bloom is about the whole village – not just the competition.' Something we need to bear in mind. Happy gardening.

What do you look forward to as we approach the Easter Weekend (which this year runs from Friday 7 - Monday 10 April)...? I have to admit that I've a bit of a weakness for hot cross buns, which you can already buy in

local shops. Apparently M&S are doing a "banoffee" hot cross bun this year - a bit over the top for me...!

This Easter is going to be the first Easter I have ever celebrated without my Dad, who sadly died at the end of February. His funeral is in the week running up to the Easter Weekend.

There's a mixture of sadness and happiness as I write this article. Sadness because I miss my Dad, with all of his funny ways (some of which, no doubt, I've inherited!).

But the message of Easter brings me happiness, despite the sadness of our family's loss. The cross on the hot cross bun reminds us that Jesus died on a cross that first Easter weekend (that's why "Good Friday" is called **Good** Friday). But the cross has also become a symbol of hope because of what happened the following Sunday, the first "Easter Sunday."

On that first Easter Sunday morning, friends of Jesus went to his graveside to remember him. But they found no body. At first they were deeply upset, as anyone would be to experience such a shocking discovery. The comfort of visiting a loved one's grave is one of the few comforts available to us in a time of grief, which makes churchyards such special places for so many of us.

However, the missing body in the Easter story is not the end of the story. For on that day, in the days to come, Jesus' friends and family began to experience a second shock – the shock of seeing the risen Jesus, alive and well, eating and drinking, talking and listening to them, just as He always had.

My Dad shared in the hope and faith of Easter. He believed – as I do – that because of Jesus' death on the cross for us, there is the hope of forgiveness and eternal life for all who put their faith and hope in Him.

May I wish those of you who have recently lost loved ones the comfort of God's loving presence this Easter. And those of you who have yet to experience such loss, may you experience (maybe for the first time) the joy of Jesus' resurrection...

With love and prayers,

Simon Elliott (Vicar of St. Peter's)

In the field opposite where I live a sheep recently made a bid for escape after finding a hole in the hedge, lots of others then followed. Thankfully they were all soon herded back into their field. Sheep have a tendency to follow one another and in some ways people can be the same.

Jesus, however, was not someone who followed the crowd. A lot of what he said and did stirred people up and got people thinking. At Easter we remember the death and resurrection of Jesus. When Jesus tried to explain to his disciples that he was going to die on a cross, his friends were shocked and did not want to believe it. They wanted a conquering king, not a suffering servant.

In the Bible, Romans 12 :2 says this; "Do not let the world around you squeeze you into its own mould, but let God re-mould your minds from within".

*Dear Father,
Thank you that you love me so much that you died for me on the cross. Help me to follow you and to live the life you always planned for me. Amen*
Pastor John

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 22nd February, 2023.
The meeting was held at the WI Hall, Main Street, Cranswick and commenced at 7.00 pm.

Present: Councillors: Alderton, Holtby, Kelly, Poolford, Richardson (in the Chair), Sibley-Calder, Mrs Simpson, Swan, Teare, Thompson. Ward Councillor: Evison. KCOM: 2; Community Speed Watch Coordinator: 1.
The Clerk recorded the minutes.

23/024 Apologies: Councillors: Ingham, Lock, Wilkinson. Ward Councillor: Dewhirst.

23/025 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Mrs Simpson - Items 10(a)(b) Minutes 23/032(a)(b) - Non-pecuniary - In-Bloom Member/SRA Committee.

Cllr Mrs Simpson - Item 14 Minute 23/036 - Non-pecuniary - In-Bloom Member.

Cllr Thompson - Item 9(a) Minute 23/031(a) - Non-pecuniary - Family Member of Scurf Dyke Farm.

23/026 Minutes – Resolved – That the minutes of the meeting of the Council held on the 25th January, 2023, be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Alderton).

23/027 Financial Monitoring – The monitoring report, payments, receipts, variances, current account cashflow and bank statements and bank reconciliation (£110,081.94) as at month 11, were noted.

23/028 KCOM – Representatives from KCOM gave an overview of the future installation programme for the village and, in particular, outlined the extent of the works to be undertaken on The Green covered by the proposed Wayleave considered at the last meeting. KCOM recognised the importance to cause minimum disruption and reinstate any damage done to The Green. The Chairman thanked KCOM for their attendance.

It was **Resolved** to permit the installation of KCOM apparatus and the Clerk sign the Wayleave, as presented (proposed Cllr Poolford/seconded Cllr Swan).

23/029 Parish Elections on the 4th May, 2023 – Guidance on the election process received from East Riding of Yorkshire Council's Electoral Services Manager was noted. The guidance was published in The Bulletin and was to be posted on social media.

23/030 Planning Matters – The following decisions were noted:

(a) 22/03886/PLF: Erection of a single storey extension to the rear, following removal of existing conservatory at 57 Laburnum Avenue, Hutton Cranswick, East Riding of Yorkshire, YO25 9QH – Full Planning Permission – Granted - 4 Conditions.

23/032 Representatives reports: -

(a) In Bloom – The Village had entered the annual Yorkshire in Bloom Competition for 2023 in the Large Village Category with judging planned between 1st and 16th July, 2023. Other village businesses and youth organisations had been encouraged to enter into their relevant categories.

The Bulletin has an article encouraging would-be community participants to consider planting more pollinator-friendly plants to encourage bees, hover flies and other insects, as recommended by last year's judges.

The Coronation planting theme was to be sustainability.

A new Treasurer had been appointed.

There was an opportunity for volunteers to plant up and maintain two areas of the village – the tubs outside the Club House at SRA and the four rectangular metal containers in Hutton Road. A working party planned to clear and re-plant where necessary the entrance beds to the SRA car park.

Northern Rail and Network Rail had commenced maintenance work at the Station. Support from volunteers from Hymers College through the Yorkshire Coast Community Rail Partnership was to be available later in the year. A grant from Northern Rail would be used to lay blue slate chippings in the areas currently covered by old gravel and make an improvement to the background of the platform areas.

(b) SRA – A decision to put in place a 99-year Lease (ending on 11th January, 2094) was to be actioned by the Clerk.

A reply from the Archery club about a concern raised by the Angling Club was noted.

The SRA Committee had been awarded a conditional grant of £16,100.00 from The Sandsfield Community Fund (SCF) towards replacing floodlighting. One of the criteria of the SCF was that the applicant had to have a donation of around 10% of the cost from a Contributing Third-Party. At the October meeting, the Parish Council agreed to act as the Contributing Third-Party and provide a grant to a maximum of £1,600.00. The SRA had confirmed the Contributing Third Party (CTP) amount required had slightly increased to £1,797.00.

It was **Resolved** (a) To accept the completed Grantscape Contributing Third Party (CPT) Donation Form and (b) to increase the donation from the Parish Council to £1797.00 (proposed Cllr Teare/seconded Cllr Sibley-Calder).

(c) Pond – Some clearing of the pond weed and cutting back of bushes had been undertaken. It was agreed that Cllr Sibley-Calder would inspect the deeper areas of the pond and if necessary, the Clerk would arrange for any additional work to be carried out (proposed Cllr Sibley-Calder/seconded Cllr Thompson).

It was noted the tree lights would be turned off at the end of the month.

(d) Village Show – Cllr Teare reported that an application for Hutton Cranswick Village Show to be registered as a Charity, was being considered by the Charity Commission. The Show was self-financing and currently had a reasonable level of funds. The Show was to be held on the 22nd July, 2023; full details had been published in the March Edition of The Bulletin.

23/033 Footpath/Cycleway from Cranswick to Hutton (SRA) – Cllr Evison had provided details of potential grant funding opportunities through the Shared Prosperity levelling up funding received by East Riding of Yorkshire Council and the additional Rural England Funds. Cllr Thompson had inspected the two potential routes and was to undertake further consultations regarding permissions required for each option.

23/034 The King's Coronation Community Fund – It was noted that the East Riding of Yorkshire Council 'King's Coronation Community Fund' for Town and Parish Councils in the East Riding had opened for applications on the 1st February, 2023.

23/035 East Riding of Yorkshire Council's Street Trading and Collections licensing policy – The Council had no comments on the proposed alterations to the Policy, at present.

23/036 Village in Bloom – Resolved – To grant a request from the In-Bloom Team for the annual grant of £1200.00 (proposed Cllr Richardson/seconded Cllr Swan).

23/037 Gatehouse Lake Angling Club – Resolved – To grant permission to the Angling Club to undertake Phase 2 of the fishing peg renewal programme (proposed Cllr Thompson/seconded Cllr Alderton).

23/038 Methodist Church – The Council had received a request from the Methodist Church for a donation towards the cost of some improvements and maintenance works to the Chapel Hall. It was noted that local councils are prevented from contributing to such costs under the provisions of the Local Government Act 1894. It was **Resolved** not to make a donation (proposed Cllr Richardson/seconded Cllr Thompson).

23/039 Community Emergency Plan – It was **Resolved** to complete the questionnaire received from the Humber Emergency Planning Service, who would use that information to produce a 'plan on a page' for Hutton Cranswick (proposed Cllr Teare/seconded Cllr Alderton).

23/040 Play Area – Resolved that the annual playground inspection was to be done alongside East Riding of Yorkshire Council's inspections, arranged for April, 2023 (proposed Cllr Thompson/seconded Cllr Poolford).

23/041 Procurement Thresholds – The internal auditor had advised of changes to procurement thresholds and VAT on sporting fees. It was **Resolved** to accept the changes to the Standing Orders and Financial Regulations, as presented (proposed Cllr Thompson/seconded Cllr Alderton).

23/042 East Riding Community Governance Review – The scope and timetable of the review were noted. The Council had no comments to offer at present.

23/043 Asset Register – Resolved to approve the review of the Asset Register, as presented (proposed Cllr Swan/seconded Cllr Poolford).

23/044 Statement of Internal Control – Resolved to accept the Statement, as presented (proposed Cllr Teare/seconded Cllr Alderton).

Section 1 of the Annual Governance and Accountability Return required consideration of a number of Assertions. Based on the Joint Panel on Accountability and Governance- Practitioners' Guide 2022, a summary of actions taken, to assist councillors in considering if a positive response could be given to each Assertion, was noted.

23/045 Queen's Canopy Project – planting of the New Woodland at the SRA – A number of residents had supported The Conservation Volunteers (TCV) in planting the Woodland on the 30th January, 2023. A group from TCV would return between spring and autumn to do the first year's maintenance. A heap of wood chippings collected to use as ground cover was to be spread between the trees by the Scout Group.

23/046 Garden and Farming Allotments – Cllr Poolford reported there were no issues at the garden allotments. Cllr Thompson had consulted with the Land Agent with regards to the Landowners meeting, in relation to the Scotland to England Grid Link 2 (SEGL2) Project. A land drainage consultant was to undertake a survey of the farming allotment in Spring.

23/047 Payments – £1,441.88

Resolved – To approve the payments, as presented (proposed Cllr Swan/seconded Cllr Teare).

23/048 Community Safety – Wayne Goodwin, the Community Speed Watch Coordinator, outlined the purpose and criteria of Community Speed Watch being an educational scheme to help people reduce speeding traffic through their community. The scheme enabled volunteers to work within their community to raise awareness of the dangers of speeding and to help control the problem locally. The scheme was supported by Humberside Police. Volunteers would be fully trained in the use of speed detection equipment and the recording of the results. The information would be checked against the Police National Computer (PNC) for the vehicle keepers' details, from which warning letters would be issued. The next step was to seek volunteers with an interest in forming a Group.

The Chairman thanked Wayne for his attendance.

Cllr Thompson reported that in the next few days there would be an increase of deliveries to the Scurf Dyke Solar Farm project. The deliveries would be avoiding the busy School times.

23/049 Correspondence – The following correspondence was received and noted: -

- (a) East Riding and Northern Lincolnshire Local Councils Association (ERNLLCA) - Newsletter, January, 2023
- (b) Nomination by ERNLLCA to attend the Buckingham Palace Garden Party.
- (c) ERNLLCA - King's Coronation - Grants & Information.

Wonderful churches of the East Riding

St. Oswald's church in Flamborough has several unusual features and is well worth a visit. Arriving at the village from the Bridlington direction, the church is clearly visible on the right. A few yards further on, the church car park is through the entrance on the left hand side of the road.

The church was built over the period 1150 to 1300, though the tower is much more recent. St. Oswald is the patron saint of fishermen – themes of the sea and fishing are to be found in the stained glass windows and some of the other fittings, reflecting the main occupation of local residents over the years.

The church interior is dominated by the magnificent carved rood loft, situated above the rood screen between the nave and the chancel. The term "rood" comes from the Great Rood, the cross which would normally be mounted above the screen. Rood lofts are now quite rare in parish churches; this one was relocated from Bridlington Priory after the dissolution of the monasteries in the 16th century.

A unique feature of the church is the "Flamborough Book of Service". This consists of 26 oak-framed panels which tell the story of local people in World War 2. It lists members of not just the armed forces, but air raid wardens, special constables, the home guard etc.

St. Oswald's is open daily from approximately 9am to 4pm. There is a communion service at 10.30am every Thursday as well as on Sunday.

A dog owner deposited these two poo bags, neatly tied, right in a prominent position, lying in front of the flower barrel on the corner of Hutton Road and Main Street. A

flower barrel planted and maintained by the volunteers of the Village in Bloom Group.

Why did this irresponsible dog owner go to the lengths of buying the poo bags, carry them with them, pick up and secure the bag and then drop them in a public area for all to see and having total disregard for the beauty of our village. There are plenty of litter bins around the village or even deposit in your bin at home.

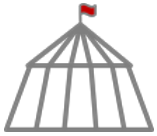

The dog poo problem is not confined solely to the pavements and grass verges around the village, what about the village green, a real community asset, but it is still subject to fouling to the dismay of residents and many children who regularly use the Village Green for recreational purposes.

These irresponsible dog owners also seem to think that the network of public footpaths and open fields surrounding the village can also be used for their dogs' toilet. This is not acceptable.

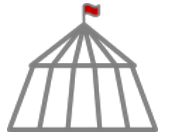

The greater number of residents really take great pride in our village, and the volunteers of the Village in Bloom Group put a lot of effort into the floral and colourful offering around the whole village. Can that small minority of dog owners who are guilty of allowing their dogs to foul public areas, (and they know who they are), please, please, take a pride in your village.

Queen Elizabeth II Memorial Bandstand

On the 8th of September 2022, the world stood still as the news of Her Majesty, Queen Elizabeth II's passing was broadcast across TV and radio stations worldwide. In honour of the incredible life of Queen Elizabeth II, we offer a tribute of our gratitude and admiration of her Majesty.

Plans are being put forward for a bandstand to be erected in Hutton Cranswick to serve as a lasting memory to Her Late Majesty as well as being a valuable community facility and focal point for the village. It is hoped the stand could be used for musical and entertainment events across the year.

We have come up with a simple design for an outdoor stand. The initial design is based on a heptagon (seven sides to reflect the 70 years reign). Space on the seven sided stand and its wrought iron fencing would create design opportunities to remember key parts of the 70 year reign of Queen Elizabeth II.

The stand is 5 metres in diameter. It would have storage underneath the performance area for up to 40 chairs and three tables. It would have electricity and broadband connection. There would be lighting under the canopy. We shared our plans and showed the model at a recent market. There was a lot of support for the idea.

We have now approached the Parish Council and agreed to undertake a feasibility study on placing a Bandstand on the Green. The feasibility study would include a survey of opinion

in the village, an investigation into the planning and statutory requirements, the design and cost of such a structure. With this information the Parish Council would be better placed to make a decision in the future on the appropriateness of such a structure being placed on the Green. We envisage the feasibility study will take about four months to complete.

We welcome your views - these can be sent to the Parish Clerk on the email hcpccouncil@gmail.com or by post to Bandstand FS, Bella Cottage, Sheepman Lane Cranswick, YO25 9RA. Thank you.

As we move towards sunnier times with the Spring Equinox almost upon us, and in anticipation of another glorious summer, we are looking forward to what, for us, is a busy looking year. Our first performance to our adoring public will be at Sunday 7th May to celebrate the King's coronation. The event will take place at the SRA and more details will follow nearer the time. The format of the day will be similar to the hugely successful Platinum Jubilee event which combined the 'Have a Go' day with musical entertainment, community singing and plenty of stalls and things to do for old and young alike. Top quality acts have already been booked, plus us!

What more could you ask for? (we promise to be better organised for the catering this time - lessons have been learned!).

Our numbers are consistently high and we are working hard, but there is always some space for a few more if any of you out there fancy having a go? It couldn't be easier. Just contact Fiona on 07984 657071 or simply turn up unannounced on a Monday evening at the SRA from 7.30-9.00 pm. You will be assured of a warm welcome with the added bonus of meeting in the bar afterwards to make new friends. No prior experience required nor the ability to read music. No auditions, no fuss, just come along, have fun and raise money for local good causes. We would be delighted to see you.

We celebrated Shrove Tuesday with all three sections mixing their own batter from the three required ingredients. They worked in small groups to cook their pancakes, but most definitely worked alone when it came to choosing toppings and eating them! Scouts also made a pancake lasagne as well as showing off their pancake tossing skills.

Beavers and Cubs held a show and tell night where they could bring things in that they'd done at home that related to badges that they can achieve. It was an interesting night with talks and presentations on such things as gymnastics, swimming, book reading, varying collections, sports, karate, and astronomy. The most unusual items brought in we would have to say were a ten pin bowling ball and pin (which was much larger than it looks at the end of a bowling lane)!

Calling all sewers.

I am making bags from left over fabric to carry the Bulletin round when we deliver them. Plastic bags are now expensive as well as environmentally bad. **We need about 60 bags so that they can be swapped over when they are brought to the deliverers. If you like sewing and have some spare fabric, it would be much appreciated if you could make one or two.** They need to be able to fit up to 30 or so Bulletins in and have good, strong handles. Mine are roughly 38cm square, some a bit longer than wide. You can drop them off at 10 Church St. Hutton.

Thank you

Could you help educate the drivers who speed on our roads?

We are seeking a number of volunteers to join a Community Speed Watch Scheme in this area. Could you spare two hours a month?

All training and equipment is provided free of charge.

Anyone between 18 and 80 can take part.

This is an opportunity to make a difference in your community.

Contact the Parish Clerk if you are interested in finding out more.

This initiative is administered by Humberside Police with the full support of Hutton Cranswick Parish Council.

Community Speed Watch - F.A.Qs.

What are the minimum requirements to form a team?

A CSW team needs a minimum of 6 people, this allows for holidays, illness and work commitments. Within the team there must be a designated team coordinator as a SPOC for the team, they are responsible for organising the monitoring sessions and looking after the equipment.

How much time must I commit to be part of a team?

You can complete a monitoring session for as long as you want and as often as you want. All we ask is each team member gives 2 hours a month as a minimum. Each session is for as long as 3 trained members are present.

How do I get trained and how long does it take?

Training is completed in 2 parts. First a 1 hour power point presentation followed by a roadside training session of around 20 minutes. They do not have to be done on the same day.

Do we have a Police Officer with us when we do the monitoring?

Community Speed Watch is run entirely by volunteers. The scheme is supported by Humberside Police but they will not normally be present when you conduct your monitoring sessions.

How much does it cost to join Community Speed Watch?

Community Speed Watch is free to become a volunteer. The equipment required to carry out CSW will either be provided on a loan basis or details of the preferred suppliers will be available for councils to purchase their own equipment.

How is the information from Community Speed Watch recorded and used?

Whilst monitoring vehicles at the roadside the team will record the details of speeding vehicles on a spreadsheet. This information is then inputted into a computer system and emailed to the scheme coordinator. The information is checked against the Police National Computer (PNC) for the keepers details, from which warning letters are then sent. The information is retained for a 12 month rolling period by the police.

Can we stand anywhere to 'catch' speeding vehicles?

Community Speed Watch is an educational tool and as such is aimed at altering driver behaviour rather than issuing fines and points. For that reason sites are selected that offer the greatest amount of visibility of the team to vehicles. Once the vehicle driver sees the team 99% of the time they instinctively slow down.

The next Council Meeting is on Wednesday 26 April starting at 7.00pm. The meeting will be in the WI Hall. Details will be published on the village notice boards and website at least 7 days in advance of the meeting.

The meeting is open to the public and early in the Agenda, the public and councillors may ask questions or make statements (limited to 3 minutes per person).

For further information please contact the Parish Clerk. There are February's minutes in this Bulletin.

Allotments:

These are situated on Beverley Road. If you would like to rent an allotment of approximately 1/10th of an acre for £15.00 per year, please fill in an application form and send it to Steve Sanderson, Clerk to Hutton Cranswick Parish Council.

An application form is available on the council's website. When a plot becomes available you will be contacted. Thank you.

Please help the SRA to raise funds for the new building at no cost to yourself!

Easyfundraising works like magic! It partners with over 7,000 brands who will donate part of what you spend to a cause of your choice. It won't cost you *any* extra. The cost is covered by the brand. If you make a purchase, a commission is generated, and easyfundraising turns that into a donation.

You can sign up at www.easyfundraising.org.uk/causes/hcsra/. Choose the SRA as your supported charity, download the browser extension and then when you shop at any of the online retailers in the scheme, the SRA gets a donation. Magic!

Come and Play Tennis this Summer!

Hutton Cranswick Tennis club is looking to get its 2023 season underway. Club training sessions will start every Tuesday at 6pm from 28th March. This season the club has entered two Men's and two Mixed teams into the Driffield tennis leagues commencing late April.

If you are interested in joining us at our club night please check our Facebook page 'Hutton Cranswick Tennis' for regular updates or get in touch with Will Rogerson on 07854 882053.
