November 2023

Welcome

David Wellington is to be congratulated on bringing an excellent model railway show to Hutton Cranswick in October. The event was well attended at Foreman's Showroom and raised over £1300 for the village show fund. It is hoped that the event can be repeated next year. If you missed the excellent Nafferton layout, then it will be in York at Easter next year.

This issue sees us on the countdown to Christmas. Friends of the School are organising a children's nearly new sale on November 17 (see the advert on page 18 for more detail). There is the full listing of all the known events in Dates for Your Diary on page 4. If you have an event planned then please let us know as soon as possible. Contact details below.

One of the challenges I set friends and colleagues this summer was to send me a photograph of a manhole cover in any of the places they are visiting. Well here are selection of this summer's harvest. Thanks to Clive, Catherine and Ivan for these from Greece, Spain and Japan.

Enjoy this issue.

Hello,
November, and the clocks have gone back, and winter is here. It seems to me that November is a month when the nation remembers; but who do they remember?

The month starts on the first day of November with All Saints' Day. A day when we remember the Saints of old. Perhaps the best place to begin is with our own patron saint, Saint George. King Edward 3rd chose St George as the country's patron saint as he was admired for his bravery in the face of terrible suffering. Other patron saints are St. Andrew, St Patrick and St David.

All Souls Day is celebrated on the second day of November and is a day for remembering and praying for our loved ones who have died. They may not be with us anymore, but their memories live on.

Then on the 11th day of the 11th month (November) at 11 o'clock in the morning the nation comes to a halt to remember the bravery and courage of all those who lost their lives in World War One (WW1) and World War Two (WW2), and in all subsequent wars. Remembrance Day has taken place since 1919, marking the end of WW1, with Armistice Day. Over a hundred years ago a war began that was the biggest the world had ever seen. Millions of soldiers had to go and fight for their country to keep their country and family safe. Many, many soldiers died. It is these soldiers we remember, as well as soldiers from other wars, WW2, Falklands, Iraq and

**"They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
We will remember them."**

many more. These men and women were not trained soldiers, but ordinary people, they were brothers and sisters, sons and daughters, fathers and mothers.

Why is Remembrance Day so important? It teaches us the significance of history and the importance of cherishing peace. It educates, inspires, and fosters a sense of gratitude, empathy, and respect for those who served and continue to serve. It's a 'thank you' to those who protect us, help us, and put others ahead of themselves.

So, as the nation remembers, who do you think about and remember? There are so many heroes, and all deserve mention; but for now, did you know that there were 626 Victoria Crosses awarded during WW1, and 181 awarded in WW2. Awards given for bravery and outstanding service. The most recent was awarded to Lance Corporal Joshua Leakey of the 1st Battalion of the Parachute Regiment following action in Afghanistan in 2013.

However, medals were not just awarded to human heroes, there are many animals too. Look at G I Joe, the carrier pigeon credited with making the most outstanding flight in WW2. By flying 20 miles in 20 minutes, he saved the lives of the people of Calvi Vecchia in Italy and the British troops of the 56th Infantry Division. The unit had been unable to transmit a message via radio to

call off a planned American air raid and G I Joe was dispatched as a last resort. His message arrived just in time to save the lives of at least 100 Allied Soldiers from being bombed.

And who can forget Warrior, the horse that was awarded the Dickin Medal in recognition of his bravery and service in WW1. A young horse thrust into the brutality of the First World War; who was dug out of the mud at Passchendaele; trapped under burning beams in his stable; who sustained several injuries, but who survived the gunfire during many charges at the enemy at the Battle of the Somme. Warrior was an inspiration to soldiers and an example of resilience and strength. Warrior arrived on the Western Front on 11th August 1914 and remained there throughout the war. He returned home in 1918 to freedom and lived to be 33 years old.

So let us stand together as we remember the courage and bravery of those who gave their lives and remember the Kohima epitaph 'When you go home, tell them of us, and say, "For your tomorrow, we gave our today."'

Take care, enjoy the month of November.

Love Trish

A friend I made when I was sixteen, recently died of cancer. When he was first diagnosed with a brain tumour he got in touch with me via Facebook. We had lost touch and not spoken for nearly forty years. It was good to see him again, reminisce about old times and rekindle our friendship over the next seven years. What would we change about our lives if we knew that we only had months to live? Some people start a bucket list of things they have always wanted to do but have never got around to doing them. To my knowledge Danny never made such a list. However, when I attended his funeral I realised that there were several other old friends around that he had lost touch with and had contacted again. Is there someone that you would like to get in touch with again?

Proverbs 18:24 says "Friends come and friends go, but a true friend sticks by you like a family".

Dear God,

Thank you for the gift of friendship and for those relationships that we treasure. Thank you that they have brought joy into our lives and have stood by us through difficult times. Help us to restore those friendships that have lapsed and heal those relationships that are broken.

In Jesus name Amen.

Pastor John.

To Door of the War

One sunny morning, Frankie was going to the woods. Frankie loved the war. He was pretending to be a soldier in the trenches, when all of a sudden a door appeared behind him. Frankie wondered what was in it so with a deep breath he stood forward and opened it, Quick as a dash he was gone. As soon as he left the door he heard gunshots around him. Then Frankie heard a voice "Quick get down, low on the ground." Said the voice "Who are you" added Frankie. "I am a soldier you are in World War 2 here put this gear on" replied the soldier. Frankie and the soldier walked on for a while. Then Frankie asked "What is your name?" He said "My name is William but call me Will for short, what's yours?" asked Will. "My name is Frankie please can I have a weapon?" said Frankie. "Okay here have this glock E but use the bullets wisely walk slowly he said. After an hour they saw their first enemy "quick get him dead shoot him!" said Will. BAMM! It was a long lasting explosion. "Nice shoot" ...

The Forbidden Door

Once, there was a girl called Bony and she loved horse riding. One day, she walked over to her horse Magic but, out of the corner of her eye she saw a tiny door and looked closer Whoosh, bang she and her horse were tiny. Bony and Magic were small enough to go through the door so that is what they did. Bony mounted Magic and through the door they went. It was very dark. The door took them to the forbidden forest from Harry Potter! They trotted on through the forest. Eventually, they saw some half horse men. Bony said "Hi how are you" The half horse men whispered for a minute or two. Then they said, "We aren't good Lord Voldemort is in the forest. He is sucking the blood out of the unicorns. Get out of here." Bony did what she was told. She cantered out of the forest. She came to Hagrids hut. Hagrid said "You are safe here Voldemort doesn't go any closer to dumbledore. Who is this fine looking horse." Bony said "This is Magic my horse." Hagrid sent Bony to Dumbledore's office. Bony went and Dumbledore explained "You are welcome here any time."

Bony and Magic went on a track on the school grounds and bumped into Harry, Ron and Hermione. Harry said "You must be Bony and Magic. Dumbledore told us lots about you." "Bye." "Bye."

James noticed a sword on the floor as he picked it up James felt as though there was a magnetic force pulling him towards it as he stepped in he was amazed at the sight. He was in a forest obsian purple trees glowed in the charcoal black night.

What a fantastic turnout for Yorkshire Wolds Community Choir's 12th Anniversary Concert and what a fabulous sum of money we raised for Driffield & Wolds Foodbank - £1240 to be precise.

I am so grateful to everyone who attended, to Janet Foreman for allowing us to use Foreman's Garage and to the choir members who have worked so hard to put on such an inspiring, uplifting & fun evening of entertainment.

My thoughts are already turning to our 13th Anniversary Concert which will be on Saturday 21st September when we will be raising funds for Dove House Hospice. So please

either pop that date in your diary with a view to coming along to support the event or why not come along to rehearsals and see if you enjoy singing with us?

Before then however, we will now be putting together an evening of Christmas Cheer for our annual Christmas Singing event at the White Horse on Monday 11th December starting at 7:30pm. This year we will be raising funds for Wolds Hedgehog Rescue so please dig out your Christmas jumpers and come and join us for a glass of mulled wine, a mince pie and lots of fun!

theWI INSPIRING WOMEN

Our meeting on 10th October was very well attended.

The President thanked everyone for coming and mentioned the committee meeting the week before...the main items were a Facebook page, list of members' birthdays, trustees for the hall

and the wheelchair ramp. Volunteers were requested for the next bingo sessions and cake stalls at the monthly market at Foreman's.

The President introduced Michelle and Alan who gave an amazing talk titled "a glimpse of Edwardian Life" based on information from the Hull Lady magazine that was first published in 1901. Unfortunately, the person giving the talk about Burton Constable Hall was poorly and unable to attend. While everyone was enjoying tea/coffee and cake, the President confirmed that the Facebook page was now up and running, gave a reminder of WI International events and that the trip to Harlow Carr was to be arranged for next spring. The suggestion box had been a success and people were encouraged to put ideas in. The Xmas event was discussed and a list left for people to sign if they wished to come.

Events in November:

Val's Craft evening 8th, Pig Bingo 11th,

Xmas Market 25th at Foreman's Showroom

Please do come along to any of our events, you would be more than welcome. Just approach any of our members at one of the events for more information.

23/201 Apologies: Councillors: Ingham, Poolford, Mrs Simpson.

23/202 Declaration of Pecuniary and Non-Pecuniary Interests: –

Cllr Bucknall – item 9(a) Minute 23/209(a) – Non-Pecuniary – Neighbour of Applicant.

23/203 Minutes – Resolved – That the minutes of the meeting of the Council held on the 26th July, 2023, be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Richardson).

23/204 Public Participation – The resident that made the request for the provision of a basketball post and net on The Green spoke in support of the proposal and clarified questions raised by councillors.

23/205 Financial Monitoring: -

2023-24 Budget – Months 5 and 6 positions were noted.

The Bank Reconciliation at August, 2023 was £112,076.79.

The Bank Reconciliation at September, 2023 was £108,751.31, which was verified and signed by Cllr Teare, being a member other than the Chairman and cheque signatory.

The Clerk had provided financial information to use as a basis for formulating the next 3-year budget. Draft budgets would be presented to the next meeting.

A claim of £1,250.41 to recover VAT incurred for the period 01/04/2023 to 30/09/2023 was noted.

An update of the Periodical Receipts Register was noted.

23/206 Community Governance Review – East Riding of Yorkshire Council was undertaking a community governance review of all parish areas. The review considered whether parish councils should be created, dissolved or altered (this could be in relation to the boundaries of a parish, the number of councillors on a parish council or the name of the parish). The draft recommendation for Hutton Cranswick Parish Council was to reduce the parish councillors from 13 down to 10. It was **Resolved** that, as a growing village with increasing activity and the potential of significant changes in the near future, the recommendation to reduce its number of councillors to 10 was not supported and the membership of the Council should remain at 13 parish councillors (proposed Cllr Richardson/seconded Cllr Sibley-Calder).

23/207 Annual Governance and Accountability Return (AGAR) for the year ending 31st March, 2023 – The external auditor had certified the Annual Return. Based on the review of Sections 1 and 2, the opinion of the auditor was that the information was in accordance with Proper Practices and no other matters had come to the auditor's attention giving cause for concern that relevant legislation and regulatory requirements had not been met. The Notice of audited accounts had been published on the 31st July, 2023. A timetable for the 2023-24 AGAR was noted.

The external auditor had emphasised a change within the Practitioners' Guide 2023 which was mandatory for the 2023/24 period. Paragraph 1.26 related to the requirements in relation to Assertion 3 and stated 'Email management - every authority should have an email account that belongs to the council and to which the council has access – this ideally would be a .gov.uk or .org.uk address, or could be an address linked to the council website.' In order to answer yes to Assertion 3 in the 2023/24 Annual Governance Statement, a local authority should ensure that it had an email address that complied with this requirement and if it does not already, it should do so urgently.

23/208 Planning Matters – The following decisions were noted:

LOVE IN A SHOEBOX

The Churches in Hutton Cranswick are once again collecting shoeboxes filled with goodies, organised by the Jacob's Well Charity in Beverley. These will go to children and young people who live in great poverty in countries of Africa and Eastern Europe.

If you are able to fill a box, we ask that you put a list of contents on the OUTSIDE of the box and whether it is suitable for a boy or a girl, with an approximate age. We ask for a £1 coin to help with transport costs, also on the OUTSIDE.

This year our cut-off date is Sunday 3 December. There will be a joint Churches service at St Peter's on that day at 10:45am, to which everyone is welcome. The boxes will be collected and blessed at the service before being forwarded to Jacob's Well.

The boxes may also be left at St Peter's Church (open during hours of daylight) or at 59 Beech View, YO25 9QQ, during the week 27 November to 3 December.

If you have any queries please tel 270474

This is a list of possible items that you may want to include in your Shoebox, but you could think of lots more:

Gloves	Notepad	Magnifier
Hat	Pencil case	Playing cards
Pants	Pencils	Ball
Socks	Rubber	Boiled sweets
Soap & Flannel	Sharpener	Small toy
Toothbrush &	Ruler	Doll
Toothpaste	Felt pens	

****We are also collecting warm clothing, bedding and especially footwear - strong boots and shoes of all sizes, to go to Ukraine, as they will be into a very harsh winter.**

Gatehouse Lake

Situated on the southern boundary of the SRA Playing Field is the Parish Council owned Gatehouse Lake. This excellent fishing pond and facilities is cared for by an angling club of some 50 members. The club works with the Parish Council to create and deliver a strategy for managing the Lake. There have been significant improvements to this facility over the last five years.

During the last year there have been improvements to six of the fishing pegs. Further work is planned for the other 12 pegs with funding from the Environment Agency.

The Club has an Oxygen meter and are monitoring O2 levels at various strategic points around the Lake. The UK suffered some extreme temperatures during last Summer and, initial monitoring indicated that O2 levels at the car park end of the Lake, near the disabled platform, were very low. An aerator had been manufactured and in conjunction with a newly purchased pump, the water had been aerated resulting in an immediate improvement being recorded in O2 levels.

You can walk around the lake and there is a hide for birdwatching.

Vacancy for a councillor

We currently have a vacancy for a councillor for the Hutton Cranswick parish and as one of the newest parish councillors I have been asked to write a few words about what you can expect if you apply.

Pretty much anyone over the age of 18 who lives or works within the parish is entitled to apply to be a councillor.

Whether you have an interest in a specific area of village life such as Village In Bloom or Gatehouse Lake or even if you would just like to be part of making decisions for the future of the village we welcome you.

During our monthly meetings we discuss anything from whether a litter bin should be re-positioned to the impact large infrastructure projects such as SEGL 2 would have on our local area. There is also an after meeting gathering in the White Horse if that is more persuasive!

If you would like to know more then contact our clerk Steve Sanderson or catch any of the other councillors when you see them out and about in the village.

LOVE FOOD, HATE WASTE

A Cookery Demonstration and Talk by Yorkshire Chef Nigel Brown

Saturday 18th November 18.00 St Peter's Church

No admission charge, no booking required

Yorkshire born and bred Nigel Brown has spent a lifetime in the hotel and catering industry, working at some of the UK's biggest and busiest hotels, running his own cookery schools, writing award-winning cookery books and appearing on various TV and radio shows. Recently he has been interviewed on Radio Humberside about cooking economically and has catered for a BBC Children in Need Charity Auction, where he produced 575 breakfasts, 1000 canapés and 675 lunches.

Nigel Brown has been promoting the Love Food Hate Waste campaign for the last 10 years, travelling nationwide to demonstrate quick and easy recipes using leftovers.

"As a chef and a Yorkshireman, the theme of 'Love Food Hate Waste' is naturally a way of life for me. Food is expensive, so the mere thought of throwing it in the bin fills me with horror. At my cookery school what we can't transform into another meal we recycle or compost it to reduce food waste. With just a little thought and imagination you can save up to £60.00 a month on your grocery bills."

In his presentation at St Peter's Church, Nigel will be focusing on how to produce a tasty, but economic Christmas dinner. Afterwards you will have the chance to taste some of the soup recipes he has put together especially for the event and to ask him any questions.

Come and find out how to put together a tasty but economic Christmas Dinner!

And taste one or two of Nigel's soup recipes!

Bring your friends – it's a fun and free event!

played against each other and parents. Beavers and Cubs have also gone back to basics this half term learning fire lighting and backwoods cooking skills. Using a fire steel we've taught this great life skill to everyone from 6 to 10! So far they've toasted marshmallows, cooked dough twists, made campfire cones, and made a hot drink. By the time you read this they will have hopefully worked up to more adventurous things such as pitta or

This half term Beavers and Cubs have been collecting and adulterating conkers for a good old fashioned game with them. They've tortilla pizzas.

Scouts have been brushing up on their map reading and navigation skills ready for planning some walks. They have also taken on the £7 challenge (it used to be £5, but with inflation its had to go up too!). Here they planned, shopped, prepared and cooked a meal for a group of around four.

Finally we'd like to say a big thank you to Premier Modular from Brandesburton Industrial Estate for a donation of folding tables. These will be used when we do camps and events away from the hall where we need portable robust tables

For places after half term or to join our waiting list get in touch on cranswickscouts@gmail.com. Beavers is for 6-8 year old, Cubs 8-10.5 year olds and Scouts 10.5-14 year olds: all sections are open to both boys and girls.

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Walk above Huggate—Shirley Doughty

This is one of my favourite walks. Park in the village car park. Head into the village walking past the Pub.

Take your first right down the lane. Carry on this lane until it becomes a tree lined farm road. After about a Km, you will see two footpath signs. Take the one on your left hand alongside the hedge until you come to a gate. Go through the gate heading right until you see the poetry bench. Sit and take in the views. With the valley in front of you, take the path to your left for about 2 Km. The path will rise.

Head alongside the hedge until you see a gate. Go through the gate. When you come to the road, take a left. Head onto the grass verge. You will see a footpath on your right and a farm on your left. Go along this footpath, keeping the farm on your left. This will bring you out onto a steep road.

Go back into the village. Coffee and cake at Rachel's Walnut Café or drinks for walkers at the pub. Total distance 5.8km / 3.6 miles under 2 hours.
