# The Bulletin

April 2024

## Springtime is here!

The chitted potatoes are ready to be planted out, always traditionally on Good Friday. Seeds have been sown and with better weather we are looking forward to a good year in the vegetable garden.

The Pancake Day event raised over £1000 for Macmillan Cancer Support and Marie Curie. Thanks go to the helpers and supporters which includes Bradshaws who kindly donated the flour. We were also able to get local children involved in a pancake relay race.

There are many events on in the village and we see the return of the Craft and Produce Market at the end of the month. There is also an Antique and Collectors Fair at Foreman's Showroom. More detail on all events ( known to us) are in Dates for Your Diary on pages 4 and 5. Please keep us informed of your events.

The new size Bulletin is proving very popular and we have had good feedback on our new format. Contributions are always welcome.

Thank you  
Melvyn

## “A great exhibition—talented artists”

Over 180 visitors to the Group's 2<sup>nd</sup> Annual Exhibition on 16-18 February were not disappointed, according to the remarks written in the Comments Book. These were a few examples - *“A great exhibition, all very different, thank you, well done.”* *“Very fortunate to have so many talented artists in the area, extremely impressive.”* *“I visited last year and the quality of the art has improved 100%, as good as any gallery.”*

Nineteen artists from the Group exhibited 130 pieces of artwork of various media plus cards from original paintings, quiz sheets and jewellery. The best voted painting was *Fisher King* by Louisa Endersby but sadly not for sale. Sold paintings totalled nineteen, six of which were painted by Suzanne Price. The two donated raffle prizes, *Proud Pansies* in acrylic was won by Angela Bromley of Hutton and Rob Lyon of Cranswick won *Images* a pen and ink drawing. The variety of cakes, tea and coffee was an enjoyable and sociable interlude for those attending the exhibition.

Many local groups use the church hall and the Art Group was delighted to hand over a cheque for £631 to Hutton Cranswick Methodist Church. This amount was specifically earmarked for their Renovation Fund for the Hall and Chapel which will benefit all who use the premises.

The Art Group would like to express their sincere gratitude to all those who supported the event this year by their attendance, donations, and purchases.

Our Open Day is on 23 March 2.00-4.00pm so please call in and see how the Group works. You may even want to join us.

### Spring clean

Whilst doing a spring clean recently, we came across a handmade pillowcase. It had been made by my wife's grandmother, Elsie, who was a staunch Methodist. She had made it from a worn out bedsheet. When the pillowcases wore out, she then made them into handkerchiefs. Nowadays, many people would just throw away a worn out sheet and buy a new one, or even if it was reused in some way, it would be something more plain and simple to save time and effort. Neither of these options were taken by Elsie.

I was amazed, not just by her ingenuity, but also by the care she had put into making them. The stitching was immaculate with pulled thread work on the pillowcase and handmade lace around the handkerchief.

When we feel worn out and exhausted by life's problems, there will be solutions, we just need to think creatively to find them.

Are you struggling with an unanswered prayer? Could it be that the answer is already there, but you just can't see it yet? When we pray sincerely God will hear us and give us the answer we need.

Matthew 7:7 says:

***"Ask and it will be given you, seek and you will find, knock and the door will be opened to you"***

*Dear God, we thank you for the answers we have had to our prayers even when it has not been in the way we expected or had hoped. Help us to trust you even when we feel you are not listening, not giving us what we want, when we want it. Help us to be patient and wait on your perfect timing.*

*Amen*

Pastor John

## Book Club

Unfortunately, I was unable to attend the

meeting in February but the group reported back to me. The book discussed was *A Life Without Water* by Marci Bolden. The members who read it but could not attend scored the book quite highly but those that did attend hated it. The title seemed irrelevant with a depressing storyline and unsympathetic characters. No surprise then that it only scored 3 out of 10. However, there was a lively discussion on ashes and what to do with them. The book chosen for 26 March is *The Keeper of Lost Things* by Ruth Hogan and for April 30 is *The Nine* by Gwen Strauss.

If you would like to read either book and come along and give your views you would be very welcome. We meet at 7.15pm in the front room of the White Horse in Cranswick.

## Classic & Sports Car Rally

**Sunday 21 April 2024**  
 based at, and in aid of  
 Hutton Cranswick S.R.A.

In the past, the event has attracted about 50 classic and sports cars.

Cars assemble from 10am, then [having completed a road run to Spurn Point] return from about 3pm.

The cars will be on display to the general public and refreshments will be available. Spectators are welcome.

**Extract from the draft minutes of the meeting held on 28 February, 2024.**

**24/031 Public Participation** – Philip Shields, a member of The Bulletin team, informed the Council that the new arrangements and format for The Bulletin had been a complete success, with the team receiving positive feedback from residents and advertisers. Copies of The Bulletin had been placed in venues and businesses in the village which had proved very popular. The continued financial support from the parish council was essential and greatly appreciated and had kept the Bulletin in a sound financial position at this time of change. The team continued to closely manage and monitor its budget. Any future request for financial support would include the provision of detailed accounts and a financial plan.

**24/033 Asset Register – Resolved – To** approve the review of the Asset Register. The Chairman thanked Cllr Mrs Simpson for providing a report on the condition of street furniture and the bus shelters. The clerk was to obtain a quote for the work identified in the report.

**24/035 Planning Matters** – The following decision was noted:

**(a) 23/02074/PLF:** Erection of a building and construction of car parks and service area for use for the repair and maintenance of coaches, buses and commercial vehicles with a PSV operating centre and an authorised test facility for commercial vehicles, including installation of fuel pumps, erection of 2m high palisade fencing and gates and excavation of surface water balancing pond at Land North West of The Tower, Cranswick Industrial Estate. Full Planning Permission – Granted 6 Conditions.

**24/036 Planning Applications:**

**(a) 23/03922/PLF:** Installation of external wall insulation and render on all elevations at Chestnut View, 9 Southgate. Full Planning Permission - Not to object to the application.

**(b) 24/00388/PLF:** Erection of building for use as offices with attached workshop, warehouse and associated infrastructure at Land West of Cranswick Caravan Storage Limited, Cranswick Industrial Estate. Full Planning Permission – The Council agreed not to object to the application, but suggested that consideration be given to the installation of electric charging points as part of the project.

**24/037 Representatives reports:**

**(a) In Bloom** – Cllr Mrs Simpson had previously circulated the Annual Report from the Village In Bloom group. The Chairman congratulated the group on its success in 2023. The work at the Station was to be entered in the new Judging Category (C9). A working party for overall work at the Station was planned in April. The area at the entrance to the SRA had been refurbished. The Scout group was to litter pick on The Green on evenings in April and May. The group was to have a stall at the SRA Summerfest to raise awareness of its activities and invite new volunteers to join the group. A plant swap was planned for perennials.

**(b) SRA** – At an Open event on the 2<sup>nd</sup> March, 2024, the Committee would present its five-year plan and give local people an opportunity to have a say on how to develop the SRA.

Despite the harsh weather most fixtures went ahead. Refreshments had been sold at matches as a further opportunity to raise funds. The removal of an internal wall to create more space in the hall was due to start. The recent 'Mr & Mrs' event was very successful. The next fundraising event was Southgate and Friends on 16<sup>th</sup> March, 2024. The Committee was updating all its policies.

**(c) Pond** – The lights on the island would be turned off at the end of the month.

**24/038 SRA** – A request for an annual grant from the SRA Committee had been made and although supported by the Council, the request lacked detail. Cllr Mrs Simpson would ensure the Council was sent a copy of the Committee's latest accounts and that any future requests for financial support to the Council was more of a formal report including a financial plan of how funding was to be used. It was **Resolved** – To grant the request from the SRA Committee and provide £5000.00 towards the maintenance at the SRA.

**24/039 Bulletin – Resolved** – To grant the request from the Bulletin Team for £4000.00 towards the financing of the 2024 Bulletin.

**24/040 Village in Bloom – Resolved** – To grant the request from the In-Bloom Team for a grant of £1,500.00.

**24/041 Play Area** – Cllr Thompson reported that the proposal to replace the cantilever basket swing with a Titan carousel was not practically feasible. Other alternative play equipment was to be considered.

**24/042 Gatehouse Lake** – The repairs to the access road had been completed. The damage to some of the areas had become worse since the original inspection and some additional areas had deteriorated. It was noted that additional materials and time was required to complete the works.

**24/043 Seating** – A resident had suggested the use of the grassed area at the junction of Beech View and Laburnum Avenue be an area where a seat could be placed, on the occasion that the parish council received a request from a bereaved family to leave something for the village in memory of their loved one. The parish council supported the idea, however, permission would need to be sought from East Riding of Yorkshire Council. A suggestion to locate a seat close to the crossroads at Megginson's Turnpike and Rotsea Lane was to be explored.

**24/045 Garden Allotments** – There was one plot to let. Rent had been received from all tenants. It was **Resolved** to accept the Pest Control arrangements proposed by East Riding of Yorkshire Council for the period ending 31<sup>st</sup> March, 2025 at a cost of £255.12.

**24/046 Driffield School's Twilight Bus Service – Resolved** – That £500 be granted to the Driffield School's Twilight Bus Scheme.

**24/047 Website Maintenance and Support for 2024 – Resolved** – To extend the maintenance support agreement, as presented, at a cost of £1133.00.

**24/048 East Riding Playing Pitch Strategy Consultation** – With the support of Sport England, East Riding of Yorkshire Council was to develop a new Playing Pitch Strategy for the East Riding. The Clerk had consulted the SRA and the Bowls Club and was to complete the survey with details of the facilities in Hutton Cranswick.

**24/049 The Green** – It was agreed to consider providing more no car parking signs on the Green. Cllr Thompson was meeting officers from East Riding of Yorkshire Council to consider other measures to protect the Green.

**24/050 Busking Event on The Green** – Cllr Sibley-Calder was to present a proposal to a future meeting.

## 24/053 Questions for Ward Councillors

(a) Cllr Dewhirst was to press for the proposed site visit to Southgate by Yorkshire Water and East Riding of Yorkshire Council to consider measures to alleviate the discharge of sewage and flooding.

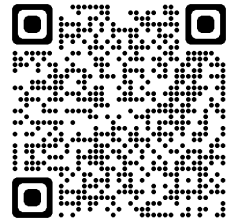

(b) Cllr Dewhirst was to provide details of proposed maintenance/improvement work in and around Hutton Cranswick included in the 2024-25 Public Rights of Way (footpath) programme.

(c) Cllr Dewhirst agreed to provide the clerk with details of East Riding of Yorkshire Council's new 'open door service' system of communicating repairs to the Council.

**24/055 The Bulletin** – Topics for the next Edition: (a) Litter (Cllr Mrs Simpson), (b) Car parking signage on The Green (Cllr Alderton) and (c) Seating (Cllr Teare).

**24/056 Next Meeting** – 27<sup>th</sup> March 2024 at the WI Hall, Main Street, Cranswick.

## Coming Soon - Wellness and Positivity Café at the SRA

Hi I'm Lynn, a semi-retired mental health nurse living in the village. I have had my own therapy and teaching practice for around 20 years which includes hypnotherapy, NLP, EFT, Eye Movement Therapy, Reflexology and Reiki.

In terms of hypnotherapy and my other talking treatments, the most common reason people come to see me is for anxiety related issues. Although each person's circumstances are different, there are a number of self-help tools and techniques that I teach to the vast majority of my clients. These can also be taught in a group setting, making it much more affordable to access, than one to one work.

So, I have decided to **trial a wellness and positivity café** starting in May at the SRA on the **second Monday morning** of the month and the **fourth Wednesday evening**.

Sessions will last for 2 hours with time for a tea/coffee and socialising, but the main focus will be on me sharing information and teaching you techniques that include mindfulness, self-hypnosis, basic EFT, NLP exercises, simple meditation (this does not require you to sit cross legged and chant!), and other methods of relaxation.

The overall aim is to promote good mental health and resilience, have some fun and come away feeling more positive with some tools you can use for yourself. I am offering everyone their first session for free, so why not come along and give it a try? (booking essential)

If you would like to find out more or book a place, please feel free to email me at [info@lynnmarshall.co.uk](mailto:info@lynnmarshall.co.uk) or give me a call on 07851570447

GOOD ACCESS AND PARKING

With all the very heavy spring rain, the grassy areas of The Green have become very soft and muddy. Sadly, several car drivers have recently chosen to either park on the grass, or take short cuts across it with not unexpected results. The job of repairing the damage to The Green falls to the Parish Council which means that the costs incurred are ultimately borne by every council taxpayer in Hutton Cranswick, money that could be better spent on more worthy items like the Children's play area or Centenary Wood.

If you are one of the offenders, or know who they are, point out who pays the price for their selfish or careless actions. The Parish Council, for its part, will be considering increasing the number of 'No Parking' signs and their locations in the hope that drivers take note and drive and park their vehicles on the roads only. ## Treasure Hunt Booklet on sale

The 16-page booklet includes a range of activities for all to complete in the week up to Easter weekend. Many of the challenges were created by Lynda and David Ingham. Advice was given by Ian Lidster, Scout Leader and Emma Skipp, Guiding Leader in the village. The majority of the village photos were supplied by Richard Alderton. The booklet is supported by Livingstone Motor Group and J. H. Foreman Ltd.

The village show group, who created the booklet, gifted copies to the following groups to sell; Scouting, Guiding, Churches Together, FOTS and the SRA. All proceeds from their sale will benefit these groups. Further copies are also available from Foreman's Showroom.

Answers to the challenges will be on display at Foreman's Showroom on Saturday, March 30 from 11am until 3.00pm. Refreshments are also available.

## INSPIRING WOMEN

Hutton Cranswick WI member Val Thompson showing off her fantastic baking skills.

The AGM took place on Tuesday 13th February where our president, Chris Davidson was elected. Joining her are Secretary Lynne Thompson and Treasurer Chris Wright.

The committee meeting of March 5th saw the allocation of roles and responsibilities of the new committee, with the focus on continuing our fundraising efforts for the benefit of our members and the upkeep of the WI hall.

Our next meeting takes place on April 9th, where our speaker is Mark Sullivan, a Yeoman of the Guard, who will share his experiences of a career in the oldest military corps still in existence. It promises to be an entertaining evening!

Visitors are always welcome! Pop along on the second Tuesday of every month. Meetings start at 7:15pm in the WI hall on Main Street.

The WI is a unique organisation shaped by its members. In 1915, we set out to give women a voice and to be a force for good in the community. Today, we are the largest women's organisation in the UK. We campaign nationally on a wide range of issues and provide life-long learning and self-development opportunities for women.

## Stories by Year 2 Pupils

### Uni and the baby unicorns

A long time ago, in a faraway land called Unicornland lived a unicorn called Uni. Uni was pink, cute and sparkly. Uni stood on top of her big, colourful rainbow. Unfortunately, everyone was afraid of Uni and didn't want to play with her. This made her feel lonely and sad.

One Saturday, Uni was sleeping on her rainbow when she heard a loud commotion nearby. People were shouting and running around. Slowly Uni walked towards the edge of her rainbow. She saw lots of rainbows, shiny and green-eyed baby unicorns flying in the sky. Suddenly, the baby unicorns started making really loud fireworks with their horns near the people and they started to run away. How scary it was!

### Danny and the baby Dinosaurs

A long time ago, in a far away land called Bone Land lived a Dinosaur called Danny. Danny was purple, spiky and fierce. His eyes glowed red in his deep dark cave. Nobody wanted to play with him. This made him feel lonely and sad.

One Friday he was sleeping in his cave when he heard a loud commotion nearby, people were shouting and running away. Slowly Danny crept to the edge of the cave. He saw small, purple and scary little baby Dinosaur's stomping around. How scary it was! Suddenly the baby Dinosaur's started to stomp on to the village. Danny didn't know what to do so he stomped over to a man. What shall I do leave this place shouted the man who then

Uni didn't know what to do so she walked over to a man. What shall I do? Shouted Uni. Go away leave this place! Who then ran away. Uni realised that the man ran away because he was afraid of her.

Suddenly, the baby unicorns started making really loud fireworks with their horns. Bravely, Uni flew towards the baby unicorns and scooped them up with her little hooves and took them back to their home far away. A few months later Uni slid down her rainbow to see the people. She greeted them with a big bright smile. They weren't afraid of her anymore because she had saved them. Then, everyday the people played with her all the time and they lived happily ever after.

ran away. Danny realised the man ran away because he was afraid of him. Suddenly the baby Dinosaur's started to breathe fire on to the village. Bravely Danny crept to the baby Dinosaur's and caught them in his enormous claws and took them to their home far away.

Everybody cheered Danny and thanked him.

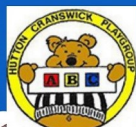

One month Danny went to visit the village and greeted the people with a big smile and they lived happily ever after.

**NO EXCUSE!!**

As a regular bus user it drives me mad to see the state of the bus shelters both outside the Farm Shop, adjacent to Hobman Lane and on either side of the main road near Jenkinson Lane. There is **NO EXCUSE** for the disgusting state that these have been left in recently ... **ALL** the shelters have perfectly adequate Litter Bins within a metre or so (emptied regularly!). All shelters have been completely cleared of litter and leaves as of the end of February so please will everyone make a special effort to maintain them in a decent state for all who use them - thank you in anticipation! ### New Build Update

The Open Meeting on 2<sup>nd</sup> March to discuss the SRA's plans for its new building was very well attended – many thanks to all who came. The Chair of the Association, Fiona Bone, and the Chair of the New Build Subcommittee, Haz Bone, gave details of a five-year plan which it is hoped will see the new building become a reality.

The first phase of this started last year and will finish by September 2025. It involves the maintenance and redevelopment of the existing building so it provides the best possible facility for the village and also maximises income that can be used towards the new building. So far this has meant some essential repairs and electrical safety work and also the refurbishment and extension of the kitchen and the existing hall. A series of fundraising events is currently underway to meet these costs. These events are proving both popular and enjoyable, so please do come along!

Alongside the work on the existing hall, which will eventually be joined on to the new building and continue to be a useful asset, we are finalising the plans for the new build to ensure it meets the community's needs and seeking revised costings, which have unfortunately increased significantly since the pandemic.

Phase Two of the project will see further efforts to obtain grants and other sources of funding and, hopefully, the construction of the new building. We do need to make it clear that if the cost turns out to be unrealistic, the SRA will need to either scale down its plans or focus on further developing the existing hall. Should this be the case, we will use any funds already raised to accomplish this, including donations to the original Brick Appeal – these would be

recognised as closely as possible to the original plan. The SRA is willing to refund any donations if donors are not in agreement with this.

The new building will provide a much larger space for social and community events, a well-equipped venue for music and drama and a hall for indoor sports that are currently not practicable. We are grateful to the Parish Council for the help and support they have given us so far and would welcome help from as many people as possible in the community. You can do this by becoming a Friend of the SRA and join the team that helps us out with our social and fundraising events. For more details please contact Fiona Bone using the SRA email: [huttoncranswicksra@outlook.com](mailto:huttoncranswicksra@outlook.com).

The next social event is our race night:
