## Our Shop

Quality and taste of our products is very much a priority for us. We use local producers and suppliers where possible, to ensure fresh and sustainably sourced produce. We have a great selection of homemade pies and pastries as well as cheese and cooked meats on our deli counter.

Did you know? Every Friday this counter is stocked with a splendid range of homemade treats such as triple chocolate brownies, or perhaps a fresh fruit meringue. Every week is different!

Tuesday 9.00am-5.00pm

Wednesday 9.00am-5.00pm

Thursday 9.00am-5.00pm

We started our Coronation celebrations with Ring for the King at St Peter's on the Saturday, which was followed by the splendid coronation party at the SRA – photos on page 26.

Glorious sunshine ensured that the Hutton Cranswick **village wide car-boot sale** was a great fund-raising success for Friends of the village Primary School. Over 50 driveway stalls took part. Refreshments and forecourt boots were organised at Foreman's Garage. Emma Skipp, chair of the PTA said, "We have managed to raise over £850 towards helping our School replace their sound system. A big thank you to Janet Foreman, all the stall holders and supporters in the village."

Friends of the School held two other very successful events. The Friends say "A massive thank you to everyone who bought and sold tickets and donated prizes for the **Spring Raffle**. The raffle raised an amazing £1692 which will go towards a new sound system for the school hall. All prize winners have been contacted and the prizes awarded". Then the **Easter Bingo** held at Foreman's Showroom raised £537.50. "Thank you to everyone who came to play and support the event. A huge thank you to Val Thompson for getting more game cards and to Janet Foreman and the team for hosting the Bingo and to our bakers who provided such lovely cakes for all to enjoy."

There have been some changes to the **Parish Council**. Two councillors have left and two have joined: see the list on page 23.

Some of the other villages in the area have, like us, very active communities. One such is **Lockington**, which sometimes advertises their events in our shops. Their village magazine The Gazette can be viewed online at <http://lockingtonparishcouncil.co.uk/> under Parish Council Information and News.

We are of course very fortunate to live in such a pretty village and residents sometimes send in their photos for publication. We would like to encourage **local photographers** to send in pictures of village life and we'll do our best to include them. Resident Sonia sent us this letter: "It was a lovely sunny day on Monday. I went to the Centenary Wood with my friend and Freddy my dog. In the wood there was a class from Hutton Cranswick school – what a good time they were having, chasing, running and playing hide and seek! On our Facebook site the Scouts were there in the evening: den building, an egg hunt and also doing a very good job of collecting the branches etc and making them into dens. So many people get so much pleasure there – people come from all around the area to enjoy it."

Last month we published an **appeal for bags** to help with Bulletin deliveries. Team member Valerie says "Thank you to everyone who donated cloth bags for Bulletin delivery. We now have sufficient so no more are needed for the time being".

This month we introduce new Bulletin team member **Sue Howett**, who will be taking over the role of administrator when Lynn Hall retires in the summer. "We moved to the village from Essex in September 2021 just as the country was emerging from lockdown - great timing as it transpired! It's been a huge change of lifestyle for us coming from Essex where nose to tail driving is an everyday occurrence. I'm delighted to be welcomed to the Bulletin team helping to be part of what is an amazing village asset and look forward to seeing you around the area."

Funded by Hutton Cranswick Parish Council and advertising, **The Bulletin** is produced and delivered monthly by our team of volunteers to every address in the village. If you need help with:

At Secondary School, I had 3 favourite subjects: History, Religious Education and P.E. and as I wanted to share this love, the decision was made: I would become a teacher! I studied Religious Studies, P.E. and History at Teacher Training College and after 4 years, I had my teaching qualifications and my Degree.

'History' is an important part of all our lives, as the decisions we have made in our past shape our present and affect our future. History certainly shapes the world in which we live!

So what can we learn from 'history'?

- It's good to have a job or career which we enjoy.
- Friends are important.
- 'Family' is important.
- Relaxation is important for our mental health.
- Actions and words may have a long-lasting effect not just on ourselves, but also on others. Think of family feuds, conflicts and wars!

The Bible is the perfect example of a Book, or a collection of Books, which shows very clearly the results of actions, both good, bad and indifferent. It has love and faith at its

centre: the love of God for all creation and how faith in God our creator, faith in our Saviour Jesus Christ and faith in the Holy Spirit, the power of God at work in the world yesterday, today and tomorrow, will be our guide, if we so desire. It's exciting, telling the stories of individuals as well as the rise and collapse of Empires; shows what can go wrong in relationships & what can go right and contains love poetry.

History is all around us as the decisions made years, decades or centuries ago still affect us today.

What decisions are we going to make today, tomorrow and all the days after? Are we going to think carefully so our own tomorrows may be the best we can make them? Or are we going to get upset at the slightest provocation which may cause us and others, untold damage in the future?

The choice is ours!

Gwyn.

## Hutton Cranswick Methodist Church

**Lay Pastor John Gleaves**

**07553 226811**

**MethodistPastorjohn@gmail.com**

A small girl was busy drawing a picture when the teacher asked what she was drawing. The child explained "It's God." The teacher laughed "...but no one knows what God looks like!" Without looking up, the little girl replied "They will when I've finished." How do you imagine God? An old man with a beard from Michelangelo's painting on the Sistine Chapel, or the force more reminiscent of Star Wars? Or you might not believe that God exists at all. To many Christians, God is alive and a real part of daily life, offering comfort, inner peace and hope.

Jesus says in John 14:6 "I am the way the truth and the life, no one goes to the father except by me." If we want to know what God is like, the best way is to find out more about Jesus. Some people who have been unsure what they think about God, have tried a simple prayer just to see if anything happens, and have been astonished at the results. It doesn't matter what you say, as long as you pray sincerely and truthfully. One person who was seeking God simply said to him one night in bed "Hello" and that was the start of their relationship with God.

*Dear Father, we thank you that we can know who you are through Jesus, help me to get to know you better and to discover the love, joy and peace you give to all who seek after you. Amen*

Pastor John

GRAHAM GORDON  
BEECH VIEW  
HUTTON CRANSWICK

What a fantastic afternoon/evening we all had on the occasion of the Coronation Day celebrations held at the SRA. It was brilliant to see so many people there, enjoying a wonderful day and benefiting from a very kind break in the weather. Somebody must have put in a good word with the Big Man upstairs! Proud Mary was undoubtedly the highlight of the WHOLE event - who knew so many old people could move like that!

It was also very noticeable how many of you joined in the community singing part. It sounded great from where we were, up on our raised platform, high above the thronging crowd. Maybe one or two of you might be tempted to make it more than a once in a year singalong and come along to our practice sessions at the SRA on a Monday evening from 7.30 to 9.00 pm. Why not drop Fiona a line on 07985 657071 and she will give you further details? Always great to welcome new members.

If you do decide to give it a go, our next public performance will be at the Music@May Lodge event which will be held on Saturday, July 8th. This is a fund raising event to raise valuable funds for Marie Curie. More info to follow in the next Bulletin. We will be practising hard, brushing up on some of our existing repertoire, but hopefully adding a few new songs. It's great fun, you don't need to be able to read music and we never hold any auditions - if you turn up, you're in! We look forward to seeing you.

In harmony, Haz In Harmony, Fiona

## The Woodland Trust - My Favourite Tree

I feel very fortunate to live in such an attractive village with such a range of trees of all ages. Every day I walk my dog on a circular route through St Peter's Church yard. We pass a beautiful ancient tree that I have always been fascinated by. Rumour has it, that it contains a gravestone within it! Twenty-five years ago, when I first came to this village you could, albeit on hands and knees, catch a glimpse of the stone within. This has long since vanished now its girth is 5 m!

Today

100 years ago on an old post card

In my time here, I have seen a number of mature trees in the village cut down. They may well have had valid reasons for their removal, but it has led me to wonder what protection ancient trees have. This is when I discovered the 'The Woodland Trust'. Anyone can register an ancient tree on their website: <https://www.woodlandtrust.org.uk> It is easy to do, especially if you have a mobile phone. A person from the 'Woodland Trust' will then assess the tree and grade it as to whether it is a 'veteran' or 'ancient' and it will be recorded on their UK map. At present, there are no trees recorded for Hutton Cranswick. So if like me, you want to ensure that our beautiful trees are preserved for future generations, then submit the details for your favourite tree.

The Judging date would be between 1<sup>st</sup> and 16<sup>th</sup> July, 2023.

The Foresters had funded the renewal of The Hutton Cranswick in Bloom plaques.

Re-planting and general maintenance were under way in all other areas except for Megginson's Turnpike, which had been left untended until completion of repairs to the damaged signpost. A new volunteer was to tackle the borders to SRA car park. At the station, it was planned to have more sedum-planted wellies, cover the gravelled beds with blue slate and a new leaflet from Yorkshire Wolds Railway was on display.

(b) **SRA** – It was agreed to make two payments to the SRA (i) £1797.00 as the Contributing Third-Party donation towards the cost of new floodlights and (ii) £250.00 towards the cost of the King's Coronation Party, 2023 on the 7<sup>th</sup> May, 2023. The SRA Committee agreed to provide a completion report on the event.

The Secretary of the SRA Committee was thanked for the progress report on the new building planned at the SRA. A quote for the installation of CCTV had been sought. A decision on an application to SPAR for a grant of £10,000 to help renovate the kitchen was expected in May. Arrangements for the "Have a Go" and King's Coronation Party were progressing well. The event has been promoted in the Bulletin and on the Village Facebook page.

Tennis had attracted six new players. The recent Yorkshire CLOUT(Archery) competition was a success.

(c) **Pond** – Cllr Sibley-Calder continued to monitor the state of the pond.

(d) **Village Show** – The Committee was seeking further sponsors. The monthly Craft and Produce Market was held on the 22<sup>nd</sup> April, 2023, with further markets planned on the 4<sup>th</sup> Saturday of each month from May to November, 2023. Arrangements for the "Ring for the King" event had been finalised.

**23/086 Annual Governance and Accountability Return (AGAR) 2022-23** – Following consideration of AGAR guidance, the internal audit report, close scrutiny of the draft Submission including supporting evidence, it was **Resolved** (proposed Cllr Thompson/seconded Cllr Alderton) to approve: -

- (b) the Explanation of Variances,
- (c) the Notice of Public Rights and Publication of Unaudited Return,
- (d) that the following documents be submitted to the External Auditor: The Annual Internal Audit Report 2022-23; AGAR Sections 1, 2 and 3; a bank reconciliation as at 31<sup>st</sup> March, 2023; the Explanation of Variances; the notification of the commencement date of the period for the exercise of public rights and contact details,
- (e) that £1 be charged for a copy of the Annual Return.

**23/087 Parking near St Peter's Church** – The Treasurer of St Peter's Church had sought advice on who to contact to allow the installation of plastic reinforcement matting on the grass verge on Church Lane and, particularly, Church Street (Hutton Green). This was to reduce damage to the grass, when used to park cars on, when the ground was wet. The Clerk was asked to confirm the legal status of the land.

**23/088 East Riding of Yorkshire Local Plan Update** – East Riding of Yorkshire Council had submitted the East Riding Local Plan Update on 31<sup>st</sup> March, 2023 to the Planning Inspectorate for an Examination in Public.

**23/089 The King's Coronation Community Fund** – It was noted that the Council had been awarded a £500.00 grant from the East Riding of Yorkshire Council. The application for the grant was made at the request of the SRA and would be used towards the cost of the King's Coronation Party, 2023 on the 7<sup>th</sup> May, 2023. The SRA Committee had agreed to comply with the conditions of the grant required by East Riding of Yorkshire Council.

**23/090 WI Hall** – The Hutton Cranswick Women's Institute Committee had requested an annual grant of £2000.00 to assist in the upkeep and maintenance of the WI Hall. A decision was deferred pending further information from the WI Committee on its plan for future financial sustainability.

**23/091 Supplemental Lease for the SRA** – It was noted the Lease had been completed.

**23/092 Dog fouling** – A request to re-site the black litter bin adjacent to the bus stop at Cranswick onto the Green, to help with the problem of dog fouling, was discussed. Councillors did not consider the re-siting of the bin would make a difference to the problem of dog fouling on The Green and it was **Resolved** not to re-site the bin (proposed Cllr Swan/seconded Cllr Poolford).

**23/093 Salt Bin** – A request to arrange for a new salt bin to be located near the junction of Main Street and the A164 was considered. Highways Technical Services was not convinced that the site would qualify for the provision of an East Riding of Yorkshire Council funded salt bin, as the compliance assessment would not pass the Council's scoring policy. It was **Resolved** not to provide a new salt bin (proposed Cllr Sibley-Calder/seconded Cllr Poolford).

**23/094 Community Speed Watch Group** – Three residents had expressed an interest in joining the Group.

**23/095 Gatehouse Lake** – The annual Lease Fee had been received from the Gatehouse Lake Angling Club. Cllr Poolford reported the platform at the head of the Lake had been inspected. Other than fixing a loose plank, the platform did not require any further repair at present.

**23/096 Garden and Farming allotments** – Some allotments needed attention. Tenants would be reminded of the obligation that plots must be kept in a clean, decent, good condition and be properly cultivated, so as not to cause nuisance or annoyance to others. Rents had been received for the farming allotments.

Our WI meeting on the 9th May was well attended despite the weather and a few members being poorly. Our speaker was Mr Norman Hugill who gave a talk on the Royal Train and the royals he met during his working life. It was very interesting, informative and amusing in parts. Mr Hugill joined us all for cake and tea after.

The President informed us of the amounts made in recent events and gave an insight to events that were likely in the coming months. A regular cake stall is held at the craft and produce market so come along and try some home made baking or attend the Pig Bingo both on the 24th June.

The 'make a crown' competition was won by Sonia with her knitted 'Queen with a crown'.

If you fancy coming along to our next talk (The Rainbow Tree....pottery workshop) at 7.15pm on the **13th June** you would be very welcome.

You might have seen us out and about recently...

Beavers and Cubs planned a route round the village to include check points set by leaders. The following week they then walked round these; it was interesting to see the different routes they took and different speeds they did it in. Cubs being a little older had a longer route, with check points set further

apart, but both sections did well.

We recently invested Ben as a Beaver leader where his son helped him say his promise and welcomed him to the group.

Scouts helped at the 'Ring for the King' event at St Peter's, providing hot food for those attending. We'd like to say thank you to the Parish Council for the funds allocated to this that made it possible. Scouts also joined in the 'Big Help Out' where they were asked to do something around volunteering within the community. They decided to hold a tea party where they invited people that they, as young people, recognised as those that either help in the community or that have helped our group in some way.

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

## Coronation Party

A big 'thank you' to everyone who helped to make this event such a huge success. It would not have been possible without the hard work of so many volunteers and others who gave of their time and lent us equipment and facilities. We are especially grateful to our Fundraiser-in-Chief Fiona and her husband Haz who masterminded the event and spent many hours organising it.

If you would like to help us put together similar events in the future, please do get in touch! We want to involve as many people as possible in our community in what we do.

## Archery Beginners' Course
