The Bulletin

August 2023

Welcome to the August edition of The Bulletin.

School holidays are here and hopefully a more normal weather pattern for this time of the year.

Cllr Russ Thompson, the new Parish Council chairman, has written on three top topics in discussion at the council meeting - East Riding Local Plan, Footways, and the Play area. This is on page 19.

Look at Dates for Your Diary on page 4 to discover a range of activities planned for the next few months. If you are organising an event, then do let us know.

We received an enquiry this month about accessing The Bulletin online. Each month we publish The Bulletin on the village website. It is usually placed on huttoncranswick.com under Community Info at the same time as we send the magazine to be printed. So, when you are away on holiday, you can still read The Bulletin!

Each month our team of volunteers deliver over 1000 copies of The Bulletin into homes in the village. A delivery round usually takes about 30 minutes, and we are now looking to recruit some new deliverers. Gary and Margaret bring the bundle to each deliverer. Thanks to Valerie we have cloth bags for the deliverers as well. Gary would love to hear from you if you are interested. He can be contacted on 07795 202559. Thank you.

Rest Refresh Renew

This year Ian and I were invited to a family wedding in Germany, so we decided to make a holiday of it. It was an amazing 12 days. We cycled and walked miles and visited many new places. As we travelled from the north to the south of Germany we saw thousands of trees and the air was clean and fresh. Everywhere we went was clean and organised and I started to feel my tension and stress ebb away. On our return I felt more relaxed than I had done for years and, despite all the physical activity, I felt refreshed.

One of the 10 commandments is to keep the sabbath and to rest one day in seven.

Six days do your work, but on the seventh day do not work, so that your ox and your donkey may rest. (Exodus 23)

Unfortunately I have failed miserably in keeping this commandment throughout most of my working life and I feel I have suffered for it.

When I was very young, we did rest as a family most Sundays (we didn't have an ox or a donkey, but we did have a dog!) We went to church in the morning, then, in the afternoon, we often went for a little ride out to Beverley Westwood for an ice-cream and to walk the dog, or maybe to

Hornsea for a paddle and a wander round. Sometimes I thought it was a bit boring, but I realise now that if I had kept this up through my working life I would not have been so stressed and tired!

Jesus did not always rest on the same day. He was criticised for healing on the sabbath, but he did regularly go off on his own to rest and to pray.

There are of course different types of rest – physical and mental being the main ones. Sometimes we need one more than the other, sometimes both. Jesus says:

Come to me, all who labour and are heavy laden, and I will give you rest. (Matthew 11)

If we are mentally exhausted, Jesus invites us to take all our worries to Him in prayer. We don't have to think of a solution, just ask for help. Not all our prayers are answered in the way we think, or on the timescale we would like, but I find that to pray about the people and situations I am concerned about is a great relief and I have had some amazing results, often when I least expected them and in the most difficult of situations. If you would like us to pray for you, or with you, please pop into St Peter's and fill in a prayer card on one of our 2 prayer boxes.

Any keen gardener will tell you that no two summers are the same. Last year was hot and dry and this year - so far - we have had sunshine but also lots of rain. I know that from personal experience because I have been able to dig my allotment in July which I couldn't do last year as the ground was rock hard!

The Bible says in Hebrews 13:8 "Jesus Christ is the same yesterday, today, and forever." Now that doesn't mean that God is old fashioned and behind the times, he is after all omnipotent, which means all powerful. What it does mean though, is that we can rely on God. He will never let us down, for whatever the ups and downs life bring us, we can trust him completely.

I can truly say that after 45 years of being a Christian, my faith has grown stronger as I have experienced first-hand God's unfailing love, care and concern. That same love is open to all of us. If you are not a Christian, and want to know how God can make a difference to your life, all you have to do is reach out to him in faith.

Dear Father, thank you that I can trust you. Help my unbelief! As I reach out to you I ask that you will transform me with your unfailing love.

Amen

If you prayed that prayer sincerely I would love to hear from you, so please get in touch, and we can talk further.

Design a Creature and Describe its Character By Pupils in Year 6

A point on the end of its antennas stretch up to 8.2 metres long to apprehend their prey. It is one of the best hunters on the planet because of the very useful and bioluminous spots all over its body. On the end of its tail is a triangle that can be used as a sensor, it can sense up to twenty meters behind it. Another reason why it is one of the best hunters on the planet is it's wings they help to hunt in the air as well as on land.

By Libby

This Spider-infused Behemoth terrorises all creatures in and around its mountainous territory. It is often hunted or attempted to be hunted for its magnificent antlers desired for there jewellery purposes. This creatures legs are used for climbing up trees ready to jump down plunging its dagger like teeth into its prey dealing a deathening blow. Its large stinger on its chest is used when it jumps out of trees and plunges it deep releasing vast poisons into its prey. It has a bioluminous antennae to attract its prey.

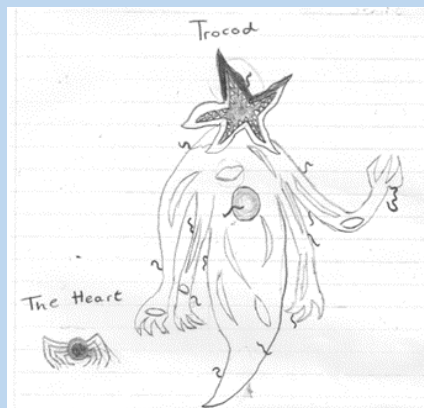

By Alex

The Trocod is a ghost-like creature that uses echolocation to find its prey. Its diet contains John stars, Navi and Banshee. The creature is 17t and is extremely swift and strong. The Trocod has tendrils all over its body that grabs nearby bugs. The creature flies around as if by magic as it has no wings. The bulb-like sphere in its chest is a second life of sorts because when it dies the bulb opens up to reveal its heart. The heart is a living parasite that needs a host to survive. The heart will find another dead animal (doesn't have to be a Trocod) and crawl through its mouth into the chest the heart will then proceed to rip out the other heart and replace it with itself reviving the creature and living its life as something else.

Pandora – has a wild variety of animals but this one is like no other. Dripping in poison, this creature (which has no name) is one of the most hunted predators because they are so rare. The creature lives on the forest floor and has a blood-thirsty tongue to hurt its prey. Like all the other unique animals that live on Pandora the snake-like creature is bioluminous but only the patterns on their body can't light up due to the toxic air.

Fancy a Hog Roast . . .

The gourmet event that's a whole lot different, and just perfect for the once-in-a-lifetime wedding reception, special birthday, or just celebrating ...

You name it- we cater for it. Including the hog roast machine, the hog, the chef- even the stuffing & apple sauce!

All you need to supply is, of course, the guests. It's really that easy and convenient - so why not have a word with James on 01377 270243 or pick up a leaflet the next time you visit.

The second Music@MayLodge event on Saturday 8th July was a resounding success despite the rather inclement weather. Approximately 130 people braved the thunder & rain to listen to some of my piano pupils - ranging in age from 4 – 74. The Choir sang whilst being accompanied not only by Matthew but also said thunder. Louise Sanderson, once again, gave up her time to perform as did David Hinde, Crescendo Clarinets & Southgate. The Pimms tent proved popular as did the cake stall and the raffle was very well supported. All of this was in aid of the amazing charity Marie Curie.

In total £1271 was raised and a cheque was presented to Val Dolan from the Marie Curie Driffield Charity. So, thank you to everyone who attended and supported the Choir at this event.

Next year the Music@MayLodge will be on Saturday 1st June, and we will be raising much needed funds for the Dwarf Sports Association.

Defibrillator Awareness Session

The First Defibrillator Training Session has been confirmed and is on Thursday 27th July in the WI Hall starting at 19.00.

Invites have been sent out to the first attendees. If you have let me know of your interest and not heard, you will be on the second session, and I will be in contact later.

There will be a second session towards the end of August, which is not full.

Please let me know if you wish to be added to the training list: sibcald@aol.com. Name and email address please with Defibrillator in the subject box. Thank you,

CLlr Ian Sibley-Calder

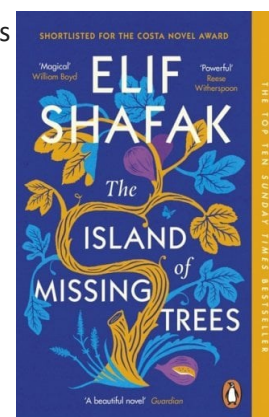

Book Club

The next meeting of the book club is Tuesday 29th August at 7.15pm. It will be held in the front room of the White

Horse, Cranswick. Please feel free to wander in and join us....we are quite a friendly group and you would be welcome.

The last book we read and reviewed in June was The Various Haunts of Men by Susan Hill. A very good book with some strange twists and weird happenings, plus a shocking event towards the end. A lot of possible who done its till suddenly you know. Enjoyed by most and scored 8 out of 10.

The book to discuss at our meeting on the 29th August is The Island of Missing Trees by Elif Shafak.

Cllr Teare reported that the Guidance Notes, Matters, Issues and Questions and Draft Hearing Sessions Programme for the Examination of East Riding of Yorkshire Local Plan Update had been published. In particular, Matter 13, titled, Allocations in Rural Service Centres and Primary Villages Issue – Are the proposed housing, employment and other allocations in the Rural Service Centres and Primary Villages justified, effective, developable/deliverable and in line with national policy? Part A Rural Service Centres – raised the two questions about Hutton Cranswick

a) *‘What key factors determined the selection of new housing allocation CRA-F over the other site options in Hutton Cranswick? What is the nature of the deliverability issue at CRA-C?’* and

b) *The Council is proposing to increase the site area and capacity of CRA-F (modifications AD/43, AD/45 and AD/47 in EXAM1C). What is the reason for the increase and is it necessary for soundness?*

The Council would consider its response to the Examination at its next meeting.

23/158 Representatives reports: -

(a) In Bloom – Preparations were well underway for the Yorkshire in Bloom 2023 Judging on Tuesday 4th July, 2023. It was planned to go around the Village in the morning, visiting the School, the SPAR, the White Horse, James White Butchers, view the pond and the Cranswick Green and the Station. In the afternoon the Judges would inspect Hutton Green, the Pre School, the newly re-planted bed at the junction of Main Street and the A164, the Farm Shop, Paul Harrison Cars and finally the new Woodland at the SRA. Hymers students and supervisors had smarted up the Station. This included re-painting the wooden fencing behind both platforms, cutting back overhanging branches and overgrown shrubs/surplus vegetation. Also, weeding the gravelled areas along the platforms on both sides of the line, to enable these areas to be re-covered with a large quantity of blue slate chippings by the end of the month.

(b) SRA – The Committee was still actively seeking funding for the proposed Community Hall and was investigating grants from several sources. Fundraising opportunities for local events was being explored. Membership fees for groups using the SRA would be increased for the 2023-24 season.

Work on upgrading the kitchen was planned to commence in July.
A new assistant grounds person had been appointed.

Pupils from Kingsmill School had recently done some painting of benches and had made an excellent job of tidying up the car park. Floodlights were due to be installed from late August and should be in place by October.

The AGM and presentation of accounts would be in early September, 2023.

A report on the Coronation Party and update on the New Build from the secretary of the SRA Committee was noted.

(c) Pond – Cllr Sibley-Calder continued the task of removing weed from the pond. However, of great concern, was that a resident, with good intention, had unilaterally, placed an extremely invasive plant into the pond. Fortunately, the plant was contained in a bucket which had now been removed. It was emphasised that the introduction of any plants into the pond must be approved by the Parish Council.

Cllr Sibley-Calder had commenced the renovation of the BT Box on The Green.

(d) Village Show – The Show is on the Green on Saturday 22nd July, 2023, from 12 noon to 4pm. There are 71 Exhibit categories this year in the show exhibition. Attractions included: the monthly Craft and Produce Market, a display by the Hutton Cranswick Art Group, Vintage Tractors, The Community Choir, The St John's Ambulance Road Show, an adult Bouncy Castle, a Rodeo Bull, a Dog Show and the inter-village tug of war. Great Driffeld Radio are at the event. Volunteers to help with the set up and running of the show are welcome.

23/159 Queen Elizabeth II's Green Canopy Project Woodland at the SRA – The Conservation Volunteers (TCV) carried out the 1st Maintenance session on the 18th June, 2023. 99% of the saplings had taken. TCV was to leave the 'up to 10%' replacement until year 2 between October/November 2024. The 2nd maintenance session would be between spring and autumn, 2024. It was suggested to trim the thistles towards the back half of the planting to avoid overgrowth that could possibly shade the trees. The long grass between the planted trees was to be encouraged as it helped with moisture retention. The Scouts had worked hard in creating a footpath at the rear of the Wood from wood chippings. It was **Resolved** to arrange to trim the thistles (proposed Cllr Poolford/seconded Cllr Teare).

23/160 Gatehouse Lake – The Angling Club had secured funding from the EA Fisheries Improvement Fund for Phase 2 of its Peg Renewal Programme. Phase 2 was to be completed by the end of the year. The Club had requested support from the Council for Phase 3 of the Peg Renewal Programme, proposing the Club provide the labour, with the Council funding materials. It was **Resolved** to fund the cost of the materials in 2023-24, subject to receipt of an acceptable costed proposal from the Club (proposed Cllr Poolford/seconded Cllr Mrs Simpson).

23/161 Parking near St Peter's Church – The Church was to be informed of East Riding of Yorkshire Council's Property and Commercial Law Manager's confirmation of the ownership of the land proposed for car parking. Permission to alter the land was required from East Riding of Yorkshire Council for Area A and consent from the Secretary of State for Area B (Common Land).

It was **Resolved** that the Parish Council continued to fund the cutting of the grassed areas known as Hutton Green until the end of the current Contract and then review the position (proposed Cllr Teare/seconded Cllr Thompson).

23/162 Communication – **Resolved** to include in each edition of The Bulletin information on the Top Three Topics covered from the Parish Council. Topics for the July Edition would be (a) East Riding Local Plan, (b) Footways and (c) the Play Area (proposed Cllr Thompson/seconded Cllr Kelly).

23/163 Play Area – Playscheme had suggested a solution to repair the basket swing. It was Resolved to obtain written confirmation from Playscheme and seek comments on the proposal from the inspector who carried out the annual inspection of the play area (proposed Cllr Teare/seconded Cllr Thompson).

Some graffiti had appeared on some of the play equipment, which was to be removed. This anti-social behaviour was not to be tolerated. The Police had been informed.

23/164 Trees on the Green – An assessment of the trees on The Green was to be considered at a future meeting.

23/165 Cardiopulmonary Resuscitation (CPR) Training – The Council was organising three training sessions on the use of a defibrillator, with anyone interested to contact Cllr Sibley-Calder at sibcald@aol.com.

23/166 Proposed new footpath/cycle way from Cranswick to SRA – Deferred to the July, 2023 meeting.

23/167 Parish Paths – The poor condition of footpaths No.2 (commencing from Howl Lane) and No.15 (commences south side of Cranswick Green) were to be reported to East Riding of Yorkshire Council.

23/168 Condition of Roads and Footways – The poor condition of the footways on the A164 at Cranswick and Londesborough Road were to be reported to East Riding of Yorkshire Council.

23/169 Community Speed Watch Group – Deferred to the July, 2023 meeting.

23/170 Garden and Farming allotments – Cllr Poolford reported that tidying up of the shared areas and vacant plots at the garden allotments was almost complete. A further reminder was to be sent to those tenants that still had to tidy up their plot(s). £12.00 had been spent on replacement tap washers and hose clips to repair water leaks.

The Council's Agent was to be requested to review and provide an annual report on the two farming allotments.

23/171 Payments – £1,572.35

Yorkshire in Bloom judging takes place

Yorkshire in Bloom judging took place on Tuesday 4th July, with a full day of touring around the entire village and visits to the School and the various businesses which had entered their specific categories.

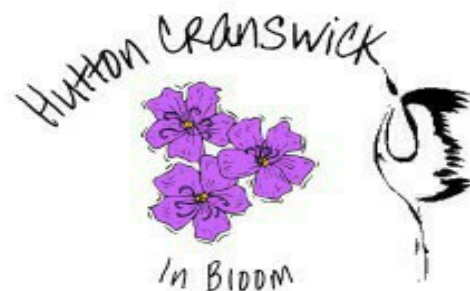

Heather Teare and Gina Simpson drove around with the Judges Sheila Johnson from Scarborough and David Ellis from Hull. Starting at SRA, and en route they met up with various volunteers at strategic points.

The Gardening Club at the School gave the visitors a very enthusiastic welcome. They spent a whole hour in the grounds admiring the gardens, the pond, woodland and outside play area. Continuing via SPAR, The White Horse, James the Butcher and the pond and Green area, some considerable time was spent at the Station highlighting the work which had recently been carried out by volunteers from Hymer's College, and viewing the newly covered blue slate beds.

A light lunch was organised at the SRA Clubhouse. From the Judges' remarks they were very pleased with their visit. A comprehensive write-up has been sent to Driffild & Wolds together with photographs (which include Crawford the Cranswick crane) in his full glory on Hutton Green.

Additionally a delightful selection of photographs taken around the village on judging day has been put on the Community Facebook page by one of our volunteers.

Many thanks to all behind the scenes who helped organise various aspects of the visit, from grass cutting of Parish areas to a donation of bog plants from Tophill Low, and we would particularly like to thank the School and the representatives of all businesses who took the time to make an effort to make the Judges feel welcome.

The Awards Presentation has now been announced as taking place in Tadcaster on September 28th – more details to follow when known.

The work around the village continues. We are always looking for new people to join in helping maintain the various displays, containers and other areas in the village. We are particularly keen to recruit someone who would like to look after the War Memorial. It is a very special place and the planting allows an opportunity to reflect on and remember the service given. The Village in Bloom is able to pay for plants and other materials required.

LOCAL PLAN UPDATE

Significant changes are being proposed within the East Riding Local Plan Update for Hutton Cranswick. The sought for amendments by East Riding Council concern Policy CRA-f – Land South of Hobman Lane. Here is a map of the affected area and the changes proposed.

Amend the extent of CRA-F

- a) the map shows a change in size and shape of the allocated area. The size goes from 4.53Ha to 6.59 Ha.
- b) the number of houses to be built is to be increased from 124 to 130.
- c) a proposal for additional landscaping to the southern boundary
- d) proposal to reconfigure the junction between Hobman Lane and A164
- e) ensure that the impacts on residential amenity of the adjacent grain dryers and other lawful operations taking place on the site to the south are fully assessed and adequately addressed in the design and layout of the development with appropriate mitigation where required and
- f) incorporate the Public Rights of Way that cross the site
- g) implement the recommendations set out in the Heritage Impact Assessment to avoid or minimise harm to the significance of heritage assets and other settings

The Public Inquiry starts on 31st October 2023. An Examination Matters document which sets out matters, issues, and questions on the submitted East Riding Local Plan Update has been published by the inquiry. It also details how to respond to the proposed changes. Responses are to be submitted by Friday August 25.

Hutton Cranswick is covered under Matter 13, which covers the allocation in Rural Service Centres.

The Parish Council planned to discuss the Local Plan Update at the Parish Council meeting in July.

Russ Thompson – Parish Council Chairman writes

The parish council now has an agenda item to bring you three 'hot topics' per month so any feedback would be appreciated and any requests on progress on any other aspects of the community would always be welcome.

East Riding Local Plan

East Riding of Yorkshire Council is in the late stages of finalising its local plan so why does it matter to us?

The two main issues are new housing developments and provision of services which are being planned in Hutton Cranswick and we want as many people as possible in the community to be aware of them. ERYC has a housing quota to meet and as such, so does Hutton Cranswick. The general view of the Parish Council is that whilst we can't stop houses being built we can influence how many and what type, with enough community support. There are several locations in the village which are proposed, some a lot larger than others and they are very real applications which will come to pass. The Parish Council does have a voice within ERYC and can influence the applications, but we need support from as many people as possible. That support can simply be coming to the PC meeting that takes place once per month and putting across your point of view so we can build up a better picture of what the community wants both in terms of houses and services.

If we object to something or make a suggestion for change and we have 100 names to put to it, ERYC takes more notice than if we as a PC simply object or ask for a change with the 13 current council members.

We know people have busy daily lives, we just ask that if you care about the community you live in, give 15 minutes once in a month to get your point across and we can better represent the will of our community.

Play Area

Two years ago, the community spent around £50,000 on the playpark modernising it as it is a very well used facility in the village and requires a constant upkeep. We carry out monthly inspections to try to keep on top of any issues cropping up. Recently the park has been subject to graffiti and some of the things written are pretty shocking to read, especially if any young children look at them. Please keep an eye out and if you hear or see of anything happening please just report it to the clerk or myself as soon as possible. We are all volunteers and it took two years of hard work to get the park refurbished and extended. It is sad to see this great asset of our community being spoilt like this. If anyone has any suggestions about new equipment in the future for the park, they are also welcome. We can't always act on them straight away, but it is useful to have things to consider when we do.

Footways

Our countryside footways used to be managed by the Parish Council and whilst we try to keep an eye on them, the money we used to be given by ERYC was taken back and kept by ERYC who now look after the footways in house. They do carry out some maintenance but rely more on issues being reported to them. Please can we ask, if anyone is walking any of our beautiful footpaths and sees one in a bad condition, pop on your phone and look at the ERYC website <https://www.eastriding.gov.uk/leisure/countryside-and-walks/public-rights-of-way/maintenance-of-public-rights-of-way/> and report any issues you find such as overgrown paths or poor path condition (very muddy etc).

The next council meeting is on Wednesday 27 September starting at 7.00pm. The meeting will be in the WI Hall. Details will be published on the village notice boards and website at least 3 days in advance of the meeting.

The meeting is open to the public and early in the agenda, the public and councillors may ask questions or make statements (limited to 3 minutes per person). For further information please contact the Parish Clerk.

Allotments: These are situated on Beverley Road. To rent an allotment of approximately 1/10th of an acre for £15 each year, then please fill in an application form and send it to the Parish Clerk. An application form is available on the council's website. When a plot becomes available you will be contacted. Thank you.

Update on stabilising Rotsea Drain

In Autumn 2022, the Environment Agency received planning permission from East Riding of Yorkshire Council to commence work to stabilise the banks of Rotsea Drain. Since the last update issued in April 2023, the contractor, BAM Nuttall, has completed the following works:

- Installation of all sheet piles both upstream and downstream of the new concrete culvert
- Installation of all new culvert sections into the bed of the drain (on the alignment of the previous bridge)
- Installation of structural support beams to the new sheet piled walls
- Reinstatement of ground behind the sheet piles
- Removal of the crane pad

Further Works in 2023

From July 2023, the project will shift to its final phase. The supporting horizontal braces connecting both sides of the sheet piled walls will be installed in July. Following this, the dam and overpumping will be removed which will return the natural flow of Rotsea Drain through the structure. The construction work will conclude with the reinstatement of the highway, completion of landscaping and the demobilisation of the compound.

Due to a delay in receiving the culvert

sections, and a couple of defects that had to be addressed by the supplier, they are approximately two weeks behind their original programme. They are currently working towards a completion date for all substantive construction works of September 2023.

Ongoing Communication

Whilst carrying out this work, the Environment Agency has consulted with landowners, residents and other stakeholders impacted by it to minimise the disruption the project has caused. They would like to express their gratitude towards those who

have supported and indeed aided the project to date. Undertaking a scheme of this complexity with the potential for disruption, without the support of the local community, would have been incredibly difficult.

If you would like to receive further information about the project or ask any questions, you can email rotsea-drain@environment-agency.gov.uk. Or you can call the National Customer Contact Centre on 03708 506 506. Remember to ask to speak to the project manager for Rotsea Drain Stabilisation.

Station Road Level Crossing, Hutton Cranswick

An Order, the effect of which will be to prohibit any vehicle from proceeding over Station Road Level Crossing, Hutton Cranswick and 20 metres either side of the crossing for the purpose of "LC uplift for rail inspection" work commencing on the following:

3rd September 2023 @ 22:55 hours until 4th September 2023 @ 05:30 hours

4th September 2023 @ 22:55 hours until 5th September 2023 @ 05:30 hours

The road closure is necessary to enable the works to be carried out in a manner consistent with ensuring the safety of the public.

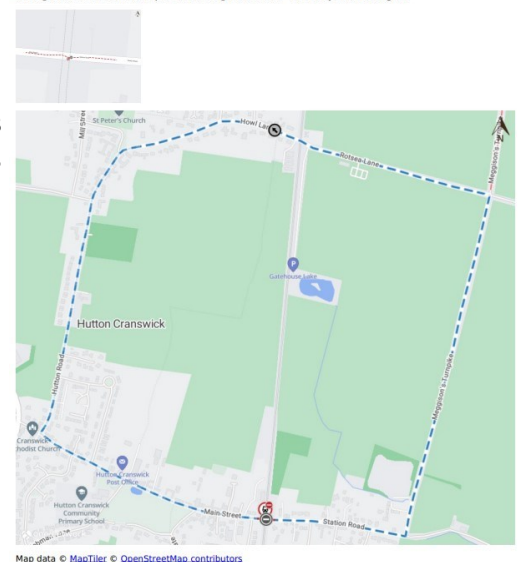

The alternative route for traffic affected by the road closure will be via: Station Road, Meggisons Turnpike, Rotsea Lane, Howl Lane, Church Street, Hutton Road, Main Street, Hutton Cranswick CP, East Wolds and Coastal Ward

The diversion route will be signed at the time of closure.

The road will be closed to all traffic and pedestrians, but access will be maintained for emergency services. Further information can be obtained by contacting the Council on 01482 393939/PE and asking for Highways Customer Care

Dated this 8th August 2023.

Hutton Cranswick Bowls Club members and friends celebrated their mid-season with a BBQ, fun time rollup and the launch of their new club strip at the clubhouse on Saturday 1st July.

The new sportswear, in the Bowls Club colours of blue and yellow was designed and produced for the club by Bowlsweat of York.

The club also presented trophies to the indoor competition winners, before enjoying their BBQ food.

The club is active in all of the outdoor leagues locally. The club also organises regular roll up sessions on Sundays and Friday afternoons.

were available for tasting and a number of cheeses, grapes and biscuits served in little containers went down very well with members. There was plenty of homemade cake available for dessert.

Eleanor from the Rainbow Tree Pottery fetched the, now glazed, painted pottery from the last meeting and everything looked really professional. There was of course the raffle and plenty of prizes for winners.

There is no meeting in August, but WI members will be having an afternoon tea at the garden centre on the 12th August.

The next meeting therefore is 12th September when Sue of the Botany Boutique in Hornsea will be doing a House Plant Workshop. Potential new members are welcome to join us of course.

Good Afternoon

The amount of cars parked on Main St has increased considerably since myself and my family moved into the village over 20 years ago. A lot of people on Main Street have no drives and have to park on the road. However It is apparent that a number of cars belong to properties with off road provision.

Could I respectfully ask that if you have a drive that it is utilised – then the rest of us that do not have any access to off road parking/drives have more of a chance to get parked near our property, especially when we have goods to unload. This would help tremendously and would be greatly appreciated.

With thanks in advance

It's been a busy end to the summer term for all of us. All three sections (Beavers, Cubs, Scouts) have worked on their cycle maintenance badge, before heading out on a bike ride. Scouts have been working hard within our community, by helping lay a path of woodchip round the Jubilee Canopy at the SRA, and also making some new bird and bat boxes to go up at Centenary Wood in the near future. Beavers and Cubs have been hiking and walked from Cranswick to Watton, or the other way round, and some did both ways!

The whole group have been away for a night camping on the moors at Goathland, spending time hiking, paddling in rivers, walking under waterfalls, crafting, visiting Whitby via a steam train on the NYMR, campfire singing and making fun memories.

For places after the holidays or to join our waiting list get in touch on cranswickscouts@gmail.com. Beavers is for 6-8 year olds, Cubs 8-10.5 year olds and Scouts 10.5-14 year olds; all sections are open to both boys and girls.

We believe in bringing people together to
enjoy fun, friendship and adventure in a
place they can belong.

The Forgham Memorial Award 2023

Thank you to the pupils of Hutton Cranswick School for taking time to produce artwork for the front covers of The Bulletin. The collage picture shows the seven children who received photo plaques and a gift voucher for their selected work. Certificates were presented to everyone who created a design.

The Bulletin Team also wish to thank Mrs Burkinshaw and the staff for their ongoing support for this annual award, which adds so much interest and variety to The Bulletin.

News from Hutton Cranswick Sports and Recreation Association

Come and Play Cricket!

Hutton Cranswick Cricket Club is looking for new players for both their weekend and evening teams.

Anyone aged 18+ is very welcome to get in touch. Please note that unfortunately we have no junior section at present.

If you are interested in playing, or helping out with coaching, umpiring or scoring, please contact:

1st XI Captain Jake Hatfield (07712 165665)

Evening XI Captain Luke Matschke (07730 045941)

or email huttoncranswickcc@hotmail.co.uk

SRA Events Diary

Social media isn't the only place to find information on the Web. Don't forget the Hutton Cranswick website, where you can look up what's happening at the SRA. If you want to see if the hall is free or what is happening generally, please log on to

<https://www.huttoncranswick.com/events/category/sra-events/>

Booking the SRA Hall

The SRA Hall is a great venue for birthday parties and other celebrations. There are reduced rates for Hutton Cranswick residents and a staffed bar may be available. For further details, please go to the hall booking information page on the Hutton Cranswick website: <https://www.huttoncranswick.com/sports-recreation-association/sra-hall-booking/>.

Axe Throwing

A new sport is starting at the SRA in August – axe throwing! This is like archery, but with axes, throwing towards a target and seeing how close you get. The activity starts in August: Saturday 19th, Sunday 20th, Saturday 26th and Sunday 27th. If you would like more details, please email eastyorkshireaxethrowing@gmail.com.

Kitchen Extension

Joel Kelly has been doing a wonderful job extending the current SRA kitchen. This will give us a much bigger working area and allow access to the kitchen for sports teams without disturbing

any activity in the main hall. The refurbishment wasn't complete at the time of going to press (see photo), but it will look great when it's finished.

Contacting the SRA

If you would like to become a friend of the SRA, give us your thoughts on the proposed new hall, sign up for Quiz Night, book the hall or just have a general enquiry, please e-mail huttoncranswicksra@outlook.com or contact the Secretary on 07871 151064.
