The Bulletin

September 2023

Welcome to the September issue of The Bulletin.

There are a lot of fund-raising events planned for the next few months. These are listed in Dates for Your Diary on Page 4.

There is a short report on the Village Show (page 18) and we plan to include more photos in the October issue. The parrots are with us here. If you have any photos or comments on the show then please let us know by emailing us on the address below. Thank you.

There are vacant plots on the Parish council allotments on Beverley Road. We are very fortunate to have parish land available to use for allotments. There is some great advice in this article from Garden Organics (<https://wickedleeks.riverford.co.uk/lifestyle/how-to-grow-an-allotment-and-not-give-up/>). If you are interested in having a plot then details are on page 19 of this issue.

We have just received information on the D Day 80th celebration event planned for June 6, 2024. Here is an opportunity for us to look at details of what turned out to be the largest naval, air and land operation in history.

The Parish Council has indicated its wish to be involved in the Primary School's 150th celebration.

Lynn Hall has now stepped down from her role on The Bulletin. She was the person who organised us and kept us on the right track. She is going to be missed and I would like to thank her for all her support and wise words during my five-year apprenticeship. Thank you Lynn.

The Church Council reaches a sad decision on the fate
of an important tree in the Church Yard.

It is impossible not to notice the impressive tree that is sited just inside the gates at the main entrance to St Peter's Church. The tree is thought to be between 250 and 300 years old and has really become part of the landscape. It will certainly feature in many people's Wedding and Christening photographs.

As you may have seen, the wonderful Sycamore tree has been in obvious decline over the last 5 or 6 years, with more and more of the canopy dying back and small branches and pieces of bark falling off. Remedial work was done on the tree, about 4 years ago when several dead branches were removed. Despite this, the decline has continued, and we now know why, following the visitations of several Arborists.

The tree has a fungal infection called "Sooty Bark Disease", which unfortunately cannot be cured, and the tree is failing rapidly. The experts advise us that the tree is unsafe as dead branches could fall, not only on people visiting the Church, but on the Public Footpath that runs through the Church yard. If left as it is there is also a potential risk that the whole tree could fall.

This tree has such character that we really do not want to lose it. It has grown so big that it has hidden within it a gravestone thought to belong to someone named Baron, who lived in Hutton. The Church Council has therefore reached the difficult decision to ask a tree surgeon to reduce the tree to a monolith standing 5-6 metres high, thereby preserving the majority of the wood, not disrupting the grave and making the Church and Churchyard a safe space. Please understand that this is a reluctant compromise!

This is a short account of how the churches in Hutton Cranswick are working together to share stories from the bible with the younger generations.

One thing in which our churches have been involved is a project called 'Open the Book.' This is a nationwide initiative in our primary schools. It involves teams of adults visiting a school once a week during assembly time to bring the bible stories alive in costume, through drama. Historically, this can involve every denomination of the church, as people from different backgrounds join together and contribute their special gifts.

The children respond with excitement and anticipation,

especially when they are called to be involved, which happens very often! They love the way the stories come to life. Bob Hartman, who himself is a gifted storyteller brings his own unique perspective to these stories. For example, at the very beginning in the creation story come the words, "Then Adam and Eve smile," - THE WORLD'S VERY FIRST SMILE! There is usually a song, often accompanied by actions, which although the older children pretend to disdain, are usually joining in with by the end.

Schools that the Open The Book team have visited have included: Sledmere, Wetwang, Garton, Nafferton, Leven and of course our own Hutton Cranswick. Currently the team are working in Lockington and Beswick schools.

St Peter's Churchyard – A Community Green Space

Many people walk through the churchyard every day, either as a shortcut, to exercise their dogs or to remember loved ones in their special place. I have been looking with interest recently at some of the memorials and wondering about the stories of the people and their families. One person who knows a lot about this space is Myrtle Thompson, who has been going to St Peter's church for 70 years and keeps all the records of the

churchyard up to date, among many other things.

Lots of people help with the maintenance of this area, cutting the grass, strimming and weeding etc. Many others quietly do jobs such as tidying up and planting bulbs and it would be lovely to find out who you all are – to meet you and thank you in person.

Many of you will know about the people buried in the graveyard and may have researched your family tree to find out who you are related to. We are planning an open afternoon in October for people to come and look at the

plan of the graveyard, to find out information and to tell us what they know about the people buried there. It is reputed that one lady in our village is related to over 150 people in the churchyard! We would love to meet her and everyone who is interested in this space.

In addition we are looking at making the grounds a more eco-friendly area and we would love to hear your ideas. Young people are especially 'clued up' on this so please bring your children along. We will provide refreshments.

Watch this space for the details in October's edition – and Facebook and community noticeboards!

A Diary Extract from 24th August 79AD

Dear Diary,

I woke up bright and early this morning. It was very sunny and birds were tweeting. All of a sudden the ground started to shake and there were rocks falling from the sky. My father said it was an earthquake because Vulcan was angry he said. It started to get worse and the sky was filled with fog. At night there was fire everywhere and buildings were falling. I was getting petrified and really worried. Fire was all around me, the buildings were still falling and Vulcan was very angry.

Book Club

Well, only 7 members turned up for our meeting on the 25th July...due to the wet weather and holidays. The book we discussed was The Keeper of Stories by Sally Page. An interesting story about a cleaning lady who works for many people and so hears their stories until one day she confides in one of her 'clients' about her story.....this ultimately changes her life. We scored the book 8 out of 10.

The book for discussion at the meeting on September 26 is The Snow Child by Eowyn Ivey.

Come and join us...you will be most welcome.

Minutes of the Meeting of the Parish Council, held on the 26th July, 2023.

The meeting was held at the WI Hall, Main Street, Cranswick and commenced at 7.00 pm.

Present: Councillors: Alderton, Bucknall, Holtby, Jones, Kelly, Poolford, Richardson, Sibley-Calder, Swan, Teare, Thompson (in the Chair). Ward Councillor: Dewhirst. Parishioner: One. The Clerk recorded the minutes.

23/175 Apologies: Councillors: Ingham, Mrs Simpson.

23/176 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Poolford - Item 7(b) Minute 23/180(b) - Pecuniary – Allotment Tenant.

23/177 Minutes – Resolved – That the minutes of the meeting of the Council held on the 28th June, 2023, be approved and signed as a correct record (proposed Cllr Alderton/seconded Cllr Poolford).

23/178 Financial Monitoring: -

(a) 2023-24 Budget – Month 4 position was noted.

(b) The Bank Reconciliation at July, 2023 was £114,171.21.

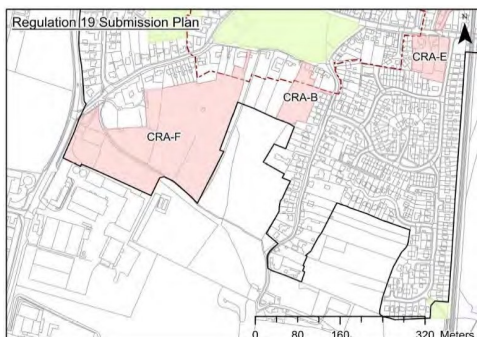

23/179 East Riding of Yorkshire Local Plan - Cllr Teare had circulated documents issued by the planning inspector in advance of the public inquiry. The inspector had asked two questions regarding Hutton Cranswick:

a) What key factors determined the selection of new housing allocation CRA-F over the other site options in Hutton Cranswick? What is the nature of the deliverability issue at CRA-C?

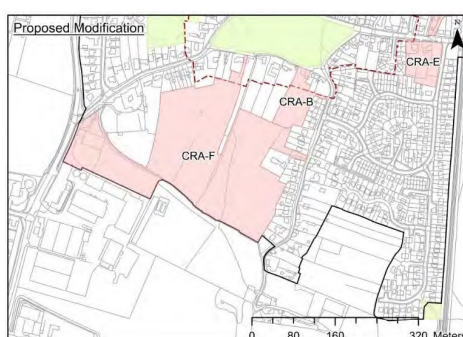

b) What was the reason for the proposed increase of the site area and capacity of CRA-F and is it necessary for soundness?

East Riding of Yorkshire Council had amended its original submission relating to CRA-F; increasing the size by 2.06 hectares (from 4.53ha to 6.59ha); and the capacity of the housing allocation by 6 (from 124 to 130).

Original

Amended

It was **Resolved** (proposed Cllr Thompson/seconded Cllr Teare) to submit a written statement to the Inquiry Programme Officer (ian@localplanservices.co.uk) regards CRA-F: -

East Riding Local Plan Update – Examination – Matters, Issues and Questions

Matter 13 – Allocations in Rural Service Centres and Primary Villages - Rural Service Centres – CRA-F

Hutton Cranswick Parish Council request the Inquiry is fully satisfied that:

The development has systems for surface water drainage and sewage, that fully comply with the highest of industry standards. Currently, in periods of heavy rainfall, Southgate suffers severe flooding (surface water and raw sewage). Residents fear the development will make the matter much worse if proper robust systems are not in place. The opportunity to reduce flooding is paramount should the development proceed.

With regards vehicular access to and from the development; (a) it does not compromise the existing safe route from Hobman Lane to the A164 and (b) a danger is not created in allowing a new vehicle access at Southgate. Southgate is a no-through narrow road and unsuitable for access to the development site.

The make up of the development is suitable for the needs of the Village. A range of smaller bungalows and affordable starter homes.

23/180 Garden Allotments – (a) an advert inviting new tenants would be placed in the Driffield and Wolds Weekly (proposed Cllr Sibley-Calder/seconded Cllr Thompson).

(b) The allotment application form, tenancy agreement, letter to tenants and rent charged were reviewed. It was **Resolved** to accept the documents, as presented, and set the annual rent at £15.00 per plot (proposed Cllr Richardson /seconded Cllr Thompson).

23/181 Planning Matters – The following decisions were noted:

The gate code was to be given to a member of the SRA Committee only (proposed Cllr Poolford/seconded Cllr Richardson).

(c) Pond – The resin animals and birds had been hidden on the island for the Summer. Cllr Sibley-Calder was to contact the Environment Agency regards re-stocking the pond with fish.

(d) Village Show – Councillor Teare reported that in 2018, the Village Show aimed to be self-financing and bring the community together, to experience activities aimed at a wide range of different people. So far, the Show has improved year-on-year and given rise to a successful craft and produce market held each month, between April and November. This year there had to be last minute changes to the arrangements, due to the atrocious weather, but despite these significant challenges the Show was a success and extremely well attended.

A financial statement for the 2023 Show would be available at the next parish council meeting.

It was recognised the Village Show was now an established annual event with a comprehensive Event Management Plan in place for its safe running, which was reviewed each year. It was **Resolved** to grant permission for appropriate parking of vehicles on The Green for all future shows (proposed Cllr Sibley-Calder/seconded Cllr Thompson).

The Chairman congratulated the Committee in overcoming the challenges of the recent bad weather in putting on a well organised and successful Show.

23/185 Sunderlandwick PV Farm – Elgin Energy had confirmed the Community Benefit Fund for the village was £70,000.00. However, release of the grant was subject to permission to connect to the National Grid, which could be several years away.

23/186 Business Modernisation – Resolved – (a) To set up a huttoncranswickpc.gov.uk email account (proposed Cllr Thompson/seconded Cllr Swan) and (b) To make a budget provision of £2000.00 for the Council's computer systems (proposed Cllr Teare/seconded Cllr Poolford).

23/187 Gatehouse Lake – The Angling Club had provided a costed proposal in support of its request for a grant to part fund Phase 3 of the Fishing Peg Renewal Programme (3 pegs). It was **Resolved** to accept the proposal and to place orders for the cost of plant and materials required for Phase 3 (proposed Cllr Poolford/seconded Cllr Jones).

23/188 East Riding of Yorkshire Council's Community Governance Review – The Council was to consider the review as part of the second round of consultation at its September, 2023 Meeting.

23/195 Community Safety – Defibrillator Campaign: The British Heart Foundation, in partnership with the Resuscitation Council UK, the Association of Ambulance Chief Executives and the National Health Service, had set up The Circuit: the national defibrillator network database, which provided information on where defibrillators were located. The Circuit was live in all ambulance services across the UK. Registering a defibrillator with The Circuit enabled emergency services, including first responders, to locate the nearest publicly accessible external defibrillator when treating someone suffering a sudden cardiac arrest. The Council's defibrillators were registered with The Circuit. Cllr Sibley-Calder reported that the school had recently received a defibrillator as part of a government roll-out programme.

HUTTON CRANSWICK

7th VILLAGE SHOW

Village Green Saturday 22nd July

12noon to 4pm

With over 400 entries into the show exhibition – a 20% increase on last year – all effort was made to ensure the Hutton Cranswick 7th Village show happened despite the wet weather forecast.

The regular craft and produce market, with over 20 stalls, went into its own marquee. The exhibition tent had its own new base and with help from Driffeld Show display boards managed to house the additional entries.

Yorkshire Wolds Community Choir opened the show with their excellent repertoire. Hutton Cranswick Art group staged their own exhibition - they are holding their next exhibition in the Methodist Hall in October.

Buckrose Concert Band provided musical entertainment in the café area. They are due back in Hutton Cranswick on September 23rd with the Last Night of The Proms Concert at Foreman's Showroom.

The Dog Show, sponsored by Fields of Paws dog walking field, had a new Champion of Champion Trophy won by village newcomer Rosco.

The only casualty for the show from the rain was the intervillage Tug of War competition.

New this time round was the St John's Ambulance roadshow. They hosted free first aid demonstrations, an opportunity to look around the vehicles and displays and learn how to save lives. For more information about what St John Ambulance does and how to volunteer, visit

www.sja.org.uk

Thanks to UK Bars, our local village-based company for the marquee and all the equipment, K Com for the signage and Rich and Kelly Wilkinson for the loan of the 40 bails.

Also new this time was sticks of Hutton Cranswick rock – decorated in village colours - it is available to buy at the Craft and Produce Market which will takes place on the fourth Saturday each month at Foreman's Car Showroom.

Thank you to all who ventured out in the damp weather. See you all at the next market.

theWI INSPIRING WOMEN

There was of course no WI meeting in August but that doesn't mean we weren't active. There were two stalls at the Village Show (tombola and cake stalls) as well as a Cake stall at the Craft and Produce Market, the Pig Bingo and a lovely afternoon tea at the Stove cafe bistro in the Cranswick Garden Centre.

September starts with a meeting on the 12th when Sue from Botany Boutique in Hornsea will be doing a houseplant workshop. On the 16th is the ever popular Pig Bingo and on the 23rd our cake stall at the Craft and Produce Market.

Do come along to any of the events...you will be very welcome. If you want to talk to someone about joining the WI there is always someone happy to help at any event.

Have you the space to help us out please?

Elsewhere in this month's Bulletin, a poster notifies readers of the model railway event taking place at Foreman's on October 7th.

Primarily, this is an occasion to erect and showcase a large model of Nafferton, with added supporting cast.

The large-scale model, impressively built by Bampton resident Marcus Woodcock over the last ten years, is now stored in sections here in Hutton Cranswick, and is due to appear at various exhibitions in 2024, starting with the large Easter Show at York Racecourse.

Aside from Janet Foreman's generosity, we really need to find somewhere else locally to erect the layout for test and maintenance for up to a week at a time. Space required is 32 x 16 feet - so it will require an outbuilding or large garage to do the job. If anyone can help, please phone 01377 270565 or email yorkshire.wellies@btinternet.com.

Thank you

It's been another busy fun-packed term for Guiding in the village

Rainbows have completed a Bugs Challenge badge- which involved lots of bug themed games and crafts and a visit from the Beverley Bee-keepers which they thoroughly enjoyed – they even got to look the part!

One Rainbow has gained her Gold award – the highest achievement in Rainbows.

Brownies did the 'Eureka' challenge badge which was science based – part of this badge saw them making armpit fudge – great sticky fun! The girls also completed their Inventing badge too.

Three Brownies achieved their Gold awards, again the highest achievement award – it has been extra hard for these girls to complete this as they had to have some meetings on zoom at the start of their Brownie journey but they really committed to the challenge and we are so proud of them.

Guides had an active summer term with wide games in Centenary Wood, a trail mix hike, water night, rounders on the Green and some experimental baking. Guides have also achieved their Communicate and Camp skills builder badges this term.

All three units took part in our District funday at Guideacres campsite, with a Carnival theme – a truly memorable day of fun (and rain!) and the chance to meet other members of Girlguiding.

Guides took part in a two-night camp over the fun day weekend using the camping skills they learnt this term.

We have places available in Rainbows and Brownies – if you wish to register your daughter with a view to her joining, please visit www.girlguiding.org.uk. You can also contact us at hcrainbows@gmail.com if you require any further information.

Rainbows (ages 4-7) meet at Hutton Cranswick School Tues 4.45-5.45pm
Brownies (ages 7-10) meet at Hutton Cranswick School Tues 6pm to 7.15pm
Guides (ages 10-14) meet at Cranswick Methodist Hall Tues 7pm to 8.30pm

Annual General Meeting

If the heading above provokes a yawn, please repress it and read on!

The Annual General Meeting will be held in the Clubhouse on Friday 15th September. Everyone is welcome – you do not have to be a member of the SRA to attend. It's an important meeting because the association needs to elect its officers and review its constitution. The annual accounts are also presented and discussed. If you would like to have some input into the SRA and its future direction of travel, particularly perhaps the proposed new building, then do please come along.

If you would like to put yourself forward for a role on the Committee, please email huttoncranswicksra@outlook.com for a nomination form. You don't have to have a specific job such as Secretary, there is space for general committee members.

A big 'thank you' to Trish, Lesley and her team for running it so well and for so long. Nothing at all major will change about the event, so please do come along on Wednesday mornings. The first session is on Wednesday 6th September. (See advert on Page 8)
