## Christmas 2023

There will be lots of seasonal events in the village to enjoy over the next few weeks. Highlights include:

St Peter's Christmas concert	page 17
Santa's Sleigh Ride	page 21
Burns' Night	page 21
Community Choir in the pub	page 25
Santa's Grotto at the SRA	page 26

For the full list of festivities turn to "Dates for Your Diary" on the next page.

### Planning developments

On 15<sup>th</sup> November the public hearing of East Yorkshire Council's local plan examined the proposed housing developments in the village. It was agreed that additional land could be released near to Hobman Lane, as shown on the map in September's Bulletin. It is understood that a new planning application has been submitted by the developers. There are still many issues to be addressed, and the Parish Council will be examining the new proposals.

### A new look for the Bulletin in 2024

The current size of the publication is 28 pages in A4 size in full colour. Not only does this make the cost of production expensive, but it also adds significant weight to the distribution by volunteers. Our current income unfortunately makes the A4 version unsustainable.

We have carried out a review of the way we publish the magazine following an increase in the cost of its production. The way forward, we believe, is to reduce the printing costs and the weight of the paper used by changing to an A5 format. Our overall aim is to still have a community-based publication, free to the reader, delivered in good time, and self-financing.

As usual we won't publish an edition in January. The new

format will therefore be published in February 2024. This picture gives an idea of what it will look like:

Over the next few weeks we will be contacting our advertisers to show them what we are planning.

The target date for contributions will move forward to the 10<sup>th</sup> of each month, which will allow us to get the magazine circulated in the village in good time for the following month.

**CHRISTMAS EMOTIONS**

What – if anything – do you *feel* about Christmas...?

**For most people living in our local community, Christmas is more or less unavoidable... Christmas is coming, ready or not...!**

For some of us, it's the high point of the year, a combination of annual traditions you always look forward to - a time to gather with family, unwrap presents around the tree, eat and drink a bit too much, perhaps sing a few Christmas carols, and fall asleep in front of the TV, while a Christmas movie comes to its inevitable (merry) conclusion.

**But there's another side to Christmas. For some of you reading this article, the prospect of another festive season fills you with dread, or at least a degree of anxiety. The expense puts a strain on even the most well-planned family budgets, and relatives who don't get on the rest of the year don't usually get on any better when they've had a glass or three of mulled wine...**

Then there are the people we miss, whose company we enjoyed at Christmases past, but are no longer here with us to share in the festivities. Christmas can be a bittersweet time for those of us who are recently bereaved, or even not so recently bereaved. The Christmas season brings back the pain and the sadness, somehow...

**When we look at the Christmas story in a superficial way, it's a happy one, and may seem a bit distant, even irrelevant, to many of us. A young couple have a baby, they're visited by members of the local farming community, and some rich guys turn up with expensive presents. What's not to like...?!**

But if we look a bit deeper into the story, it's actually a bit more complicated. The baby's dad knows that he isn't the father, the place of birth is far from ideal, and there are dark forces at play which see the baby – born of royal

ancestry - as a threat to their own power, and their control of the nation into which the baby Jesus is born...

**Christmas is rightly – for those who follow Jesus – a time of joy, and a time of wonder. But it's also a time to reflect on the shape of our own lives, as well as thinking about those who might be facing really tough challenges this Christmas, maybe don't have the luxury of looking forward at all. I can't help finding echoes of the first Christmas story in the disturbing events unfolding in the Middle East as I write, the same sense of threat and danger to innocent young lives which we see in St. Matthew's account of the nativity.**

Whatever you're going through this Christmas, and in the weeks running up to it, I hope that you'll find time to attend a service (or two!), whether at St. Peter's or Hutton Cranswick's Methodist Church. If you do, I can promise you a very warm welcome, maybe a mince pie or three, and also the chance to encounter a message which can still bring real peace for the present, and lasting hope for our future.

**That's what the good news of Christmas is designed to do.**

With my very best wishes for the festive season,

*Simon*

Lay Pastor John Gleaves

You may have noticed geese flying in a V formation over Hutton Cranswick recently. Some of them are arriving from Iceland and Greenland to spend the relatively warmer winter here. It is such a lovely sight to see, and also to hear as they honk to each other. Geese are large heavy birds, and migrating such long distances must be a huge effort. One of the reasons they honk as they fly is believed to be to encourage the lead goose who is having to put in more effort than all the others. When that goose gets tired, it falls back to allow a colleague to take over at the front, and they can then share the slip stream effect. It means they can all then travel far greater distances before landing.

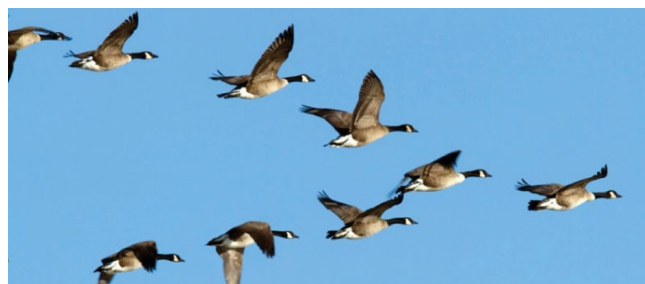

This is a wonderful example of how we can support one another in practical ways and with helpful words of encouragement. For some of us it can be hard to accept this kind of support. Allowing someone to be a blessing can be difficult if we are used to being self-reliant and doing things

our own way, or maybe you feel like you do not deserve their help? If that sounds like you, remember that when we allow others to be supportive it will make them feel valued in what they do as well as giving us a lift. Sometimes all it can take is making a phone call to ask how someone is doing (Honk Honk!).

The new testament book of Galatians gives us some helpful advice when it says "Carry one another's burdens and so fulfil the law of Christ." Galatians 6v2

*Dear Lord, we thank you for the practical support we can give to those we care about or we see are in need. Help us to persevere when we do not get the response we expected. Thank you for the support we have received from others, and for the blessing that has been to us. In Jesus name, Amen.*

Pastor John

## 2024 - plans

Following the village's success in the Yorkshire in Bloom competition this year we have been invited by the Royal Horticultural Society (RHS) to put the village forward for selection to the national competition for Britain in Bloom. The team decided to give it a go. The RHS chooses the entry to go forward to this more prestigious competition. We will let you know as soon as we know.

In the meantime, if you have any ideas about how we can improve our displays in the ground beds and containers around the village or there are areas where you feel we should be present - please let us know.

## Crocus bulbs

We have bought approximately 500 crocus bulbs from the Round Table to plant now for the spring. They are all purple. The money raised will go to the Round Table's charity - purple for polio - set up to eradicate polio worldwide. Please let Gina know if you would like some and where you would like to plant them around the village.

## Help always needed

If you can spare an hour or so a week, particularly in the summer to help with the maintenance of the ground beds and containers, please let either Gina Simpson or Heather Teare know. Help and advice will be given, as necessary, to start you off and guide you along the way.

For more information on Village in Bloom please contact:

Unfortunately our book club was only attended by four people on October 24th as many had forgotten we have brought it forward due to Halloween.

## Book Club

However we had a lively discussion about *Three Things about Elsie* by Joanna Cannon. It was a rather sad book about old age and a lady's look at the past but contained added surprising twists. The book scored 5.5 out of 10 (collected from all readers).

The book for the November 28th is *The Strange Adventures of H* by Sarah Burton. Having already read the book it will be interesting to hear others' views on it.

There was no book chosen for **December 26th** as it is Christmas but everyone was asked to read a book (or two) of their choice which we will discuss at the beginning of the year.

Please feel free to come along to our meet up....you will be very welcome.... 7.15 in the White Horse Inn.

## theWI INSPIRING WOMEN

The WI Committee met on the 7th November to ensure all was set for upcoming events and discuss funding and repairs etc to the hall.

On the 14th November we had a very amusing and informative talk from Yvonne and Julie (otherwise known as the Tickton Tarts). They showed us how to make soup, pate and palmiers. The evening was very much enjoyed, and the tasters went down well. The Tickton Tarts proved to be a very popular choice. The usual competition, raffle and refreshments finished off the evening.

Our Christmas party will be held on the 12th December and will include a buffet and some old time dancing. Members were asked to bring their own plates, glasses and cutlery and of course something for the buffet.

The Pig Bingo will be held on the 16th December, the following one on 27th January. The Christmas Market is at Foreman's on the 25th November and then the markets will stop until the next one on Saturday 27 April.

Anyone wishing to join us please do come along, you will be very welcome or look us up on Facebook.

Anyway wishing to hire the WI Hall please contact our caretaker Paul Sedman on 07814 272818.

May I also take this opportunity to wish everyone a very Happy Christmas and all the best for New Year.

**Present:** Councillors: Alderton, Bucknall, Jones, Kelly, Richardson, Sibley-Calder, Swan, Teare, Thompson (in the Chair).  
Parishioners: Two. KCOM representative: One. The Clerk recorded the minutes.

**23/233 Apologies:** Councillors: Ingham, Poolford, Mrs Simpson. Ward Councillor: Dewhurst.

#### **23/234 Declaration of Pecuniary and Non-Pecuniary Interests: –**

Cllr Alderton - Item 16 Minute 23/248 - Non-pecuniary – Bulletin Team Member.

Cllr Teare – Items 10(d) Minute 23/242(d) - Non-pecuniary –Village Show Committee Member.

Cllr Teare – Item 16 Minute 23/248 - Non-pecuniary – Bulletin Team Member.

**23/235 Minutes – Resolved** – That the minutes of the meeting of the Council held on the 27<sup>th</sup> September, 2023, be approved and signed as a correct record (proposed Cllr Richardson/seconded Cllr Thompson).

**23/236 Public Participation** – Mike Hardman referred to his e-mail to the Council, in particular to his comments on the strips of The Green outside Nos 1 to 3 The Green. Occupiers of the property, had on occasion, parked a vehicle on the driveway, this had resulted in complaints being received by the Parish Council. Mr Hardman had suggested that the parish council consider updating the ownership of the grass strips to reflect the changes in home ownership/ vehicle use which had occurred over the years. This would allow home owners to park on the driveway of their property and not have to park on Southgate which had a greater risk for users of the road. The appearance of The Green would not change.

Philip Shields, a member of The Bulletin team, spoke in support of changes to the current arrangements in producing The Bulletin. As the parish council now submits three topics for each edition, Mr Shields questioned the need to publish the parish council minutes, as the minutes were available on the Hutton Cranswick website.

Linzi Corrigan, Community Engagement Manager of KCOM Retail gave an update on programme of work being undertaken in the Village by KCOM. Linzi was keen to sponsor the Christmas tree/light switch on event and would discuss arrangements with Cllr Teare.

In summary, the proposal was to: -

## From the Parish Council

### The basket swing

As you may have noticed if you have been to the play park in Cranswick recently there is a gap where the basket swing used to be. Unfortunately one of the steel legs on the frame developed a crack which could not be safely repaired so the Parish Council regretfully had to take the decision to remove the whole piece of equipment. The Council now need to decide what to do with the space and would like your suggestions on what to replace the basket swing with. Would you like to have a similar basket swing? Or perhaps you have seen another piece of equipment at another play park that you feel would be a good fit? If you have any suggestions then please email the Clerk Steve Sanderson at [hpcouncil@gmail.com](mailto:hpcouncil@gmail.com).

### The council budget

Each year the Parish Council sets a budget for the forthcoming year and also for a 3 year period to help us plan for upcoming things within the community. We are really interested in people's thoughts and any ideas can be discussed at the council meeting.

For example, for the year (April 2024 to March 2025) the council plans to spend some of its budget in the following ways:

£5000 to the SRA  
£4000 to the Bulletin  
£1200 to Village in Bloom  
£1500 on Gatehouse Lake  
£1450 on Centenary Wood  
£3380 on Grass cutting  
£4870 on the Play Area  
£800 on pond maintenance

If you have any thoughts on how the council is spending your money, please email in to the clerk at [hpcouncil@gmail.com](mailto:hpcouncil@gmail.com) or come to one of the meetings where we have a public participation session and would be happy to hear from you.

### Protection of the Green

The council, throughout winter, consistently receives complaints about the edges of the village green being driven on and chewed up. We have also more recently had reports of some drivers actually driving on the green when they cannot get past near the school, which is extremely dangerous given the location.

The council is giving consideration to putting bollards along each side of the road on the green leading up to the school and on the corners onto main street. We have tried to put temporary netting up in previous years which does help but we acknowledge doesn't look nice on our fantastic green.

Any thoughts from people in the village are welcome - it is only under consideration at the moment so all views are welcome but we do plan on doing something sooner rather than later, have your say on what it will look like!

## LOVE IN A SHOEBOX

For many years the churches in Hutton Cranswick have supported the Jacob's Well Charity in Beverley by filling shoe-boxes (or a similar size) for children and young people who have so little to call their own. Please put a list of contents on the outside of the box, and say whether it's for a boy or girl with an approximate age. We ask for a £1 coin on the outside of the box towards transport costs.

This year the boxes will be collected on **Sunday 3 December** at a joint service at St Peter's Church, at 10.45am. Boxes can also be left at St Peter's Church or at 59 Beech View during the week 27 November to 3 December.

**We are also collecting warm clothing, bedding and especially footwear—strong boots and shoes of all sizes—to go to UKRAINE, as they will be into a very harsh winter.**

**Remembrance Service  
on The Green**

As a whole group we attended the Remembrance Service on The Green where we remembered those who gave their life in service of our Country.

Beavers and Cubs had an exciting evening at Raywell Park Scout Activity where they climbed through a cave system in the cave bus, they shot at targets with air rifles, and then explored the low ropes course.

As a whole group we had a bonfire party near Watton with a large fire, a few fireworks, and a few sparklers each. Here they all enjoyed hot dogs and hot chocolate to keep warm as well.

With the recent wet weather the field was quite muddy and a few went home in cars sat on plastic bags!

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.
