Our Shop

Quality and taste of our products is very much a priority for us. We use local producers and suppliers where possible, to ensure fresh and sustainably sourced produce. We have a great selection of homemade pies and pastries as well as cheese and cooked meats on our deli counter.

Did you know? Every Friday this counter is stocked with a splendid range of homemade treats such as triple chocolate brownies, or perhaps a fresh fruit meringue. Every week is different!

The Bulletin

February 2024

Happy New Year!

We hope 2024 has started positively for you. We're back from our Christmas break, reenergised and ready to produce your new look village magazine.

In this issue you will find reports from our community groups, dates for your diary, an invitation to celebrate Pancake Day and raise funds for Marie Curie and MACMILLAN CANCER SUPPORT.

We have summarised the latest Parish Council minutes which you can also access online. We are always keen to publicise events and activities in the village so let us know what you are up to.

A warm welcome to Livingstone Motor Group at Broach Hill—we look forward to seeing you support our events.

Thank you,

Melvyn

Every time I look up and see the date of the school building proudly emblazoned in the brickwork I think "there is something very significant about 1874" and then I recall from school days that there was an Education Act in 1870 which for the very first time in our history made it obligatory for schools to

be provided for children between the ages of five and twelve.

Yes the very first time, and it is not that long ago!! Our primary school was therefore at the vanguard of this important development in our social history and we should be very proud of it.

The president opened the meeting on 9th January and wished everyone a happy new year and let members know about the committee meeting on 2nd January which included: the new events list for 2024; visits out; matters concerning the hall; Pig bingo on 27th January, 24th February and 23rd March. As the market starts in April the pig bingo will move to earlier in the month. Members were also reminded about the 4 resolutions which could be found in the December issue of the WI Magazine in support of the project by the WI Federation.

Our speaker was Stephen Rawdon giving an introduction to the Night Sky and Astral Photography.....a very amazing, in-depth, interesting subject. Stephen used humour

which went down very well and the members asked a lot of questions. Our competition was an item of sparkly jewellery.

Refreshments and a raffle concluded the evening.

Our next meeting is 13th February and will be the AGM and social evening. Visitors are always welcome.

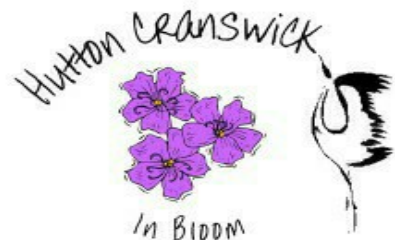

Happy New Year to everyone.

Yorkshire in Bloom

Entries for Yorkshire in Bloom 2024 need to be in with the RHS by 31st March 2024. Given our success in 2023 we will be entering again as a village in 2024.

Student help

Our village has again been offered help from students at Hymers College. This is scheduled for 12th June 2024. Last year the group of 10 worked on the station

borders – pruning, weeding and painting. This was enormously helpful as none of us is getting any younger!

Royal Horticultural Society (RHS) National Competition

As we were awarded Gold in the 2023 Yorkshire in Bloom competition, we accepted an invitation from the RHS to enter the village into the national competition in 2024. However, we were not selected this time round.

Volunteers most welcome. Please contact either Gina or Heather.

Walking back through Centenary Wood recently I heard the bells at St Peter's chiming for 11am. I don't know why, but it always feels good when you hear church bells ringing out. From the fifteenth century people have used church bells in daily life to mark the time to get up or go to school or work as well as to tell them when to hurry along to a church service. These days we may think there is little use for them, especially if we have smart watches and smart phones that can do so much more than just tell us the time. Yet church bells do more than just tell us the time of day. They are used to signify a birth, death or marriage, or a special event such as the Jubilee. These are the rhythms of life with which we will all be familiar.

How are your new year's resolutions going? Have you made any changes to your daily routine? By now we may be tempted to just carry on as we have done before because it

works for us. But maybe we would be better not to wait until an illness or a sudden change of circumstance's forces us to re-evaluate our life. We should make those changes now while we are able to do so.

Dear Father, give us the courage to make those changes in our lives that will not only help us to flourish but help those we care for and love as well.

Thank you for the opportunities you have given to us in the past and help us to look forward with anticipation to the future.

Amen.

HUTTON CRANSWICK PARISH COUNCIL
Extract from the minutes of the meeting held on
22 November, 2023.

23/262 East Riding Local Plan Update Examination Hearing 15th November 2023. As part of Matter 13 (Allocations in Rural Service Centres and Primary Villages) the Inspector agreed with the East Riding of Yorkshire Council's proposed modification to the allocation CRA-F in Hutton Cranswick (land to the south of Hobman Lane). The Inspector's report should be published by East Riding of Yorkshire in due course.

At the Hearing, the Inspector was informed that a planning application had been submitted in relation to CRA-F (21 /03827 /STPLF) and reference was made to a layout plan in way of explanation to the proposed modification to land described as buffer. The Case Officer was to be asked to confirm the status of the application.

23/263 National Joint Council for Local Government Services (NJC) Pay Scales — Resolved (a) to adopt the new pay scales for 2023-24 and (b) to notify Autela Payroll Services that the back pay was to be paid in even amounts over the remaining 4 months of the financial year ending March, 2024.

23/264 Planning Matters — The following decisions were noted:

23/02890/TCA: HUTTON CONSERVATION AREA Crown lift 1 No. (T1) Sycamore tree to 5m; Dismantle 1 No. Purple Leaved Maple (T2) to ground level; Crown lift 1 No. (T3) Mature Ash Tree to 6m; Crown lift 1 No. (T4) Silver Birch tree to 5m at 14 Orchard Lane, Hutton — Tree Works in Conservation Area — No Objections Raised.

23/02987 /TCA: HUTTON CRANSWICK CONSERVATION AREA - Fell 1 No. Cherry tree (T1) and Fell 1 No. Lime tree (T2), as the trees have outgrown location and are now damaging the wall and driveway at Greenlands, The Green, Hutton Cranswick— Tree Works in Conservation Area — No Objections Raised.

23/265 Planning Applications:

23/03028/PLF: Change of use of land for the siting of 4 glamping pods with hardstanding and associated works at Land South of Highfield Farm, Southburn Road, Hutton Cranswick — Full Planning Permission — Resolved — Not to object to the application.

23/03132/VAR: Variation of Condition 13 (approved plans) of planning permission 21 / 04678/VAR - Variation of condition 15 (approved plans) of planning permission 18/00455/PLF (Erection of 16 dwellings with associated garages and infrastructure), to allow change in garage design for plots 6,7 & 8 and attached garages for plots 10 & 11), to allow the increase of roof height over garage and installation of a window to rear for Plots 10 and 11 at Land and Buildings Rear of 99 Main Street, Hutton Cranswick — Variation to Condition — Resolved — Not to object to the application.

23/03463/TPO HUTTON VILLAGE - 1973 (REF 330) AL. HUTTON CONSERVATION AREA - Crown reduce 1 no. Sycamore tree to its main stem to leave as a monolithic structure, as the tree is very old and showing serious signs of decline and is becoming dangerous at St Peters Church, Church lane, Hutton — Works to Protected Trees — Resolved — Not to object to the application.

23/266 Representatives reports:

In Bloom — The group was still waiting to hear from the Yorkshire in Bloom Trustees whether or not the village had been selected for nomination to the 2024 national competition. Beverley Rotary Association had donated a large number of purple crocus bulbs, these would be spread around public areas. An online conference was to be hosted by Northern Rail in early December, 2023.

SRA — The SRA Committee meeting was later in the month.

Pond — The Nativity scene and lights would be put up by the end of November, 2023.

Village Show — In addition to the regular Craft and Produce Markets, two further fundraising events had been arranged: Christmas Bingo on the 8th December, 2023 and an Antique & Collectors Fair on the 29th April, 2024.

BT Kiosk, Cranswick — Cllr Sibley-Calder continued to make progress in refurbishing the kiosk.

The Bulletin — Sample copies of the proposed new A5 sized Bulletin commencing in February, 2024 had been shared with contributors and advertisers. Feedback had been extremely positive.

23/267 Play Area — The East Riding Minimum Operating Standards Certificate had been renewed.

23/268 Gatehouse Lake The Gatehouse Lake Angling Club had received the EA grant from the Fisheries Improvement Programme for its peg replacement programme. Due to the delay in receiving the grant the installation of the pegs had been moved back to March, 2024. It was Resolved to allow the Lake to be closed for the duration of the works.

23/269 Community Governance Review undertaken by East Riding of Yorkshire Council — There was no change to the arrangements for Hutton Cranswick. The proposal to reduce the number of parish councillors from 13 councillors down to 10 councillors was not recommended for approval.

23/270 Measures to protect the Green: Parking on The Green

As The Green was protected by the Commons Act of 2006 and the Byelaws for Cranswick Green, a decision on a request to make an adjustment to the current ownership and parking arrangements at some properties at the rear of The Green was deferred pending gaining a better understanding of the legal processes involved and consideration of any wider implications.

It was important to recognise that the ownership of an area of The Green and its registration as part of the village green are distinct from each other. If the Parish Council sold the land, as suggested, the land would still be registered as village green and nothing could be done on it that was contrary to the public's right to use it as village green.

In order for a new owner to have full rights to any part of The Green purchased from the Council, the area would have to be 'de-registered'. It would be necessary to make an application to the Planning Inspectorate.

In the Council's view, the possibility that vehicles would be parked on Southgate was minimal. The properties that ran along the rear of The Green had sufficient space within the curtilage of the property, or an Easement that allowed access over The Green for two vehicles to park. It was Resolved (a) not to sell any of The Green and (b) not to make any changes to existing Easements granted by the Council.

23/271 Centenary Wood — The large bird table had been damaged. It was uncertain whether this was vandalism or accidental. Cllr Mrs Simpson welcomed the prompt action taken by Trevor Eling to clear away a fallen tree that was blocking the main footpath in the Wood. An article to promote the Wood would be included in The Bulletin.

23/272 Garden Allotments Rent had been received from all but 2 tenants.

23/273 Community Speed Watch Group — The Community Speed Watch Coordinator at Humberside Police was to be requested to identify areas within the village where a speed survey could be conducted.

23/276 Community Safety: Flooding on Southgate: A site visit to investigate the flooding problems on Southgate was being arranged between East Riding of Yorkshire Council drainage engineers and Yorkshire Water.

23/278 The Bulletin — Topics for the next Edition: (a) Centenary Wood (Cllrs Alderton and Teare) (b) Traffic Issues on Howl Lane (Cllr Teare) and (c) The Precept (Cllr Thompson).

HUTTON CRANSWICK PARISH COUNCIL
Extract from the draft minutes of the meeting held on
20 December, 2023.

23/287 Local Precept Demand 2024-25 – East Riding of Yorkshire Council had confirmed the 2024-25 tax base for Hutton Cranswick Parish as 821.7 for Band D equivalent properties. In setting the Local Precept Demand, Councillors considered the assumed current account balance at 31st March, 2024, the financial burden on residents and the impact on Council's budgets, now and in the longer term. It was **Resolved** (a) to submit a Local Precept Demand of £38,500.00, for the financial year ending 31st March, 2025, to the East Riding of Yorkshire Council and (b) earmark £11,566.00 from reserves to support the 2024-25 budget.

23/288 Gatehouse Lake – The Club had made every effort to maintain the access track by filling in pot holes. However, the condition of the track close to the entrance of the Lake had deteriorated and was in a poor condition. It was **Resolved** to undertake repairs to the track in the sum of £1450.00. To allow safe working, the track would be closed while the work was carried out. The angling club had commenced phase 2 of the peg replacement programme. Steelwork had been fabricated. Installation of new pegs was to start in March, 2024. The final stage of the programme was planned for later in 2024.

23/289 Planning Matters – The following decision was noted:

(a) 23/03028/PLF: Change of use of land for the siting of 4 glamping pods with hardstanding and associated works at Land South of Highfield Farm, Southburn Road, Hutton Cranswick – Full Planning Permission - Permission Granted – 14 Conditions.

23/290 Planning Applications:

(a) 23/03603/PLF: Erection of single storey extension to side and rear, following demolition of garage to side at 2 Orchard Lane, Hutton – Full Planning Permission – **Resolved** – Not to object to the application.

(b) 23/03352/PLF: Construction of new vehicular access at Broach Hill Garage, Beverley Road, Hutton Cranswick – Full Planning Permission – **Resolved** – Not to object to the application.

23/291 Representatives reports: -

(a) In Bloom – Cllr Mrs Simpson reported that the group's application to be selected for nomination to the 2024 Britain in Bloom national competition had been unsuccessful.

(b) SRA – The outcome of an FA Pitch Power inspection classed all 3 of the football pitches as advanced.

Quotes were being gathered for internal alterations of the building to enlarge the hall and make improvements to the electrical system. A complete tidy up and general housekeeping of all areas had been undertaken.

The Build sub-committee had reviewed its strategy for procurement, funding and design and build sequencing for the development of the SRA building. A Business Plan was being drafted and several large organisations, with major projects in the area, had been consulted on potential grant funding. The Committee had planned a number of fund-raising activities over the coming 12 months.

(c) Pond – Some maintenance work had been completed. The remaining work, which required machines to travel on The Green, would be carried out when the condition of the ground improved.

23/292 Centenary Wood – A suggestion for some form of barrier to be installed to the approach of where the public footpath leads out of the Wood into the field was considered, but not taken forward.

23/293 Risk Register – **Resolved** to accept the Register and the Period Receipts Register. It was noted that as part of the improvements to the Council's Business Management, cloud back-up was to be adopted (Risk R1O13).

23/294 Tree Works at the SRA – The condition of the tennis courts was suffering from contamination of mould and moss coming from overhanging trees and hedges that border the courts. The SRA Committee had requested a contribution from the Parish Council towards costs of the cutting back of the trees. It was **Resolved** to grant £1200 towards the cost of the works.

23/296 Garden Allotments – There was one plot to let. Rent had been received from all but one tenant.

23/298 Community Safety:

(a) Flooding on Southgate: A site visit with East Riding of Yorkshire Council's (ERYC) drainage engineers and Yorkshire Water, to investigate the flooding problems on Southgate, was still to be arranged.

(b) Blocked drains on Howl Lane: ERYC had confirmed that the gullies had received their annual clean. However, due to the recent rainfall and the time of year, it was likely that these have possibly become blocked up again, the gully cleansing team had been requested to make a further visit. The system that runs down Howl Lane was not the responsibility of ERYC to maintain, as at one time this was a village drain, which over the years had been piped and altered, as that area had changed and as such was a riparian owned system, with ERYC only being responsible for the gullies and the leads, which are cleaned out annually.

However, in light of recurring issues, ERYC Highways Team had included Howl Lane in its Jetting and CCTV programme and plan to undertake a full investigation to determine the issues that are currently being experienced on Howl Lane, with consideration given to any repairs or improvements identified.

23/300 The Bulletin – Topics for the next Edition: the Topics had been agreed at the last meeting: (a) Centenary Wood (Cllrs Alderton and Teare), (b) Traffic Issues on Howl Lane (Cllr Teare) and (c) The Precept (Cllr Thompson).

(a) Parish Council budget: fund improvements to the footpath that runs from St. Peter's Church to Howl Lane. In 2018, East Riding of Yorkshire Council took back the responsibility for maintaining footpaths (Public Rights of Way) from all Parish Councils in the East Riding. Councillors had received a number of complaints about the condition of footpaths in the Parish. It was agreed to consider the state of footpaths at the next meeting, and footpaths would be a topic for a future edition of The Bulletin.

(b) Install metal posts and chains to discourage vehicles driving on The Green. The Council was considering options to protect The Green from damage by vehicles.

23/301 Meeting dates in 2024

Ordinary meetings: 24 January, 28 February, 27 March, 24 April, 15 May, 26 June, 24 July, August – no meeting, 25 September, 23 October, 27 November, 18 December. **Annual**

Gatehouse Lake is situated at the end of a private road off Rotsea Lane adjoining the SRA sports ground. The site is owned by Hutton Cranswick Parish Council. The fishing lake is looked after by the Angling Club .

There is public access available at the lake. During prolonged wet periods the access road suffers from water run off from the railway embankment. Worst area is the last 200 yards before you enter the car park to the

Lake. The net effect being to wash away areas of hard core material and create potholes. The Parish Council has

organised for the road way to be repaired. This work will take place in February. Access may be restricted during this period.

The Angling Club has been improving the facility at the Lake. Their current programme includes the repair and installation of better fishing pegs. **They propose to work over 2 weekends. These are 2/3 March and 9/10 March. During this time the Lake will be closed to the public.**

Centenary Wood

This attractive woodland stands on an area of land that was once a chalk quarry pit. Chalk from the pit was used by local farmers and in the construction of the East Coast Railway line in the 1840s.

Once quarrying ended, the area became an ideal site for a commercial tip. In the 1970s the 3½ acres of land were bought by Hutton Cranswick Parish Council. A plan was formed to establish a woodland for local people to enjoy celebrating 100 years of the Parish Council. Thanks to a grant from FWAG (Farming & Wildlife Advisory Group), work on creating Centenary Wood began in 1995.

Over the years, Village in Bloom members planted daffodils, bluebells, snowdrops and other wildflowers in the wood. Our village scout group has built and installed nestboxes. New footpaths and seating areas have been established.

This wood, planted for the enjoyment of all, should continue to be a pleasant place to visit. Local school children, scouting and guiding groups spend time in the wood for nature study.

In 2023 Yorkshire Wolds Community Choir **raised £3196 for local charities and good causes.** These included: Marie Curie, Wolds Hedgehog Rescue, Driffeld & Wolds Foodbank. This brings the total monies raised by the choir over the last 12 years to £25 118.

In 2024 we will endeavour to raise an equally impressive sum of money for Dove House Hospice and The Dwarf Sports Association

How do we do this? Well, we have FUN singing at our weekly rehearsals and we perform at local venues. We have an extensive and eclectic repertoire, and we are always adding new song choices. Coming up this year we have: A Million Dreams from The Greatest Showman, Fix You by Cold Play and Rock Around The Clock.

Our weekly rehearsals take place at Hutton Cranswick SRA Rotsea Lane YO25 9ES, they cost just £2.50, and you only pay for the weeks that you can attend.

Do YOU enjoy singing?

Do YOU have a desire to raise money for charity?

Are you available on Monday evenings between 7:30pm and 9:00pm?

If YES then please do get in touch, we would love for you to join us!

People across Hull and East Yorkshire can now have their say on devolution proposals for the region.

ERYC, along with Hull City Council, have launched an eight-week consultation on the proposal to create a Hull and East Yorkshire Mayoral Combined Authority (MCA), led by a directly elected mayor.

The leaders of both councils are urging all residents, businesses and other organisations to read the proposal and give their feedback.

From now until 27 February, people can read the devolution proposal and give their feedback on each part of the deal at heydevolution.com

Residents can also visit any East Riding library, or any Hull library or customer service centre, where they can get help completing the survey using a computer or completing the questionnaire on paper.

There will also be a series of drop-in events across the region, where people will be able find out more about the devolution proposal. Dates, locations, and times for these will be announced at: <https://www.eastriding.gov.uk/council/devolution/> [Devolution\(eastriding.gov.uk\)](http://Devolution(eastriding.gov.uk)) The Hull and East Yorkshire MCA would have powers to invest in areas such as transport, skills and housing, as well as an additional £400m of devolved funding over the next 30 years to invest in local priorities.

A combined authority for East Yorkshire does not mean the two councils would merge, only that they would collaborate on certain issues that affect everyone in the region.

The councils and the delivery of day-to-day responsibilities would remain separate, and local services would not be affected.

Victorian Workhouses

Who lived in a Workhouse?

Once at the workhouse they would be bathed, examined by the medical officer, and issued with a uniform, then sent to the Receiving or Probationary Ward. A pauper would also be placed in a "class" according to their gender, status and age. Families were also often segregated between female and male wards.

What did they eat in a workhouse?

Often children in the workhouse would be given a separate diet. In Hereford Workhouse in January 1838 children aged 5-9 were given 8oz bread, 4oz of meat and 1oz of cheese per day. Children aged 1-5; 7oz of bread, 3oz of meat and 1oz of cheeses and children under 1 had 6oz of bread supplemented with milk.

What were their jobs in the workhouses?

Once an individual had entered the workhouse they would be given a uniform to be worn for the entirety of their stay. The inmates were prohibited from talking to one another and were expected to work long hours doing manual labour such as cleaning, cooking and machinery.

What were Victorian Workhouses?

Workhouses where large buildings were poor people who had no home or job lived. People

would do jobs around the workhouse in order to stay there to have a roof over their heads. As well as the poor orphaned children, the sick, disabled, elderly and unmarried mothers were also usually sent to the workhouse. After being assessed the paupers were separated and allocated to the appropriate ward for their category: boys under 14, able-bodied men between 14 and 60, men over 60, girls under 14, able-bodied women between 14 and 60, and women over 60.

What did they wear in the workhouses?

The workhouse uniforms. Firstly they would be extremely poor and possibly be dressed in rags when they entered in the workhouse. So, they needed to be issued with new clothes which were not only warm but hardwearing too.

Feedback

Hutton Cranswick- Howl Lane - road safety

The Parish Council forwarded a resident's concerns regarding vehicle speeds and signage on Howl Lane, Hutton to ERYC Traffic management. Here is the reply received.

East Riding of Yorkshire Council allocate speed limits in line with directions from central government. These decisions are based on many factors including the type of road, engineering, geometry, safety history and other issues such as how built up the area and presence of street lighting. This is to ensure the speed limit is easily recognised and corresponds with similar roads nationwide.

Howl Lane meets the guidance to be a 30mph speed limit, and for this reason we would not consider lowering the speed limit on Howl Lane at this time.

We have also reviewed the collision data for Howl Lane, which shows no collisions in the last 5 years therefore Howl Lane has an excellent road safety record. This further supports the existing speed limit and shows the 30mph limit is suitable for the area.

In relation to placing extra signs, presumably to indicate 30mph speed limit, Howl Lane is a 30mph speed limit by virtue of streetlights and where a 30mph speed limit is in place by virtue of streetlighting we are not permitted to place any speed limit repeater signs.

See also Page 16 Parish Council minute reporting on the gullies in Howl Lane.

Hutton Cranswick Parish Council

At the December council meeting, the precept (the amount the parish council levies from residents in the village via your council tax bill)

was set with an increase of just over 4%. A Band D ratepayer will pay around £47 per year to the parish council. The following budget data shows how this is used to fund activities in the village. These are just some examples of where your money is spent, there are other areas such as small donations to village groups, electricity bills, the bus shelters and war memorial that make up this amount but as a council we hope that people see value for money in the way the precept is spent.

£3.17 toward the SRA,	£3.91 toward
£3.09 toward the	establishment (Hall
upkeep of the Play	hire, insurance, legal
area,	expenses, audit fees).
£2.54 toward the	95p toward

Bloom team,	Wood and
£2.03 toward the	£2.14 toward grass
upkeep of parish	cutting on the Green.
property (benches,	
bins etc),	

We are lucky in this village that whilst we use the precept to pay for things, our total budget for 2024/25 is around £74,000. The precept will make up £38,500 and the rest is covered by the rental income from the farming allotments and reserves if needed by the council.

If anyone would like to make other suggestions or has any more questions about how we set our budget, please get in touch with the clerk or come along to a council meeting where we have a public participation slot early on, usually around 7.10 pm.

New Build Open Event

The SRA is very keen to realise its dream of a new building that will function as a community hall for village and charity events and also accommodate some indoor sporting activities that are not possible in the current building.

We will be holding an open event on Saturday 2nd March at 14.00 to present our ideas and to hear what you would like to see in the proposed new building. We would particularly like to talk to everyone who contributed to the Brick Appeal.

We do need to have input from local residents if the building is to become a reality and if it is to meet the needs of the village and enhance the life of the community, so please do come. More details will be published on social media nearer the time.

Booking the SRA Hall

The SRA Hall is a great venue for birthday parties and other celebrations. There are reduced rates for Hutton Cranswick residents and a staffed bar may be available. For further details, please go to the hall booking information page on the Hutton Cranswick website:
