Village in Bloom is also pressing ahead with encouraging small businesses and youth organisations to enter Yorkshire in Bloom.

Entries to Yorkshire in Bloom. So far three small businesses have decided to enter the Yorkshire in Bloom Business categories:

- James White – Butchers
- SPAR supermarket
- White Horse Pub

It is possible that we may get a couple more, but this was not finalised before going to press.

After so much cold weather in Spring it really is starting to feel as though we might risk planting some of the hardier perennials and replacing the losses from the drought last summer and the cold this winter.

The small carriages on the station platform have been refurbished.

Ian and I have lived in Hutton Cranswick for well over three years now and we have no plans to move again. We love it here. It is a very beautiful village with the green, centenary wood, fields and amenities but that is not the reason we want to stay. The best thing about this village is the people. Everyone has been very welcoming from the start and, although our first experience of meeting people at the church was on zoom, we very soon felt part of that family.

Feeling welcomed, included and valued is, I suspect, the most important thing in life for most people. I am a Christian simply because Jesus is to me the best example of how to live a good life. He was a master at spotting people who had been isolated by their community and, in a few minutes managed to make the beggar, leper, tax collector, Samaritan woman and prostitute, amongst others, feel valued and important. Jesus taught that we are all equally important to God but we need to value and care for each other too.

This morning I met a lady who felt she was not welcome in our church because she was not christened in the Church of England. This made me very sad. Church is not a club for which you need certain criteria to belong - everyone is welcome regardless of age, gender, background, colour, beliefs, sexuality, or any other feature you can think of that people use to categorise themselves. We are all unique but our desire to connect with others, to be loved and to live a life of peace and happiness is what connects us, regardless of our differences.

On Easter Sunday there were well over 100 people in church (including over 20 children and 3 dogs!) all celebrating and sharing lunch, conversation and Easter eggs!

I sincerely hope that everyone there felt welcome, because you were and you are. The Bible teaches us that God made us all, so please don't ever let anyone convince you that you are not welcome or worthy to be anywhere, least of all in church - a place in which people have prayed to, and felt connected with, God for hundreds of years.

St Peter's church is now open every day. Please do go in whenever you like and, if there is no-one there, know that God is there. If you have any specific worries please write them on a prayer card and one or more of the ministry team will pray for you or with you. People will definitely be there on Thursdays this month (community café) and every Sunday morning of course so please do come back then and, if we haven't yet done so, let us give you a warm welcome in person.

For many of us this month will be memorable because of the coronation of King Charles III. It will be a time of celebration, but even if you are not interested, we will enjoy the extra bank holiday! During the service the King will say that he solemnly promises to govern the peoples of the United Kingdom. There are occasions in our own lives when we will have had to make a promise of some sort. For instance, if we were ever in the scouts or guides, been a bride or groom or attended court as a witness. Not long after making a promise as a cub scout I saw a banana skin on the pavement. My friend, knowing I had recently joined the cubs, to my horror said that it was my duty to pick it up! As I reluctantly did so, I remember it feeling slimy and horrible as I put it in the bin, but I felt I had done my duty. Although none of us will be faced with the duties of being a monarch, the Bible says we are all required to “act justly and to love mercy and to walk humbly with your God.” Micah 6:8.

Dear God,

When we struggle to live as you would want us to, help us to be respectful of others, to bring joy and show kindness and compassion.

In Jesus name, Amen

Pastor John

Methodist Chapel Fundraising

We at the Methodist Chapel are beginning a fundraising campaign to make much needed improvements to our hall behind the chapel itself. The hall is a well used local amenity and is regularly used by the following groups . . .

Cubs, Beavers and Scouts : Guides : Playgroup : The Foresters : The Art Group

Currently, meeting in winter months can be a challenge and we need to make improvements to the insulation in order to make it a warmer and more energy efficient space. Our estimates for the improvements are around £45,000, which is a breathtaking sum. We hope that you will be able to support our fundraising events which will be taking place in the coming months.

We are starting with an afternoon tea event on Saturday 3rd June with a table top sale, details of which will be available in the next newsletter and also on posters around the village.

Adventure at Jump City

Cautiously, Robin clambered over the jagged rocks "let's go this way" he shouted across to Beast Boy. Beast Boy gave him a thumbs up and began to climb up the wobbly sand path. Calmly, the waves washed up against the rocks. The boys finally got to the top as they saw a huge tower shaped in a T shape. They wanted to explore. So they went in.

All of a sudden, Beast Boy stopped and peered into a small object which began to glow green as he dusted off the cobweb. "Check this out Robin," said Beast Boy.

They both were looking at it thinking what it was. It was dark green and light green glowing colours. "I've got it" said Robin "it's an emerald" "of course" said Beast Boy "I knew that totally!" It started moving by itself, it broke the elevator. We were trapped "we're gonna die yo" said Beast Boy "I know" said Robin. Suddenly 5 people came in. "Quick hide here" whispered Robin. "What was that said one of them?" Beast Boy knew that voice "it's the hive" he thought. They were so terrified. The hive were coming closer and closer. Then they stopped. "Lets go, we're wasting our time" said the other one. "Yes we are" said the other one. "Phew" said Beast Boy. "What are you doing?" said Beast Boy. "Just fixing this elevator" said Robin. "And done" he added on.

"Lets get out of here" said Beast Boy. So they went home, when they got home Robin demanded Cyborg to ring Starfire and Raven. "ok" said Cyborg. In a flash Starfire and Raven were here. "Look what me and Starfire have got" said Raven. They held up the newspaper it said that the emerald had been stolen by the hive. "We need to go and find their base" said Starfire. "Titans go" said Robin.

They tracked the Hive's base. "Is that it" said cyborg. "Yo your actually right" said Beast Boy. "Well what are you waiting for" said Raven. "We're waiting for Robin" said Starfire. "Oh sorry Titans go" said Robin. They busted into the Hives tower. "What was that for loser" said one of the badies. "Ha" Said Beast Boy. The war had started. Starfire was blasted away, Cyborgs parts were broken, Raven's heart was pounded and Beast Boys teeth had fallen out. It was all down to Robin. "Aaahhgg" shouted Robin as he gave a big swing with his staff. They were defeated.

Soon everything was back in place. "Yey" everybody said "Robin you did it." They had got the emerald back. "Just in time for dinner" said Cyborg. "Nom nom nom" said Beast Boy "Yo Robin you have earnt a reward" said Beast Boy. "What" said Robin. The Titan's tower "yes" said Robin. "Let's all live in it." "Good idea" said everyone. One week later they were on the news. "I can't believe it" said Robin "I'm actually on the news." "Ha ha ha" said everyone. The End. Or is it...

Hutton Cranswick's new Village Hall – Tell us what YOU think!

We are planning to make the new building at the SRA a wonderful facility that will be used by all our community – a village hall for sport, recreational activities, drama, dance and music.

But we want to hear from **YOU**, our local community. So please tell us what **YOU** want the new hall to be. What activities and events do **YOU** want to see taking place there?

And how can we reach out to the less advantaged groups in our community? Do you work with an organisation that could use the planned new Village Hall to run activities that would enrich their lives?

Without your input, this new building won't be the superb resource we all want it be. So ...

Please email huttoncranswicksra@outlook.com to let us know your thoughts. You can also speak to us at the Coronation Concert on May 7th.

And we are always keen to receive offers of help if you have expertise or experience that will move the project forward.

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 22nd March, 2023.

The meeting was held at the WI Hall, Main Street, Cranswick and commenced at 7.00 pm.

Present: Councillors: Holtby, Ingham, Kelly, Poolford, Richardson (in the Chair), Sibley-Calder, Swan, Teare, Thompson.
Parishioners: Two. The Clerk recorded the minutes.

23/051 Apologies: Councillors: Alderton, Lock, Mrs Simpson, Wilkinson. Ward Councillors: Dewhirst, Evison.

23/052 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Ingham Items 10(b)/17 - Minutes 23/059(a)/66 – Non-pecuniary – SRA Committee.

Cllr Teare Item 14 Minute 23/059 Non-pecuniary – Bulletin Team Member.

23/053 Minutes – Resolved – That the minutes of the meeting of the Council held on the 22nd February, 2023, be approved and signed as a correct record (proposed Cllr Poolford/seconded Cllr Swan).

23/054 Month 12 Financial Monitoring: -

(a) Section 137 – Section 137 of the Local Government Act 1972 enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. It has to be in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its residents.

The amount of money was calculated by multiplying ‘the appropriate Sum’ per elector, by the number of persons on the electoral roll for the parish as at the 1st April, 2023.

Section 137 expenditure had to be contained within the Council’s budget.

It was noted that the Council had remained within its limit for 2022-23.

The ‘appropriate Sum’ for 2023-24 was £9.93 per elector.

The amount of money for 2023-24 was to be reported to the Annual Meeting of the Council.

(b) The monitoring report, a list of all payments, receipts, variances, payments to the Clerk, were noted.

(c) The bank account statements and a bank reconciliation (£106,757.61) were noted. The bank statement and bank reconciliation were verified and signed by Cllr Teare, being a member other than the Chairman and cheque signatory.

(d) A claim to recover VAT from HMRC, in the sum of £2,619.01, was noted.

(e) A review of the 2023-24 Budget was noted. A proposal to share the £500.00 provision allocated to support events to celebrate the Coronation of King Charles III to, the Events at the SRA (£250.00) and the Ring for The King Event (£250.00) was accepted (proposed Cllr Teare/seconded Cllr Thompson).

23/055 Reserves – The Clerk proposed a level of Reserves based on the estimated bank balances at the end of March, 2023, the 2022-23 budget outturn, a review of the 2023-24 budget and previously identified Reserves. £25,800.00 remained unallocated. A suggestion of including a provision for the support of the new build at the SRA was considered. However, until there was a firm financial plan for the proposal at the SRA the Council was unable to make a commitment to the Project. It was noted that a fully costed scheme was being prepared for the proposal based on plans submitted with the current planning application. A suggestion to increase the allocation for the footpath/cycle way from Cranswick to the SRA by the £25,800.00 was agreed.

It was **Resolved** to approve the following level of Reserves: -

General Reserve					20,000.00
Earmarked Reserves					
Support for 2023-24 Budget					
Original Budget				1728	
Unpaid Commitments from 2022-23 carried forward				12730	14,458.00
Footpath/cycle way - Cranswick to SRA					65,800.00
School Patrol Officer					4,500.00
New Councillor Training (Election 4th May, 2023).					2,000.00
Total Reserves					106,758.00

Any adjustment required as a result of year end bank balances, would be applied to the General Reserve (proposed Cllr Sibley-Calder/seconded Cllr Swan).

23/056 Parish Elections on the 4th May, 2023 – Two Notice of Elections (a) East Riding of Yorkshire Council Ward Notice of Election and (b) East Riding Parishes Notice of Election had been published on the website and noticeboards.

23/057 Planning Matters – The following decisions were noted:

(a) 22/04085/PLF: Erection of a storage shed in garden (Retrospective Application) at 95 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QY – Full Planning Permission – Granted 3 Conditions.

(b) 22/00460/PLF: Erection of a detached dwelling and double garage, following demolition of existing workshop (AMENDED DESCRIPTION AND PLANS) at 18 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ – Full Planning Permission – Permission Refused – Appeal Dismissed.

23/061 Website Maintenance and Support for 2023 – Resolved – To accept the £20.00 increase in the cost of the Events Calendar applications (proposed Cllr Swan/seconded Cllr Ingham).

23/063 Bulletin – Resolved – To grant a request from the Bulletin Team for £3,000.00 towards the financing of the 2023 Bulletin (proposed Cllr Sibley-Calder/seconded Cllr Swan).

Cllr Teare left the meeting.

23/067 Measures to protect The Green – Areas of The Green that front Main Street and Hobman Lane around the School are often damaged by drivers being impatient, as the only way to pass other vehicles immediately, is to drive onto the edge of the Green, rather than wait until there is sufficient room to safely pass. Also, vehicles parked on the yellow lines on Main Street reduce the space for other vehicles, in particular larger vehicles, to pass without driving on the edge of The Green. The parking of vehicles on the yellow lines also severely reduces the vision for drivers when exiting the road at the side of the White Horse, onto Main Street.

The Clerk was to explore providing some means of protection along part of the perimeter of The Green to deter vehicles from mounting The Green and causing damage. East Riding of Yorkshire Council would be made aware of the potential dangers when exiting the road at the side of the White Horse, in particular the need to re-paint the yellow lines and have a traffic warden presence to enforce legal parking.

23/068 Annual Governance and Accountability Return (AGAR) for the year ended 31st March, 2023 – The external auditor instructions for completing the 2022-23 AGAR Return were noted. A copy of JPAG Practitioners Guide 2022 had been circulated, together with a draft AGAR. A copy would be provided to the internal auditor.

23/069 Community Speed Watch Group – Deferred to a future meeting.

23/070 Gatehouse Lake – A copy of the minutes of the Gatehouse Lake Angling Club AGM and income and expenditure statement for the year ending the 15th March, 2023 were noted. Cllr Poolford was to identify any maintenance works required to be undertaken by the Council.

23/071 Garden Allotments – There were two vacant plots. It was **Resolved** to accept a Contract from the East Riding of Yorkshire Council's Pest Control Team (£238.41) (proposed Cllr Poolford/seconded Cllr Thompson).

23/072 Payments – £3,324.33

Apologies for no WI report for 14th March meeting in the April edition due to an oversight on the change of committee. It was a well attended meeting for new President Chris Davidson...we were given a great talk by David Hanson from Bayview Farm about his bees and he fetched a good supply of honey which was eagerly purchased by the WI ladies.

11th April was also well attended and John Rushton gave us an amazing talk about the effects on his life when he contracted Sepsis in 2014. Despite the serious nature of the talk John gave the information in a very informative, funny and uplifting manner. The competition was a decorated egg...the winner was Lillian. The meeting was concluded with refreshments and a raffle.

ARE YOU A JOHNSON? YOU MIGHT HAVE RELATIVES IN CANADA

Respectfully prepared by Marilyn Stewart
m_stewart@outlook.com

☐ Dates are available from various sources at March 2023. Discrepancies possible.

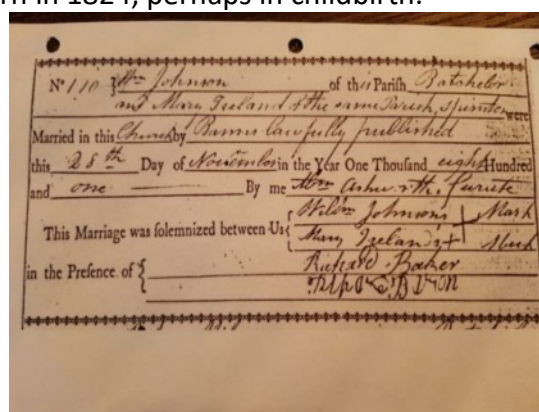

In 1749, Christopher Johnson was born in Hutton Cranswick. He died 1829. His parents may have been John and Ann Walker (b 1717). He may have married Ann **Peckston** October 30, 1768 at Great Driffield. There are many Christopher Johnson's and it's difficult to keep the line straight.

For sure Christopher had 11 children and the seventh, William christened June 3, 1781, is my direct ancestor. William was the only son to survive to adulthood.

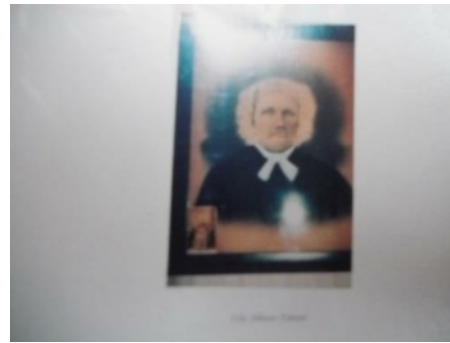

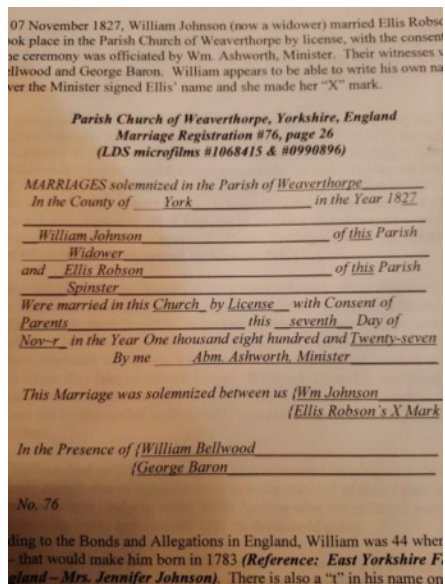

William moved to Weaverthorpe sometime before 1801 and worked as a “wright”. Since this is a skill to be acquired, it makes sense that he learned this in Hutton Cranswick, perhaps from his father.

In 1801 he married Mary **Ireland**. William and Mary had 12 children. Mary died the same year that their last child was born in 1824, perhaps in childbirth.

Church warden accounts (Weaverthorpe) show William working for pay on church repairs from 1805 through 1828. It is probable that he began to make plans to emigrate to Canada about the time his father was dying. He likely moved back to Hutton Cranswick around 1828 to be near his mother.

In 1827 William married Elles **Robson**. They had 11 children, some born in Weaverthorpe, some in Canada.

In 1832 William and Elles and eight children sailed from Yorkshire to Canada. Five of the children were from William's marriage to Mary Ireland and three were from his marriage to Elles Robson.

The family first settled near what is now Toronto. Later they moved to a farming community near Hamilton, Ontario named Binbrook. My mother was born there.

William died October 28, 1852. He was buried in the Knox Presbyterian Cemetery in Binbrook. We don't know why there is a "T" in his name on the stone.

Name	Elles Robson Johnson
Cemetery	Knox Presbyterian Church+
Burial Place	Hamilton-Wentworth, Ontario, Canada
Notes	Elles Wife of Wm. Johnston Died 14th Nov. 1882 Aged 77 Years, A Native of England. Jesus Has Called the Mother Home Her Flesh Lies Mouldering in the Tomb God Grant Her Offspring May Be Blest and Meet Her in Eternal Rest.

I don't have a picture of Elles' tombstone, don't know why because I'm only about ½ hour away from the cemetery.

In celebration of the 1832 immigration, the family planned a reunion for 1932. 230 members of the family were present which actually took place in Hamilton Ontario 1933.

CONTINUED ON NEXT PAGE

In 2004, the current family held a reunion on July 31. The event took place at the Agricultural Hall on the Binbrook Fairgrounds (Highway #56 Binbrook).

I would very much like to hear from anyone who thinks they might be related to Christopher, William Johnson. Send any questions to my email noted on the first page. I will be happy to fill in more information on the many children.

A big thank you to those who have given me beautifully made cloth bags, fabric and ready made bags. They have proved very useful to Gary and Margaret, who divide up the Bulletins into the bags when they come from the printers. I hope they proved comfortable and easy to use for the delivery team. We have about half the number needed (about 60 in all) so I shall keep on making and would welcome more makers and/or fabric. Each bag needs to be returned when the next month's Bulletins are given out to the deliverers, which is why we need twice the number.

Could you help educate the drivers who speed on our roads?

We are seeking a number of volunteers to join a Community Speed Watch Scheme in this area.

Could you spare two hours a month?

All training and equipment is provided free of charge.

Anyone between 18 and 80 can take part.

This is an opportunity to make a difference in your community.

Contact the Parish Clerk if you are interested in finding out more.

This initiative is administered by Humberside Police with the full support of Hutton Cranswick Parish Council.

Community Speed Watch - F.A.Qs.

What are the minimum requirements to form a team?

A CSW team needs a minimum of 6 people, this allows for holidays, illness and work commitments. Within the team there must be a designated team coordinator as a SPOC for the team, they are responsible for organising the monitoring sessions and looking after the equipment.

How much time must I commit to be part of a team? You can complete a monitoring session for as long as you want and as often as you want. All we ask is each team member gives 2 hours a month as a minimum. Each session is for as long as 3 trained members are present.

How do I get trained and how long does it take? Training is completed in 2 parts. First a 1 hour power point presentation followed by a roadside training session of around 20 minutes. They do not have to be done on the same day.

Do we have a Police Officer with us when we do the monitoring?

Community Speed Watch is run entirely by volunteers. The scheme is supported by Humberside Police but they will not normally be present when you conduct your monitoring sessions.

How much does it cost to join Community Speed Watch?

Community Speed Watch is free to become a volunteer. The equipment required to carry out CSW will either be provided on a loan basis or details of the preferred suppliers will be available for councils to purchase their own equipment

How is the information from Community Speed Watch recorded and used?

Whilst monitoring vehicles at the roadside the team will record the details of speeding vehicles on a spreadsheet. This information is then inputted into a computer system and emailed to the scheme coordinator. The information is checked against the Police National Computer (PNC) for the keepers details, from which warning letters are then sent. The information is retained for a 12 month rolling period by the police.

Can we stand anywhere to 'catch' speeding vehicles?

Community Speed Watch is an educational tool and as such is aimed at altering driver behaviour rather than issuing fines and points. For that reason sites are selected that offer the greatest amount of visibility of the team to vehicles. Once the vehicle driver sees the team 99% of the time they instinctively slow down.

Training for the London Marathon . . .

As a villager I thought I would let you know what I've been up to. Many of you I have passed on my runs around the village often conscious of my bright red face, sweaty and often unable to grunt more than a quick Hi. I was lucky enough to win a ballot place and I've been training for the London Marathon since January on a 16 wk plan.

Training has gone well, I've been following my plan and all my long runs are now done, including several 18 and 20 mile runs. I'm tapering now so I'm rested and ready for the big day on the 23rd of April.

I have clocked up over 450 miles since January. It has not been easy having only ever done 1 half marathon. I first started running around 4 or 5 years ago instead of watching my son run his races while drinking, eating cake and chatting to the other parents. Often moaning about being overweight and needing to lose weight, I decided to join in.

At first I struggled having not run or even gone to the gym since being at school around 25 years ago. I adopted a technique of running to a lamppost then had to walk to the next to recover, gradually I built it up to starting to do several 10 k races but never imagined I would ever run a marathon!

I've been enjoying the long runs as I have a good friend who joins me and we often run around Thixendale, Millington and along the coastal paths often getting lost. We have found some lovely trails but with the beauty of the scenery comes some challenging hills. I'm training harder on the hope that flat London will be easier.

Within my plan there have been many 6 or 8 mile mid week runs, these have been a real challenge with not finishing work until 6.00 pm and dashing home to cook tea. I often don't get out until 9.00 pm after eating and catching up with the kids. In the cold and dark I've really had to push myself out of the door to run several laps of Hutton and Cranswick to get the mileage in with few street lights and no one around. Its been a bit lonely at times but some good running friends from two local clubs have often joined me to keep me going.

I'm looking forward to my victory lap around London next weekend, and a well earned rest after....and of course all the well earned cake I must have earned after running over 26 miles! Who would have thought I would have ever been able to run this far, you really don't know what you can achieve until you try.

If anyone would like to sponsor me I've set up a Just Giving page for Cancer Research and would appreciate any donations no matter how small.

Thanks and see you on the other side!

THE BENEFITS OF SINGING

SING YOUR WAY TO HEALTH AND HAPPINESS

Singing is the most common past time, maybe the most common form of participation in the performing arts. But is singing also good for you? Numerous research studies confirmed that singing has both physical and psychological benefits.

PHYSICAL BENEFITS

1 SINGING RELEASES FEEL-GOOD HORMONES

Singing releases endorphins and oxytocin. Endorphin is a hormone associated with the feeling of pleasure. Oxytocin is a hormone considered to decrease anxiety and stress as well as increase the feelings of trust and bonding.

2 SINGING BOOSTS IMMUNITY

Singing boosts immunity by promoting a healthy lymphatic system. Singing also helps fight diseases.

3 SINGING LOWERS BLOOD PRESSURE

A case study showed that singing can reduce blood pressure given its calming effect.

4 SINGING IMPROVES BREATHING

The act of singing requires breathing. As a result, the body has improved blood circulation and oxygen flow.

5 SINGING IMPROVES OVERALL HEALTH AND WELL-BEING

People who sing require fewer visits to the doctor and don't need as much medication. They are also less likely to be depressed.

PSYCHOLOGICAL BENEFITS

6 SINGING LOWERS ANXIETY AND STRESS

Singing is associated with decreased levels of anxiety due to the release of oxytocin.

7 SINGING PROMOTES SOCIAL BONDING

Singing, and especially choral singing, creates opportunities for cooperation and social bonding.

8 SINGING IMPROVES HAPPINESS

Singers reported feeling happier and better connected. Singing reduced feelings of depression and loneliness.

9 SINGING IMPROVES COGNITION

Some studies found that musicians and singers have generally higher IQs than non-musicians. Many successful people are also good musicians.

10 SINGING LEADS TO LONGER LIFE

One report concluded that singing promoted both better health and mental state, which led to higher life expectancy.

HAPPY SINGING!

Would you spend 30 minutes of your time to save a life?

In the last month in the course of my voluntary work I have met two people who told me that they were feeling suicidal. Fortunately, both were receiving professional help but, I still felt very worried that I may say something that would make them feel worse. I decided that I needed some help and advice and started to look online for a course.

After some time I found a link to some videos that were free and very helpful. There were 3 scenarios. Firstly, a stranger looks very upset and you fear for their safety. Secondly, a colleague seems withdrawn and different and thirdly a family member seems exceptionally stressed and unhappy. The advice was clear and helpful and, while I may look for more detail, for now I feel more confident to discuss such serious feelings in a compassionate but direct manner.

Here is the link – I hope that you find it as useful as I did because we never know when we might be in a position to help.
